OF THE SECOND PART:

ARTICLE 1.00 - PURPOSE

- 3.02 The Corporation shall have the right to establish, maintain and enforce reasonable rules and regulations to assure orderly plant operations, it being understood and agreed that such rules and regulations shall not be inconsistent or in conflict with the provisions of this Agreement.
- 3.03 The Union agrees that the Corporation may retire employees at its sole discretion on the first day of the month following the employee's 65th birthday in accordance with the Company's retirement policy.
- 3.04 The Corporation agrees that its exclusive functions provided by this Agreement shall be exercised in a manner consistent with all provisions of this Agreement.

ARTICLE 4.00 - UNION DUES AND UNION MEMBERSHIP

- 4.01 Membership in the Union shall be available to any employee eligible under the constitution of the Union on payment of initiation or reinstatement fees uniformly required of all other such applicants by the Union. Membership shall not be denied for reasons of race, national origin, colour or religion.
- 4.02 As a condition of employment of every employee under this agreement, the Corporation shall deduct the amount of monthly Union Dues from his wage each month and shall remit the same to the Union on or before the twenty-fifth (25th) day of the month in which it is deducted; except ad hoc employees shall not have dues deducted until the second month of employment.
- 4.03 If the wages of an employee payable on the payroll for the last pay period of any month are insufficient to permit the deduction of the full amount of dues, no such deduction shall be made from the wages of such employee by the Corporation in such month. ARTICLE 5.00 - NO STRIKES OR LOCK-OUTS

- 5.01 This Agreement provides for the just settlement of disputes of any nature whatsoever which may arise between the parties hereto and binds them to accept and abide by the decision of an arbitrator should the parties fail to settle any dispute by negotiations.
- 5.02 The Corporation agrees that it will not cause or direct any lock-out of its employee for the duration of this Agreement. The Union agrees that neither it, nor its representatives will, during the term of this Agreement, authorize, call, cause, condone, sanction or take part in any strike, work stoppage, picketing, sit-down, stand-in, slow-down or curtailment or restriction of production, or interference with work in or about the Corporation's premises.

- 6.01 The Union and its officials and members shall not use coercion or intimidation or discriminatory action in persuading any employees of the Corporation to participate in Union activities.
- 6.02 No employees shall be discriminated against by the Corporation nor suffer any loss of seniority or of employment because of membership or activity in the Union so long as such activities are not carried on during working hours except as explicitly permitted by this Agreement.

ARTICLE 7.00 - UNION REPRESENTATION

- 7.01 The Union shall have a shop committee of not more than two (2) members who shall be employees of the Corporation covered by this Agreement.
- 7.02 Matters pertaining to the interpretation, application or administration of this Agreement may be discussed and adjusted by the Corporation and the Shop Committee who shall on request by either party meet once a month with a prepared agenda of matters to be discussed and adjusted. The Corporation and the Shop Committee may upon request and by mutual consent meet more often than once a month for these purposes. The party requesting the meeting shall give reasonable notice thereof and the meeting will be scheduled by the Corporation so as to not unduly disrupt its business operations. The time spent by Shop Committee members in such meetings shall not be considered time worked but shall be paid for by the Corporation at their regular straight time hourly rate. Only Shop Committee members, a Business Representative and/or an International Officer of the Union shall be present at such meetings with the Corporation.
- 7.03 The Union may designate and the Corporation shall recognize a Chief Steward and not more than 2 Shop Stewards for such work areas as shall be agreed by the parties hereto to be reasonable and proper. The Corporation shall be kept informed of the name of each Shop Steward and the Chief Steward.

7.04 Subject to the provisions of Article 7.05, a Shop Steward or Chief Steward shall be permitted the necessary time during working hours without loss of pay to perform the functions provided by Article 8.00 hereof for the settlement of a grievance.

7.05 The Union acknowledges that the Chief Shop Steward and the Shop Stewards have their regular work to perform as employees of the Corporation and it is therefore agreed that they shall not leave work to investigate or process a grievance or undertake any other Union business on the Corporation's premises during working hours without the prior consent of the Manager of the department concerned, provided that such consent shall not be unreasonably withheld.

Accordingly, the Corporation will pay Stewards at their regular straight time hourly rate of pay for regularly scheduled time spent in investigating and processing grievances.

