Call-in Process

The parties recognize that it is in the best interests of the resident, that regular staffing patterns are maintained. Management will attempt to replace shifts fully at straight time rates.

- 1) For call-ins part time staff from within the classification and within the program or department will be called in first as replacement.
- 2) Part time staff from within the classification from another program or department will be called in second as a replacement.
- 3) Call-ins will be made without counting hours. Each shift is given to the most senior person available for the shift.
- 4) Definition of Refusal:
 - a) refusal includes but is not limited to:
 - i) A message left on an answering machine
 - ii) A message left on a cell telephone
 - iii) Cell telephone not available
 - iv) Telephone rings but ~~is~~ not answered

- b) staff refuses in person
- c) If no contact is able to be made by methods provided by the staff member that constitutes a refusal.

If the staff member calls back and is available to work **before the start of the shift** it is not counted as a shift refused. If the shift is already filled the senior staff member is not assigned the shift.

- 5) If a refusal is received on the last previously available shift, the employee goes to the bottom of the call in list (after all casual, students, fixed term) for the call-in for their next available shift.
- 6) If a call-in is not made in correct order, the staff member, who should have received the shift will be contacted immediately and offered a replacement shift. This shift shall normally be worked within a one (1) month period. If the shift was a paid holiday such replacement shift will be paid at the holiday pay rate.
- 7) Before offering overtime for a replacement, the work will be offered first to the same classification in which the opening exists. In most cases the work will be offered to other qualified staff from other classifications within the bargaining units starting with the highest classification.

The Team Leader/RN will ensure the work load is appropriately distributed amongst the staff on the shift.

If the Call in results in overtime, the call in will first go to the same classification where the opening exists.

- 8) If a call in is made necessary because of a full time scheduled shift, the overtime will go to full time staff first within the classification. If the call-in is made necessary because of a part time scheduled shift, the overtime will go to part time staff first within the classification.
- 9) CAW and management will meet as required to discuss means to minimize the frequency of altered staffing patterns.
- 10) When calling employees the following process will be utilized to call employees to work.

It is an expectation that employees have the means of accepting messages.

This is the procedure that will be followed for assigning shifts after the schedule is posted:

- a) Shifts commencing in the same day (include night shift):
First employee eligible for the shift will be called, if no answer or have to leave a message, the next person will be called immediately and so on. If a senior employee calls back before the shift is assigned, they will receive the shift.
- b) Shifts commencing the next day (calling from 0600 hours up to 2300 hours for the following morning, that is, shifts starting at 0500 hours):
First employee eligible for the shift will be called, if no answer or have to leave a message, the next person will be called immediately and so on. If a senior employee calls back before the shift is assigned, they will receive the shift. It is expected staff will be available for the next day if they have not changed their availability.

- c) Shifts commencing before the employee's next scheduled shift:
Employee will be called or emailed and informed of the assigned shift in accordance with their provided availability. It is an expectation that employees have the means of accepting messages.
 - d) Shifts scheduled after the employee's next scheduled shift:
Employee is responsible for checking the schedule and initialing extra shifts assigned and working the shift.
- 11.** Call in is subject to provision of availability sheets, and availability for overtime sheets submitted by resident care staff.

RE: Voluntary Exit Option

In respect of the above-noted matter and without precedent or prejudice in any other matter the parties agree as follows:

1. Prior to issuing a notice of a permanent redundancy or long-term layoff, which will result in a permanent employee losing employment, the Employer will offer Voluntary Exit Options (VEO) to permanent employees. These offers will be made in writing to all permanent employees in the affected job classification within the bargaining unit.

For the purposes of clarification the parties agree that no temporary employees (as defined in the respective collective agreements) in a job classification will continue to be employed while any permanent employees are on layoff.

2. The maximum number of employees who can participate in the VEO within the affected job classification must be equivalent to the number of employees within the affected job classification who would otherwise receive notice of layoff. All employees will receive the offer of VEO simultaneously. These employees shall advise the Employer of their decision whether or not to elect a VEO within two weeks of being advised of the offer. If the

response exceeds the number required then seniority will prevail in the following sequence:

- a) within the affected job classification within the division
- b) within the affected job classification with the department
- c) within the affected job classification in other departments

* affected job classification will include similar job classifications where feasible.

