THE LONDON POLICE SERVICES BOARD

(Hereinafter called the Board)

OF THE FIRST PART

AND

THE LONDON POLICE ASSOCIATION

(Hereinafter called the Association)

OF THE SECOND PART

WHEREAS pursuant to Section 119 of The Police Services Act, R.S.O. 1990, the Board and the Association have negotiated in respect to remuneration, working conditions and other matters referred to therein;

AND WHEREAS the parties have now reached agreement pursuant to the provisions of the said Act;

AND WHEREAS in this agreement the term "member" or the term "police personnel" means all employees of the Police Service falling within the positions set out in Schedule "A" hereto;

NOW THEREFORE THIS AGREEMENT WITNESSETH that the parties hereto, in consideration of the premises and the mutual covenants hereinafter contained, **AGREE** each with the other as follows:

ARTICLE 1 - RECOGNITION AND TERM

- 1.01 The Board hereby recognizes the Association as the sole collective bargaining agent for all police members and cadets of the London Police Service, save and except the Chief of Police and Deputy Chiefs of Police.
- 1.02 The Board agrees that there will be no discrimination, interference, restraint or coercion exercised or practised by the Board with respect to any member of the Police Service because of the member's membership or connection with the Association.
- 1.03 The Association agrees that there will be no discrimination, interference, restraint or coercion exercised or practised upon members of the Police Service by any of its members or representatives.
- 1.04 This agreement, as hereinafter provided, shall accrue to and apply to those Police members and Cadets on the active payroll of the London Police Service on or after January 1, 2008 to December 31, 2010 and such agreement will continue thereafter until replaced by a decision, agreement or award.

For the purpose of calculating retirement benefits, retirement means the date when a member ceases to be on the payroll.

ARTICLE 2 - ADMINISTRATIVE RIGHTS

- 2.01 The Association acknowledges that, subject to The Police Services Act, R.S.O. 1990, as amended, it is the function of the Board to:
- (a) Establish the complement of the Service, which shall consist of a Chief of Police and such other police officers and such constables, assistants and civilian employees as the Board considers adequate, and further to deploy and assign such members of the Service in a manner the Board deems necessary for the effective, efficient and economical carrying out of the operation and administration of the Police Service;
 - (b) Maintain order, discipline, and efficiency;
 - (c) Hire, discharge, classify, transfer, promote, demote, and suspend or otherwise discipline any member of the Service covered by this Agreement, provided that claim of discriminatory promotion, classification, demotion, or transfer, or a claim that any such member of the Service has been discharged or disciplined without just cause, may be the subject of either a grievance or follow the provisions of The Police Services Act and dealt with as provided;
 - (d) Generally to manage the operations and undertakings of the Police Service in a manner the Board deems necessary for the efficient and economical carrying out of the operations of the Police Service.

ARTICLE 3 - GRIEVANCE PROCEDURE

- 3.01 Where a difference arises between the parties hereto or those they represent in connection with or relative to the interpretation, application, or administration of this agreement, including any question as to whether a matter is arbitral or any decision or award made subsequent hereto, the procedure outlined in Schedule "B" of this agreement shall apply subject to any mandatory provisions of The Police Services Act and Regulations passed thereunder.

ARTICLE 4 - SENIORITY

- 4.01 Seniority shall be established for the members of the Police Service covered by this agreement and such seniority shall be based upon the member's continuous service with the Board, calculated from the date upon which a member last commenced employment with the Board. Where there is more than one member hired on the same date, seniority shall be decided in alphabetical order.
- 4.02 A seniority list shall be established by the Board for members covered by this agreement and such list shall be revised and posted prior to July 1st of each year and a copy filed with the Association.
- 4.03 Seniority shall be broken only for the following reasons:
- (a) If the member terminates employment;
 - (b) If the member is discharged and the discharge is not reversed under the provisions of the agreement or the provisions of The Police Services Act;
 - (c) If a member who has been laid off does not report for work within five (5) days of recall, as provided in Item 4:05.
- 4.04 Where the Board has made a decision to reduce the complement of the Service and such reduction of personnel cannot be accommodated through attrition, and where such action is not in contravention of The Police Services Act, the lay-off of members shall occur by inverse order of seniority. When a vacancy in the complement of the Service exists, the members on lay-off shall be recalled in order of seniority.
- 4.05 Members laid off due to a reduction in staff and who fail to return to work within five (5) working days after notice of return to work has been forwarded by registered mail to the last known address of the member, shall have severed their service with the Board and shall forfeit all seniority rights except in the case of sickness or other just cause agreed upon by the Board.
- 4.06 (a) Insofar as the members covered by this Agreement are concerned, seniority provisions are for the purpose of determining entitlement to holidays and vacations, sick leave benefits, and the order of lay-off or recall for members.

