ARTICLE 8 - GRIEVANCE PROCEDURE

8.01 For the purposes of this Agreement, a grievance is defined as any difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

An employee who has a complaint shall first discuss it with his immediate supervisor. The employee may be accompanied by his steward if he so desires. Such a complaint shall be brought to the attention of the immediate supervisor within ten (10) *working* days of the incident becoming known to the grievor. The immediate supervisor's decision shall be given verbally within five (5) working days.

Step 1 Should the employee be dissatisfied with the immediate supervisor's, or *Department Manager as appropriate*, verbal disposition of the complaint he may with or without the assistance of his steward refer the matter in writing to his immediate Supervisor or *Department Manager as appropriate*. This shall constitute a formal grievance at Step No. 1 and shall be filed within ten (10) working days of receipt of the verbal reply of the employee's immediate Supervisor or *Department Manager as appropriate*. The grievance shall contain a statement of the facts relied upon, indicate the relief sought, and be signed and dated by the employee. The Supervisor or *Department Manager as appropriate* shall answer the grievance in writing within ten (10) working days. It is understood by the parties that the definition of Supervisor or *Department Manager as appropriate* in this Step is the first level of management.

Step 2 Failing settlement of the grievance at Step No. 1, the employee may within five (5) working days of receiving the response of the Supervisor, refer the matter to the Department Manager or Vice-president as appropriate. The Department Manager or Vice-president as appropriate after meeting with the Grievance Committee, shall answer the grievance in writing within five (5) working days of receiving the grievance. *It is understood by the parties that the definition of Department Manager or Vice-president as appropriate in this Step is the second level of management.*

The employee(s) concerned, together with the Grievance Committee, shall meet and discuss the matter with the Vice-president Human Resources (and Management representatives) who shall render his decision within five (5) working days after such meeting. The Staff Representative of The Ontario Public Service Employees Union may attend any such meeting called

Failing a satisfactory settlement being reached in Step 3, the Union may, within ten (10) working days, notify the Hospital in writing of its intention to refer the dispute to arbitration.

8.02 All time limits specified above may be extended by mutual written agreement.

8.03 Where it appears that two (2) or more employees have the same grievance arising out of identical circumstances the Union shall process the grievances as one grievance subject to all applicable provisions under the grievance procedure.

8.04 Full-time representatives of the Ontario Public Service Employees Union may be present at any meetings of the parties.

8.05 If at any step of the grievance procedure the grievance has not been processed by the Employer within the time limits as prescribed, the grievance shall be advanced to the next step.

8.06 *Grievances concerning lay-offs may be initiated at Step 2 of the Grievance Procedure.*

ARTICLE 9 - DISCIPLINE AND DISCHARGE

9.01 *At the time discipline is imposed, it shall be done in private, however, an employee may request, through their Department Manager or Supervisor, to be accompanied by a Union Representative. In the case of suspension or discharge, the Hospital shall notify the employee of this right in advance.*

9.02 *When an employee is issued formal discipline, it shall be given to the employee in writing, with a copy placed in the employee's employment record and a copy submitted to the Chief Unit Steward*

9.03 *A claim by an employee who has been discharged or suspended without just cause, shall be treated as a grievance if a written statement of such grievance is lodged with the Department Manager at Step No. 2 of the Grievance Procedure within seven (7) working days after the employee ceases working for the Employer and for the purposes of this Article, Step No. 1 shall be waived*

9.04 *Any letter of reprimand, suspension or other sanction, except for such disciplinary documents related to professional client practice, shall be removed from the record of the employee eighteen (18) months following the receipt of such letter, suspension or other sanction provided that the employee's record has been discipline free for eighteen (18) months.*

ARTICLE 10 - POLICY GRIEVANCE

10.01 It is understood that the Employer may bring **forward** at any meeting held with the Union executive committee any complaint with respect to the conduct **of** any employee covered by this Agreement or any complaint with respect to the conduct of officers, committee members or Union representatives and if such complaint of the Employer is not settled to the mutual satisfaction of the conferring parties, it may be treated as a grievance and revert to arbitration in the same way as a grievance of an employee

10.02 Similarly, the Union shall have the right to process policy grievances which are not otherwise processed by individual employees.