7.06 The Union shall appoint or elect and the Corporation shall recognize the formation of a negotiating committee, consisting of two (2) employees who will be members of the bargaining unit. This committee will represent the Union during contract talks with the Corporation.

ARTICLE 8.00 - COMPLAINTS GRIEVANCES AND DISPUTES

8.01 The parties hereto desire that every complaint shall be dealt with as it justly deserves as quickly as possible and that adjustment of every justified complaint shall be promptly made.

8.02 Grievance-Procedure 1st Step

An employee who has a complaint shall discuss it with his Manager (Services, District Sales, Reservations, and Ticket Office) within ten (10) working days of occurrence of circumstances giving rise to complaint either alone or with his Shop Steward with a view to a prompt and fair adjustment. The Corporation shall not be bound to consider a complaint or grievance in respect of any decision or happening which occurred more than ten (10) working days prior to the commencement of the first step of the Grievance Procedure herein.

8.03 During the discussion of a grievance, if it is mutually agreed that witnesses would aid in settling the grievance, they may be requested to attend.

8.04 Grievance Procedure 2nd Step

Should an employee not receive satisfaction from his Manager in regard to complaint made pursuant to Section 8.02 hereof within 3 working days after Step One, he may state his grievance in triplicate on the appropriate form and the Shop Committee shall present it to the Regional Manager - Canada or his designated representative within three (3) working days thereafter.

8.05 Grievance Procedure 3rd Step

- (a) Within five (5) working days thereafter or within such longer period as may be agreed, the Shop Committee and Business Representative shall meet with the Regional Manager Canada or his designee to attempt to adjust the grievance. Within five (5) working days following this meeting, the Regional Manager - Canada or his designee shall deliver to the Union his answer in writing.
 - (b) Failure on the part of the Corporation to issue its decision within the time limits stipulated as indicated, the grievance will automatically advance to the next step of the grievance procedure.
 - (c) No matter may be submitted to arbitration which has not been properly carried through the steps of the grievance procedures set forth herein.
- 8.06 Any time limits provided by Article 8.00 may be extended or curtailed by mutual agreement.
- 8.07 ✓ If, after properly exhausting the provisions of the grievance procedure, the Union is dissatisfied with the Corporation's decision, the Union may require that the grievance be submitted to arbitration provided that it shall be deemed to be settled or abandoned if, within fifteen (15) working days after a final decision has been announced the Union shall have failed to give written notice of intent to submit the matter to arbitration.
- 8.08 With reasonable promptitude, the Union shall be notified in writing of any discipline or dismissal and on request from the Union, the Corporation shall furnish reason for the same.
- 8.09 An employee with seniority who feels that he has been unjustly disciplined or dismissed, may present a grievance and the same shall be entered at the 2nd Step of the Grievance Procedure provided by Article 8.00 hereof, provided that the right to grieve shall be deemed to be waived if a grievance has not been presented within ten (10) working days after the event that gave rise to the grievance. In such cases of discipline or dismissal, the employee so disciplined or dismissed shall have the right to confer with his shop steward.
- 8.10 Failing settlement by the said grievance procedure, a grievance regarding suspension or dismissal may be submitted to an arbitrator as provided by Article 9.00 hereof, and the arbitrator shall make such settlement as he deems just.
- 8.11 An employee will be afforded the opportunity to see his/her personal file upon written request to management. All employees will be furnished with a copy of any written adverse report on his personal file which he must sign as having received a copy of. If this is not done (copy) such adverse report shall not become part of his record for use against him at any time. File may be viewed by the employee making the request in the presence of a Senior Management Official.

ARTICLE 9.00 - ARBITRATION

- 9.01 Any matter or question arising from the interpretation, application, administration, or an alleged violation, of this Agreement, including the question of whether a matter is arbitrable, may be submitted to arbitration by either of the parties hereto.
- 9.02 No matter shall be submitted to arbitration by the parties hereto unless and until they shall have attempted to arrive at a settlement by the means and within the time limits provided by Article 8.00 hereof.
- 9.03 Within fifteen (15) working days after notice of intent to arbitrate has been given as provided in Section 8.07 hereof, the Corporation and the Union shall attempt to jointly name an arbitrator. No person may be named as an arbitrator who has participated in an attempt to settle the grievance or dispute.
- 9.04 If the parties fail to reach agreement on an arbitrator within five (5) working days or within such longer period as they may mutually agree upon, the Minister of Labour shall appoint an arbitrator.
- 9.05 The arbitrator shall not make any decision inconsistent with the provisions of this Agreement nor shall he alter, modify or amend any part of this agreement.
- 9.06 The proceedings of the arbitration shall be expedited by the parties hereto. The award shall be implemented within fifteen (15) days of receipt by either party.
- 9.07 The decision of the arbitrator shall be final and binding upon the parties hereto and upon any employee concerned in or affected by the said decision.
- 9.08 The parties shall each pay one-half of the expenses of the arbitrator.

