THIS AGREEMENT BETWEEN:

THE CITY OF RICHMOND
(hereinafter called the "Employer")

OF THE FIRST PART

AND: **RICHMOND CIVIC EMPLOYEES' UNION, LOCAL 718**
(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS the Employer is an employer within the meaning of the "Labour Relations Code" of British Columbia.

AND WHEREAS the Union is the sole bargaining authority for that group of employees known generally as "Inside Employees".

NOW THEREFORE this Agreement witnesseth that it is hereby agreed between the parties hereto as follows:

1. TERM OF AGREEMENT

- 1.1 This Agreement shall be for a term of five (5) years with effect from 2012 January 01 to 2015 December 31, both dates inclusive. Should either party hereto at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party hereto to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and, except with respect to changes to rates of pay made pursuant to the Job Evaluation Agreement between the parties et al., neither party shall make any change or alter the terms of this Agreement until
- (a) The Union can lawfully strike in accordance with the provisions of Part 5 of the Labour Relations Code; or
 - (b) The Employer can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
 - (c) The parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever is the earliest.

- 1.2 The operation of sub-sections (2) and (3) of Section 50 of the Labour Relations Code shall be specifically excluded from, and shall not be applicable to this Agreement.

2. UNION SECURITY

- (a) All present employees who are now members of the Union shall remain members of the Union. All persons employed shall become members of the Union by the pay period immediately following completion of thirty (30) calendar days of employment. All such employees shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union Dues that all other members of the Union are required to pay to the Union.
- (b) It is agreed that all employees covered by this Agreement shall pay an initiation fee and a bi-weekly fee to the Union equal to the Union's bi-weekly dues; such payment to be made by payroll deduction. Deductions shall be made in respect of all subsequent pay periods, provided the employee works any part of the pay period. The Human Resources Department of the Employer will acquire the signature of new employees on Union Application for Membership and Dues Deduction Authorization Cards at the same time as the employee signs the various Human Resources forms. These arrangements shall remain in effect for so long as the Union remains the recognized bargaining authority.

3. EMPLOYEE DEFINITIONS

(The minimum includes one (1) hour for traveling time.)

If two separate callouts are completed within a three (3) hour period, the minimum payment shall be four (4) hours at double the rate of pay. (The minimum includes two (2) hours for traveling time.)

Employees who are able to deal with the problem over the telephone or by computer shall be paid one-half hour pay at double the employee's regular rate. Multiple telephone calls/pages within a one (1) hour period will be treated as one (1) event for the purpose of pay and consecutive events lasting more than one hour will be paid for actual time worked.  - (ii) During Callouts and Pre-Scheduled Overtime
Upon completion of three and one-half (3½) continuous hours of callout work or pre-scheduled overtime work, an employee becomes entitled to a paid meal break of a one-half (½) hour which the Employer may permit to be started at any time within the three and one-half (3½) hour period but, except in an emergency, no later than the end of the three and one-half (3½) hours.

If the employee has not had the opportunity to work during the ten (10) days referred to above, the employee shall be paid for those days for which work was not made available.

15.10 Leave of Absence - Union Officials

- (a) All applications for leave of absence whether with or without pay shall be granted only to those official Union representatives whose absence in any specific case does not interfere with the operation of the Employer. - (b) With respect to any leave of absence granted without pay, the Employer shall continue to pay each representative's regular wage or salary and shall render an account to the Union for such amount, including the Employer's contribution on behalf of each such representative for Group Life Insurance coverage, Medical, Dental and Extended Health coverage, Sickness, and Accident Insurance Coverage and Municipal Superannuation. - (f) The Employer agrees that any full-time officer of the Union who is on leave of absence for the purpose of performing duties as an officer of the Union shall not lose seniority in the service of the Employer and shall continue to accumulate seniority while performing such duties. Upon retirement from duties as an officer of the Union, such former Union officer shall be entitled to return to a position within the class of positions to which their former position was allocated and for which "the employee" is qualified if any position within such class is held by an employee with less seniority. If all of the positions within such class are held by employees with more seniority or have been abolished, such former Union officer shall be entitled to return to any other vacant position for which the employee is qualified.
- (g) The Employer agrees that any employee who might be elected or appointed to a full-time position with the Canadian Union of Public Employees, the Vancouver Labour Council, the B.C. Federation of Labour or the Canadian Labour Congress shall be granted leave of absence without pay and shall not lose seniority in the service of the Employer while on such leave of absence. This will also apply to any employee hired temporarily by the aforementioned labour organizations for a period of not less than six (6) months nor more than two (2) years in duration. - (i) in the case of the death of the employee's marital or common-law spouse, child, ward, brother, sister, parent, parent-in-law, grandparent, grandchild, or guardian; or
- (ii) in the case of the death of any other relative if living in the employee's household.
- (iii) Should an employee require time off as a result of the death of a family member not listed in this Article, the Department Head (or delegate) will give consideration to an employee's request on short notice to utilize earned vacation or other time banks for a duration of paid time off not to exceed three (3) working days or other such period as may be deemed appropriate in the circumstances. Such consideration will take into account operational considerations, but will not be unreasonably withheld.

Note: Regular Part-Time Employees are eligible for bereavement leave in accordance with Schedule "B", paragraph 2(c)(4).

- (b) Any employee who qualifies for Bereavement leave without loss of pay under paragraph (a) and who is required to travel to a point outside the Lower Mainland of British Columbia (defined as the area included within the Greater Vancouver Regional District, Fraser Valley Regional District, Powell River Regional District, Squamish-Lillooet Regional District and Sunshine Coast Regional District) may be granted additional leave without loss of pay for a further period of two (2) working days.

