ARTICLE V – GRIEVANCE PROCEDURE

5.01 The grievance procedures herein provided **for** are among the most important matters in the successful administration of this agreement. The Company and the Union therefore agree that the designated grievance procedure as hereinafter set forth shall serve as and constitute the sole and exclusive means to be utilized by the grievor for the prompt **disposition**, decision and final settlement of a grievance arising in respect of the interpretation or alleged violation of this agreement, and the specifically designated grievance procedure shall be properly followed. Wherever the term “grievance procedure” is used in **this** agreement, it shall be considered **as** including the arbitration procedure.

5.02 “Grievance” shall mean a complaint or claim concerning improper discipline or discharge, or a dispute with reference to the interpretation or alleged violation of **this** agreement.

5.03 The Company shall be under no obligation to consider or process any grievance unless such grievance **has** been presented to the Company in writing at Step 2 of the grievance procedure within ten (10) days from the time the circumstances upon which the grievance is based were known or should have been **known** by the grievor. However, if the Company does consider or process a grievance which has been presented late, the Company must object in writing at Step 2 of the grievance procedure, if not, the grievance is arbitrable.

5.04 All time limits referred to in the grievance procedures herein contained shall be deemed to mean “working days”. Working days shall be deemed not to include Saturdays, Sundays or Statutory Holidays for the purposes of **this** Article.

5.05 An employee grievance shall be processed as follows:

STEP 1 If an employee **has a** grievance he/she shall first and immediately discuss the matter with the Department General Foreman or with his/her Department Foreman **as** the case may be. The employee **will** be given the assistance of his/her Departmental Steward, or if there is none,

a member of the Grievance Committee, or in specialized cases, a WSIB representative, any one of whom will be made available. The Foreman shall give the grievor and union representative an answer within three (3) days of such meeting. If the foreman's reply is not satisfactory, the next step shall be taken within five (5) days of the Foreman's answer, but not thereafter.

STEP2 At this step the grievance shall be reduced to writing and presented to the Vice President of Human Resources (or his designated representative) within the aforesaid five (5) days, but not thereafter. The written grievance shall identify: the facts giving rise to the grievance; the section or sections claimed violated; the relief requested and shall be signed by the employee and countersigned by his Department Steward or Plant Grievance Committeeman. A meeting will be held within sixty (60) days after the grievance has been submitted to the Company. The meeting will include the Plant Grievance Committee (which may be accompanied by the International Representative of the Union) and the Vice President of Human Resources and any other representative of management. The Union is permitted to the end of the aforesaid meeting, to amend the written grievance. Such amendment shall be in writing and no further amendment will be permitted after such meeting. The Company will deliver its decision in writing to the Chairman of the Grievance Committee within five (5) days of such meeting; also, a copy of such written decision will be delivered to the International Representative of the Union. Further, the Company may allow up to eight (8) hours per week to hear such grievances.

STEP3 If final settlement of the grievance is not reached at Step 2, then the grievance may be deferred in writing by either party to arbitration as provided in the next article "Arbitration", at any time within thirty (30) calendar days after the decision is received under Step 2.

Arbitration:

1. The arbitration procedure in this Agreement shall be based on the use of a single arbitrator whose decision shall be final and binding upon the parties and upon any employee affected by it.
2. The single Arbitrator shall be designated by the employer and the Union.

