Seniority shall operate on a bargaining-unit-wide basis.

**(b) Eligibility for Seniority**

1. All employees are eligible to accrue seniority. Seniority for ongoing employees shall be the date of hire.
2. When an auxiliary employee successfully attains ongoing status by virtue of being successful in a job posting, the University will credit the employee the hours worked as an auxiliary employee and backdate the seniority date the appropriate number of days. This clause is effective July 1, 1992, and will not be retroactive.
3. When an auxiliary employee accumulates 560 hours worked, they will attain ongoing status and their seniority date shall be established by crediting the employee one day seniority for each day worked to July 1, 1992.

**(c) Accrual of Seniority**

After completion of 455 hours of service, seniority shall accrue from the first hour of employment within the bargaining unit, and shall continue to accrue as follows:

2. he/she resigns;
3. he/she takes severance from employment with the University;
4. he/she fails to return to work within fifteen (15) working days following notification of recall and after receiving notice by registered mail to do so, unless through sickness or other just cause. 5. he/she has been laid-off continuously for a period in excess of twelve (12) consecutive months.

(f) Probationary Employees

Employees newly hired into a continuing position shall be considered as probationary for the first 560 hours of employment. Probationary employees may be terminated at any time during this period at the discretion of the Employer, provided such discretion is applied in a fair and reasonable manner.

Notwithstanding articles in the Collective Agreement pertaining to probation period, ongoing employees shall not be eligible to apply for another ongoing posted position within their initial probation period, except by mutual agreement of the Employer and the Union.

**ARTICLE 10: LAYOFF, SEVERANCE AND RECALL****(a) Layoff Defined**

A layoff is an elimination of a position or a reduction of hours within a position for an employee. In the case of reduction in hours in a position, the incumbent may accept the reduction in hours and remain in the position or exercise Article 10. The incumbent will receive written notice of layoff as provided in Article 10.

**(b) Notice of Layoff**

The Employer will provide written notice of layoff to an affected employee according to length of service. The notice period will be one (1) month for every completed six (6) months of employment, up to a maximum of four (4) months' notice.

**(c) Layoff and Rehiring Procedures**

1. Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, within ten (10) working days, the Employer, the Union and the employee identified for layoff shall together review all existing jobs, at the equivalent or lower classifications, and the Seniority List.

The laid-off employee shall then have the option of either leaving the University or displacing the most junior employee in the equivalent classification, provided the laid-off employee can meet the qualifications for the position within a three (3) month period. If there is no junior employee in the equivalent classification, or no suitable position, displacement may take place within the next lowest classification. This process may continue until a suitable position is found, or the parties mutually agree on an alternative. Employees displaced by this process will be identified for layoff.

An employee can be offered part-time or term positions or positions at other communities, but the employee is not required to accept these positions.

2. If, in exercising their bumping rights, an employee is unsatisfactory in their three (3) month trial period or there are extenuating circumstances that result in an unacceptable placement, the following may occur:
  - (i) the employee may bump again
  - (ii) the other staff affected from the prior bump can return to their former position or remain in their new job.

(d) Severance or Recall Option

An employee who opts under clause (c) to leave the University, will elect for either severance under clause (e) or recall under clause (f) by providing written notice to the President before the expiry of the notice period.

(e) Severance

Severance pay shall be a lump sum payment equivalent to one (1) week of pay at the regular rate for the position last occupied, for every completed year of service, to a maximum of twelve (12) weeks' severance pay. By electing severance pay, an employee severs his/her relationship with the University, thereby forfeiting seniority and eligibility for recall. Severance pay will be paid to the employee within forty-eight (48) hours of the last shift worked.

(f) Recall

An employee with five or less years of seniority who opts for recall shall be eligible for recall for a period of one year following expiry of the notice period. Recall rights are extended by one (1) month for each completed year of service over five (5) to a maximum of twenty-four (24) months.

Recall will be in order of seniority, provided the employee possesses the present qualifications, abilities and skills, as determined by the University, to perform the functions of the vacant position.

An ongoing employee on layoff may elect to be recalled for vacant temporary positions. Employees on layoff who choose to accept temporary positions shall be recalled for an ongoing position if qualified and if they are senior in service amongst laid-off employees. Such recalls do not affect the recall provisions to an ongoing position. Ongoing employees on lay-off who elect recall for vacant temporary positions will get preference over temporary employees, provided they possess the requisite qualifications and skills.

