#### ADMINISTRATION OF COLLECTIVE AGREEMENT

1. Under the terms of an agreement reached between the President of the Treasury Board and the Public Service Alliance of Canada (the Alliance) in July, 1985, the parties agreed to a two-tier system of bargaining to apply to all members of Alliance bargaining units for which the Treasury Board represents the Employer.
2. The first tier will consist of a single Master Agreement having its own expiry date, to be negotiated for all Alliance bargaining units and will incorporate terms and conditions of employment not included in matters to be negotiated at the second tier.
3. The second tier will consist of individual and separate collective agreements (Group Specific collective agreements) to be negotiated with each of the bargaining units with each having its own expiry date as negotiated by the parties.
4. The attached Group Specific collective agreements signed on September 18, 1986 reflect certain terms and conditions of employment that have been agreed to at the second tier as a result of negotiations between the Treasury Board of Canada and the Public Service Alliance of Canada on behalf of employees in the General Technical, Social Science Support and the Technical Inspection bargaining units.
5. The articles and clauses identified in these Group Specific collective agreements replace and supersede certain articles and clauses in the General Technical, Social Science Support and Technical Inspection collective agreements signed between the Alliance and the Employer on May 22, 1982 which were extended by the

Public Sector Compensation Restraint Act and which expired on December 21, 1984. Except for those articles and clauses which are replaced and superseded by the Group Specific collective agreements, all remaining articles and clauses of the expired collective agreements shall remain in force until such time as a Master Agreement is signed. Until a Master Agreement is signed, it will be both the General Technical, Social Science Support and Technical Inspection Group Specific agreements and the expired collective agreement which will represent terms and conditions of employment for the General Technical, Social Science Support and Technical Inspection bargaining units.

6. Consequently the attached Group Specific collective agreements must be retained with the expired collective agreements until a Master Agreement is signed at which time the expired collective agreement will cease to have application. Upon signing of a Master Agreement, it will be the attached General Technical, Social Science Support and Technic, Inspection Group Specific collective agreements in conjunction with the Master Agreement which will represent terms and conditions of employment for the General Technical, Social Science Support and Technical Inspection bargaining units.

22.01 Hours of Work

- (a) Except as provided for in clause 22.03 the normal work week shall be thirty-seven and one-half (37½) hours exclusive of lunch periods, comprising five (5) days of seven

34/796

and one-half (74) hours each, Monday through Friday. The work day shall be scheduled to fall within a nine (9) hour period between the hours of 6 a.m. and 6 p.m., unless otherwise agreed in consultation between the Alliance and the Employer at the appropriate level.

 (b) Subject to operational requirements as determined from time to time by the Employer, an employee shall have the right to select and request flexible hours between 6 a.m. and 6 p.m.

\* (c) (i) Notwithstanding the provisions of this article, upon request of an employee and the concurrence of his Employer, an employee may complete his weekly hours of employment in a period other than five (5) full days provided that over a period of twenty-eight (28) calendar days the employee works an average of thirty-seven and one-half ( $37\frac{1}{2}$ ) hours per week. As part of the provisions of this clause, attendance reporting shall be mutually agreed between the employee and the Employer. In every twenty-eight-day (28) period such an employee shall be granted days of rest on such days as are not scheduled as a normal workday for him.

(ii) Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.

**\*\* 22.02** Employees covered by sub-clause 22.01(c) shall be subject to the variable hours of work provisions established in the Master Agreement.