- (b) In instances where seniority dates change as a result of job sharing or part-time employment, the seniority date as at December 31st immediately prior to the year of entitlement shall be used to determine the entitlement to holidays, vacations and sick leave benefits.

ARTICLE 5 - SICK LEAVE CREDITS

- 5.01 Sick leave, as it pertains to members, shall be in accordance with the provisions of Schedule "C" to this agreement.

ARTICLE 6 - BEREAVEMENT LEAVE

Traditionally the bereavement days are consecutive but can be non-consecutive provided one of the bereavement leave days is the day of the funeral.
- (b) In the event of the death of the member's grandmother or grandfather or the partner's grandmother or grandfather, such member, if scheduled to work, shall be granted absence from work for not more than two (2) days with pay, which shall include the day of the funeral. Traditionally the bereavement days are consecutive but can be non-consecutive provided one of the bereavement leave days is the day of the funeral.
- (c) In the event of the death of a member's uncle, aunt, first cousin, nephew, niece, sister-in-law or brother-in-law, such member, if scheduled to work, shall be permitted reasonable time off with pay for the purpose of attending the funeral provided the service is in an area of twenty-five (25) miles of the City limits; if such services are beyond twenty-five (25) miles of the City limits, a member, if scheduled to work, shall be permitted absence from work for one (1) day with pay.

Any Senior Officer may extend the bereavement leave on the application of a member.

Members of the patrol force who are on Unit "B" and are assigned to work the Headquarters Duty Desk may work a 2345 hours to 0800 hours shift, when mutually agreed.

- 8.02 All other members shall work shift schedules as agreed to by the Board and the Association. Unless otherwise agreed to, the normal weekly period of work shall be forty (40) hours, consisting of five (5) days of eight (8) consecutive hours.

- 8.03 During each tour of duty, all members shall, where the requirements of service permit, be allowed one (1) hour for lunch. If the requirements of service do not permit one (1) hour for lunch, the members shall receive one (1) hour at straight time rates to be accumulated. (This allowance will not apply to a member who requests the last hour of the member's scheduled tour of duty for relief, such request is granted, and subsequently the member is not allowed an hour due to the requirements of service.)

Surplus hours of relief time earned by members working a compressed work week schedule are programmed in to the schedule on an annual basis. Relief times shall be scheduled by the Service. In computing hours of work on a daily, weekly or bi-weekly basis, any lunch period shall be considered to have been time worked.

- 8.04 Subject to the requirements of service, days off assigned to all other members for each week will be consecutive and such days off shall rotate so that, as far as possible, each member received equally the same number of weekends during the calendar year and, that in no event, subject to the requirements of service, shall a member be required to work more than ten (10) days in any one fourteen (14) day period.

Members, other than those assigned to the Patrol Force, shall receive a minimum of sixteen (16) weekends per year. (Weekends defined as a Saturday and a Sunday). It is understood that each full week of accumulated statutory or annual leave shall include one weekend.

- 8.06 The provisions of Items 8:01 shall not apply to members of the Patrol Force temporarily transferred to other duties within the Service.