If an ongoing vacancy occurs while an employee is on recall or is working the notice period, the posting provision is waived and the position will be offered to the most senior fully qualified ongoing employee among those on the recall list or those working the notice period. Where the position for which the employee is recalled is an ongoing position (full- or part-time), the Employer will notify the employee first by telephone. If the Employer cannot reach the employee by telephone, a notice of recall will be sent by registered mail. It is up to the employee to maintain a current address with the Employer. Acceptance or rejection of the ongoing position must be received, in writing, by the Employer, within ten (10) working days of receipt of notification. Otherwise, failure to respond within the time frame will result in the employee being severed from employment with the University.

Auxiliary employees who have accumulated 560 hours who are laid off will be recalled for vacant temporary positions in the order of seniority, provided they are capable of performing the work.

The Employer will pay the full premium of the medical plan for the first three (3) months of the recall period. The employee on recall may elect to continue his/her coverage for the remaining months at their own expense.

If the recall period has elapsed and the employee has not been recalled for an ongoing position, the employee will lose their seniority and their relationship with the Employer is severed.

(g) Employer Commitments

It is agreed that the institution will make every reasonable attempt to minimize the impact of funding shortfalls and reduction on the work force.

Subject to budgetary constraints and the amount of funding available for labour adjustment costs; fairness, flexibility and employee choice will prevail in the implementation of labour force adjustment strategies as approved by the institution.

It is incumbent upon the institution to communicate effectively with its employees and the Union as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

If a workload reduction is necessary, the Joint Labour Management or Joint Adjustment Committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such longer time as the committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs.

(h) Menu of Labour Adjustment Strategies

To minimize layoffs, the following menu of labour force adjustment strategies will be considered and whenever reasonably possible, offered by the institution at the appropriate time in the employee reduction process set out in the Collective Agreement.

- Job sharing.
- Reduced hours of work through partial leaves.
- Transfer to other areas within the bargaining unit subject to available work and meeting qualifications, with minimal training required.
- Paid and unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- Voluntary severance.
- Purchasing past pensionable service. If permissible the Employer will match a minimum of three years contributions to the Municipal Pension Plan where an employee opts for early retirement.
- Early retirement incentives.
- Agreed secondment.
- Trial retirement.
- Continuation of health and welfare benefits.
- Combinations and variations of the above or other alternatives.

(i) Layoffs May Occur

Once strategies other than layoff have been explored, the institution may proceed, if need be, to layoffs following the process provided for in Article 10 of this Agreement.

(j) No Stacking of Entitlements

While various options may be considered and offered, there will be no stacking of entitlements.

(k) Labour Adjustment Fund

The parties agree to submit a written request to the appropriate government ministry(s) for funds to implement labour adjustment strategies.

## ARTICLE 11: FILLING OF VACANT POSITIONS

(a) Job Postings

When a position of four (4) months duration or longer in the bargaining unit is vacant or newly created, the Employer shall provide the Union President with a copy of the Job Posting and post notice of the position on the Employer's designated bulletin boards for a minimum of ten (10) working days in order that all members will know about the position and be able to make written application. The posting shall indicate that the position is open to both male and female applicants and shall contain the following information: Nature of position, qualifications required, hours of work, rate of pay and posting period.

In the case of an increase in hours of more than one (1) hour per week, the position will be posted.

Where an employee is working less than full-time and additional temporary hours of less than four (4) months duration in their position become available, the employee will be offered such hours.

Positions of employees whose hours have been reduced and are subsequently increased will not be posted.

An employee who is going to be absent from the workplace for an extensive period for any reason, may leave a written request to be considered for any vacancies within any department or job classification should they occur during the employee's absence.

A decision to fill or not to fill a position will be made within one month of the vacancy occurring. If the decision is made to fill a position, the appointment will be announced within one month of the close of the posting. Such announcements will be in the form of electronic mail. Employees will receive the new rate of pay at the time of filling the position or fifteen (15) working days from the date of his/her appointment, whichever first occurs.

Vacancies that are going to be filled will be posted within ten (10) working days of the decision to fill being made.

