BETWEEN :

THE ST. CATHARINES GENERAL HOSPITAL  
(hereinafter called "The Hospital")

- and -

SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 204  
A.F. of L. - C.I.O. - C.L.C.  
Chartered by the Service Employees International Union  
(hereinafter called "The Union")

#### **ARTICLE 1 - PURPOSE**

1.01 It is the intent and purpose of the parties hereto that this Agreement shall:

- (a) protect and continue to improve the interest of the employees and the Hospital;
- (b) provide for the prompt and peaceful adjustment of differences which may arise between employees and the Hospital;
- (c) ensure harmonious and efficient operation of the Hospital as a public service institution intended to provide the adequate hospital and clinical services to the general public; and
- (d) set forth the rates of pay, hours of work and other conditions of employment to be observed by the parties.

#### **ARTICLE 2 - SCOPE AND RECOGNITION**

2.01 The Hospital recognizes the Union as the bargaining agent for all employees of The St. Catharines General Hospital in St. Catharines, Ontario, regularly employed for not more than twenty-four hours per week and students employed during the school vacation period, save and except supervisors, persons above the rank of supervisor, professional staff, office, clerical and technical staff and persons covered by subsisting agreements.

#### **ARTICLE 3 - MANAGEMENT RIGHTS**

3.01 The Union acknowledges that it is the exclusive function of the Hospital to:

- (a) maintain order, discipline and efficiency and to establish and enforce reasonable rules and regulations governing the conduct of the employee, which rules and regulations are primarily designed to safeguard the interests of the patients of the Hospital;
- (b) hire, discharge, transfer, promote, demote or discipline employees, provided that a claim of discriminatory promotion, demotion or transfer or a claim that an employee has been discharged or disciplined without just cause may be the subject of a grievance and dealt with as hereinafter provided;
- (c) generally to operate the Hospital in an efficient manner consistent with the obligations of the Hospital to the general public in the community served.

#### **ARTICLE 4 -- DEFINITIONS**

##### **4.01 Temporary Employees**

Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special non-recurring task. This term may be extended a further six months on mutual agreement of the Union, employee and Hospital. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

##### **4.02 Regular Part-time Employees**

A "regular part-time employee" is one who is employed to work on regularly scheduled shifts, pre-determined on a permanent basis. Such an employee who is unable to meet his commitment will be transferred to casual part-time status.

##### **4.03 Casual Part-time Employees**

A "casual part-time employee" is one who is employed on a relief or replacement basis and his schedule is not predictable or pre-determined and may be changed.

**ARTICLE**

**5 - UNION SECURITY**

5.01 Union Dues

As a condition of employment, the Hospital will deduct from each employee covered by this Agreement an amount equal to the regular monthly Union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees, such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those authorized by the Union and the Union shall notify the Hospital of any changes therein and such notification shall be the Hospital's conclusive authority to make the deductions specified.

In consideration of the deducting of Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

5.02 Interview Period

It is mutually agreed that a Union representative shall be given the opportunity of interviewing each new employee for 15 minutes once upon the completion of his probationary period for the purpose of informing such employee of the existence of the Union in the Hospital, and presenting such employee with a copy of the Union Agreement.

5.03 Employee Lists

- (a) The Hospital shall indicate on the Check-Off List each month the names, addresses and Social Insurance Numbers of the persons to be interviewed and shall designate the time and place for each interview, the duration of which shall not exceed ten minutes. The interview shall take place on the Hospital's premises in a room designated by the Hospital, and the employee shall, as a condition of employment, report to this room for interview during the interview period unless sick or on day off, in which event arrangements will be made by the Union.
- (b) The Hospital shall supply the Union with a set of seniority lists by departments in January of each year,

showing employees' names alphabetically, sex (for information purposes only) and their number of hours worked: and up-to-date information of any interim seniority changes will be available to the Chief Steward at the Human Resources Office during regular day-time hours. In July of each year a list of terminations and hirings will be provided.

## **ARTICLE 6 - NO STRIKE/LOCKOUT**

6.01 The Union agrees that it will not cause, direct or consent to any strike or other collective action on the part of the employees represented by the Union, and that if such action should be taken by employees, the Union will instruct the said employees to return to work and perform their usual duties, and to resort to the Grievance Procedure established herein for the settlement of any complaint or grievance or, in the case of negotiations, to resort to the Hospital Labour Disputes Arbitration Act.

## **ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES**

### 7.01 Grievance Committee

- (a) The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than 3 employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.
- (b) The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments,
- (c) A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

### 7.02 Union Stewards

- (a) The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.