3. Failing agreement on ~~the selection of an Arbitrator~~ **within five (5) working days**, the ~~matter shall~~ be referred to the **Ministry of Labour**, who shall appoint ~~the~~ **Arbitrator**.
4. (a) ~~The Arbitrator shall not be authorized, nor shall the Arbitrator assume authority, to alter, modify, or amend any part of this agreement, nor to make any decision inconsistent with the provisions thereof, or to deal with any matter not covered by this agreement.~~
- (b) ~~If a grievor satisfies the Arbitrator that there was not just cause for their discharge, the Arbitrator shall have jurisdiction to modify the discharge.~~
5. ~~The fees and the charges of the Arbitrator shall be borne equally by the Company and the Union.~~
6. Prior to proceeding to arbitration, ~~either party may~~ request **Grievance Mediation Services** in **an attempt to try and resolve any differences between the parties that have been referred to arbitration**. If an agreement to resolve the matter is **reached**, that decision **will be final and binding on both parties and on the grievor**. The fee for the **services** will be borne **equally by the Company and the Union**.
- 5.06** ~~No matter may be submitted to arbitration which has not properly been carried through all specified previous steps of the grievance procedure within the times specified at each step. The provisions of this clause shall not be considered to have been waived by the parties or either of them unless they expressly provide a waiver thereof in writing, signed by both parties.~~
- 5.07** ~~A grievance which has been disposed of pursuant to the grievance provisions of this agreement shall not again be made the subject matter of a grievance.~~
- 5.08** ~~Failure to put a grievance in writing at Step 2, in accordance with the requirements thereof shall be deemed a complete waiver and abandonment of the grievance by the grievor. Any grievance not appealed from one step of the grievance procedure to the next within the specified time limits shall be considered settled on the basis of the last reply.~~
- 5.09** ~~A decision or settlement reached at any stage of the grievance procedure shall be final and binding upon all parties hereto, including the~~

complaining employee, and shall **not** be subject to **reopening** by any **party** except by agreement in **writing**. If the grievance is settled at Step 2 or 3 of the grievance procedure **both** the Company's **Vice President**, Human Resources and **the** Union representatives who **pass on the same** as provided herein, **shall** sign the settlement **as endorsed** upon the written grievance, **so that** no **question** or argument may **arise** as to what the settlement **was**. An allegation that either party **has** failed to comply with the terms of the written settlement of a grievance **may** be the subject of a grievance.

5.10 Whenever the Company requests a Union Representative **who** is an employee of the Company to leave their **work area** and confer upon Union matters, such employee **shall** be reimbursed by the Company for the **time** spent during **their** scheduled **working** hours at their **regular rate** including all premiums. **The premiums** shall be **based on** what **they** were to earn on that job that day.

5.11 If a representative of the International Union wishes to enter the plant to view an **operation** pertaining to **any** grievance which has **reached Step 3** of the grievance procedure, he **shall** first request such permission from the **Vice-President**, Human **Resources**. Such permission **will not** be unreasonably withheld. **The union** representative shall at all **times** be accompanied by a member of the vice-Resident, Human **Resources' staff** and shall be subject to **all plant rules**.

5.12 When an employee's grievance is settled by **the parties** or determined by a **Board** of Arbitration on the **basis** that the employee is **entitled** to be reimbursed for wages lost **as a result of** action on **the** part of the Company in violation of **this agreement**, such reimbursement **shall** be retroactive to the **date** four **(4)** **working** days prior to the presentation of the grievance to **the** Company in **writing** at **Step 2**. Such reimbursement **shall** be at the employee's base rate inclusive of any premiums, for such hours **as** the employee would have worked for the Company if **the violation** had not **occurred**, but **there shall** be subtracted therefrom any monies the employee earned during such **period**. An employee will not be reimbursed for any **time** which they would have lost in the course of events **other** than as a result of **the** Company's aggrieved conduct. It **has** been the practice of the **Vice President of Human Resources** to rectify

mistakes as to the quantum of pay, made by the Company, to the date of error, if the problem was brought to his attention in accordance with Article 5.03.

The Company agrees that the Vice President of Human Resources or his designate, independent of Article 5.12, will continue to rectify Company errors as to the employee's quantum of pay for any pay periods in which the employee receives pay. Such rectification has been effected as of the date the original payment was made, subject to the employee and/or ~~the~~ Union bringing such matter to the Company's attention, in accordance with Article 5.03.