Auxiliary positions will be converted to ongoing positions subject to the following criteria:

- (1) The position is not that of an ongoing employee on leave.
- (2) The auxiliary position has been in existence for two (2) years (24 months) either filled or vacant.
- (3) The auxiliary position has provided a total of sixteen (16) months of employment during the twenty-four (24) month period at a minimum of sixteen (16) hours per week or greater.
- (4) At the time of conversion, the job must be in existence (either filled or vacant).
- (5) If the auxiliary position is declared redundant, it will not reappear for twenty-four (24) months.

(b) Method of Making Appointments

Both parties recognize that job opportunity should increase in proportion to length of service; therefore, appointments to positions within the bargaining unit shall be made based on the applicant's seniority, qualifications, abilities and skills to perform the functions of the position. The Employer shall give consideration to an employee who does not possess all of the required skills for a position, but who is currently involved in courses or training that will enable him/her to fulfill the requirements of the position.

Auxiliary and Student employees may submit an application. These applications will be considered after all ongoing employee applications and prior to consideration of external applicants.

After working an accumulated number of hours equivalent to the probation period or a lesser number of hours as per the Collective Agreement, Auxiliary employees shall have such hours of service, from the first date of their employment recognized for the purposes of applying as an internal applicant for a position. In the event the selection process requires a tiebreaker, the hours of service shall be the determining factor.

Ongoing employees shall be entitled to post on temporary vacancies as follows:

For vacancies of four (4) months or longer to less than one (1) year, one (1) ongoing employee will be entitled to fill the vacancy and return to their own ongoing position.

For vacancies of one (1) year or longer, two (2) ongoing employees will be entitled to fill the vacancies and return to their own ongoing positions.

Vacancies beyond those outlined above will be posted with the proviso that employees applying for such vacancy will not have the right to return to their former ongoing positions upon return of the temporarily absent employee.

No external applicants shall be considered for a position within the bargaining unit until the applications of internal employees have been fully processed and the internal applicants have been issued a letter from the Human Resources Department.

Successful applicants shall be notified within five (5) working days of the completion of the selection process.

Grievances resulting from the application of this clause shall be filed in writing to the Employer within fifteen (15) working days of the notification of the Employer's decision.

(c) Trial Period

Any internal employee newly appointed to a continuing position within the bargaining unit shall work a three (3) month trial period. No later than ten (10) working days prior to the end of the trial period, the employee's supervisor will prepare a written performance evaluation which will state whether the employee has met the performance criteria necessary for the position. The supervisor shall at this time discuss the evaluation with the employee and provide the employee with a copy of the evaluation. The successful applicant shall receive the rate for the new position from the date they fill the new position or fifteen (15) work days from the date of their appointment, whichever first occurs.

(d) Result of Trial Period

If the evaluation carried out at the end of the trial period is satisfactory, the employee will continue in the position. If the evaluation is unsatisfactory, the following conditions shall apply:

- (1) Employees who were previously ongoing shall return to their previous positions.
- (2) Employees who were previously on the recall list shall return to the recall list where they left off.
- (3) Auxiliary employees will return to the auxiliary list.
- (4) After interviewing, the next senior qualified internal employee who applied for the original posting will be offered the position.

## **ARTICLE 12: DISPUTE RESOLUTION**

(a) Grievance Defined

A grievance is a written complaint on the part of either party to this Agreement relating to the interpretation, application, operation, or alleged violation of this Agreement. Alleged discrimination or personal or sexual harassment will be considered as the basis of a grievance.

1. In order to provide an orderly procedure for the settling of grievances, the Employer recognizes a Grievance Committee whose duties shall be to process any grievances in accordance with the Grievance Procedure.

2. In order that the work of the Employer shall not be unreasonably interrupted, the Shop Steward or member of the Grievance Committee shall not leave his/her work without obtaining permission of his/her supervisor, which permission shall be given within an hour.
3. The Grievance Committee shall consider the complaints of employees which remain unresolved, as well as disputes involving a question of the general application and interpretation of this Agreement, and shall determine whether a grievance is to be filed.

(b) Settling Grievances

Prior to initiating the formal grievance procedure, the parties recognize that an earnest effort shall be made to resolve the problem in the employee's department. It is understood that any resolutions arrived at during this informal stage are non-precedent setting and non-binding on the parties.

Step 1

The Grievor and Steward will within fifteen (15) days of the employee reasonably becoming aware of the grievable incident meet with the immediate supervisor in an attempt to resolve the grievance.