ARTICLE 10.00 - PROBATION

- 10.01 The ninety (90) calendar days of employment shall be a probationary period during which the Corporation may assess whether an employee is suitable to be retained and, if so, where in the Company's operations he may best be employed.
- 10.02 An employee shall be a probationary employee without seniority for the first ninety (90) calendar days of employment by the Corporation provided that absence with or without leave shall not be included in the said one hundred and twenty (120) calendar days.

- 10.03 Any person re-employed by the Corporation after having separated from its employment shall, when re-employed, again be a probationary employee as herein provided. A laid-off employee who retains seniority as provided by Article 11.00 hereof or an employee on leave of absence as provided by Article 13.00 hereof, shall not be deemed to have separated from employment and shall not again be a probationary employee should he return to work.
- 10.04 An employee on probation shall be entitled to file a grievance with respect to his dismissal or the reason therefore but such grievance shall not constitute a “difference” between the parties for the purposes of arbitration. The Union may file a grievance in such cases if it feels there is an abuse of the above by the Corporation in the 5th or 6th month.

ARTICLE 11.00 - SENIORITY

- 11.01 Corporation Seniority shall mean the employee’s length of service, with the Corporation, calculated from the latest date of entry into that service.
- 11.02 Classification Seniority shall mean the employee’s Canadian service in his current classification based on the latest date of assignment to that classification except where seniority has been retained in accordance with subsequent paragraphs under this Article.
- 11.03 On the date of completion of his probationary period, an employee shall have ninety (90) calendar days seniority in the Corporation and thereafter shall accrue seniority as provided herein. Probationary employees may be laid off without reference to length of service or the grievance or arbitration procedures.
- 11.04 In all cases of lay-off exceeding five (5) working days and recall from lay-off, the Corporation shall consider the classification seniority and the skill, ability and qualifications of the employees in the affected classification to perform the work in question. Where the totality of these factors are relatively equal in the opinion of the Corporation, which opinion shall not be exercised in an arbitrary or discriminatory manner, the length of classification seniority shall govern and the lay-off and recall procedures hereafter set out shall apply.
- 11.05 In the selection of employees covered by this Agreement, for advancement of promotion to positions within the bargaining unit, the decision shall rest with the Corporation provided that in the case of employees with equal skill, ability and qualifications to perform the work in question, the employee possessing the greater Corporation seniority shall be given preference.
- 11.06 Subject to the provisions of section 11.04, in the event of a reduction in force calling for a lay-off in excess of five (5) working days, the following procedure will be followed:

- (a) The employee most recently appointed to the classification in which the reduction in force is necessary, shall be declared redundant in that job.
 - (b) Any such employee who has previously attained classification seniority in a lower classification covered by this Agreement shall again be entitled to classification seniority in such lower classification to the extent of the total classification seniority the employee then has in that lower classification provided that the employee has in the judgment of the Corporation the present skill, ability and qualifications to do the work in question.
- 11.07 If, as a result of exercising this right to resume employment in a lower classification in which he had previously worked, there is a surplus of staff in that classification, then the most recently appointed employee in that classification, shall be redundant in that job and the provisions of section 11.06 (b) shall apply again. This process of exercising classification seniority (which is sometimes referred to in this Agreement as “bumping”) shall continue so long as redundant employees have previous classification seniority in lower classifications and choose to exercise same on the principle that so long as employees hold and choose to exercise classification seniority, the person to be laid off will be the most junior in the lowest classification.
- 11.08 In the event that an employee who is redundant in any classification has no previous seniority in any other classification, he shall be eligible to be considered for employment in another classification only where a vacancy exists and providing he then has the present skill, ability and qualifications to perform the work in question. If no such vacancy exists, he shall be laid off with recall rights in accordance with this Agreement.
- 11.09 An employee who is reclassified or promoted, will be given a maximum trial period of thirty (30) days to work in his new classification to demonstrate his ability to perform the job in a satisfactory manner, and if he fails to give satisfaction in the new classification, he will return to his former classification at his former rate of pay as will any other employee who was promoted or re-classified as a result of the employee leaving his former classification.
- 11.10 When an employee is promoted to a position outside the bargaining unit, he will retain his seniority under this Agreement for a period of twelve (12) months from the date of such promotion. After such twelve (12) month period, the employee shall have no accumulated seniority under this Agreement.
- 11.11 Seniority need not in any respect govern assignments to Temporary Duty Field Service or special assignment duty.
- 11.12 An employee who has completed his probationary period and is laid off due to a reduction