- 8.07 (a) No member shall change a scheduled shift, day off, or starting time with another member unless prior written approval has been received from a supervisor. If such approval has been received, duty schedules shall be amended to show such change. The members will now be responsible to report for duty as agreed and approved. In the event a member is not able to report in accordance with the amended schedule or to complete the shift in accordance with the amended schedule, accumulated overtime or court time will be deducted from such member according to the hours the member was scheduled to work. The deduction of hours shall not apply to a member granted bereavement leave or to a member who has been approved leave by the Workplace Safety and Insurance Board.

(b) Where a member requests a change in a scheduled shift, day off, or starting time, and attempts made to change have been unsuccessful, the member may elect to transfer hours paid for the shift to another member qualified to perform the duties, such transfer to be calculated at the rate of the member working the shift. Such changes require approval from each of the respective supervisors.

8.08 According to the current Beat Patrol Plan, there should be no more than three (3) driving beats vacant during the deployment of a shift. When, during the course of scheduling deployment of officers, a supervisor recognizes that there will be more than three driving beats vacant, the supervisor shall make reasonable attempts to fill the vacancies through hiring on officers. Although it is recognized that there may be last minute occurrences which cause a shift to run with more than three (3) vacant beats (sickness, operational emergency etc), the supervisor shall make reasonable efforts to comply. The hiring for vacant driving beats will be for afternoon shift, night shift, and Saturday and Sunday day shifts.

During the months of June, July, August and September there should be no more than four (4) driving beats vacant during the deployment of a shift.

8.09 Members of the Emergency Response Section are subject under exigent circumstances, to change days off to provide assistance during extraordinary operational circumstances. Members will be notified of the change of days as soon as is practicable.

Should the member be required to travel to the court location or return to London from the Court location on a day off, the member shall be paid eight (8) hours at the applicable overtime rate. If the Court location is more than four hundred (400) kilometres from London and the member is scheduled to work the day following the court appearance the member shall be granted that day as a travel day.

This benefit in relation to attendance at Court replaces all other benefits related to travel time.

ARTICLE 10 - OVERTIME

- 10.01 Overtime shall be deemed to be any time worked outside of a member's regular scheduled shift.

- 10.02 A normal tour of duty will commence and conclude at fifteen (15) minutes to the hour. When a member is required to be on duty for any period in excess of thirty (30) minutes after the member's normal tour of duty, such time shall accumulate and be credited to the member as overtime. When the period of such time is thirty (30) minutes or less, it shall NOT be considered time worked to be compensated through salary nor to be accumulated and credited to the member as overtime.
- 10.03 Voluntary or mandatory overtime shall be paid at one and one half (1.5) times the member's regular rate of pay. Such overtime credits shall be payable to the member within sixty (60) days from the time such credit was earned at the rate of pay in effect at the commencement of the shift on the date the time was earned.
- 10.04 All overtime earned on a Statutory Holiday shift shall be computed and credited to a member at two (2) times a member's regular rate of pay and shall be payable to the member within sixty (60) days.
- 10.05 Where a member's off-duty hours between shifts are less than ten (10) hours, the provisions of Article 10:06(a) only will apply. Overtime consecutive to the first shift shall be considered to be a part of the minimum time off between consecutive shifts.
- 10.06 (a) If a member is called back to duty from the member's off duty hours or is transferred from a normal scheduled shift (ie: day, afternoon, or night shift) with less than twenty four (24) hours notice, the member shall be credited with three (3) hours at straight time. All hours worked will be considered part of scheduled shift hours for the subsequently scheduled shift.
- The start and/or end time of the subsequent shift will be adjusted, upon mutual agreement of the member and the member's supervisor, to account for scheduled shift hours including all hours worked when the member was called back to duty. The member's shift commences upon notification of a required return to duty. Where total call back and subsequent shift hours worked are greater than or equal to the scheduled shift, the member shall be entitled to overtime at applicable overtime rates for any hours worked beyond the shift hours originally scheduled.
- (b) If a member is called back to duty on a scheduled day off and has to attend the scene of an investigation, police headquarters or other police facility, the member will receive a call back allowance of three (3) hours at straight time. If the member does not have to attend the aforementioned locations, the member will be entitled to one (1) hour at straight time rates. In addition, the member will be paid at the appropriate overtime rate for all hours worked beginning at the time the member is notified of the call-back.
- (c) If a member is called back to duty from a period designated as standby, the member shall be credited with three (3) hours at straight time. In addition, the member will be paid at the appropriate overtime rate for all time worked. The provisions of 10:06 (d) and 10:07 will not apply.