Step 2

Failing satisfactory settlement within five (5) working days after the meeting at Step 1, the Steward may submit to the head of the division or his/her designate, a written statement of the particulars of the grievance and the redress sought. A meeting will take place within five (5) working days of the head of the division or his/her or her designate receiving the notice and a decision in writing will be rendered by the head of the division within a further five (5) working days.

Step 3

Failing a satisfactory settlement being reached at Step 2, the grievance committee may submit the written grievance to the President or his/her designate. A meeting will take place within five (5) working days of the written grievance being submitted. A decision will be rendered in writing by the President or his/her designate within a further five (5) working days.

Step 4

Failing a satisfactory settlement being reached at Step 3, the Union may refer the dispute to Arbitration.

(c) Policy Grievance

When a dispute involving a question of general application or interpretation occurs, or when a group of employees or the Union has a grievance, Steps 1 and 2 of this Article may be bypassed.

(d) Time Limits

The time limits fixed in both the Grievance and Arbitration Procedure may be extended by mutual written agreement.

**ARTICLE 13: ARBITRATION**

(a) Prior to proceeding to arbitration, the parties may meet to explore, without prejudice, options for settlement. Options thereby identified must be acceptable to both the Union and the Employer.

(b) Composition of Board of Arbitration

When either party requests that a grievance be submitted to arbitration, the request shall be made in writing addressed to the other party of this Agreement.

Each party shall notify the other party of name and address of its appointee to the Arbitration Board. Both parties may agree on a single Arbitrator. If two appointments are made, the Appointees shall jointly agree on a third member, who shall be Chairperson. Failing agreement on a Chairperson, the appointment shall be referred to the Labour Relations Board.

(c) Who May be an Arbitrator

No person shall be selected as a member of an Arbitration Board who:

1. is acting, or has within a period of six (6) months preceding the date of his/her appointment acted in the capacity of solicitor, legal advisor, counsel, or paid agent of either of the parties.
2. has any pecuniary interest in the matters referred to the Board.

(d) Board Procedure

The Board may determine its own procedure, but shall give full opportunity to all parties to present evidence and make representations to it. It shall hear and determine the difference or allegation and render a decision within ten (10) days from the time the Chairperson is appointed. The decision of the majority shall be the decision of the Board.

(e) Decisions of the Board

Should the Board of Arbitration find that an employee has been suspended or dismissed for other than just cause, the Board of Arbitration may direct the Employer to reinstate the employee and pay to the employee a sum equal to the wages or salary lost by such suspension or discharge, or such lesser sum as in the opinion of the Board is fair and reasonable, or make such other order as it considers fair and reasonable, provided always that any order the Board of Arbitration may make is made with due regard to the terms of this Agreement, and that any order relative to lost wages shall be less any wages or salary earned by an employee during a period of suspension or dismissal.

The decision of the Board of Arbitration shall be final and binding on all parties, but in no event shall the Board of Arbitration have the power to alter, modify, or amend this Agreement in any respect. Should the parties disagree as to the meaning of the decision, either party may apply to the Chairperson of the Board of Arbitration to reconvene the Board to clarify the decision, which it shall do within three (3) days.

(f) Expenses of the Board

Each party shall pay:

- i. The fees and expenses of the arbitrator it appoints.
- ii. One-half the fees and expenses of the Chairperson.
- iii. The cost of its respective witnesses except, the Employer agrees to pay lost wages to the grievor and one witness, or, in the case of a policy grievance, two witnesses.

(g) The time limits fixed in both the Grievance and Arbitration Procedure may be extended by consent of the parties to this Agreement.

(h) Witnesses

At any stage of the Grievance or Arbitration Procedure, the parties may have the assistance of the employee concerned as witness and any other witnesses, and all reasonable arrangements will be made to permit the conferring parties or the arbitrator to have access to any part of the Employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

3. Written notice of disciplinary action shall be placed in an employee's personnel file. An employee has the right to examine his/her personnel file, and to possess a copy of all material therein. 8. The parties agree that the implementation of a compressed work week will not result in additional costs to the University and will not result in a diminution of services.
9. The parties agree that employees will be encouraged to utilize the day off to schedule medical, dental and other appointments.

(g) Flexitime

Flex time allows employees to vary their start and finish time while covering the core hours of a shift and working the requisite number of hours of work.

At an employee's request, and by mutual agreement, an employee will be allowed to establish a regular schedule by choosing their start and finish time, while ensuring the core hours established by the Department.