The Company or the Union shall, as the case may be, give its written decision within five (5) days of such meeting. If the decision is unsatisfactory to the grieving party, the grievance may be submitted to arbitration within thirty (30) days of the delivery of such written decision and the arbitration sections of this agreement shall be followed. 9.10 An employee called in to do emergency work will be paid a minimum of three (3) hours pay for such work at **his** base hourly rate or the overtime rate, as the case may be. However, when an employee, after leaving the plant at the completion of his shift is notified to report for work two (2) hours or less prior to his regular **starting** time and he is expected to work through and complete **his** regular **shift**, he will be paid only for the hours worked in excess of the hours as specified in Article 9.02 or 9.05, as appropriate to that employee.

(b) Notwithstanding anything to the contrary contained in this Article XVII, as a result of Federal legislation providing for the payment of monies to employees for loss of income on account of sickness or accident, the amount of payment which the employee would be entitled to receive pursuant to this Article XVII, as a result of being prevented from working on account of a non-occupational accident or as a result of sickness, shall be reduced by the amount of money which the employee is eligible to receive pursuant to the aforesaid legislation. The purpose hereof is to require the employee to utilize his rights under legislation before claiming weekly indemnity hereunder.

(c) If the employee's eligibility under legislation is for less than \$446.00 per week, the weekly indemnity plan hereunder would pay the difference between the amount for which the employee is eligible and \$446.00 per week. In other words, an employee eligible for weekly indemnity hereunder would not receive less than \$446.00 per week. Commencing April 6, 2006 the previous \$446.00 will be changed to \$456.00. (e) If, as a result of claiming sick benefit pay under the legislation, an employee is, during his lay-off, deprived of Unemployment Insurance payments for a period for which he would have been entitled for such payments, had he not claimed sick pay benefits under the legislation, the weekly indemnity plan will provide for payment of weekly indemnity to such employee for such remaining part of his lay-off as he would have been entitled to Unemployment Insurance payments had he not used up such entitlement as a sickness claim.

(f) In the event that the government of the Province of Ontario enacts legislation providing for the payment of monies to employees for

loss of income on account of sickness or accident other than sickness or accident arising out of and in the course of their employment, in place of the Federal legislation herein referred to covering that same subject, the parties hereto agree that the provisions of this Article 17.01 shall apply in a like manner.

17.03 (a) In the case of an employee's absence while suspended, laid-off on account of no work, or for an authorized leave of absence, the Company will continue to pay the necessary payments to continue the applicable insurance coverage provided for in Article 17.01 for a seniority employee and his eligible dependents for one (1) month following the month in which the employee last performed work for the Company, by paying the monthly premium falling due on the first of the month following the month in which the employee ceased to work for the above reasons.

(b) In the case of a seniority employee being laid-off on account of no work, the Company will pay premiums upon three thousand dollars (\$3,000.00) of life insurance for such seniority employee for twelve (12) months commencing the month following the month in which the employee last performed work for the Company provided the former

employee retains his status as a laid-off person with recall rights pursuant to the provisions of **this** agreement. If such laid-off employee chooses to pay the premium on the remaining insurance to the extent permitted by the policy, he shall be entitled to do *so*.

17.04 For a seniority employee, with unbroken service returning to work after reinstatement following an absence for reasons referred to in 5.15 and who has maintained **his** insurance coverage under the Plan by his own contribution during the full period of absence subsequent to the period paid for by the Company, **as** provided in Article 5.15 (c), the Company will again assume the cost of such applicable insurance coverage, subject to the regulations of the insurance companies and government agencies involved, by paying the first monthly premium falling due subsequent to the employee's return to work. If the employee's insurance coverage required to be maintained by **his** own contributions has lapsed during his absence, the Company will, upon his return to work, again assume the cost **of** such applicable coverage for the employee and his eligible dependents from the earliest effective date permitted under the regulations of the respective insurance plan.

17.05 Notwithstanding anything to the contrary contained in this agreement, or in the Group Insurance Plan, Appendix "B", with regard to the coverage provided, such benefits and plans are necessarily qualified in their entirety by reference to the underlying policies or contracts of insurance.