10.03 All policy grievances shall be initiated in writing at Step 3 of the Grievance Procedure.

10.04 "Policy Grievance" is defined for the purposes of this Agreement **as** a grievance which does not depend upon the behaviour of an individual employee or group of employees or one that does not affect the individual or a group specifically

10.05 **Group Grievance Procedure**

Where a number of employees have identical grievances and each employee would be entitled to grieve separately, they may present a group grievance in writing, signed by each employee, filed at Step 2 of the Grievance Procedure within ten (10) working days of the incident becoming known to the grievors

The remaining provisions of the Grievance and Arbitration procedure **shall** then apply with respect to the processing of such grievance

ARTICLE 11 - ARBITRATION

11.01 Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting any grievance procedure established by this Agreement, notify the other party in writing of its desire to submit the difference or allegation to arbitration and the notice shall contain the name of the first party's appointee to an Arbitration Board. The recipient of the notice shall, within five (5) working days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within five (5) working days of the appointment of the second of them appoint a third person who shall be the Chairman. If the recipient of the notice fails to appoint an arbitrator, or if the two appointees fail to agree upon a chairman within the time limits, the appointment shall be made by the Minister of Labour upon the request of either party. The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it.

The decision of a majority is the decision of the Arbitration Board, but if there is no majority the decision of the Chairman governs. Each of the parties hereto shall jointly bear the expenses of the third party, and any cost of the place of hearing of such arbitration if and when the necessity arises.

11.02 The Board of Arbitration shall not have any power to alter, modify or change any of the provisions of this Agreement or to substitute any new provisions or any existing provisions, nor to give decisions inconsistent with the terms and provisions of this Agreement

11.03 **Single Arbitrator**

Notwithstanding the foregoing provisions of this Article, the parties hereto may in substitution for the above procedure agree in writing to appoint one (1) arbitrator satisfactory to both parties, in which case such arbitrator shall have the same jurisdiction, power and authority as has been given to the Arbitration Board by the foregoing terms of this Article

ARTICLE 12 - BULLETIN BOARD

12.01 It is agreed and understood that the Employer shall provide at no cost to the Union and shall place in a mutually agreeable location, three (3) bulletin boards to be used solely for the purpose of posting Union notices and job postings. Such notices shall not be removed by unauthorized personnel.

- The locations shall be
- 1 R.C.C Main Bulletin Board
 2. Basement Tower Building Main Bulletin Board
 - 3 Riverview Hospital Main Bulletin Board

12.02 Such notices shall be submitted by a representative of the Union to the office of the Vice-president Human Resources for approval. There shall be no distribution or posting by employees of pamphlets, advertising or political matter, cards, notices or any other literature on the Hospital's property, unless initialled by the Union Local President and the Vice-president Human Resources of the Employer or his designate.

ARTICLE 13 - FILLING OF VACANCIES AND JOB POSTING

13.01 An application for transfer system will be established by the Employer under which any employee will be able to fill out an appropriate form indicating his interest in working within the bargaining unit elsewhere in the Hospital and his name shall be given consideration when a vacancy occurs. Where there is more than one application for a position from members of the bargaining unit and where qualifications, competence and skill are relatively equal, seniority shall be the deciding factor.

Prior to making a promotion or filling a new position or vacancy within the bargaining unit, the Employer shall post on the bulletin boards a notice of the position stating the location, title, description and salary range. Such notice shall be posted for a minimum of five (5) days (exclusive of Saturdays, Sundays and statutory holidays) in order that all members of the bargaining unit will know that the position is open and will be able to make written application to the appropriate Department Head. Where there is more than one application for a position and where qualifications, competence and skill are relatively equal, seniority shall be the deciding factor. The Hospital shall post and send to the Union notification of the successful applicant

The following provision shall apply to the Child Care Classifications only. When a vacancy or new job has been filled through the Job Posting procedure, other vacancies which result from the filling of that new job or vacancy need not be posted, but may be filled by the Hospital, giving recognition, however, to the employees' seniority where qualifications, competence and skills are relatively equal.