- (b) A Chief Steward may be appointed or elected. The Chief Steward may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this-Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no **loss** of earnings for time spent in performing the above duties during his regular scheduled working hours.
- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice versa.
- (f) The Hospital acknowledges the right of the Union to appoint or otherwise select four Stewards, as set out in Schedule "B". In the absence of a part-time Steward the full-time Steward for that area will be responsible. The Chief Steward of the full-time unit will serve in the same capacity for the part-time unit. An employee must have completed his probationary period in order to qualify as a Steward.
- (g) Regular monthly meetings between the Grievance Committee and management will be held on a date and time to be mutually arranged between the parties, if requested by either party for the consideration of grievances not settled at the Department Director's level of the grievance procedure and for discussion of other matters concerning the interpretation or application of this Agreement. The party requesting such meeting shall advise the other party and present an agenda at least five days prior to the scheduled date of such meeting. It is agreed that a General Representative of Local 204 may, by mutual agreement between the parties, act as a member of the above Committee.

(h) Nursing Committee

A part-time employee may replace a full-time employee on the Nursing Committee.

7.03 Not applicable.

7.04 Local Negotiating Committee

- (a) The Hospital agrees to recognize a Negotiating Committee comprising of 2 members to be elected, or appointed from amongst employees in the bargaining unit, who have completed their probationary period.
- (b) Where the Hospital participates in central bargaining, the purpose of the Negotiating Committee shall be to negotiate local issues as defined.
- (c) Where the Hospital does not participate in central bargaining, the purpose of the Negotiating Committee shall be to negotiate a renewal of this Collective Agreement.
- (d) The Hospital agrees that the members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to, but not including, arbitration.
- (e) Nothing in this provision is intended to preclude the Union Negotiating Committee from having the assistance of any representatives of the Union when negotiating with the Hospital.
- (f) Two representatives from the part-time employees may serve on the Negotiating Committee with the full-time employees when negotiating locally.

**ARTICLE 8 - GRIEVANCE AND ARBITRATION**

8.01 For the purposes of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Hospital or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement.

8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.

8.03 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right,

upon request, to the presence of his/her steward, In the case of suspension or discharge, the Hospital shall notify the employee of this right in advance.

Where the Hospital deemes it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing, within three (3) days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he so desires.

Such complaint shall be discussed with his immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence:

#### Step 1

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may be accompanied by a Union steward. The immediate supervisor will deliver his decision in writing within five (5) days following the day on which the written grievance was presented to him. Failing settlement, then:

#### Step 2

Within five (5) days following the decision under Step 1 the employee, accompanied by a union steward, or the Union steward shall submit the written grievance to his Department Director, who will deliver his decision in writing within five (5) days following the day on which the grievance was presented to him.

This step may be omitted where the employee's immediate supervisor and Department Director are the same person. Failing settlement, then:

#### Step 3

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Chief Executive Officer of the Hospital or the designated Hospital representative,

A meeting will then be held between the Chief Executive Officer or the designated Hospital representative and the designated union representatives who may be accompanied by the general representative of the Union, within five (5) days of the submission of the grievance at Step 3, unless extended by mutual agreement of the parties.

The decision of the Hospital shall be delivered in writing within ten (10) days following the date of such meeting.

#### 8.05 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 3 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Grievance Committee.

#### 8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately they may present a group grievance, in writing identifying each employee who is grieving, to the Department Director, or his designate, within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

#### 8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a union steward, or by the union steward at Step 3 of the grievance procedure to the Hospital within five (5) days following the date the discharge is effective,

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Hospital's action in discharging the employee or;

- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- (c) any other arrangement which may be deemed just and equitable.

8.08 Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.

8.09 All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).

8.10 When either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a Chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.

8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.

8.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

8.13 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

8.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.

8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the

fees and expenses, if any, of the Chairman of the Arbitration Board.

8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.

8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing, to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

## ARTICLE 9 - SENIORITY

### 9.01 Probationary Period

A new employee will be considered on probation until he has completed 337.5 hours of work within any twelve calendar months. Upon completion of the probationary period he shall be credited with seniority equal to 337.5 working hours. With the written consent of the Hospital, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

### 9.02 Definition of Seniority

Part-time employees will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

For purposes of accumulation of seniority, transfer of seniority and service, progression on the wage grid and progression on the vacation schedule, all part-time employees' service and seniority shall be converted as at October 10, 1986 on the following basis:

$$\frac{\text{Employees' hours of service}}{1950} \times 1725 = \text{Converted hours of service.}$$

9.03 Transfer of Service and Seniority

Effective October 10, 1986, and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall receive credit for his/her full service and seniority. An employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis of one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986 will be credited with the service and seniority they held under the Collective Agreement expiring November 15, 1985.