The terms of any contract issued in respect hereof by an insurance agency or governmental agency shall be controlling in all matters pertaining to qualifications of employees for benefits thereunder and in all matters pertaining to the existence and extent of benefits and conditions. *The Company will, effective April 6, 2006, roll in the nine cents (9¢) C.O.L.A. accumulation, which has accrued during the existing Collective Agreement, and is presently being paid out as an add-on, so that the base ~~rate~~ for occupations in Schedule "A" as it was found effective April 5, 2006, would be increased by the nine cent (9¢) amount.

Cost of Living Allowance - There shall be a Cost of Living Allowance based on a formula of one-cent (1¢) increase for each 0.0957 increase in the Consumer Price Index (1986 = 100 base). calculated quarterly without ceiling. The allowance shall be paid as follows:

Effective on the payment date shown below following the release of the Consumer Price Index (1986 = 100 base) for each of the following months, when compared to the Consumer Price Index (1986 = 100 base) for each respective month as shown below, for each 0.0957 increase, a Cost of Living Allowance of one cent per hour will be paid:

2006

- (i) March 2006, compared to December 2005 (payment date – April 1, 2006)
- (ii) June 2006, compared to March 2006 (payment date – July 1, 2006)
- (iii) December 2006, compared to September 2006 (payment date – January 2007)

2007

- (i) March 2007, compared to December 2006 (payment date – April 1, 2007)
- (ii) June 2007, compared to March 2007 (payment date – July 1, 2007)
- (iii) December 2007, compared to September 2007 (payment date – January 1, 2008)

2008

- (i) ~~March 2008~~, compared to ~~December 2007~~ (payment date – April 1, 2008)
- (ii) ~~June 2008~~, compared to ~~March 2008~~ (payment date – July 1, 2008)
- (iii) ~~December 2008~~, compared to ~~September 2008~~ (payment date – January 1, 2009)

2009

- (i) ~~March 2009~~, compared to ~~December 2008~~ (payment date – April 1, 2009)

Such allowance shall be treated as an “add-on” and shall not be incorporated into the wage ~~scale~~. Such allowance shall be paid for each hour worked and shall not be paid for time not worked, nor shall it be used in the calculation of overtime. The Cost of Living Allowance shall be contingent upon the continuance of the availability of the relevant monthly Statistics Canada Consumer Price Index calculated on the basis of Index (1986=100 base). No adjustment retroactive or otherwise shall be made due to any revision which may be made in the Index by Statistics Canada during the term of this agreement.

For each adjustment during the three (3) three-month periods in each year in which an increase in the Cost of Living Allowance shall be required according to the foregoing, the amount of the increase so required each three-month period shall be reduced by one cent (1¢) up to a maximum reduction during this contract of six cents (6¢).

Any decrease in the cost of Living Allowance calculated from comparisons on the Consumer Price Indexes in any of the quarterly periods specified above shall reduce the net accumulated Cost of Living Allowance provided for above.

Continuance of the Cost of Living Allowance will be contingent upon the availability of the Index in its present form and calculated on the same basis as the Index for October, 1992, unless otherwise agreed upon by the parties. If Statistics Canada changes the form or the basis of calculating the Index, the parties agree to request Statistics Canada to make available, for the life of this agreement, a monthly Index in its present

form and calculated on the same basis as the Index for October, 1992. There shall be a trigger in each contract year so that there is no C.O.L.A. payment in a year until the amount of C.O.L.A. generated by the formula exceeds twenty-five (25¢) cents for such year. In such case the C.O.L.A. payment will be the amount of C.O.L.A. in excess of twenty-five (25¢) for such contract year. This clause expires with the expiry of the agreement.

ARTICLE XXIII – MAINTENANCE DEPARTMENT TOOL ALLOWANCE

23.01 In the Maintenance Department, the Company will pay up to one hundred and twenty-five (\$125.00) per year for tools purchased that are required for and used in the plant, upon receipt of sales slips verifying purchases. It is agreed to an ~~increase~~ in the tool allowance in the third year of the collective agreement on April 6, 2008 to one hundred and fifty (\$150.00). Stationary Engineers and Jig Crews will be added to this article effective April 6, 2006.