13.02 Upon promotion to a higher classification an employee within the bargaining unit shall be paid at an increment level in the new classification which will result in a higher salary rate than the employee had received prior to such promotion and shall retain the same anniversary date for determining entitlement to future salary increments

An employee promoted to a higher classification shall be entitled to a trial period in the new position of 60 working days and if at the expiration of that period he is found by the Employer to be unsuitable or if the employee does not wish to continue in the new position, he shall be entitled to return to his former position without loss of pay, seniority or other benefits, displacing any member of the bargaining unit who has filled that position during such trial period

ARTICLE 14 - SENIORITY

14.01 Probationary Period

Until an employee has completed a probationary period of *sixty* (60) working days within a six (6) month period, *he/she* shall be considered to be a *probationary employee having no seniority rights*. *A probationary employee may be terminated by the Employer should the Employer determine that the probationary employee failed to fulfill the requirements of his/her position in a satisfactory manner. Such a determination by the Employer shall constitute just cause for the termination of a probationary employee.* Upon satisfactory completion of the probationary period, an employee will then acquire seniority standing, dating from the date upon which his current period of employment originated *within the bargaining unit.*

It is mutually agreed that within the first thirty (30) days of employment, an evaluation will be made of the probationary employee so that the Hospital can assess the employee's performance and the employee may be made aware of any deficiencies.

14.02 An employee's seniority shall be cancelled and his employment shall be terminated for any of the following reasons:

- (a) if the employee quits;
- (b) if the employee is discharged and his discharge is not reversed through the grievance procedure;
- (c) if the employee has been laid off and fails to indicate his intention to return to work within five (5) days and to return within fourteen (14) days after he has been notified by the Hospital to do so through registered mail addressed to the last address on the records of the Hospital;
- (d) if the employee is absent from work for more than two (2) consecutive working days without providing a reason satisfactory to the Hospital for such absence;
- (e) if the employee overstays a leave of absence granted by the Hospital without providing a reason satisfactory to the Hospital;
- (f) if the employee has been laid off for a period in excess of one (1) year without being recalled to work by the Hospital;
- (g) if the employee retires;
- (h) if the employee is absent due to illness or injury for a period in excess of one (1) year, *effective on ratification of this collective agreement a period in excess of thirty (30) months.*
- (i) In the case of employees returning to work from illness or injury covered in paragraph (h) above, the employee must work for twenty (20) continuous days before establishing a new absence period unless the new absence is due to a new unrelated injury or illness.

- (1) **if the employee as a condition of employment fails to pass professional society exams which lead to professional registration or certification requirements. This shall not adversely affect any employee hired prior to October 23, 1990.**

14.03 (a) *"Continuous service" is defined as the length of continuous employment with the Employer since the last date of hire.*

(b) *"Seniority" is defined as the length of continuous employment within the bargaining unit and shall include service with the Employer prior to the certification or recognition of the Union subject to provisions in the applicable collective agreement where seniority does not or did not accrue.*

14.04 **Lay-Offs and Recall**

When it becomes necessary to increase or reduce the working force then, where qualifications between employees are relatively equal, the following procedures shall apply:

i) (a) *The Hospital shall identify the classification(s) and position(s) affected by a reduction in the working force and meet with the Union as far in advance as possible to discuss the circumstances giving rise to the lay-off.*

(b) *In the event of a proposed lay-off at the Hospital of a permanent or long-term nature as defined by the Employment Standards Act, the Hospital will provide the Union with no less than thirty (30) calendar days' notice of such lay-off.*

ii) **Notice of Lay-Off**

As far as reasonably practicable, fifteen (15) working days notice of lay-off shall be given to employees subject, however, to the statutory provisions of the Employment Standards Act of the Province of Ontario, which specifies the minimum notice to be given under certain circumstances.

iii) *In the event of a lay-off, the Hospital shall lay-off employees in the reverse order of their seniority within their classification, providing that those employees who remain on the job have the qualifications and ability to perform the work.*

iv) *An employee who is subject to lay-off shall have the right to either:*

(a) *Accept the lay-off and be placed on a recall list for the period in accordance with 14.02 (f), or*

(b) *Displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the unit or department, if the employee originally subject to the lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off, subject to his right under this section.*

v) *An employee who displaces an employee in a lower paying classification will be placed on the salary grid of the lower classification consistent with the level he would*

have achieved in the lower classification based on his service *and* experience with the Hospital.