(d) If a member is called back to duty from a Statutory Holiday, as stipulated in Article 30:01, the member shall be credited with three (3) hours at straight time. In addition, the member will be paid at a rate of two times (2X) their hourly rate for all time worked. The provisions of 10:07 will not apply.

10.07 When a member is recalled to duty when on annual or statutory holiday leave, the member shall receive sixteen (16) hours pay at straight time rates for the first eight (8) hours of service, time and a half for additional hours worked on the first call back, and an additional day off in lieu of the leave lost. If the member's services are required for additional days during such annual or statutory holiday leave, the member shall be paid at straight time rates but shall receive additional days off in lieu of such leave days lost.

10.08 When a member is recalled to duty while on day off with leave, the member shall receive sixteen (16) hours pay at straight time rates for the first eight (8) hours of service, and time and a half for additional hours worked for that shift.

10.09 Members assigned to stand-by duty between consecutive working days shall remain available for immediate communication and/or return to duty.

For each period of stand-by duty, the member shall receive three (3) hours pay at straight time rates.

If a member on stand-by duty is called back to active duty, the provisions of Item 10:06 shall take effect in addition to the stand-by.

10.10 Effective January 1, 2003 a member may elect to accumulate overtime to be taken as time off at a time mutually agreeable to the member and the member's supervisor. Such election to accumulate overtime must be made at the time overtime is earned, and such election is not reversible except on resignation or retirement from the Service. The maximum number of hours a member can accumulate is eighty (80) hours, after which the member will be paid at the appropriate overtime rate.

On or about May 15 of each year a member may elect to be paid out accumulated overtime to a maximum of forty (40) hours. The amounts shall be paid prior to June 30th.

Notwithstanding the above, for members with a balance greater than 80 hours as of January 1, 2003 all subsequent overtime earned shall be paid until such time as the balance is less than eighty (80) hours. All overtime accumulated in excess of eighty (80) hours is not subject to annual pay-downs or a payout upon resignation or retirement.

10.11 All voluntary hire-ons shall be credited at the rate of time and one half the member's normal rate of pay. A voluntary hire-on may be less than a full shift, but in no circumstance will the member be paid for less than three (3) hours at time and one half.

All overtime beyond the normal scheduled shift hours worked on a statutory holiday, however, will be paid at two (2) times a member's regular rate of pay and shall be payable to the member within sixty (60) days as per item 10:04.

10.12 Recording of NAN (no accounting necessary) time is prohibited.

ARTICLE 28 - VACATION

28.01 Where a member joins the Service after January first in a calendar year, vacation entitlement shall be granted in that year on a prorated basis.

28.02 Commencing January 1, 2007 a member on strength on the first day of January shall, in the year of entitlement and annually thereafter, be granted a vacation with full pay on the following basis:

Less than 3 years of service	2 weeks (80 hours)
3 years of service and less than 10 years of service	3 weeks (120 hours)
10 years of service and less than 15 years of service	4 weeks (160 hours)
15 years of service and less than 23 years of service	5 weeks (200 hours)
23 years of service and less than 28 years of service	6 weeks (240 hours)

21 years and less than 26 years of service	6 weeks (240 hours)
26 years of service or more	7 weeks (280 hours)

Where the anniversary of a member's service with the Service qualifies the member for additional vacation benefits in a given year, then the additional benefits shall apply, for all purposes, to the entire calendar year.

Effective January 1, 2006 for the purpose of Article 28:02, an employee's length of service shall commence from the date on which an employee is hired as a Police Constable or cadet with the London Police Service.

A member's length of service will include all time served with another police service within the Dominion of Canada commencing from the date of hire as a Police Constable provided the member began service in London within 30 days of resignation at the previous service.