ARTICLE XXIV – DURATION

24.01 This agreement shall become effective on the 6th of April 2006, and shall remain in full force and effect and shall not be re-openable, save and except as otherwise herein expressly provided, until the 5th day of April 2009, and shall continue automatically thereafter during annual periods of one year each, unless either party notifies the other party in writing as provided for in clause 24.02 hereof of its desire to negotiate amendments to this agreement.

24.02 Notice that amendments are required shall only be given during the period of not more than ninety (90) days and not less than thirty (30) days prior to the 5th day of April 2006, or during similar annual periods thereafter. If notice of desire to amend this Agreement is given by either party in accordance with the foregoing, the other party agrees to meet for the purpose of negotiation.

APPENDIX "A"

IN THE MATTER OF AN INQUEST PURSUANT TO THE CORONERS' ACT, 1972 AND AMENDMENTS THERETO:

WITH RESPECT TO AN INQUEST RE: CHARLES LORD, THIS AGREEMENT IS ENTERED INTO AS OF THE 19th DAY OF MARCH, 1979

BETWEEN:

NATIONAL STEEL CAR LIMITED

(hereinafter referred to as the "Company")

-AND-

THE UNITED STEEL, PAPER AND FORESTRY, RUBBER, MANUFACTURING, ENERGY, ALLIED INDUSTRIAL AND SERVICE WORKERS INTERNATIONAL UNION, LOCAL 7135

(hereinafter referred to as the "Union")

In view of the circumstances surrounding this matter and in view of the desire of both the Company and the Union to take steps to avert a recurrence of this incident, the Company and the Union jointly adopt and agree to the implementation of the following measures in the hope of achieving this objective:

1. Orientation

In addition to the present safety meetings held for new employees and in addition to the showing of the safety film, it is agreed that all newly hired employees, before commencing work, will be given a tour of the plant and have a safety lecture during such tour, provided by the Company's Safety Director or his designate.

2. Accident Procedures

The Company will post up in conspicuous places in the plant, procedures to be followed in case of accident with respect to:

(i) getting the employee to First Aid where it appears that the employee can be moved;

(ii) calling a Union Safety Representative;

- (iii) calling for an ambulance where necessary;
- (iv) notifying the Ministry of Labour;
- (v) notifying the police where necessary-

The senior supervisory person available in the area will be responsible for seeing that the foregoing is done.

3. In all car erection shops, only the lead hand or his supervisor will have authority to order movement of cars either along the line or off the line.

The Company will continue to make sure the line has been cleared before cars are moved in the erection shops.

4. The Company will continue to investigate alternative or additional methods of warning employees of the movement of cars in the plant.

5. In all car erecting shops, only a tractor, and not a locomotive, will be used to move a car out of the erection shops.

6. Warning stickers will be placed at numerous locations throughout the plant and a notice will be placed inside the cover of the Plant Rule Book in the following text:

“Employees are warned to expect the movement of trains, engines, or cars at any time, in any location, on any track, in or from any direction.”

7. Adequate supplies of soft blocks for wheels will be provided in all appropriate areas.

8. Directives from the Ministry of Labour will continue to be posted on all bulletin boards and will continue to be discussed at all safety meetings.

9. The Company will continue with its program of safety meetings.

10. The Company will continue to pay for employee's time and tuition for the St. John's Ambulance Course and I.A.P.A. Safety Courses and both the Company and the Union will encourage employees to enroll.

11. The Company and the Union recognize that they both have a joint responsibility to see that proper safety procedures are practiced at all lev-

els so that National Steel Car Limited becomes a safer place to work. To this end, there will be renewed efforts made by the Union and management personnel to approach safety with an evermore positive attitude and with a spirit of cooperation.