Immediate family is defined as the employee's wife, husband, child, ward, brother, sister, parent, parent-in-law, grandparent, grandchild, guardian or common-law spouse.

To assist in the scheduling of work assignments, each employee should provide as much notice as possible to the Department Head prior to taking Family Leave. It is recognized however, that the exercise of Family Leave may not allow the employee sufficient time to provide much notice of impending absence. Therefore it is a requirement that each employee establish contact with their Department Head or delegate at the start of each day of Family Leave taken. If a Department Head or delegate is not satisfied that Family Leave has been used for the express purpose for which it is intended, the employee may be asked to substantiate such use.

15.13 Jury Duty and Witness Fees

Any employee called for Jury Duty or as a Crown Witness will be allowed time-off during the period of such duty up to and including ten (10) working days. Nothing in this section impedes the rights of the Employer to manage its business and the Union recognizes the right of the Employer to implement and administer policies and procedures pertaining to safeguarding its workforce. It is agreed that employee complaints dealt with under the Employer's established policies and/or administrative procedures must reach a determinative conclusion within a reasonable time frame. At the Union's option, should the conclusive result derived from application of the Employer's policies not be suitable, the employee complaint may be subsequently addressed through the Grievance Procedure commencing at step two.

Effective March 11, 2013, the Employer shall supply one set of coveralls, when requested, for those employees required to engage in out-of-office duties where exposure to the surroundings may be detrimental to personal clothing or where personal visibility is required for safety purposes. Approval for such a coverall request requires the approval of the Department General Manager

Each lifeguard will be provided with two Richmond Aquatic shirts and shorts. This replaces any other clothing benefit previously provided.

17. GRIEVANCE PROCEDURE

During the term of this Agreement, any difference concerning the dismissal, discipline or suspension of an employee or the interpretation, application, operation or any alleged violation of this Agreement, including any question as to whether any matter is arbitral, shall without stoppage of work, be the subject of collective bargaining between the Union and the Employer and shall be finally and conclusively settled under and by the following procedure. All disciplinary letters or notes that are destined to be placed on the employee's personnel file for future reference must be copied to the Union President in addition to the applicable Manager, Human Resources.

In the first instance, within thirty (30) calendar days of the date on which the incident giving rise to the grievance occurred or of the date when the employee or Union first became aware of the incident, whichever is later, the grievance shall be submitted in writing to the Department Head directly concerned, and if the alleged grievance is not settled within five (5) days, the letter of grievance shall be referred to the Union's grievance committee.

The grievance shall be brought before the Union's Grievance Committee, who in turn, will meet with the Employer's Committee within five (5) days of the presentation of the grievance, and make every effort to settle the matter.

Should no settlement be reached within five (5) full working days, the grievance shall be referred to a Board of Arbitration. The Board of Arbitration shall consist of one nominee appointed by the Employer and one appointed by the Union. These two nominees shall name a third member who shall be Chairman within three days.

Should the nominees of the respective parties fail to select a Chairman, then either party to the Agreement may apply to the Minister of Labour for the Province of British Columbia to appoint such third member. The expenses and compensation to the arbitrators shall be borne by the respective parties. The expenses and compensation for the Chairman shall be borne equally between the parties.

- (b) make such other order as it considers fair and reasonable, having regard to the terms of this Agreement.

- (b) alters significantly the basis upon which this Agreement was negotiated;

either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board constituted under Clause 17 of this Agreement, by-passing all other steps in the Grievance Procedure.

The Arbitration Board shall decide whether or not the Employer has introduced or intends to introduce a Technological Change, and upon deciding that the Employer has or intends to introduce a Technological Change, the Arbitration Board:

- (a) shall inform the Minister of Labour of its findings; and
- (b) may then or later make any one or more of the following orders:
 - (1) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - (2) that the Employer will not proceed with the Technological Change for such period, not exceeding ninety (90) days, as the Arbitration Board considers appropriate;
 - (3) that the Employer reinstate any employee displaced by reason of the Technological Change;
 - (4) that the Employer pay to the employee such compensation in respect of their displacement as the Arbitration Board considers reasonable;
 - (5) that the matter be referred to the Labour Board and upon such reference being made, the provisions of Section 77 of the Labour Code of British Columbia shall apply.

The Employer will give to the Union in writing at least ninety (90) days' notice of any intended Technological Change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated.

22. INTERPRETATION

SCHEDULE "B" (cont'd)**SCHEDULE "B"**Temporary And Auxiliary Employees1. Auxiliary Seniority Pool

A Seniority Pool has been established for Auxiliary Employees. Access to the Auxiliary Seniority Pool shall be extended to all Auxiliary Employees as follows:

- (a) As soon as an Auxiliary Employee has worked 1200 hours within two consecutive calendar years, such employee will gain entry onto the Auxiliary Seniority List in their section and will be deemed to possess seniority.
- (b) Upon gaining entry onto the Auxiliary Seniority List, an employee will be credited with the number of hours worked.
- (c) An Auxiliary Employee's seniority will be lost as a result of a break in service with the Employer which exceeds twelve calendar months. In-service hours are not considered as hours worked for purpose of seniority calculation.
- (d) Where pay ranges exist, eligibility for advancement from one step to the next (increment) shall be based on the number of hours served by a Regular Full Time Employee for such eligibility.
- (e) In the event of a layoff of Auxiliary Employees within a class (whether the layoff takes place within a program, a geographical area or across the entire bargaining unit) those employees having greatest seniority within the class shall be the last ones laid off.
- (f) Other than as might be provided for pursuant to the terms of paragraph 1(i) herein, no Auxiliary Employee shall have the right to bump another employee after having been laid off.
- (g) An Auxiliary Employee having class seniority, and having been laid off, must, if they wish to be considered for future Auxiliary employment, elect to register with the Employer for future Auxiliary employment in which case the employee will be given preference in hiring for future vacancies within various classes on the basis of class seniority.
- (h) Registration for future Auxiliary employment will be made upon a standard form which will be signed and dated by the applicant and which will state the classes within which the applicant would be willing to accept a position. The completed form will be signed and dated by an authorized representative of the Employer, and both the applicant and the Union will be provided with a copy by way of receipt.