Management and the Union will meet and agree as to how remaining employees in the affected job classification will be reassigned based on seniority and as required within the job classification, within the bargaining unit, and with consideration of the residents' quality of care.

3. An employee who accepts the VEO shall have the option of receiving a payment in the form of a lump sum or salary continuance, upon relinquishing all recall rights. This payment shall equal one months' income for each year of service, plus a prorated amount for any additional partial year of service, to a maximum of 12 months of income.

In addition, an employee between the ages of 55 and 65 shall receive a lump payment of \$3000.00.

A week's income is defined as per Appendix "A" in the Collective Agreement. Where a part-time employee elects a VEO, his or her payment will be based upon their regular average weekly income calculated using the six (6) month period immediately preceding their last day of work.

4. Extended Health, Dental and Life Insurance Plans will continue to cover employees who choose the salary continuance payment, for

a period of time equal to the time represented by the payment, but employees will not be entitled to long term disability (LTD) or sick leave benefits during this time.

Employees between the ages of 55 and 65 who elect a VEO and who prior to the expiration of their salary continuance payment elect to retire, will be eligible for retiree benefits coverage as per the respective collective agreement.

5. Where an employee accepts the VEO and, on production of receipts from an approved educational program within twelve (12) months of leaving the Region, they may be reimbursed for 100% of tuition fees up to a maximum of \$2,000.00.
6. Counselling regarding the VEO options and implications will be made available to any employee requesting same.
7. This Agreement shall commence on January 31, 2007 and shall remain in effect until December 31, 2008.

RE: Casual Employees

In the interest of establishing a casual pool of employees to alleviate staff shortages, it is agreed to establish the following class of employees. The parties agree on the addition of this classification with the following conditions:

1. Casual employees will not form part of the regular part time pool. Furthermore, the regular part time pool must be exhausted at straight time rates before offering call in time to a casual employee. Scheduling provisions as outlined in Article 14 shall not apply (articles 14.03, 14.04, and 14.05). These casual employees will not receive the same consideration of having every other weekend off.
2. Casual employees shall not be eligible to initiate shift switches, or, accept regularly scheduled shifts from other staff, without the mutual agreement of the Employer and the affected employees.
3. Casuals will only be considered eligible for any posted positions after all applications from regularly scheduled employees have been considered.
4. The number of casual employees is set at eleven (11), with the

distribution amongst departments and classifications as agreed verbally on February 26, 2004. Any amendments to this number or allocation will be set by mutual agreement with the Union and shall be reviewed on a quarterly basis by the union management committee.

5. Regular employees may request a request for transfer to casual part time status in writing to their supervisor, providing the number of casual employees do not exceed the number agreed to in paragraph 4.

6. Casual Part time employees will lose their seniority for any of the following reasons:

- a) continuous non employment of three months
- b) failure to meet any of the following requirements:
 - 1) Casual employees shall be required to be available one of the following, Christmas Eve and Christmas Day, or New Years Eve and New Years Day.
 - 2) Casual employees must be available for a minimum of **eight (8) shifts in a six (6) week availability period** and **two (2)** of those shifts must be weekends.

7. The Employer agrees to provide to the union chairperson a list of all casual employees and the totals of hours worked during each six week period that corresponds to the six week work schedule.

8. With respect to any employment conditions not stated, it is intended the employee will be treated as a part time employee under Appendix A of the collective agreement.

9. The effective date of this letter of understanding is the signing date.

RE: Availability Forms and Scheduling Issues

Further to the discussion and agreement in principle reached on June 1, 2005 the parties agree to the following:

1. Full Time Employees scheduling of Paid Holidays (Stats): In accordance with Article 17.03 of the collective agreement, paid Holidays are to be mutually arranged by the staff member and their supervisor. Requests will not be unreasonably denied.
 - i.) To schedule a stat the staff member MUST find their own replacement, and MUST receive approval from their manager. The staffing clerk MUST be informed a minimum of 48 hours in advance of the shift, and preferably as soon as it has received approval from the manager. Such approval will be given in a timely manner. The replacement cannot incur overtime rates.
2. Full Time Employees vacation requests of less than one week shall be considered having regard to the same considerations as a regular vacation request of a week or more.