In this connection, a committee of Union safety representatives and management personnel will make in-plant tours on a periodic basis. In addition, meetings of the Area Safety Committees will continue to involve personnel from line management and from the employee body so that a better awareness and practice of safe work habits is developed.

Nothing contained in this agreement shall be construed in such a way as to suggest fault or wrongdoing by either party to this agreement or by any person.

RE: INCENTIVES

When the Company establishes a **new** rate on an incentive **operation**, an employee who feels such new rate **does not permit him** to make incentive **earnings** over day **rate**, may file with **his foreman**, on a **form** provided, a request to have **his job** (i.e. the rate) investigated. The Company **will** furnish the **Union** with a copy of the employee's **request**.

The Company **agrees to** continue the current employee incentive plan for the duration **of** the Collective **Agreement**.

The continuance **of** the incentive plan **and** the Company's **agreement** regarding the **right of** review **of** the Company's **decision on** making incentive **will** be grievable, but, **no other aspect** of the plan will be grievable which includes the Company's right **to set** the incentive **rates**. If a grievance is filed under this letter alleging **improper** pay **on** incentives, upon **request** by the **Union**, the Company will allow the **Union** to review **time study information**.

It is agreed that on a semi-annual **basis**, if requested by the **Union president**, a **meeting** will be held with the Vice-President of Human Resources **and** the Union President to **discuss concerns** that may arise **concerning** incentives.

**LETTER OF UNDERSTANDING
RE: VIDEO SURVEILLANCE**

Dear Sirs:

The Company and the Union have had in-depth discussions with respect to the Company's introduction of video camera monitoring equipment.

The Company has advised the Union that the introduction of video cameras was motivated out of genuine concerns for worker safety, theft, vandalism, and sabotage in the plant.

The Union has expressed its concerns over Union Members' rights to privacy and that the Company should pursue other non-invasive methods of investigating alleged employee misconduct and health and safety concerns.

The Company acknowledges the Union's expressed concern that video cameras not be used to monitor work performance nor should they place employees constant surveillance.

The Company agrees that video cameras will not be used to monitor work performance nor is it the intention to place an employee under constant surveillance. However, this may occur when the cameras are used for the purposes as identified in paragraph 2 of the Letter of Understanding.

The Company has agreed to notify the Union President and the Chairman of the Plant Grievance Committee prior to the installation of more video surveillance cameras in the plant.

LETTER OF UNDERSTANDING RE: CONTRACTING OUT

The Company and the Union are committed to the scope and purpose clause as set out in Article 1.01 of the Collective Agreement. Through this commitment, the Company and the Union agree that from time to time, contracting out of work which is normally performed by the bargaining unit may need to take place. However, in order to ensure the integrity of the bargaining unit, it is agreed that issues as relates to contracting out can be discussed at the initiative of either party at monthly Company/Union Meetings.

In order for the parties to have meaningful discussions with respect to resolving contracting out/outsourcing issues, the Company agrees to provide in the local Union President, fifteen (15) days' notice in advance of any implementation of any third party contract in which the third party proposes to contract out work which is normally performed by the bargaining unit. Such notice will be in writing and will give particulars as to the bargaining unit positions that are affected.

None of the provisions of this letter commit the Company to any capital expenditure other than as it deems necessary (i.e. buildings, machinery, mobile equipment).

In instances where the practice has been to have work performed by contractors, the Union may review the situations and recommend change to the Company, for the purposes of discussion. It is agreed and understood that the ultimate decision will rest with the Company as to the use of contractors. Cost considerations would be a factor in reviewing contracting/outsourcing work. The Company is committed to fully utilizing its Electricians, Millwrights, Automatic Welding Machine Maintenance and Pipefitters and protecting the integrity of the Electrical, Millwright, Welding Service and Pipefitting Departments.

The Company and the Union recognize that there may be occasions when emergency repairs require the need for immediate contracting out of work, and in those circumstances the fifteen (15) day notice period would not be provided but notice of the work would be given to the local Union President as soon thereafter as is possible in such situations.