SCHEDULE "B" (cont'd)

- (i) When an Auxiliary Employee who has attained class seniority, who has been laid off and who has registered for future Auxiliary employment, also registers their desire to be taken into consideration for Auxiliary work in a class for which the employee does not possess class seniority, the employee shall be taken into consideration for appointment to a position within such new class on the basis of his skills, knowledge and ability, and in any case where there is no registered applicant possessing seniority in the new class in question, and where their skills, knowledge and ability are sufficient so as to render the employee qualified, then:
 - (i) if the Auxiliary Employee is the only registered and qualified applicant, the employee shall be appointed to the said position.
 - (ii) if the Auxiliary Employee is one of several registered and qualified applicants, the appointment to the said position shall be based on their relative skills, knowledge and ability, and if their skills, knowledge and ability are considered to be equal, then the registered and qualified applicant possessing the greatest total Auxiliary seniority with the Employer shall be appointed.

2. Regular Part-Time and Auxiliary Employees--Benefits and % in Lieu of Benefits

- (a) Auxiliary Employees shall be paid an amount equal to twelve percent (12%) of their regular earnings which premium payment shall be considered to be in lieu of all employee benefits including those providing for time off with pay, provided however, that those Auxiliary Employees who have gained entry onto the Auxiliary Seniority list shall have such pay in lieu of benefits increased to sixteen percent (16%) of their regular earnings.
- (b) No other benefits shall be provided to Auxiliary Employees unless expressly stated in this paragraph 2.
- (c) (1) A Regular Part-Time Employee who occupies a position with a regular schedule of core hours each week equal to or greater than twenty (20) hours shall receive the following benefits:
 - (i) a payment of ten percent 10% of regular earnings in lieu of vacation and public holiday pay;
 - (ii) Medical, Extended Health, Group Life and Dental on the same basis as full-time employees except the eligibility periods shall be calendar months; the Employer shall pay their contractual portion of the premiums for Extended Health, Group Life, and Dental, and the employee shall pay 100% of the premium for Medical;
 - (iii) sick leave coverage on a prorated basis (including a proration of the maximum sick leave accumulation), calculated on the same proportionate basis as the Regular Part-Time Employee's weekly

SCHEDULE "B" (cont'd)

schedule of core hours bears to the full-time hours for that class of positions; Regular Part-Time Employees shall qualify after the same eligibility period applicable to full-time employees except it shall be calendar months for Regular Part-Time Employees; and

- (iv) WCB coverage on an approximate net pay basis after completion of six (6) calendar months of employment.
- (2) Where a Regular Part-Time Employee's core hours are increased such that the employee qualifies for the benefits in paragraph (1), the employee's current service shall count towards the benefit eligibility periods.
- Where a Regular Part-Time Employee's core hours are reduced such that the employee no longer qualifies for the benefits in paragraph (1), the benefit coverage will cease at the end of the month in which the hours are reduced and the employee shall be paid a percentage in lieu of benefits pursuant to paragraph (3) commencing on the first of the month following the expiry of the benefit coverage.
- (3) All Regular Part-Time Employees not covered by paragraph (1) shall be paid an amount equal to 12% of their regular earnings which premium payment shall be considered to be in lieu of all employee benefits, including those providing for time off with pay, provided however, that those Regular Part-Time Employees who have worked the equivalent of six (6) months shall have such pay in lieu of benefits increased to 16% of their regular earnings and shall be eligible for the benefits contained in paragraph (4) below.
- (4) Upon the completion of six (6) calendar months of employment, all Regular Part-Time Employees shall also be entitled on a prorated basis to the same Bereavement Leave and Court/Jury Duty Leave and on a full basis to the same Maternity Leave and Parental Leave to which Regular Full-Time Employees are entitled, provided that a Regular Part-Time Employee shall not be paid the ten percent (10%), twelve percent (12%), or sixteen percent (16%) of regular earnings when on unpaid leave of absence.
- (5) No other benefits shall be provided to Regular Part-Time Employees unless expressly stated in this Clause.
- (d) Auxiliary and Regular Part-Time Employees who have been employed for at least thirty (30) calendar days before a statutory holiday and have worked their last scheduled day preceding and their first scheduled day following the statutory holiday will receive pay at one and one-half (1½) times their regular wage for hours worked on the statutory holiday. Employees will be paid at normal overtime rates for any hours worked in excess of normal daily or weekly hours on the statutory holiday. An employee who does not work on a public holiday will not receive any pay or compensating time off in lieu of the holiday.