3. CAW agrees to support the scheduling system of availability sheets, and encourage and communicate that all part time employees must participate, commit, and communicate fully with respect to their availability.
4. Medical certificates, at a cost to be borne by the **employee**, may be required at management's discretion in the summer months particularly for absences such as patterned absences, and absences adjacent to paid holidays.
5. Availability Forms
 - a) The Employer will provide availability forms that will be used by every part time employee. Every part time employee is required to provide to the Employer, completed availability form by 2400 hours on the Saturday, four **(4)** weeks prior to the posting of the schedule which indicate all periods of availability during the scheduling period.
 - b) For the schedules that include December 15 to January 5, the deadline for submission of the availability sheet is November 1st. Approvals will be provided in a timely manner.
 - c) For the schedules that include July and August, the deadline for submission of the availability sheets is May 15th. Approvals will be provided in a timely manner.
 - d) Part time employees have the option of providing a master availability sheet that lists their availability for the schedule provided for, and **all** subsequent schedules, until they initiate a change to the availability sheet.
 - e) Availability sheets will be used exclusively to fill expected absences before the schedule is posted, and for call in purposes

after the schedule is posted. Overtime availability will be recorded on a separate availability list.

- f) An employee when submitting availability shall not be required to be available for more than one shift per day, nor does this preclude an employee from making themselves available for more than one shift per day.
- g) All part time employees hired after [date of ratification] are required to submit an availability sheet that indicates a minimum of two shifts of availability in each pay period. The shifts may not be on the same day. Where shifts other than day shifts are scheduled, a minimum of one of those available must be afternoons or nights.
- h) Employees will be deemed to be unavailable for **all** shifts during the posting period if no availability form is provided to the employer. Late submissions will be accepted for call-ins that arise, but not for pre-booked shifts.
- i) Once a shift has been assigned to an employee and posted on the schedule, it is the requirement of the employee to work the shift.
- j) Employees have the right to cancel prior availability, after submission of the availability sheet in the following manner:
 - i) Amendments for **shifts** on the weekend, including any adjacent paid holidays, must be left by noon on Friday preceding the weekend. Use of voicemail is permitted.
 - ii) Other amendments prior to 48 hours in advance of the shift in question may be left on voicemail with the staffing clerk.

iii) Amendments 48 hours or less in advance of the shift in question must be left by speaking in person with the staffing clerk, manager, or RN in charge.

However, notification of increased availability for call-ins is welcomed at anytime.

k) For the purposes of distribution of shifts, a shift offered and refused by an employee when available in accordance with the availability sheet he/she submitted, will be considered to be a shift worked.

RE: Discussion of 12 Hour Shifts

The parties agree twelve hour shifts may benefit service delivery and be of interest to some staff.

The discussion surrounding twelve hour shifts will involve two lines in the classification of FSA only.

All terms and conditions relating to the implementation of twelve hour shifts will be upon mutual agreement of the parties.

These considerations will be for a trial period only and the length of such trial will be by mutual agreement of the parties.

In no circumstance will the implementation of twelve hour shifts have a negative impact on existing staffing levels.

It is agreed that either party will if they so choose elect to discontinue twelve hour shifts with three (3) months notice.

As such, the parties will meet prior to June 30, 2007 to continue discussions of how twelve hour shifts could be implemented at Sunnyside Home.

Re: Job Evaluation

The parties agree there is a benefit to having increased knowledge of job evaluation at the Home.

To accomplish this, information session (s) will be held to educate Union Executive members and members of management on the above topic. The Employer agrees to pay all committee members their regular rate of pay for all time spent in such sessions.

These sessions will be held within ninety days of ratification of the agreement.

If after these session (s), CAW is still interested in pursuing a joint job evaluation process, the Region agrees to meet to discuss the possibility.