The flex time schedule will be subject to approval by the University. A copy of the flex time schedule will be copied to the Union.

Where such a schedule is established, it will be posted in the Department in accordance with Article 15 of the Collective Agreement.

If the employee vacates the position, and the position is posted, it will revert to the original hours of posting.

If a flex time schedule has been established and is proving to be unsatisfactory to either the employee or the department, the employee's flex time schedule may be discontinued with one month's notice and the employee will revert to the original posted hours.

Any exception on a one-off basis shall not be affected and shall continue to be considered.

This variation of start and finish times shall not be utilized for the purpose of circumventing overtime.

### 1.0 Fiscal Dividend:

- 1.1 If fiscal dividend funds are determined to be available, a Fiscal dividend will be paid as soon as reasonably practical.
- 1.2 The quantum of the Fund accessible for the parties to this agreement will be based on the province's audited financial statements as at March 31, 2010.

The Fund will be determined as follows:

- i. The calculations will be based on the surplus, as calculated before deduction of any expense associated with the Fiscal Dividend Bonus, achieved in fiscal 2009-10, as published in the audited financial statements for that fiscal year, provided that the surplus is in excess of \$150 million.
  - ii. Only final surplus monies in excess of \$150 million will be part of the Fund, and the total quantum of the Fund for the entire public sector (including all categories of employees) will not exceed \$300 million.
  - iii. The quantum of the Fund will be constrained by the proportion of the public sector that is eligible to participate in the Fiscal Dividend Bonus; i.e., 100% of the Fund will be available if 100% of all categories of employees in the public sector under the purview of the Public Sector Employers' Council participate, but if a lesser number participate, a proportionately less amount of the fund will be available.
  - iv. Additionally, the Fund will be proportioned among all groups of public sector employees by ratio of group population to total population participating.
- 1.3 The Fiscal Dividend Bonus will be paid to each eligible employee who is on the active payroll on March 30, 2010.
  - 1.4 The payment will be paid to full-time regular employees on payroll as of March 30, 2010, and who have worked 1820 regular hours between April 1, 2009, and March 31, 2010. Full-time regular employees who have been on an absence without pay in excess of 30 days will have the payment pro-rated on percentage of hours worked.

Part-time employees, sessional employees, any employees hired subsequent to April 1, 2009, and hourly employees who worked less than 1820 hours between April 2, 2009, and March 31, 2010 will be paid a pro-rated lump sum amount based upon the percentage of full-time hours worked during the period.

**JOB EVALUATION**

During Collective Bargaining the parties agreed as follows:

- a. The April 1, 2006, CUPE/TRU pay grid will include two (2) additional pay bands added (12, 13).
- b. The two additional pay bands (12, 13) at the top of the wage schedule are only to accommodate new positions or changed positions in the future, or Burnaby positions currently paid above the old TRU wage grid. Further, the parties agree that the need to add the additional pay bands was to capture classifications that encompass senior technical positions, and those that have significant responsibility for the supervision of others.
- c. Incumbent employees on the Kamloops campus will remain in their current pay bands unless there are changes in their job descriptions that would warrant an appeal.
- d. The parties recognize that the current Job Evaluation Program will have to be modified to reflect higher education requirements in the senior technical positions and supervisory responsibilities. It is the intent of the parties that this modification is meant to be more of a "tweak" and not a major revamp of the program.
- e. The parties agree that a mutually acceptable third party will be retained to make recommendations on the required changes to the program.
- f. The parties agree that Burnaby employees transferring to Kamloops will remain on the Burnaby grid until their jobs have been evaluated under the CUPE/TRU Job Evaluation Plan. If the evaluation results in their position moving into a higher pay band, they will be paid that new rate effective the date of transfer. If the job is classified at a lesser rate than what they were earning at the time of transfer, they will receive any negotiated wage increases as separate pensionable earnings until such time as their pay equals the job rate.

**LETTER OF AGREEMENT "A" – BUS DRIVER**

The parties agree that the designated Bus Driver will continue to receive a differential of \$65.00 per month over and above his/her normal monthly rate as long as he/she possesses a valid School Bus Driver's Certificate, and drives a bus for the University .