SCHEDULE "B" (cont'd)

- (e) Normal daily and weekly hours shall be deemed to be eight (8) and forty (40) respectively for all Auxiliary Employees except in the case of an Auxiliary Employee working in a position normally occupied by a Full-Time Employee whose normal hours shall be deemed to be the normal hours of the Auxiliary Employee.
- (f) For purposes of applying overtime rates, normal daily and weekly hours for all Regular Part-Time Employees shall be deemed to be those of a Regular Full-Time Employee whose position is similarly classified.
- (g)
 - (1) Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a seven (7) day week basis, shall be permitted to work at straight-time rates for up to eight (8) hours per day on any five (5) days during a work week (which for the purposes of this Clause shall be deemed to commence at 12:01 a.m. on Monday morning and to end at 11:59 p.m. on the immediately following Sunday).
 - (2) Any employee who is employed as an Auxiliary Employee in a position assigned to a class of positions which is recognized pursuant to the Collective Agreement as operating on a six (6) day week basis, shall be permitted to work at straight-time rates for up to eight (8) hours per day on any five (5) days during the 6-day week as defined in the Collective Agreement.
- (h) None of the negotiated provisions in the 1977 Collective Agreements permitting employees to work other than the normal work week, shall be disturbed by the provisions of paragraph (g) herein.
- (i) Overtime rates will be paid on the following basis to all Auxiliary and Regular Part-Time Employees:
 - (1) Time and one-half for the first four (4) hours worked in excess of the normal daily hours in a day;
 - (2) Two times for hours worked beyond four (4) in excess of the normal daily hours in a day;
 - (3) With respect to employees of the City of Richmond, in any case where an employee has already performed work on five (5) days during the week, two times for any hours worked on the sixth and seventh days of work in that week.
- (j) No shift differential premiums will be paid to Auxiliary Employees unless they are relieving Full-Time Employees on shifts that would otherwise carry such premiums.

SCHEDULE "B" (cont'd)3. Employee Status – Conversion Process

The Parties agree to a system of review to determine, on a case by case basis, whether or not certain positions should be converted from Auxiliary status to Regular Full Time status or Regular Part Time status under the following terms.

The parties will meet every six (6) months to jointly review:

- (a) The hours worked by Auxiliary employees;
- (b) The historical work pattern of affected employees;
- (c) The reasonable predictability of the future employment.

In the event of agreement between the parties that a position should be converted, the Employer will approach Council to obtain necessary approval. If Council rejects the request for conversion, or there is no agreement of the parties, the Union may proceed with the grievance procedure.

SCHEDULE "C"**Compressed Work Week Formula**

With respect to the Unions' proposal in 1977 for a Compressed Work Week based on present hours, it is agreed that decisions regarding whether or not, and, if so, to what extent compressed work weeks should be introduced into the operation of any of the Employers, should be made in local discussions between individual Employers and their respective Local Unions. It is agreed, however, that arrangements for the conversion of fringe benefits from a 5-day week basis to a 4-day week basis or to a 9-day fortnight basis shall be made in accordance with one or other of the standard formulas the details of which are set forth in Appendix "A" which is attached to this Schedule "C".

It is expressly agreed that the various formulas which are to be included within all new Agreements, are to be based upon the principle that any adjustment from a 5-day week is to be accomplished with neither any additional salary or benefit cost to the Employers nor any reduction in the salaries or benefits received by their employees.

APPENDIX "A" to SCHEDULE "C" (cont'd)APPENDIX "A"Principles Governing the Conversion of Employee Fringe Benefits
in Cases of Introduction or Renewal of Compressed Work Weeks

This is the Appendix referred to in
Schedule "C" (Compressed Work Week Formula)

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' fringe benefits shall be converted as follows:

1. Basic annual working hours shall be calculated as $260.89 \times$ daily working hours as per the 5-day week; e.g. $260.89 \times 7 = 1826\frac{1}{4}$, or $260.89 \times 7.5 = 1956.675$.
2. Basic annual public holiday hours shall be calculated as $11 \times$ daily hours as per the 5-day week; e.g. $11 \times 7 = 77$, or $11 \times 7.5 = 82.5$.
3. Account shall be taken of the difference in basic annual rest period allowances; e.g. $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (=86.96 \text{ hours})$ in the case of the standard 5-day week; $52.178 \times 4 \times 20 \text{ minutes} (=69.57 \text{ hours})$ in the case of the 4-day week; and $52.178 \times 4.5 \times 20 \text{ minutes} (=78.27 \text{ hours})$ in the case of the 9-day fortnight.
4. Employees shall have at least two of their days off in any week consecutive, and such days off shall for purposes of overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
5. For the purposes of overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph 8 herein.
6. Annual Vacation entitlement and all credits for Deferred Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph 8 herein.

APPENDIX "A" to SCHEDULE "C" (cont'd)

7. Notwithstanding any Clause in a Collective Agreement to the contrary, an employee shall not receive pay for acting senior capacity where the employee has been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.
8. In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (a) Revert to a standard 5-day week in any week when a public holiday occurs;
 - (b) Change days off during any week when a public holiday occurs in order that each employee will work on four (4) days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work three (3) days in that week and five (5) days in the immediately preceding week.
 - (c) Have a compressed work day off with pay for each public holiday, and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
9. Whenever any doubt arises as to how the fringe benefit conversion should be made with respect to any item (whether or not covered by this Appendix "A"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e., there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.
 10. In the event any Employer and its respective Union wish to amend or continue an existing experimental compressed work week, or wish to introduce a compressed work week, they will be required to obtain the approval of the Joint Language Sub-Committee with respect to their proposed formula for converting employee fringe benefits.

SCHEDULE "D" (cont'd)**SCHEDULE "D"****Regular and Supplementary Vacations Table**

In each cell of the following table, the number of regular annual vacation days is identified on the left and the number of supplementary vacation days to be credited in the calendar year is on the right. In both cases, the crediting of the identified number of working days is based upon the normal five day work week.