  - (i) not to schedule the commencement of a shift within eight (8) hours of the completion of the employee's previous shift;
  - (ii) to avoid excessive fluctuations in hours of work;
  - (iii) to consider the wishes of the majority of employees concerned in the arrangement of shifts within a shift schedule;
  - (iv) to arrange shifts over a period of time not exceeding fifty-six (56) days and to post schedules at least fourteen (14) days in advance of the starting date of the new schedule;
  - (v) to grant an employee a minimum of two (2) consecutive days of rest.
- (c) The Employer shall make every reasonable effort to schedule a meal break of one-half ( $\frac{1}{2}$ ) hour during each full shift which shall not constitute part of the work period. Such meal break shall be scheduled as close as possible to the midpoint of the shift, unless

an alternate arrangement is agreed to at the appropriate level between the Employer and the employee. If an employee is not given a meal break scheduled in advance, all time from the commencement to the termination of his full shift shall be deemed time worked.

\*\* (d) Where an employee's scheduled shift does not commence and end on the same day, such shift shall be considered for all purposes to have been entirely worked:

(a) on the day it commenced where half or more of the hours worked fall on that day,

or

(b) on the day it terminates where more than half of the hours worked fall on that day.

Accordingly, the first day of rest will be considered to start immediately after midnight of the calendar day on which the employee worked or is considered to have worked his last scheduled shift; and the second day of rest will start immediately after midnight of the employee's first day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

#### GENERAL

22.04 An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.

22.05 The Employer agrees that, before a schedule of working hours is changed, the change will be discussed with the appropriate representative of the Alliance, if the change will affect a majority of the employees governed by the schedule.

22.06 Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

22.07 If an employee is given less than seven (7) days' advance notice of a change in his shift schedule, he will receive a premium rate of time and one-half ( $1\frac{1}{2}$ ) for work performed on the first shift changed. Subsequent shifts worked on the new schedule shall be paid for at straight time. Such employee shall retain his previously scheduled days of rest next following the change or if worked, such days of rest shall be compensated in accordance with the overtime provisions of this Agreement.

22.08 Two (2) rest periods of fifteen (15) minutes each shall be scheduled during each normal day for non-operating employees. The Employer agrees, where operational requirements permit, to continue the present practice of providing rest periods for operating employees.

22.10 Assignment of Overtime Work

Subject to the operational requirements of the service, the Employer shall make every reasonable effort:

- (a) to allocate overtime work on an equitable basis among readily available, qualified employees,

- (b) Double (2) time for all hours of overtime worked in excess of seven and one-half ( $7\frac{1}{2}$ ) consecutive hours of overtime in any contiguous period, and for all hours worked on the second or subsequent day of rest. Second or subsequent day of rest means the second or subsequent day in an unbroken series of consecutive and contiguous calendar days of rest.

**22.13**

- (a) If an employee is given instructions before the beginning of his meal break or before the midpoint of his workday whichever is earlier, to work overtime on that day and reports for work at a time which is not contiguous to his work period, he shall be paid for the time actually worked, or a minimum of two (2) hours' pay at straight time, whichever is the greater.
- (b) If an employee is given instructions, after the midpoint of his workday or after the beginning of his meal break whichever is earlier, to work overtime on that day and reports for work at a time which is not contiguous to his work period, he shall be paid for the time actually worked, or a minimum of three (3) hours' pay at straight time, whichever is the greater.

- (c) Reasonable time with pay, to be determined by management, shall be allowed the employee in order that he may take a meal break either at or adjacent to his place of work.

- (b) The Employer shall grant compensatory leave at times convenient to both the employee and the Employer.

Such payment will be at the employee's hourly rate of pay as calculated from the classification prescribed in his certificate of appointment at the end of the twelve (12) month period.

22.16 The Employer will endeavour to make cash payment for overtime in the pay period following that in which the credits were earned.

22.17 When an employee is required to work either continuous or non-contiguous overtime, time spent by the employee reporting to or returning from work shall not constitute time worked.

22.18 Hours of Work and Overtime Applicable to  
Park Wardens

Hours of work and compensation for overtime for Park Wardens will be as follows:

- (d) Overtime shall be compensated in cash, except where, upon request of an employee and with the approval of the Employer, overtime may be compensated in equivalent leave with pay.
- (e) The Employer shall grant compensatory leave at times convenient to both the employee and the Employer.