Outside Trips

1. The Bus Driver shall be paid for layover time at his/her standard hourly rate of pay subject to the following maximums:
  - (a) for trips which return within a 24-hour period, pay shall be given for every hour involved.
  - (b) for trips of more than twenty-four (24) hours duration, a minimum of eight (8) hours continuous rest shall be given per 24-hour period.
  - (c) in the interest of safety, the Bus Driver shall not drive more than twelve (12) hours in a 24-hour period.
2. Where overnight accommodation is required, this shall be paid for by the University.
3. Reimbursement for meals shall be per University Policy. On trips which take over four (4) hours, but under eight (8) hours, the employee shall be provided with a minimum of one meal.
4. The Bus Driver may elect to take extra trip earnings in the form of equivalent days off.

**LETTER OF AGREEMENT "B" – RETIREMENT**

1. No member of the Local shall be required to retire from employment with the University at any predetermined age.
2. The University and the Local agree that they must jointly develop procedures to allow for:
  - an employee to elect to take retirement at any age
  - an employee who through age is unable to adequately perform his/her job to explore with the University alternatives for employment, or else to leave the University with dignity
  - the provision of applicable benefits to employees independent of age, and the possibility of the continuance of benefits following retirement.
3. During the term of this Collective Agreement, the University and the Local will undertake discussions to identify procedures described under (2) above. When finalized, these procedures shall be included in a Letter of Agreement, supplementary to this Collective Agreement.

**LETTER OF AGREEMENT "C" – UTILIZATION OF AUXILIARY EMPLOYEES**

The parties agree that the following will apply to the utilization of auxiliary employees:

The Employer agrees to make every reasonable effort to ensure that the use of long-term employees on an auxiliary basis will not supplant the establishing of ongoing positions.

**LETTER OF AGREEMENT "D" – STUDENT EMPLOYEE GUIDELINES**

It is recognized by TRU and the Union that the employment of students on the TRU Campus is beneficial to both students and the institution.

The following guidelines have been developed to ensure clear demarcation between the job responsibilities and contractual rights of student employees versus those of classified ongoing, auxiliary, employees and Co-operative Education students.

1. All student employees will be recruited and selected with reference to a position description which will be developed by his/her supervisor and shared with the employee, Human Resources Division and the Union.
2. Student employee position descriptions will concisely describe the limited responsibilities of the position in not more than one paragraph. Skills and qualifications required will be commensurate with the limited responsibilities of the position.
3. All student employee position descriptions will be reviewed by the Human Resources Division and passed on to a joint monitoring committee composed of one (1) Union and one (1) management representative, for joint approval. If the position has not been previously approved, then approval must take place no more than five (5) working days after introduction of the position. If the monitoring committee does not agree on the appropriateness of the work for student employment, the matter will be referred to a mutually agreed third party for a binding decision which will be rendered within ten (10) days of referral. This decision shall include retroactive pay, if applicable.
4. Student employees' work may be coordinated by designated Union staff, faculty or management.
5. Student employees will not train, schedule or coordinate other employees. Student employees will orient student employee colleagues and "job-shadow" classified employees experienced in performing the duties the student employee must develop proficiency for.
6. Student employees will not work more than twenty (20) hours weekly, except during periods of summer employment, in which case completion of the winter semester and admission to the following fall semester qualifies the student to be hired as a student employee.
7. (a) The hiring of student employees will not result in the reduction of regular hours or the displacement of existing auxiliary or ongoing staff. Furthermore, in determining the extent to which student employees would be engaged, the University will consider the degree to which regular or auxiliary employees may already be on layoff or on reduced hours at the time the student hiring is taking place.
  - (b) The hiring of student employees will not preclude the hiring of auxiliary employees or the creation of ongoing support staff positions.
  - (c) At its sole discretion, TRU may incorporate work currently done through student employment into new ongoing or auxiliary positions.
8. Student employees will not be hired in a relief capacity if qualified auxiliary and ongoing staff are on layoff, reduced hours or on the recall list.
9. Student employees will be paid at classified Union rates if they are working in a relief capacity. All placements will be done in consultation with the Human Resources Division.