The supplementary vacation days credited must be taken within five years, prior to the next 5 days being credited.

As vacation entitlement is prorated in the first year of employment based on each employee's start date, the entitlement in the first calendar year of service is not identified in the table.

Example:

An employee hired in 2003 is in their 11th calendar year during 2013. The employee in 2003 will be credited with 5 supplementary working days which may be taken at any time between 2013 and 2017, both years included. In 2018 the employee will be credited with a further 5 supplementary working days, etc.

Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
2. That where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.

EDUCATIONAL SUPPORT PROGRAMS

The purpose of this Letter of Agreement is to establish the conditions and salary rate process for students hired under a formal program supporting education/learning between recognized educational institutions and the City of Richmond.

It must be noted and emphasized this letter of agreement does not apply to students hired into Auxiliary, Temporary or Regular positions. Students hired into those positions to carry out the principal duties of a position shall be classified accordingly and paid according to the rate established for that position.

These educational support programs will be restricted to persons registered in a recognized co-operative, work experience, practicum, directed work studies, or other similar education programs at a participating post-secondary institution. Selection methods will be determined by the Human Resources Division in co-ordination with the procedures of the participating post-secondary institution. The length of appointment for students under this article will correspond to the requirement of their academic program. Employees hired under an educational support program shall be assigned work that augments their field of study.

The educational support programs will be administered by the Human Resources Division in concert with the employing department(s). No more than two such students will be employed in any one Department; exceptions to this principle require advance discussion and mutual agreement of the Union. CUPE 718 is to be kept informed of any employment under such education/learning programs via Labour-Management meetings and any issues arising from or amendments to this LOA will be discussed and resolved in that forum.

These students will be classified as Auxiliary or Temporary Full-time (TFT) dependent on their hours of work. No educational support program students will be employed where it would result in a layoff or failure to recall a qualified employee.

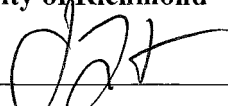

Students participating in this program will be paid from any defined step within pay bands 6 to 8 as determined by the employing department and Human Resources. Should a candidate's current educational level and/or past work experience suggest a supplement to the base level of compensation defined herein, the City will document its rationale and discuss same at Labour Management; Union agreement will be required for any compensation outside of pay bands 6-8. The City and Union agree that employment of educational support program students is in part subject to the terms and conditions of the supporting educational institution as well as the Collective Agreement. Human Resources will document those conditions of employment in any letters of acceptance to successful students and provide the Union with a copy. Any concerns will be dealt with at Labour-Management Meetings.

This Letter of Agreement will remain in effect for the following term: January 1, 2012 to December 31, 2015. Termination of this Letter of Agreement may be initiated by either Party providing 60 days written notice prior to the above-noted expiry date. HOURS OF WORK – ADJUSTMENT OF HOURS

1. Informal Adjustment of Hours by Mutual Consent:

A Manager and an employee may, by mutual agreement, vary the employee's regular hours of work during the work day. In the absence of a pre-determined fixed period, the arrangement may continue for as long as the Manager and the employee continue to consent to the original agreement. Any such variation in the hours of work shall not establish a precedent. The Manager, the employee or the Union may cancel the arrangement on thirty (30) days written notice inclusive of the reasons for so doing.

Prior to any change in an employee's scheduled hours of work (establishing/amending a change or termination of change), the Union shall be notified of such arrangement in writing through Human Resources. This notification will include the rationale for the proposed change.

An employee shall not be eligible for additional premiums where an employee initiates a change which would qualify the employee for additional premiums. An employee shall be eligible for additional premiums where the Employer initiated the change which would qualify the employee for additional premiums.

The Employer and the Union mutually agree that where an employee requires a change in hours of work due to family care requirements (i.e. childcare, parental care, spousal/partner care), both Parties and the employee will work together in an attempt to fashion an agreeable solution. It is recognized that the final decision will rest solely with the Employer, however such change will not be unreasonably withheld.

Decisions re hours of work under this provision will be reflected in the Labour Management meeting minutes as well as the ongoing listing of Special Adjustments.

2. Administrative Process Defined

To develop an objective administrative process, the Parties agree to incorporate the previous Collective Agreement Articles and Letters of Agreement identified below (from the 2007-2011 Collective Agreement) into an updated documented listing of Special Adjustments to be administered via the Labour-Management Committee.

- i) Article 5 (h) Computer Services
- ii) Article 5 (i) Miscellaneous Shift Adjustments
- iii) Article 5 (j) re "blocking system"
- iv) Letter of Agreement 2 – Flexible Blocking System – Parks and Recreation
- v) Letter of Agreement 3 – Flexible Blocking System – Special Projects
- vi) Letter of Agreement 9 – Flexible Blocking System – RCMP Crime Prevention/Victim Services.

NOTE: The introductory spreadsheet for documenting such information is provided to the Parties for further discussion, modification and improvement as required by the Parties.

Should the Parties be unable to agree to those requests for inclusion at this 2013 bargaining table, such requests will be referred to the Labour Management Committee.

The monthly Labour-Management Committee meeting will establish a standing agenda item for Hours of Work – Special Adjustments for the Employer and Union Executive to jointly and specifically review:

- i) Any outstanding requests by departments for conversion of positions from one system to another.
- ii) The actual hours being worked compared to the operational needs of the department for positions within the blocking system and those able to flex the whole shift.