APPENDIX "F"

MEMORANDUM OF AGREEMENT  
CONCERNING FISHERY OFFICERS  
Working on off-shore surveillance in  
THE DEPARTMENT OF FISHERIES AND OCEANS

Delete Appendix F from the collective agreement signed between the Alliance and the Employer on May 22, 1981, which was extended by the Public Sector Compensation Restraint Act and which expired on December 21, 1984 and replace by the following:

The Employer and the Public Service Alliance of Canada agree, for the term of the General Technical Agreement which expires on December 21, 1987, that Fishery Officers working on off-shore surveillance and employed with the Department of Fisheries and Oceans will work an average of nine and one-half (9½) hours per day while in a Surveillance Mode.

Surveillance Mode is defined as the period between the time at which a Fishery Officer on off-shore surveillance reports to his surveillance duty station and the time at which he leaves his surveillance duty station. Surveillance Mode may be terminated due to delays in departure or early return.

The normal overtime provisions of the General Technical Agreement will apply to these Officers with the following exceptions:

- (a) (i) Employees shall receive thirty-seven and one-half (37½) hours' pay at the straight-time rate per week while in a Surveillance Mode. All overtime earned and all compensation earned for work on a designated holiday shall accumulate as compensatory leave. The compensatory leave earned while in a

Surveillance Mode shall be liquidated immediately after their return from Surveillance Mode unless management deems this impractical due to operational requirements.

- (ii) Seventy-five (75) hours of compensatory leave shall be held in a bank to ensure that if an Officer is unable to make a scheduled trip and there is no other work available, he is eligible to request compensatory leave from his seventy-five (75)-hour bank.
- (iii) At the end of each fiscal year, all unliquidated compensatory leave in excess of seventy-five (75) hours shall be paid in cash at the straight-time rate of pay, in effect, on the day on which compensatory leave is granted.
- (b) In addition, if the vessel or aircraft does not depart as scheduled on a designated paid holiday or a day of rest, the reporting pay article of the Collective Agreement shall apply.
- (c) For the purpose of accumulation of paid leave, severance pay and in the application of Note 7 (pay increment periods) time spent by employees in Surveillance Mode shall be deemed to be seven and one-half ( $7\frac{1}{2}$ ) hours per day and/or thirty-seven and one-half ( $37\frac{1}{2}$ ) hours per week, as applicable.
- (d) When an employee works on a designated paid holiday while in a Surveillance Mode, he shall be compensated, in addition to the seven and one-half (7.5) hours' holiday pay he would have been granted had he not worked, at the rate of time and one-half ( $1\frac{1}{2}$ ) for a 17

scheduled hours worked and double (2) time for all hours worked in excess of the scheduled hours.

#### ARREST MODE

For the purposes of this Memorandum, "Arrest Mode" is defined as those situations where management has authorized a Fishery Officer on off-shore surveillance to remain on board a vessel for the purposes of maintaining continuity of evidence.

In Arrest Mode, the overtime provisions of sub-clauses 22.12 (a) and (b) will apply. In calculating the entitlement, all hours for that day will be a combination of hours in Surveillance Mode, nine point five (9.5) hours and Arrest Mode (all remaining hours).

For the purposes of calculating the rate of pay while in Arrest Mode, the regular nine point five (9.5)-hour day shall be deemed to have begun at 8:00 hours and would normally have ceased at 18:00 hours (with half ( $\frac{1}{2}$ ) hour for lunch). As such, where an Arrest Mode is authorized after 18:00 hours, the Officer would be compensated at time and one-half ( $1\frac{1}{2}$ ) his straight-time rate at the beginning of the Arrest Mode.

Once Arrest Mode is confirmed and payment at premium rates is in effect, the premium rate will remain in effect until Arrest Mode ceases. In a continuing Arrest Mode (two (2) or more days), the Surveillance Mode provisions will not apply for **those** days where Arrest Mode continues beyond 12:00 hours on that day.