For the purposes of calculating service for vacation, the 'date of hire' of a Police Constable shall be deemed to be the date that the member was hired as a Police Constable recognizing that there is generally a few months between the hire date and the date 'sworn' which will count toward vacation entitlement with the London Police Service.

This service shall not include any time served, other than with the London Police Service., as a Cadet, Special Constable or Civilian member; therefore, in these circumstances the date of hire shall be deemed to be the date the member was sworn as a Police Constable.

It is further understood that for the purposes of choosing holiday time, the following practice shall occur:

Initially, members will choose their Annual Leave in descending order of seniority according to their entitlement as a result of service with the London Police Service. Members will then choose their Statutory Leave (if applicable) in ascending order of seniority.

Once all other leave is chosen, any members who qualify for Annual leave entitlement as a result of Accredited Police Service, as laid out above, shall choose such entitlement according to descending order of seniority.

It shall be the responsibility of the member to provide proof of previous service in order to qualify for the above vacation entitlements.

Annual vacations shall be selected by all members in order of seniority. Nothing herein amends or alters the rights of an individual member to select consecutive weeks of such annual vacation to which the member may have entitlement under the provisions of item 28:02.

Annual leave selections shall be completed by November 1st of each year for the year following. A member shall make a selection of leave within seventy two (72) hours of being notified that he or she is next to choose or the selection may be passed onto the member who stands next in seniority.

- 28.03 When a member leaves the Service without qualifying for a full year's vacation entitlement as set down in Item 28:02, the member shall receive such vacation entitlement for the time served on a prorated basis, calculated from January first in the calendar year in which the member leaves the Service.
- 28.04 Effective January 1, 2003, annual vacation shall be taken by all members in each classification in order of seniority. Members working compressed work week shift schedules shall choose annual vacation by hours from shifts scheduled to work by the member's unit. Members shall choose complete blocks of shifts assigned to work between scheduled days off. Hours remaining where no complete block can be chosen shall be added to the hours of statutory and paid holiday entitlement.

Notwithstanding Article 29:04 where a work unit is comprised of eight (8) or more persons, based on the authorized complement for the year when vacation will be taken, no more than two police constables on one unit may be off on annual leave or statutory and paid holiday leave at one time.

- 28.05 In the calendar year in which a member completes thirty (30) years with the Service, the member shall receive an additional six (6) weeks (240 hours) vacation at full pay. This benefit is conditional on the member combining this vacation entitlement with the benefit provided in Item 28:02 to provide thirteen (13) consecutive weeks of vacation.

A member has the option to defer the additional six (6) weeks vacation to a subsequent year. The member must provide a minimum of one year's notice of the date they wish to take the entitlement. The entitlement must be taken by combining it with all other annual leave. If deferred, there will be no cash payouts of this benefit to the member or surviving beneficiary. The additional six (6) weeks will not be blocked off the holiday list that the qualifying member is assigned to. However, the initial seven (7) weeks will be blocked off the holiday list of the qualifying member's unit. Members hired after December 31, 1985 will not be entitled to this benefit.

- 28.06 If a member is injured or incapacitated due to illness requiring a doctor's care before going on annual leave and such injury or illness continues into any portion of annual leave, the member may choose annual leave at a later date and use sick leave credits while such illness or injury continues. Medical documentation from a licensed physician must accompany a written request from the member to change annual leave to sick leave. The cost for such documentation shall be borne by the member.
- 28.07 When a member has selected their annual leave prior to November 1st of any given year and is subsequently transferred to another division, section or unit after November 1st, the member shall have the option of maintaining all or part of the selected leave with the mutual consent of the member's supervisor. If mutual consent

cannot be attained, then the matter shall be subject to review and final decision by the Chief of Police or a Deputy Chief of Police.

and any other day appointed by proclamation to be observed as a public holiday or as day of general prayer or mourning or a day of public rejoicing or thanksgiving throughout Canada.