The Employer and the Union will jointly maintain a current listing of all such positions jointly determined by the Parties to be eligible for such special shift adjustments as mutual consent, blocking, shift flexing or formal change. For each category of special adjustment, this listing will define the position by title, department and section, PCC #, effective date of authorized approval and by employee name – all of which is to be updated immediately should any change occur. Documentation is to be distributed at each monthly Labour-Management Committee meeting and any discrepancies dealt with in an expedited manner.

Classifications will not be designated (e.g. as “flex” or “blocking”) without the express agreement of both Parties with such designation agreement documented in the minutes of the Labour Management Committee meeting.

The overall purpose of this administrative process is to ensure both Parties have access to full and accurate information pertaining to any request for Special Adjustments to the provisions of Hours of Work before implementation or any further adjustments to be made after implementation. Departmental or employee requests for Special Adjustments must be fully documented through Human Resources and such material will be shared in full with the Union. Full discussion and disclosure is required to assess Special Adjustment requests. Requests for designation changes to/from regular hours as per this Letter of Agreement will not be unreasonably withheld by either Party. It is agreed the Labour-Management Committee meetings are the proper venue for Special Adjustment decisions.

3. Flexible Hours of Work Required by Employer

The Parties are in agreement that an “hours of work” designation system is required to reflect the operational needs of the workplace and that those needs may change over time.

Dependent upon operational need, employees in some positions may be required to adjust their stop and start times Monday to Friday inclusive. Employees may also be required to adjust their work week to include a Saturday and/or a Sunday. Hours are to be scheduled by mutual agreement between the employee and the supervisor by pay period at least 10 days in advance of the beginning of the schedule. Each pay period will be for seventy (70) hours over fourteen (14) days and may be:

- (a) “Flex” a flexing of the whole shift, or
- (b) “Flex Blocking”: a shift made up of a minimum of one (1) four-hour block and a maximum of three (3) four-hour blocks per day. After the initial four-hour block, the blocking may be made up of either 2, 3.75 or 4 hour blocks. There will be a minimum of a thirty minute unpaid break between blocks.

- 1) Where there is no agreement, the Manager or designate shall set the schedule with a minimum of ten (10) calendar days' notice to the employee(s) in advance of the beginning of the schedule. Failure of both the employee(s) and the supervisor to agree to the hours is subject to review by another Manager (within the operating Division) chosen by the employee; this manager will decide on the particular schedule without interruption to the needs of the Employer.

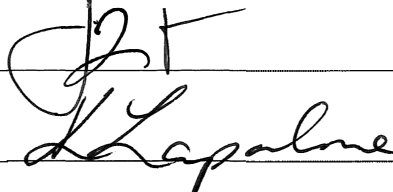

Continuing failure of the participants to agree to such required schedules into following pay periods will result in the issue being referred to the Labour Management Committee for hearing and review. Both Parties agree to the requirement of full disclosure of rationale, meaningful bargaining as required and that full participation and approval will not be unreasonably withheld by either Party.

In the event of a failure to resolve this issue of hours of work scheduling required by the Employer through the aforementioned process, the Parties agree that the question will be finally and conclusively settled under and by the Grievance Procedure of the Collective Agreement starting at Step 3.

- 2) Where employees flex their hours of work, Clause 5(f) will be waived.
- 3) Unscheduled hours that are worked are to be considered overtime and are subject to current contract provisions.
- 4) The Union shall be notified of such arrangement in writing through Human Resources and this decision will be reflected in the Labour Management Committee meeting minutes as well as the ongoing listing of Special Adjustments.

USE OF SICK LEAVE FOR MEDICAL APPOINTMENTS

The Parties are in agreement that medical appointments may utilize accrued sick leave to ensure no loss of earnings for attendance at same, but wherever possible, the timing of such appointments are to be scheduled for an employee's compressed day or at times outside of normal working hours. If such scheduling is not possible, medical appointments are to be scheduled for the end or beginning of the work day, where possible, to minimize loss of working hours.

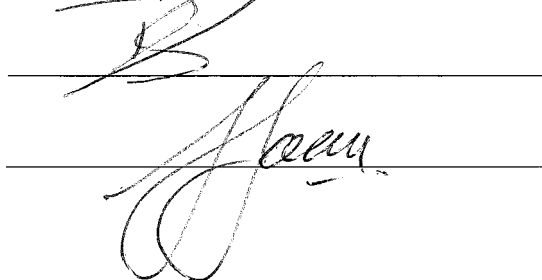

Should an employee be required to attend a medical appointment during the course of the normal work day, employees must ensure their supervisor is aware of the time needed for travel to and from such appointment. As it is not appropriate in most cases for employees to schedule a medical appointment and then take the remainder of the day as sick leave, supervisors are to be made aware of the anticipated return to work time of such requests to better enable workforce scheduling and appropriate time-keeping.

LONG TERM DISABILITY COMMITTEE

Effective the date of ratification of the Memorandum of Agreement by the Parties, they will establish a committee of up to three representatives each to discuss the current program of disability coverage and investigate the possibility of a Long Term Disability Plan. The intent of the committee is to review and discuss Long Term Disability Plans that meet the needs of the Parties with respect to plan design, financing and integration with existing benefits programs and funding framework. The Committee will meet as required and complete its work prior to the next round of negotiations.

It is understood that any changes to the collective agreement proposed by this committee to the Parties outside of the collective bargaining process must first be agreed upon by the Union's Local Executive and by City of Richmond's Senior Management Team and City Council and will subsequently require ratification by the membership and Richmond City Council before implementation could proceed.