II

in force, shall retain all seniority during such lay-off for a period of twelve (12) months. Notwithstanding any other provision of this Agreement:

- (a) an employee who has completed his probationary period and due to a reduction in force bumps into another classification shall retain and not accumulate seniority in the classification from which demoted and shall accumulate seniority in the classification into which he bumps, and
- (b) an employee to be laid off must exercise seniority in the classification in which he holds seniority, by advising the Company in writing within forty-eight (48) hours from the receipt of his Notice of Lay-off. In the event he does not exercise such classification seniority, he forfeits same.

A laid off or displaced employee shall be recalled to the classification from which laid off or displaced in accordance with his classification seniority in the event a vacancy exists or there's a restoration of forces subject to the provisions of section 11.04.

11.13 An employee laid off shall file proper addresses in writing with the Regional Manager, Canada, or his designee at the time of lay-off, and any subsequent change of address. An employee will be notified of recall by registered mail or telegram. An employee who fails to give such notice or who fails to return to duty within five (5) days shall lose all rights to recall.

11.14 An employee shall have deemed to have quit and lose all seniority as follows:

- (a) if an employee quits;
- (b) if an employee is discharged and not re-instated in employment through the grievance or arbitration procedures;
- (c) if an employee fails, unless he has a justifiable excuse, to report on the first day following the expiration of a leave of absence or vacation;
- (d) if an employee is absent from work without permission for three (3) consecutive days;
- (e) if an employee fails to return from a lay-off within five (5) working days after his recall;
- (f) if an employee retires.

11.15 A seniority list prepared by the Corporation shall be posted within thirty (30) days after the

signing of this Agreement, thereafter semi-annually, showing each employee listed therein as follows:

Name

Corporation seniority date

Classification seniority date

- 11.16 (i) Employees will be permitted a period of thirty (30) days after posting of the initial list in which to protest, in writing, to the Corporation, any omission or incorrect posting affecting his seniority. All subsequent seniority lists shall be open to protest for a period of fifteen (15) days from the date of posting, but if the seniority date is not protested within the prescribed time limit after the initial appearance of the name on the list, such date shall stand as correct and official on all subsequent lists.
- (ii) Where an employee is on vacation, leave of absence or sick leave at the time of posting the initial seniority list, he may protest within thirty (30) days after his return to work.
- (iii) Where an employee is on vacation, leave of absence or sick leave at the time of posting the subsequent lists, he may protest within fifteen (15) days after his return to work.
- 11.17 A copy of the seniority list will be furnished to the Chairman of the Union Committee who may subsequently, on request to the Corporation, have made available to him the seniority status of employees covered herein.
- 11.18 The Corporation shall notify the Union as soon as possible prior to any lay-off, and before action is taken, the Corporation agrees to discuss it with the Union Shop Committee, or in its absence or unavailability, a steward or the Union, without prejudice to the Corporation's rights herein.

ARTICLE 12.00 - JOB POSTING

- 12.01 Whenever new positions within the bargaining unit are created or permanent vacancies occur, employees will be given preference to such positions or vacancies based primarily on qualifications, skill and ability and seniority. Seniority shall be the determining factor when the totality of the above elements are substantially equal. Successful applicants will be posted within twenty-one (21) days after the expiration of the original posting.
- 12.02 All bargaining unit permanent vacancies will be posted for a period of five (5) days on Corporation bulletin boards. If no suitable applicants are brought forward by this posting

within the five (5) days specified, the Corporation will fill the vacancy by such other means as it may deem fit.