- vi) An employee shall have opportunity of recall ~~from~~ a lay-off to ~~an~~ available opening, in order ~~of~~ seniority, provided he ~~has~~ the qualifications and ability to perform the work, before such opening is filled on a regular basis under the job posting procedure. ~~The~~ posting procedure in the collective agreement shall not ~~apply~~ until the recall process has been completed. An employee who is recalled shall be credited with the seniority he had at the time of the lay-off.
- vii) An employee recalled to ~~work~~ in a different classification from which he was laid off, or an employee who ~~has~~ displaced an employee in the same or a lower classification shall be entitled to return to the classification he held prior to the lay-off should it become vacant within the time period in 14.02 (f), provided that the employee remains qualified and able to perform the duties of his former classification. No new employee shall be hired until all those laid off have been given an opportunity to return to ~~work~~ and have failed to do ~~so~~, in accordance with the loss ~~of~~ seniority provisions, or have been ~~found~~ unable to perform the ~~work~~ available.
- viii) The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the ~~fifth~~ day following the date ~~of~~ mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report ~~for~~ ~~work~~. The employee is solely responsible for his proper address being ~~on~~ record with the Hospital,
- ix) ~~The~~ employee recalled and reinstated to his former classification shall receive the appropriate rate of pay for that classification at the time of recall. Any employee recalled and reinstated to any other position will receive the appropriate rate ~~of~~ pay for such ~~position~~ at the time of recall.
- x) The Hospital and the Union recognize their joint responsibility and commitment to cooperate and participate in any government funded programs available to assist employers affected by a lay-off.

14.05 **Transfers and Seniority** Qu _____

No employee shall be transferred to a full-time or part-time position outside the bargaining unit without his consent. In the event an employee accepts a position outside the bargaining unit, the following conditions shall apply:

- (a) If an employee accepts a term appointment outside the bargaining unit ~~for~~ a period of six (6) months or less, such employee shall be entitled to return to their former position at the expiration of the term. In the event of a replacement for pregnancy or parental leave, the term may be extended up to one (1) year.

It is understood that such employee(s) shall retain but not accrue seniority during the time spent in the term appointment outside the bargaining unit.

- (b) *If an employee accepts a regular appointment outside the bargaining unit, he shall not retain seniority within the bargaining unit.*

The parties agree that the above provisions will not apply to Article 14.07 or 17.02 (b).

14.06 Seniority List

A seniority list shall be submitted to the Union and posted on the bulletin boards in the months of May and November in each year. The seniority list shall show each employee's date of hire with the Employer, date of employment within the bargaining unit, adjusted seniority date, name and classification.

14.07 Temporary Upgrading

- (a) *If an employee is required to perform the duties of a higher rated occupational classification within the bargaining unit for a period exceeding three (3) consecutive days, such employee shall receive an increase in salary of Five Dollars (\$5.00) per day for each day such assignment remains, calculated from the initial appointment to such duties.*
- (b) *In the event an employee is requested to perform some of the management functions of a Supervisor, for a period in excess of three (3) working days but not to exceed thirty (30) working days, she shall be paid in accordance with (a) above.*

The parties agree that the above time frame may be extended by mutual agreement between the Local Union and the Hospital. It is further agreed that under this clause the employee shall not be responsible for imposing discipline on another member of the bargaining unit.

ARTICLE 15 - TECHNOLOGICAL CHANGES

- 15.01 (a) *Where the Employer has decided to introduce a technological change which will significantly alter the status of an employee in the bargaining unit, the Employer agrees to meet with the Union ~~thirty (30) days~~ prior to implementation of such change or changes and agrees to pay for the necessary retraining or upgrading of the employee affected by the change. Where documentation such as policy changes which significantly impact on the members of the bargaining unit is being distributed to Department Heads, the Employer will provide a copy to the Union President.*