29.02 Members shall be entitled to the provisions of Item 29:01 for such statutory and paid holidays as their service shall warrant during each calendar year.

29.03 A member required to work on a statutory or paid holiday mentioned in Item 29:01 shall be paid at the rate of time and one-half the member's rate of pay, notwithstanding the day off received for working on such day. Any overtime worked on a statutory or paid holiday will be paid at two (2) times the member's rate of pay, as provided in Article 10, Item 10:04.

29.04 Subsequent to the selection of annual vacation, members regularly scheduled to work rotating shifts will select two (2) weeks additional leave in lieu of statutory and paid holidays by inverse seniority. Such additional statutory and paid holidays to which a member may have entitlement shall, subject to the requirements of the Service, be assigned at a mutually convenient time to the member and the member's supervisor.

Members working compressed work week shift schedules shall choose one hundred and four hours of statutory or paid holiday leave in the inverse order of seniority after the completion of the selection of annual vacation. Hours of annual leave remaining shall be added to the hours of statutory and paid holiday leave prior to the selection of statutory and paid holiday leave. Statutory and paid holiday leave shall then be chosen from the shifts scheduled to work by the member's unit during that period. The members shall choose complete blocks of shifts assigned to work between days off. Hours remaining where complete blocks cannot be chosen will be "set aside."

After completing the selection of statutory and paid holiday leave, members of units will choose remaining hours by seniority from shifts designated for leave selection by the Divisional Commander. When using "set aside" hours, accumulated time hours may be used to complete shifts of leave.

- 29.05 Two (2) officers from each patrol unit will be permitted to select annual and statutory leave at the same time on all shifts.
- 29.06 Members not covered by item 29:04 (other than Senior Officers) shall select two (2) weeks statutory leave in the inverse order of seniority following the selection of annual leave, if such members work rotating shift schedules that include Saturdays and/or Sundays.
- 29.07 It is understood that a number of training institutions choose to celebrate statutory holidays on a day other than the day designated by law.
- (a) It is further understood that when the situation described occurs, Article 29:03, as it relates to being reimbursed time and one half for working on statutory holiday, shall not apply.
 - (b) It is further understood that the member will be assigned another day off during the week in which the statutory holiday falls.
 - (c) It is finally understood that when the situation described occurs, there will be no deduction of hours from the member.

- 35.01 Where a member of the Service is charged with an offence under the Criminal Code of Canada resulting from an incident which occurred in the performance of the member's duties, and the member is not convicted of the charge or a reduced charge arising out of the same facts or circumstances, the Board will pay the legal fees of counsel for such member's defence on such charge, provided counsel is one whose law practice is principally established and carried on in the City of London.
- 35.02 Where a member of the Service is charged with an offence under the Highway Traffic Act resulting from an incident which occurred in the performance of the member's duties, and the member is not convicted of the charge or a related charge arising out of the same facts or circumstances, the Board shall pay legal fees of counsel for such member's defence up to five hundred dollars (\$500.00) plus G.S.T. or fifty percent (50%) of the total fees for counsel, whichever is the greater.

- (a) Where the Board is not named in the action as a party and the Board is, therefore, not defending the action on its own behalf, and the member is named in the action jointly unless, in the opinion of the Board's solicitor, the member requires independent and separate legal counsel and should be advised to appoint their own counsel.
 - (b) Where the Board is named as a party defendant together with a member, but the solicitor retained on behalf of the Board is of the view that it would be improper for the solicitor to act for both the Board and the member in that action.
- 35.06 The Board may also determine, in its sole discretion, to reimburse a member for legal fees incurred for matters arising out of the member's employment as a member of the London Police Service in circumstances not specified above and in accordance with the provisions of Section 50 of the Police Services Act, R.S.O. 1990 c.P15 as it may be amended from time to time.
- 35.07 The Board may, in its sole discretion, require the member or the Association to have legal fees charged for such member's or Association's counsel assessed, and the Board may nominate counsel for the purposes of effecting such assessment, on any account for which payment is sought pursuant to the provisions of this Working Agreement.
- 35.08 For the purpose of legal indemnification under this Agreement, the reasonable legal costs incurred by the members shall be deemed to have been incurred by the member, notwithstanding that the member may have received financial assistance in respect thereof from the Association.
- 35.09 The Board will reimburse the Association for the reasonable costs of a lawyer to provide legal advice to potential Subject or Witness members of the Service, during the investigation period of a Special Investigation Unit investigation. This indemnification is conditional that at the time of the incident in question the member(s) was/were on duty or had brought themselves back to being on duty, and were acting in good faith and in the lawful execution of their duty.