10. These guidelines will be implemented by June 1, 1995, and continue to May 31, 1996. They will be formally reviewed by December 1, 1995, and changes will be made, if necessary, by mutual agreement.
11. These guidelines will not be raised by either party as an issue in the collective bargaining for renewal of the current Collective Agreement.
12. Human Resources will post and coordinate all student employment on campus. The posting of student positions will adhere to the principles set forth in Article 11 (a) in the current Collective Agreement although the rigid requirements of that Article may be modified. Specifically:
  - (a) A roster of all student positions will be posted in the vicinity of the Student Services' Office for a period not less than ten (10) working days.
  - (b) Each division will post a list of student employee positions for period of not less than ten (10) working days.
  - (c) Information on student employee opportunities will be published in the *Omega*.
  - (d) The posting information will include sufficient specifics for each position so that the duties, responsibilities, qualifications and rates of pay are readily understood.
13. Students are excluded from provisions of the following Articles in the Collective Agreement:
  - Article 9 Seniority
  - Article 10 Layoff, Severance and Recall
  - Article 11 (c) Trial Period
  - Article 11 (d) Result of Trial Period

  - Article 32 Subcontracting

**LETTER OF AGREEMENT "E" – LAYOFF OF ONGOING STATUS EMPLOYEES**

This letter of agreement provides full resolution to Grievance 99-01.

- (1) The parties agree that auxiliary employees shall accrue seniority by accumulative hours worked, rather than ten (10) months' continuous service as in Article 8(d). That is, once an employee accumulates 560 hours worked, they will attain ongoing status and their seniority date shall be established by crediting the employee one-day seniority for each day worked back to July 1, 1992.
- (2) Auxiliary employees and employees with ongoing status shall receive a letter of appointment with a start and end date for each assignment of less than four (4) months' duration, except in the case of sick leave relief when no end date shall be required. Employees shall pick up the appointment letter at the Human Resources Department at the commencement of each assignment.
- (3) The duration of the appointment, as set out in the appointment letter, shall not be reduced or be extended.
- (4) No lay-off notice is required for auxiliary employees or employees with ongoing status except as provided in paragraph 5.
- (5) When an auxiliary employee or an employee with ongoing status accepts a temporary posted position of four (4) months or greater, and the Employer eliminates the position, or reduces the hours in the position, for bona fide operational reasons, the auxiliary employee or employee with ongoing status shall receive two (2) calendar months' written notice, or pay in lieu, consistent with the employee's current work schedule. This does not apply to posted sick leave relief positions.
- (6) Auxiliary employees may use his/her hours to apply for internal positions, as provided for in Article 11.
- (7) All affected auxiliary employees shall receive notification of their total accumulated hours by May 4, 2002. Auxiliary employees who have accumulated 560 hours will be granted ongoing status and be notified of their seniority date. The Union will be provided with copies of the notification by May 4, 2001.
- (8) This agreement does not affect ongoing full time or part time employees, as these employees shall continue to receive full lay-off notice as per the Collective Agreement, (i.e., one to four months' notice as applicable).
- (9) The parties agree to modify Article 8 (d) to reflect the provisions of this agreement.
- (10) Any disputes regarding the interpretation or application of this agreement shall be referred for binding resolution to Stephen Kelleher, Q.C.
- (11) This agreement supersedes and replaces the Letter of Agreement (Resolve to GR 97-12 (11 Day Break) dated September 29, 1998, and resolves GR 99-01 and any current claims related to auxiliary lay-off and notice.

**LETTER OF AGREEMENT "F" – AEROBICS INSTRUCTOR****WITHOUT PREJUDICE**

The parties agree that employees hired in the position of Aerobics Instructor will have a three-hour variance to the hours of work. That is, the minimum daily guaranteed hours of work shall be one (1) hour. Therefore, an employee reporting to work as an Aerobics Instructor shall be paid accordingly for their time worked, with a minimum of one hour's pay.

This variance is without prejudice to hours of work for any other positions and applies only to the position of Aerobics Instructor. All other positions will adhere to the four-hour minimum daily guarantee (excluding student positions).

All other provisions are as per the Collective Agreement.

**LETTER OF AGREEMENT "G" – JOB DESCRIPTION FORMAT**

This letter of agreement provides full resolution to grievance 98-03.