GRIEVANCE PROBLEM SOLVING

In accordance with the wishes of the Parties to ensure consistency in the application of the Grievance Procedure process between the City and CUPE Locals 394 and 718 and to focus on problem solving and dispute resolution as opposed to preparation for arbitration, this Letter of Agreement will be implemented upon ratification of the 2012 Memorandum of Agreement.

Effective the date of Ratification of the 2012-2015 Memorandum of Agreement, the existing Grievance Procedures as set out in CUPE 718 – Article 17 and CUPE 394 – Article 15 will be set aside and the procedures set out in this Letter of Agreement will be implemented for the duration of the term of the 2012–2015 Collective Agreement. The Pilot Project for grievance problem solving and dispute resolution may be amended by mutual agreement in response to the Parties’ experience. Any improvements and/or amendments to this Letter of Agreement require the mutual written agreement of the Parties.

After a minimum six (6) month trial period, if either Party find this Letter of Agreement is not acceptable, the Pilot Process for Grievance Problem Solving and this Letter of Agreement may be terminated by either Party with thirty (30) days written notice and the Parties will revert to the Grievance Procedure defined within the Collective Agreements.

Prior to bargaining the next Collective Agreement, the Parties will conduct a formal evaluation of the Pilot Project, identifying any shortcomings or benefits based on their experience. Should this Letter of Agreement achieve the objectives of the Parties during the term of the 2012-2015 Collective Agreement, the Parties will give full consideration and support to replacing the existing Grievance Procedure language with language consistent with this Letter of Agreement in the next Collective Agreement.

Grievance Problem Solving

During the term of this Agreement, any differences concerning the dismissal, discipline or suspension of an employee, or any interpretation, application, operation, or any alleged violation of this Agreement, including any question as to whether any matter is arbitral, shall without stoppage of work be the subject of collective bargaining between the Union and the Employer and shall be finally and conclusively settled under and by the following procedure. All disciplinary letters or notes that are destined to be placed on the employee’s personnel file for future reference must be copied to the Union President in addition to the applicable Manager, Human Resources.

An Individual Grievance is a complaint brought forward by a single employee regarding a decision affecting him/her which he/she alleges is a violation of the Collective Agreement. Group Grievances occur when a group of employees join together to grieve the same alleged violation. Individual and Group Grievances will commence at Step I – Recognition of Issue.

A Policy Grievance is a dispute involving a question of general application or interpretation of any article of the Collective Agreement where an individual employee may not be affected at the time the Grievance is filed. Policy Grievances will commence at Step Three – Resolution Committee.

Meetings between local Union representatives and the Employer in this Grievance Problem Solving process will be paid for by the Employer to a maximum of two such Union representatives.

Step 1 – Recognition of Issue:

The employee will first discuss the issue with his/her immediate supervisor or manager within seven (7) calendar days of the occurrence of the possible grievance or of the date which the employee or Union first became aware of the incident, whichever is later. At the employee's option, a local Union representative may be present at the employee's discussion with the supervisor or manager. If the issue is not settled at this step, and the employee and/or Union wishes to pursue the matter further, the grievance must proceed to Step Two within thirty (30) calendar days of the date of the incident giving rise to the grievance or of the date which the employee and/or Union first became aware the incident, whichever is later.

Step Two - Documentation and Fact Finding:

The grievance shall be reduced to writing by:

1. Recording the grievance on the appropriate grievance form, setting out the nature of the grievance and the circumstances from which it arose to the best knowledge of the Grievor.
2. The Grievance shall state specifically the Article(s) of the Collective Agreement alleged to have been violated, including any applicable Provincial legislation or regulation, and the remedy or correction required. It is jointly understood that not all details of the grievance allegation may be known at the time of filing. Both Parties are accepting of the possible need to modify the grievance should additional details become known at a later date, but best efforts must be made to be as thorough as possible in the documentation of the initial grievance allegation.
3. The Grievance shall be signed by the Grievor(s) and/or a local Union representative.
4. The Grievance shall be given to the first level of exempt manager of the Grievor, with a copy also provided to the applicable Manager, Human Resources and the Director, Human Resources.
5. Within five (5) working days of receipt of the Grievance, the Departmental Manager, the applicable Manager, Human Resources, the Grievor(s) and the applicable local Union representative(s) will meet to review the facts of the Grievance, engage in problem solving, explore resolution options and attempt to resolve the dispute. The Union may have a CUPE National rep present on the proviso the applicable Human Resources manager is also present. It is emphasized this involvement of more senior Employer and Union personnel at this early step is to be an exception rather than the norm and is dependent upon specific circumstances.

Should the grievance be resolved successfully, within five (5) working days the Departmental Manager will document the decision providing an explanation of the facts upon which the resolution was based. Implementation of the resolution will occur as soon as possible following sign off by the Departmental Manager, the Union and Human Resources representatives.

Should the Grievance remain unresolved at Step Two, within ten (10) working days the Parties will jointly prepare a Step 2 Report outlining the issues. The Step 2 Report will specifically set out those facts in agreement, those facts not in agreement, any outstanding

information yet to be determined (if known), the options presented for resolution by both parties, and any arbitral jurisprudence or practices pertinent for consideration. This Step 2 Report will be provided to the Resolution Committee, which shall consist of the Union President, one other Union Representative designated by the Union President, the Departmental Director (or delegate of the General Manager) and the Director, Human Resources for use in Step Three.

Step Three - Resolution Committee:

Within ten (10) working days of receiving the Step 2 Report, the Resolution Committee will convene a meeting to review the Step 2 Report jointly prepared by the parties. The purpose of this meeting is to openly and fully discuss any additional information which may include consideration of opinions from legal counsel, national representatives, operational issues, etc. The Resolution Committee will thoroughly inform itself of the facts, opinions and options available for resolution as presented by both the Employer and Union. The Resolution Committee will, by consensus, determine the need for any further information or meetings so required.