- 12.03 The successful bidder for a posted job will be entitled to a trial period not exceeding thirty (30) work days.

If he is unable to demonstrate within such trial period his ability to perform the work operation in accordance with the generally recognized requirements for such work to the reasonable satisfaction of the Corporation, he will be returned to his former job at his former rate of pay, as will any other employee who was promoted or transferred as a result of such successful bid.

- 12.04 Employees who may be on lay-off at the time of a vacancy occurring will be notified of same by mail and will be given preference to such vacancy prior to hiring anyone from outside the company. If training is required the company shall provide it to the extent the employee requires it to sufficiently perform the basic functions of the job.

ARTICLE 13.00 - LEAVE OF ABSENCE

- 13.01 The Corporation may grant reasonable leave of absence to employees for personal reasons, having due regard to operational requirements, provided the request is made in writing and reasonable notice of the request is given to the employee's supervisor. The reasons for requesting the leave of absence must be stated. When the Corporation grants leave of absence, it shall be in writing and shall set out the length of the leave of absence and the purpose of it. An employee's seniority shall continue to accumulate for a maximum of sixty (60) days while he is on approved leave of absence. When an employee is granted leave of absence, the Corporation is not required to pay premiums for group benefits on his behalf after the calendar month in which leave commences.
- 13.02 The Corporation will grant leave of absence without pay to a pregnant employee in accordance with the requirements of the Canada Labour Code.
- 13.03 An employee who uses a leave of absence for a purpose other than that for which it was granted shall be subject to discharge.
- 13.04 The Corporation shall, upon request from the Union made at least five (5) calendar days in advance, grant a leave of absence without pay to an employee who may be selected by the Union for the transaction of Union business provided such leave of absence shall not exceed thirty (30) days in any one calendar year.
- 13.05 The Corporation shall upon written request from the Union made at least thirty (30) days in advance grant a leave of absence without pay to an employee who may be selected by the Union for the purpose of attending trade union conferences provided such leave of

absence shall not exceed a total of ten (10) working days for each such employee per calendar year.

- 13.06 No more than two (2) employees shall be granted leaves of absence at any one time under the provisions of Article 13.04 and 13.05, with the exception of the application of Article 7.06.
- 13.07 On furnishing proof satisfactory to the Corporation of inability to work because of illness or injury, an employee with seniority shall be granted sick leave without pay for a period not exceeding fifty-two (52) weeks. The Corporation may require evidence of the employee's fitness to resume his previous occupation and may also require periodic medical reports on the employee's condition during the period of the leave of absence. Seniority shall accrue during the sick leave.

ARTICLE 14.00 - POSTING NOTICE

- 14.01 The Union may post notices concerning the Union meetings and activities at specific places on Corporation premises, subject to Corporation approval.

ARTICLE 15.00 - HOURS OF WORK

- 15.01 (a) The regular work week shall consist of forty (40) hours to be worked in five (5) consecutive days of eight (8) consecutive hours each day with a one (1) hour inclusive meal period. Employees shall be scheduled so as to have eight (8) rostered days off every four (4) week roster period.
- (b) (i) With respect to the Ticket/Reservations Department, the Corporation shall ensure that days off are allocated in blocks of two (2) or more consecutive days and at least one (1) or more weekends off in any four (4) week roster period and employees shall not be rostered to work in excess of six (6) consecutive days without having days off unless mutually agreed upon by the Company and the employee involved.
- (ii) With respect to the Airport Department, the Corporation shall ensure that days off are allocated in blocks of two (2) or more consecutive days and employees shall not be rostered to work in excess of six (6) consecutive days without having days off unless mutually agreed upon by the Company and the employees involved. The Corporation shall schedule at least one (1) or more weekends off in every four (4) week roster unless some other schedule is mutually agreed.
- (iii) Those airport employees working a 6 on 3 off roster shall have a one-half (1/2) hour meal break except in specific instances when the schedule may dictate a

one (1) hour lunch due to operating requirements. There shall be no pay back days by such employees to the corporation.

(iv) Airport employees shall be entitled to a rest period of not less than 6 hours between shifts.

(c) However, in the event of a major substantial alteration of the Corporation's flight schedules, the Union agrees to negotiate with the Corporation to cover the requirements imposed by such alteration.