- (1) The format of CUPE job descriptions shall be modified as follows:
  - (a) Skills, knowledge or abilities required by TRU will be stated under the heading "Skills, Knowledge or Abilities Related to the Job", and shall be ranked according to the established criteria in the Joint Job Evaluation Manual;
  - (b) An additional section headed "Working Conditions" will be added to all position descriptions;
- (2) TRU will determine the job content, duties and qualifications of positions, subject to the Collective Agreement and the Job Evaluation Manual.
- (3) The parties agree that the currency of "related experience" may be an aspect of the Employer's considerations when making an appointment under Article 11 (b). The Union maintains the right to challenge the requirement of currency as a "related experience" factor as it may arise in a given situation.
- (4) The phrase "Other Duties Related to the Position" shall be removed from all position descriptions. The parties agree that every effort shall be made to itemize the job duties within the position description. However, it is agreed by the parties that the occasional performance of a minor task directly related to an employee's job function may occur.
- (5) The format of job descriptions will be modified to reflect the above changes as jobs are posted in future, or changed as a result of an appeal or review.
- (6) It is understood that the above modifications to the job description format do not alter the selection process set out in Article 11 (b) of the Collective Agreement.
- (7) It is understood that no appeal or review of a job will occur solely as a result of changes made under this agreement.
- (8) CUPE and its members shall retain the right to access the dispute resolution mechanisms of the Collective Agreement and the Job Evaluation Manual.
- (9) This agreement shall not terminate on the expiry of the current Collective Agreement.

**LETTER OF AGREEMENT "H" – ASSIGNMENT OF AUXILIARY WORK**

Whereas the parties wish to fully and finally resolve Grievance #02-11 and without prejudice to either party's position concerning the interpretation of the Collective Agreement, the Parties agree as follows:

1. The Employer will continue to assign auxiliary work to any employees who work less than full-time year round and nothing in this agreement is intended to alter, amend or supersede any rights contained in the Collective Agreement.
2. Bargaining Unit employees as well as continuing to be eligible for additional hours in their own position, may, if they work less than full-time year round, place themselves on the auxiliary list (through written notification to Human Resources) for the purpose of obtaining additional auxiliary work in other positions as their seniority and qualifications provide.
3. The Employer must assign auxiliary work in blocks of four hours or more unless the assignment is for sick relief or is for other auxiliary work that does not exceed ten (10) consecutive working days in duration. In case of sick relief or auxiliary work not exceeding ten (10) consecutive working days, the Employer may assign block of less than four (4) hours of work subject to the conditions set out in paragraph 4.
4. In the case of blocks of less than four hours' work described in 3 above, it is understood that this work will be offered to senior qualified employees on the auxiliary list without regard to whether an employee has worked. The assignment will be made on the following basis:
  - a) If the employee has not been assigned to work on a day of the assignment, the employee will be paid a minimum of four hours for that day of the assignment.
  - b) If the employee has other assigned work on a day of the assignment, they may be assigned and paid for additional work of less than four hours for that day of the assignment. However, employees will be limited to one additional work assignment per day.
  - c) The Employer shall not be required to assign additional auxiliary work where that assignment results in overtime.
5. The parties agree that the Williams Lake Campus will be bound by this Letter of Agreement. However, it is understood that there may be exceptional circumstances where the assignment of less than four hours' work may exceed ten (10) consecutive working days and extend to a maximum of twenty (20) consecutive working days. In the rare instance where the Employer feels it has exhausted all options, it will request the Union's agreement to extend the maximum twenty (20) consecutive days to a maximum of twenty-five (25) consecutive days. Union agreement will not be unreasonably withheld.

6. A panel consisting of Mr. Allen Hope, Q.C. (Chair), Mr. Pat Bell (Employer nominee) and Mr. Mel Hale (Union nominee) shall remain seized of any dispute with respect to the application, operation or interpretation of this Letter of Agreement.
7. The effective date of this Agreement shall be the 19<sup>th</sup> day of April, 2005.
8. This LOA will be appended to the collective agreement as LOA "I".

**LETTER OF UNDERSTANDING "I" – UNDERGRADUATE RESEARCH ASSISTANTS**

The parties recognize that undergraduate students doing research work for faculty members funded through external agencies are excluded from the Local. Undergraduate Research Assistants will carry at least 60% of a full course load within the current academic year. Undergraduate Research Assistants will not work beyond the completion of all their degree requirements unless it becomes necessary to complete the research project. In that case, the Undergraduate Research Assistant may be extended a maximum of three (3) months.

The parties also agree that the work performed by Undergraduate Research Assistants will not erode or prevent growth of the bargaining unit or encroach on the Local.

To ensure that such erosion, encroachment or growth limitations does not occur the parties agree as follows

- a. The tasks that Undergraduate Research Assistants perform will be directly related to the mandate of the external grant but are generally as follows:
