(2) Administration of the Plan

Subject ~~to the~~ final authority of the Board, the administration of the plan shall ~~be~~ vested in the Staff Services Department. The Staff Services Department shall keep a record of the credits and deductions for each employee and shall provide a statement to each employee annually of the state of their credit under the plan.

(3) Final Authority

In case of **dispute** with **respect** to credits or deductions, the decision of ~~the~~ Board shall be final **subsequent** to prior **consultation** between the employee concerned and the administrative **officials**.

- (b) For full-time seniority employees hired on or after January 1, 1981, the following will apply: new hires working five (5) days per week will be entitled to two (2) days of sick leave for each full month worked.
- (c) At the end of each working year, all of the balance of that year's **sick** leave allowance for each employee, after deducting absences due to personal illness or injury, will be credited to such employee's accumulated sick leave account subject to the following:

No employee, however, may draw more than two hundred and forty (240) days of sick leave credit from the accumulated sick leave account for any one illness or injury. The employee shall re-enter the service of the Board for one (1) complete term (three (3) complete months) before drawing on an employee's accumulated credit again. Consequently, once an employee has banked the permitted accumulation of sick leave credits, the employee's sick leave, therefore, becomes non-cumulative so that sick leave days earned in the year of the sick leave absence may be used prior to drawing on the days of entitlement but will not be accumulated beyond the year earned.

(6) Reporting and Certification of Absences

Any absence must be reported immediately by the employee to the Head Caretaker who will advise the Field Supervisor. Such an absence must be reported by the Supervisor to the Staff Services Department.

Absences for personal illness or injury for a period not exceeding three (3) consecutive working days may be certified by the supervisor unless the Staff Services Department asks specifically in a particular instance for certification in writing by a qualified medical or dental practitioner. For absences over three (3) consecutive working days, a certificate from a qualified medical or dental practitioner may be requested. For an absence exceeding one (1) month, the Superintendent of Staff Services may request a medical certificate from a doctor appointed by the Board in order to continue sick leave payments. (7) Commutation of Daily Rate

Sick leave claims shall be computed for payment on the basis of the daily salary rate of the employee at the time of the absence.

(8) Absence Chargeable to Sick Leave

Deductions shall be made from an employee's sick leave credit for the number of days of absence because of personal illness. No salary payments shall be made to an employee for absence beyond the number of days to the employee's credit in the sick leave plan.

(iii) At the end of each working year, i.e. August, all of the balance of that year's sick leave allowance for each employee, after deducting absences due to personal illness or injury, will be credited to such employee's accumulated sick leave account **subject to the following:**

14.01(B)(Continued)

(a) All employees eligible for sick leave accumulation will be limited to a maximum sick leave accumulation of one hundred (100) days.

Each day's absence of an employee due to personal illness or injury will cause a deduction first from the current year's allowance, then and if the allowance be exhausted, from the employee's accumulated sick leave account. No employee, however, may draw more than one hundred (100) days of sick leave for any one (1) illness or injury. The employee shall reenter the service of the Board for three (3) complete months before drawing on sick leave credits again. Consequently, once an employee has banked the permitted accumulation of sick leave credits, the employee's sick leave, therefore, becomes non-cumulative so that sick leave days earned in the year of the sick leave absence may be used prior to drawing on the days of entitlement but will not be accumulated beyond the year earned.

(6) Reporting and Certification of Absences

Any absence must be reported immediately by the employee to the Head Caretaker who will advise the Field Supervisor. Such an absence must be reported by the Supervisor to the Staff Services Department.

Absences for personal illness or injury for a period not exceeding three (3) consecutive working days may be certified by the supervisor unless the Staff Services Department asks specifically in a particular instance for certification in writing by a qualified medical or dental practitioner. For absences over three (3) consecutive working days, a certificate from a qualified medical or dental practitioner may be requested. For an absence exceeding one (1) month, the Superintendent of Staff Services may request a medical certificate from a doctor appointed by the Board in order to continue sick leave payments. When the Board requests a doctor's certificate from an employee related to an absence on sick leave for less than three (3) days and the employee's physician charges for such certificate, the Board shall subsequently reimburse the employee up to ten dollars (\$10.00) after receipt of a doctor's invoice.

(7) Commutation of Daily Rate

Sick leave claims shall be computed for payment on the basis of the daily salary rate of the employee at the time of the absence.

(8) Absence Chargeable to Sick Leave

Deductions shall be made from an employee's sick leave credit for the number of days of absence because of personal illness. No salary payments shall be made to an employee for absence beyond the number of days to the employee's credit in the sick leave plan.