The Board shall not indemnify legal expenses past the completion of the S.I.U. investigation and the laying of information(s), as Article 35:01 is intended to govern these matters. The lawyer's law practice must be principally established and carried on in the City of London.

It is further agreed that the Board shall indemnify members/and or the Association for reasonable legal costs incurred in relation to the attendance of counsel on behalf of

3. A grievance must be submitted by the Association on behalf of any member.

4. If a member has a grievance, the member shall submit the same to the Association, which will, if it concurs, set the same out in writing, in duplicate, and submit it to the Chief of Police. A grievance from a member shall be signed by the member as well as by the Association.

5. A grievance between the Board and the Association shall be submitted by the Association's Grievance Committee in writing, in duplicate, to the Chief of Police.

6. Any grievance shall be submitted to the Chief of Police within thirty (30) days after the subject matter of the grievance first occurred.

(b) At any stage of the proceedings, the Association and/or the Board may call witnesses.

8. In the case of a grievance submitted on behalf of the member, the Chief of Police will hear the member and one member of the Association's Grievance Committee. In the case of a grievance between the Board and the Association, the Chief of Police will hear the Association's Grievance Committee. The Chief of Police shall give to the Association a notice in writing, at least seven (7) days prior to the time set for the hearing of the grievance, of the time and place that the grievance will be considered and, if the member or member of the Grievance Committee shall fail to attend at such time and place, the Chief of Police may determine the matter without such attendance. The Chief of Police shall endorse upon both copies of the written grievance, the Chief's decision and return one (1) copy to the Association and file one (1) copy with the Board within ten (10) days of the hearing of the grievance.

9. If the Association is not satisfied with the decision of the Chief of Police, the written grievance shall be returned to the Chief within ten (10) days of its receipt from the Chief, with a request it be submitted to the Police Services Board of the City of London. The Police Services Board shall then fix a time within six (6) weeks after the return of the grievance to the Chief of Police, at which time it will hear the member and a member of the Association's Grievance Committee. In the case of an Association grievance between the Board and the Association, the Board will meet with the Association's Grievance Committee. The Board will endorse its decision upon both copies of the written grievance within two (2) weeks after such hearing and return one (1) copy to the Association.
10. The Association may, within thirty (30) days after the receipt of the written grievance endorsed with the decision of the Board, forward to it a request in writing that the matter in dispute be submitted to arbitration, and thereupon the following procedure shall apply. If neither shall so request, the grievance shall be deemed to be abandoned.
 - (b) The arbitrator shall commence to hear and determine the grievance within thirty (30) days after the arbitrator's appointment. The arbitrator shall issue a decision within a reasonable time thereafter, which decision shall be final.
11. Subject always to Section 124 of the Police Services Act, the following considerations shall apply to grievance and arbitration procedures hereunder:
 - (a) The decision in each step above shall be final and binding upon the Board, the Association and the member or members affected by it, unless the subsequent steps hereinbefore provided are taken within the said limited time.
 - (b) The member and the Association shall be confined to the grievance as set forth in the written grievance filed.
 - (c) No grievance may be submitted to arbitration hereunder which has not been properly processed through all the previous steps of the grievance procedure, but any time limits herein contained may be extended by mutual consent in writing, of the Board and the Association.
 - (d) An arbitrator hereunder shall have no power to add to, subtract from, alter, modify or amend any part of the annexed agreement, the written grievance or the grievance procedure or otherwise make any decision inconsistent therewith.