Within ten (10) working days of commencement of proceedings under this step, should the grievance be successfully resolved, the resolution and rationale will be documented in writing, signed off by all members of the Resolution Committee and implemented forthwith.

Should the Resolution Committee be unable to reach a successful resolution, the Step 3 Report supplemented by documented discussions on facts, opinions and resolution options will be jointly prepared by participants of the Resolution Committee. This Step 3 Report, including any dissenting opinions and rationale for such will be provided in written format to the Employer's Committee for final review and comment. The outcome of the Employer's Committee deliberations will be provided to the Union in writing as soon as possible.

No matter may be submitted to Arbitration until all of the applicable previous steps of the Grievance Procedure have been complied with.

Step Four – Arbitration:

Failing satisfactory resolution at Step 3, the Union may, within twenty (20) working days, refer the matter to a single arbitrator who is to be mutually agreed upon in each case. Failure to mutually agree may result in the selection process being referred to the Labour Relations Board for appointment of an arbitrator. The expenses and compensation of the Arbitrator shall be borne equally between the Parties. Within ten (10) calendar days of the conclusion of the arbitration hearing, the Arbitrator shall reach a decision and make the decision known; the decision shall be final and binding on the Parties.

If the Parties mutually agree, and provided the Parties are agreed on the nature of any issues in dispute, the single arbitrator will be instructed by the Parties at the outset to employ a mediation-arbitration approach for the purpose of resolving the grievance in an expeditious and informal manner. Should the mediation-arbitration option not be successful, the arbitrator may, upon mutual agreement of the Parties, remain seized of the case and render an arbitrated decision which is final and binding on the Parties or the Parties may proceed before another mutually agreed upon Arbitrator.

Any time limits contained within this Letter of Agreement may be extended by the mutual written agreement of the Parties.

Agreed the 11th Day of March, 2013.

AUXILIARY LIFEGUARD/INSTRUCTOR SCHEDULING – JOINT COMMITTEE

The following terms of reference will be used by the Parties to establish a framework for a joint committee to resolve outstanding issues regarding scheduling of Lifeguard/Instructors who have attained access to the Auxiliary Seniority List.

The make-up of the committee will be four (4) Union representatives, four (4) Employer representatives, including the President of the Union and the Director of Human Resources, who will co-chair the committee.

The Parties agree to meet on a regular basis (to commence no later than March 18, 2013 and be completed no later than September 30, 2013) and have meaningful discussions with the intent to propose appropriate operational changes to the existing Collective Agreement language (Schedule B).

The current shift assignment scheduling process (currently in dispute by the Parties) will continue uninterrupted without any additions or deletions to the scheduling process by either Party. No furtherance of grievance action on this topic will proceed until a conclusion has been determined from the joint committee process, inclusive of the arbitrator's decision (if applicable).

Any changes to the existing language must include the following:

- The completed schedule of vacant shifts for each schedule period will be posted in the staff rooms of each facility (at an agreed-to time frame) prior to the first day of the upcoming schedule period.
- Should a Lifeguard/Instructor fail to accrue a minimum of two hundred (200) hours of service during the calendar year, she/he will be removed from the Auxiliary Seniority List but continue to maintain Auxiliary status for all purposes.

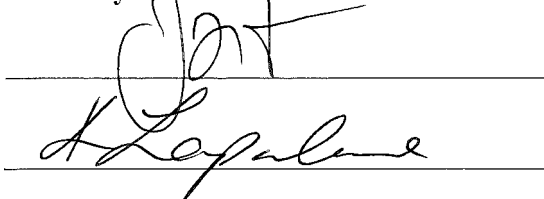

All changes proposed must be jointly agreed to by both Parties and signed off. Once agreed to, these changes will form the basis of a Letter of Agreement to be appended to the Collective Agreement.

Should the Parties fail to reach agreement on the Lifeguard/Instructor shift assignment scheduling process by September 30, 2013, the Parties will meet to jointly choose a mediator-arbitrator to assist the parties in resolving those items that remain in dispute. Failure to reach agreement upon completion of the mediation process, the mediator-arbitrator will render a final and binding decision.

Cost of the mediator will be borne equally by both Parties.

An employee moving voluntarily from one Union jurisdiction to another, whose service with the City has qualified them for benefit eligibility, will retain their membership, accumulated banks and eligibility in the following plans and Collective Agreement clauses of the receiving Union jurisdiction:

- 1. Medical Services Plan
- 2. Extended Health Benefit Plan
- 3. Dental Plan
- 4. Group Life Insurance Plan
- 5. Accidental Death and Dismemberment Plan
- 6. Municipal Pension Plan (Superannuation)
- 7. Vacation Entitlement
- 8. Sick Leave Benefit Plan
- 9. Family Leave (if applicable)

If the employee has not achieved benefit eligibility status at the time of the movement from one Union jurisdiction to another, the employee must re-qualify for benefit eligibility by completing, from the date of transfer, the requisite period of continuous service as documented by the collective agreement of the receiving Union jurisdiction.

In all cases of employee jurisdictional transfers between Unions, the employee will be required to establish a new seniority date in accordance with the Collective Agreement of the receiving Union jurisdiction, with such seniority date not preceding the effective date of transfer. Seniority is an earned date within a singular union jurisdiction and is not transferable.

Length of service is service with the City of Richmond for the purpose of calculating vacation entitlement only.