15.02 Accounts Clerk, Secretary, Marketing Co-ordinator and Mail Room Clerk shall work a Monday to Friday, 9:00 a.m. - 5:00 p.m. shift with a one (1) hour inclusive meal period during the third and fifth hour of the shift.

15.03 All other employees shall receive a one (1) hour lunch period to be assigned as close as possible to mid-shift.

15.04 Employees covered by this Agreement who work shifts shall be rotated between shifts according to schedules mutually acceptable to the Corporation and the majority of employees in the section involved. Such agreement shall not be unreasonably withheld.

15.05 The normal stopping and starting times for work shifts will be scheduled and posted in advance covering a four (4) week roster period, for the Airport and Reservations Departments at least fourteen (14) days prior to commencement of the roster and shall not be changed without seventy-two (72) hours notice to an employee affected by the change.

15.06 All employees shall be entitled to two (2), ten (10) minute breaks to be assigned not earlier than one (1) hour from the start of each half of the employee's shift. Employees who have been assigned a lunch period which is interrupted because of the needs of service shall as quickly as possible be re- assigned to complete the balance of their lunch period.

ARTICLE 16.00 - OVERTIME

16.01 The Union recognizes the necessity of overtime work in the airline industry and agrees to co-operate in this respect.

16.02 The Corporation will, insofar as practicable, distribute overtime on an equitable basis and will post a monthly summary of overtime hours worked on the bulletin boards. This provision shall not apply to the Sales Representatives provided that the Corporation shall post a list of overtime hours worked by the Sales Representatives within thirty (30) days of the end of each calendar quarter.

- 16.03 Overtime will be recorded on a per annum basis with effect from January first of each year.
- 16.04 An employee shall be compensated as follows for overtime work:
- (a) For all authorized work outside scheduled shift hours and on an employee's first rostered day off in any week, employees will be credited with payment at time and one-half (1 1/2) for the first six (6) hours and at double (2x) time for all hours thereafter until there is a rest period of at least eight (8) consecutive hours calculated to the nearest quarter hour.
 - (b) For all authorized work performed on an employee's second scheduled day off, the employee shall be credited at time and one half (1 1/2), provided he has worked the first rostered day off.
 - (c) For purposes of overtime calculations, an employee's monthly salary shall be divided by 152 to provide the appropriate hourly rate.
- 16.05 At the option of the employee, overtime may be credited to his time bank in accordance with Article 16.04 up to a maximum accumulation of fifty (50) hours, after which overtime will be paid at the applicable overtime rates. The employee must elect to have the hours credited to his time bank when the overtime is approved and will not be permitted to subsequently seek payment instead of the time off. The compensatory time off under this Article shall be taken at times mutually agreed upon between the employee and the Corporation.
- 16.06 If an employee is recalled to work on the same day after the completion of his regular shift and after leaving the Corporation's premises he shall be provided with at least four (4) hours work, or if four (4) hours work shall not be available, the employee will be paid at least four (4) hours pay at the appropriate rate.
- 16.07 Employees working at least four (4) hours overtime in a day in addition to their regularly scheduled hours shall receive a meal allowance of \$6.00.
- 16.08 In this Article 16.00, authorized overtime shall mean work requested and properly authorized by the Corporation and shall not mean work by mutual arrangement between employees for their own convenience.
- 16.09 In no case will overtime and premium compensation be compounded, duplicated or pyramided.

For the purposes of interpretation of Article 18 it is agreed that the computation of vacation pay shall be based on annual vacation entitlement or the appropriate percentage of gross earnings, whichever is greater, regardless of the number of days actually taken. Calculation will exclude insurance premiums paid by the Corporation. This statement is made without prejudice to Clause 18.05 of the collective agreement.

EXAMPLES:

- (a) Employee's gross earnings 1978 = \$ 15,000. 6% = \$900.00
Employee's vacation entitlement = 15 days
Actual vacation taken = 10 days
To compute vacation pay:

\$1200. 10 days = 10 x 55.30 = \$553.00

\$1300. 5 days = 5 x 60.00 = \$300.00

(outstanding)

(\$853.00)

Vacation Pay - \$47.00

- (b) Employee's Gross Earnings 1979 = \$17,000. 6% = \$1020.00
Employee's Vacation Entitlement = 15 days

+ Employee's carry-over vacation = 5 days

Vacation - 20 days

Actual vacation taken = 15 days