Officers while in a Surveillance Mode or Arrest Mode shall be excluded from the following provisions of the GT Agreement.

### HOURS OF WORK AND OVERTIME

Delete Article 22 "Hours of Work and Overtime" (except for 22.09) and Appendix C-4 from the collective agreement signed between the Alliance and the Employer on May 22, 1981, which was extended by the Public Sector Compensation Restraint Act and which expired on December 21, 1984 and replace by the following:

#### 22.01 Hours of Work

- (a) Except as provided for in clause 22.03, the normal work week shall be thirty-seven and one-half (37½) hours exclusive of lunch periods, comprising five (5) days of seven and one-half (7½) hours each, Monday through Friday. The work day shall be scheduled to fall within a nine (9)-hour period between the hours of 6:00 a.m. and 6:00 p.m., unless otherwise agreed in consultation between the Alliance and the Employer at the appropriate level.
- \* (b) Subject to operational requirements as determined from time to time by the Employer, an employee shall have the right to select and request flexible hours between 6:00 a.m. and 6:00 p.m.
- \* (c) (i) Notwithstanding the provisions of this Article, upon request of an employee and the concurrence of his Employer, an employee may complete his weekly hours of employment in a period other than five (5) full days provided that

over a period of twenty-eight (28) calendar days the employee works an average of thirty-seven and one-half ( $37\frac{1}{2}$ ) hours per week. As part of the provisions of this clause, attendance reporting shall be mutually agreed between the employee and the Employer. In every twenty-eight (28) period such an employee shall be granted days of rest on such days as are not scheduled as a normal workday for him.

- (ii) Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.

**\*\*** 22.02 Employees covered by 22.01(c) shall be subject to the variable hours of work provisions established in the Master Agreement

22.03 **For** employees who work on a rotating or irregular basis:

- (a) Normal hours of work shall be scheduled so that employees work:
  - (i) an average of thirty-seven and one-half ( $37\frac{1}{2}$ ) hours per week and an average of five (5) days per week,
  - and either
  - (ii) seven and one-half ( $7\frac{1}{2}$ ) hours per day,
  - or

- (iii) an average of seven and one-half ( $7\frac{1}{2}$ ) hours per day where so agreed between the Employer and the majority of the employees affected.
- (b) Every reasonable effort shall be made by the Employer:
  - (i) not to schedule the commencement of a shift within eight (8) hours of the completion of the employee's previous shift;
  - (ii) to avoid excessive fluctuations in hours of work;
  - (iii) to consider the wishes of the majority of employees concerned in the arrangement of shifts within a shift schedule;
  - (iv) to arrange shifts over a period of time not exceeding fifty-six (56) days and to post schedules at least fourteen (14) days in advance of the starting date of the new schedule;
  - (v) to grant an employee a minimum of two (2) consecutive days of rest.
- (c) The Employer shall make every reasonable effort to schedule a meal break of one-half ( $\frac{1}{2}$ ) hour during each full shift which shall not constitute part of the work period. Such meal break shall be scheduled as close as possible to the midpoint of the shift, unless an alternate arrangement is agreed to at the appropriate level between the Employer and the employee. If an employee is not given a meal break scheduled in advance, all time from the commencement to the termination of his full shift shall be deemed time worked.

**\*\* (d)** Where an employee's scheduled shift does not commence and end on the same day, such shift shall be considered for all purposes to have been entirely worked:

(a) on the day **it** commenced where half or more of the hours worked fall on that day,

or

(b) on the day **it** terminates where more than half of the hours worked fall on that day.

Accordingly, the first day of rest will be considered to start immediately after midnight of the calendar day on which the employee worked or is considered to have worked his last scheduled shift; and the second day of rest will start immediately after midnight of the employee's first day of rest, or immediately after midnight of an intervening designated paid holiday **if** days of rest are separated thereby.