9.04 Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- (a) employee quits;
- (b) employee is discharged and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (d) employee fails to return to work upon the expiration of a leave of absence or utilizes a leave of absence for a purpose other than that for which it was granted;
- (e) employee has been laid off for eighteen (18) months;
- (f) employee fails upon being notified of a recall to signify his intention to return within five (5) working days after he has received the notice of recall, and fails to report to work within ten (10) working days after he has received the notice of recall;
- (g) employee is absent due to illness or disability which absence continues for twenty-four (24) calendar months from the time the disability or illness commenced.

**ARTICLE 10 - LAYOFF AND RECALL**

10.01 The Hospital shall give each employee in the bargaining unit who has acquired seniority and who is to be laid off for a period of more than eight (8) weeks, notice in writing of his layoff in accordance with the following schedule.

Up to one year's service	1 week's notice
1 year but less than 3 years' service	2 weeks' notice
3 years but less than 4 years' service	3 weeks' notice
4 years but less than 5 years' service	4 weeks' notice
5 years but less than 6 years' service	5 weeks' notice
6 years but less than 7 years' service	6 weeks' notice
7 years but less than 8 years' service	7 weeks' notice
8 years' service or more	8 weeks' notice

Such notice will be handed to the employee and a signed acknowledgement requested if the employee is at work at the time the notice is ready for delivery. In the alternative, it shall be mailed by registered mail. An employee on layoff and recalled to a temporary position shall *not* be entitled to further notice of layoff.

In the event of a proposed layoff of more than eight (8) weeks' duration, the Hospital will:

- (a) Provide the Union with no less than thirty (30) calendar days notice of such layoff and
- (b) meet with the Union through the Labour Management Committee to review the following:
  - (i) the reason causing the layoff
  - (ii) the service the Hospital will undertake after the layoff
  - (iii) the method of implementation including the areas of cut-back and employees to be laid off.

In the event of a substantial bed cut-back or cut-back in service, the Hospital will provide the Union with reasonable notice. If requested, the Hospital will meet with the Union through the Labour Management Committee to review the reasons and expected duration of the bed cut-back or cut-back in service, any realignment of service or staff and its effect on employees in the bargaining unit.

10.02 In all other cases of layoff, the Hospital shall give each employee in the bargaining unit who has acquired seniority one week's notice provided however, such notice shall not be required if the layoff occurs because of emergencies (for example, fire, act of God, power failure or equipment breakdown).

10.03 In the event of layoff, the Hospital shall lay off employees in the reverse order of their seniority within their classification; providing that there remain on the job employees who then have the ability to perform the work.

10.04 An employee who is subject to layoff shall have the right to either:

- (a) Accept the layoff; or
- (b) displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to layoff can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off subject to his or her rights under this section.

The decision of the employee to choose (a) or (b) above shall be given in writing to the designated Hospital representative within five (5) working days (excluding Saturday, Sunday and Holidays) following the notification of layoff. Employees failing to do so will be deemed to have accepted the layoff.

10.05 An employee shall have the opportunity of recall from a layoff to an available opening, in order of seniority, provided he has the ability to perform the work, before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the Collective Agreement shall not apply until the recall process has been completed.

Employees on layoff shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on layoff.

10.06 In determining the ability of an employee to perform the work for the purposes of Paragraphs .03, .04 and .05 above, the Hospital shall not act in an arbitrary or unfair manner.

10.07 An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the layoff should it become vacant within six (6) months of being recalled.

10.08 No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to notify the Hospital of their intention to do so, in accordance with .09 below, or have been found unable to perform the work available.

10.09 It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.

10.10 Where the employee fails to notify the Hospital of his intention to return to work in accordance with the provisions of Paragraph .09, he shall lose all seniority and be deemed to have quit the employ of the Hospital.

10.11 In the event that a layoff commenced on the day immediately following a paid holiday, an employee otherwise qualified **for** holiday pay shall not be disentitled thereto solely because of the day on which the layoff commenced.

10.12 A laid off employee shall retain the right of recall for a period of eighteen (18) months from the date of layoff.

10.13 Any agreement reached between the Hospital and the Union concerning the method of implementing layoffs will take precedence over other terms of layoff in this Agreement.

#### **ARTICLE 11 - JOB POSTING**

11.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of five (5) days excluding Saturday, Sunday and holidays. Vacancies created by the filling of an initial permanent vacancy within the bargaining unit shall be posted for a period of three (3) consecutive days excluding Saturday, Sunday, and holidays. All applications are to be made in writing within the posting period.

11.02 The postings referred to in Article. 01 shall stipulate the qualifications, classification, rate of pay, department and shift and a copy shall be provided to the Chief Steward.

11.03 Employees shall be selected for positions under Article .01 on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern provided the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be posted on the bulletin board and unsuccessful applicants will be notified.

11.04 Where there are no successful applicants from within this bargaining unit for positions referred to in Article .01 employees in other SEIU service bargaining units at the Hospital will be considered or such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with Article .01 and selection shall be made in accordance with Article .03 above.

11.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to part-time employees in SEIU service bargaining units who have recorded their interest in writing, prior to considering persons not employed by the Hospital. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.

- (b) When the Hospital makes a substantial change during the term of this Agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.
- (c) If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.
- (d) The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Hospital.

- (i) be paid at the maximum rate of the lower classification if this rate is lower than the rate he is currently receiving, or;

32.02 In the event of such notification being given as to the amendment of the Agreement, negotiations between the parties shall begin within fifteen days following such notification.

32.03 If, pursuant to such negotiations, an agreement is not reached prior to the current expiration date, this Agreement shall be automatically extended until consummation of a new Agreement or completion of the conciliation or arbitration procedures as prescribed under the Ontario Labour Relations Act and/or the Ontario Hospital Labour Disputes Arbitration Act, 1965.

Upon receipt of such notice by one party from the other, both parties will meet within fifteen days thereafter for the purpose of bargaining on local matters.

It is understood and agreed that "local matters" means those matters which have been determined by mutual agreement between the Central Negotiating Committees respectively representing each of the parties to this Agreement as being subjects for local bargaining directly between the parties to this Agreement. It is also agreed that local bargaining shall be subject to such procedures as may be determined by mutual agree-

ment between the Central Negotiating Committees referred to above.

- (b) In the event the parties to this Agreement agree to negotiate for its renewal through the process of central bargaining, it is agreed that one representative from the bargaining unit shall be entitled to leave of absence to attend either the central negotiations (including caucuses) or only the central Union caucuses (including reasonable travel time).

It is understood and agreed that the leave of absence for attendance at such caucuses shall not be for more than one day exclusive of reasonable travel time for each scheduled negotiation session between the central negotiating committees.

Leave for attendance at the central union caucuses shall be subject to the same terms and conditions for leave for attendance at negotiations under the provisions of the Collective Agreement.

IN WITNESS WHEREOF, the Hospital and the Union have caused their presents to be executed on their duly authorized representative at St. Catharines, Ontario on the 14<sup>th</sup> day of JUNE 1989.

## LETTER OF INTENT

### Re: Liability Insurance

Upon request of the Local Union, and with reasonable notice, the Hospital will provide a union representative the opportunity to read the provisions of the insurance policy or policies as to employee liability insurance coverage for the classifications of employees represented by the Union.

## LETTER OF UNDERSTANDING

- I. First consideration for temporary full-time positions will be given to qualified part-time employees in the department where the vacancy exists, in accordance with seniority and who have submitted their application to the Human Resources Department for temporary full-time employment. Such application will be kept on file for six months.
- II. Following an opening inventory for staff new to the Maintenance Department, the Hospital will continue to replace tool-box tools used by such employees which can be shown to have been stolen or irreparably damaged during the course of hospital work. Such tools will be replaced at the discretion of the Hospital by tools of reputable quality.
- III. The Hospital will comply with all reasonable requests from the Union to provide Job Descriptions for bargaining unit employees.
- IV. Notwithstanding any other provisions of the collective agreement the parties agree without prejudice that there are a number of classifications which are "entry level" in our collective agreement. The Hospital has determined that the entry level positions are Housekeeping Aide and Porter, Dietary Helper and Dish and Pot Washer, Linen Pick-up, General Hand and Linen Sorter.

Should a vacancy be posted for one of these seven classifications, the Hospital will be interviewing only the most senior applicant. If the most senior applicant cannot perform the job due to physical ability, then the next senior applicant will be interviewed until a selection is made. All other applicants will be advised as to who the successful applicant **was** for the posted position.

Notwithstanding Article 10.14, the classifications of Linen Sorter, General Hand, Dietary Helper and Housekeeping Aide shall be considered identical for layoff purposes.

## SCHEDULE "A"

The following notes are applicable in all stages of Schedule A.

The "base" rate is the starting rate and the "max" rate is the rate following 1,725 hours worked on that job, except the Journeyman classification where the "max" rate is the rate following 863 hours on that job.

A Laboratory Attendant who shall not work less than 25% of his time in the Morgue and be available for service over weekends shall receive a premium of twenty-five dollars per month. The Laboratory Attendant, upon completing and passing the Certified Morgue Attendants' Course, shall receive the additional ten dollars per month.