#### General

**22.04** An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.

**22.05** The Employer agrees that, before a schedule of working hours is changed, the change will be discussed with the appropriate representative of the Alliance, **if** the change will affect a majority of the employees governed **by** the schedule.

**22.06** Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts **if** there is no increase in cost to the Employer.

22.07 If an employee is given less than seven (7) days' advance notice of a change in his shift schedule, he will receive a premium rate of time and one-half ( $1\frac{1}{2}$ ) for work performed on the first shift changed. Subsequent shifts worked on the new schedule shall be paid for at straight time. Such employee shall retain his previously scheduled days of rest next following the change or if worked, such days of rest shall be compensated in accordance with the overtime provisions of this Agreement.

22.08 Two (2) rest periods of fifteen (15) minutes each shall be scheduled during each normal day for non-operating employees. The Employer agrees, where operational requirements permit, to continue the present practice of providing rest periods for operating employees.

22.10 Assignment of Overtime Work

Subject to the operational requirements of the service, the Employer shall make every reasonable effort:

- (a) to allocate overtime work on an equitable basis among readily available, qualified employees,
- and
- (b) to give employees who are required to work overtime adequate advance notice of this requirement.

22.11 The Alliance is entitled to consult the Deputy Minister or his representative whenever it is alleged that employees are required to work unreasonable amounts of overtime.

22.12 Overtime Compensation

*Each fifteen (15)-minute period of overtime shall be compensated for at the following rates:*

- (a) Time and one-half ( $1\frac{1}{2}$ ), except as provided for in clause 22.12 (b).
- (b) Double (2) time for all hours of overtime worked in excess of seven and one-half ( $7\frac{1}{2}$ ) consecutive hours of overtime in any contiguous period, and for all hours worked on the second or subsequent day of rest. Second or subsequent day of rest means the second or subsequent day in an unbroken series of consecutive and contiguous calendar days of rest.

## 22.13

- (a) If an employee is given instructions before the beginning of his meal break or before the midpoint of his workday whichever is earlier, to work overtime on that day and reports for work at a time which is not contiguous to his work period, he shall be paid for the time actually worked, or a minimum of two (2) hours' pay at straight time, whichever is the greater.

If an employee is given instructions, after the midpoint of his workday or after the beginning of his meal break whichever is earlier, to work overtime on that day and reports for work at a time which is not contiguous to his work period, he shall be paid for the time actually worked, or a minimum of three (3) hours' pay at straight time, whichever is the greater.

22.14 Meal Allowance

- \*\* (a) Effective the date of signing of the collective agreement, an employee who works three (3) or more hours of overtime immediately before or following his scheduled hours of work and who has not been notified of the requirement prior to the end of his last scheduled work period, shall be

reimbursed his expenses for one meal in the amount of five dollars (\$5.00) except where free meals are provided.

- \* (b) Effective the date of signing of the collective agreement, when an employee works overtime continuously extending four (4) hours or more beyond the period provided for in (a) above, he shall be reimbursed for one additional meal in the amount of four dollars (\$4.03) except where free meals are provided.
- (c) Reasonable time with pay, to be determined by management, shall be allowed the employee in order that he may take a meal break either at or adjacent to his place of work.
- (d) This clause shall not apply to an employee who is in travel status which entitles him to claim expenses for lodging and/or meals.

- (b) The Employer shall grant compensatory leave at times convenient to both the employee and the Employer. Compensatory leave with pay not used by the end of the twelve (12)-month period, to be determined by the Employer, will be paid for in cash. Such payment will be at the employee's hourly rate of pay as calculated from the classification prescribed in his certificate of appointment at the end of the twelve (12)-month period.

22.16 The Employer will endeavour to make cash payment for overtime in the pay period following that in which the credits were earned.

22.17 When an employee is required to work either continuous or non-contiguous overtime, time spent by the employee reporting to or returning from work shall not constitute time worked.
