10.01 Employees shall have the right, upon request, to the presence of a Union Steward at any stage of the grievance procedure, including the complaint stage, or at any time when formal discipline is imposed.

10.02 For purposes of this Agreement, a grievance is defined as a difference arising between a member of the bargaining unit and the Hospital relating to the interpretation, application, administration or alleged violation of the Agreement.

10.03 *It* is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. Such complaint shall be discussed with his immediate supervisor within seven (7) calendar days from the event giving rise to the grievance, or from when the employee should have reasonably become aware of the event giving rise to the grievance and, failing settlement within seven (7) calendar days, it shall then be taken up as a grievance within the seven (7) calendar days following his immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee must submit the grievance in writing signed by him to his immediate supervisor and may be accompanied, if he so desires, by his union steward. The grievance shall identify the nature of the grievance, the remedy sought, and should specify the provisions of the Agreement which are alleged to have been violated. The immediate supervisor will deliver his decision in writing within seven (7) calendar days following the day on which the grievance was presented to him. Failing settlement, then:

Step No. 2

Within seven (7) calendar days following the decision under Step No. 1, the employee who, if he so desires, may be accompanied by his union steward, may submit the written grievance to his Department Head who will deliver his decision in writing within seven (7) calendar days from the date on which the written grievance was presented. This step may be omitted where the employee's immediate supervisor and Department Head are the same person. failing settlement, then:

Step No. 3

Within seven (7) calendar days following the decision in the immediately preceding step, the grievance may be submitted in writing to the Chief Executive Officer of the Hospital or his designate. A meeting will then be held between the Chief Executive Officer or his designate and the Grievance Committee within seven (7) calendar days of the submission of the grievance at Step No. 3 unless extended by agreement of the parties. It is further understood that either party may have such assistance as they may desire at such meeting. The decision of the Hospital shall be delivered in writing within fourteen (14) calendar days following the date of such meeting.

10.04 Policy Grievance

A grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby bypassed. Where the grievance is a Hospital grievance it shall be filed with the Local Union President or designate.

10.05 Group Grievance

Where a number of employees have identical grievances and each one would be entitled to grieve separately, they may present a group grievance in writing, signed by each employee who is grieving, to the Department Head or his designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

10.06 Discharge Grievance

The release of a probationary employee shall not be the subject of a grievance or arbitration. A claim by an employee who has completed his probationary period that he has been unjustly discharged shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 3 within seven (7) calendar days after the date the discharge is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Hospital's action in dismissing the employee, or
- (b) reinstating the employee with or without loss of seniority and with or without full compensation for the time lost, or
- (c) by any other arrangement which may be deemed just and equitable.

The Hospital agrees that it will not discharge, without just cause, an employee who has completed his probationary period.

10.07 Failing settlement under the foregoing procedure, any grievance, including a question as to whether the grievance is arbitrable, may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within fourteen (14) calendar days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned.

10.08 All agreements reached under the grievance procedure between the representatives of the Hospital, the representatives of the Union and the grievor(s) will be final and binding upon the Hospital, the Union, and the employee(s).

10.09 When either party requests that any matter be submitted to arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within seven (7) calendar days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.

- 10.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 10.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 10.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 10.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.
- 10.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 10.15 The time limits set out in this Article are mandatory and failure to comply strictly with such time limits, except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned.
- 10.16 Wherever arbitration board is referred to in the agreement, the parties may mutually agree in writing to substitute a single arbitrator for the arbitration board at the time of reference to arbitration and the other provisions referring to arbitration board shall appropriately apply.

ARTICLE 11 - LETTERS OF REPRIMAND AND ACCESS TO FILES

- 11.01 Any letter of reprimand or suspension will be removed from the record of an employee eighteen (18) months following the receipt by the employee of such letter or suspension provided that the employee's record has been discipline free for such eighteen (18) month period.
- 11.02 Each employee shall have reasonable access to his file for the purposes of reviewing any evaluations or formal disciplinary notations contained therein in the presence of the Employer. A copy of the evaluation will be provided to the employee at his request.

ARTICLE 12 - SENIORITY

12.01 Newly hired employees shall be considered to be on probation for a period of sixty (60) tours worked from date of last hire (450 hours of work for employees whose regular hours of work are other than the standard work day). If retained after the probationary period, the employee shall be credited with seniority from date of last hire. With the written consent of the Hospital, the probationary employee and the President of the Local Union or his designate, such probationary period may be extended.

It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) tours (450 hours of work for employees whose regular hours of work are other than the standard work day) worked or such lesser period as may be agreed by the parties. The release of a probationary employee shall not be the subject of a grievance or arbitration.

12.02 A seniority list shall be maintained for each department. The Hospital shall post such list and provide the Union with a copy, indicating bargaining unit seniority, twice per year.

12.03 Not applicable to full-time.

12.04 Seniority shall be retained by an employee in the event he is transferred from full-time to part-time or vice versa. For the purposes of the application of seniority under the agreement but not for the purposes of service under any provisions of the agreement, an employee whose status is changed from full-time to part-time shall receive credit for his seniority on the basis of 1650 hours worked for each year of full-time seniority. For the purposes of the application of seniority, under the agreement but not for the purposes of service under any provisions of the agreement, an employee whose status is changed from part-time to full-time shall receive credit for his seniority on the basis of one (1) year of seniority for each 1650 hours worked. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer.

Note: Those Hospital contracts currently with a lesser hourly requirement shall continue.

12.05

(a) Effect of Absence

- (i) It is understood that during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.

During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increments, vacation, sick leave, or any other benefit under any provision of the Collective Agreement or elsewhere, shall be suspended; the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly.

In addition, the employee will become responsible for full payment of subsidized employee benefits in which he is participating for the period of the absence. The employee may arrange with the Hospital to prepay the full premium of any applicable subsidized benefits in which he is participating during the period of leave in excess of thirty (30) continuous days to ensure continuing coverage.

It is further understood that during such absence, credit for seniority shall be suspended and not accrue during the period of absence. Notwithstanding this provision, seniority shall accrue for a period of thirty (30) months if an employee's absence is due to disability resulting in WCB or LTD benefits.

- (ii) Notwithstanding Article 12.05 (a) (i), service and seniority will accrue for a maximum period of seventeen (17) weeks if an employee's absence is due to a pregnancy leave, and for a maximum period of eighteen (18) weeks if an employee's absence is due to a parental leave. In addition, the Hospital will continue to pay its share of the premiums of the subsidized employee benefits in which the employee is participating for up to seventeen (17) weeks from the commencement of the leave while the employee is on pregnancy leave, and for up to eighteen (18) weeks from the commencement of the leave while the employee is on parental leave, unless the employee does not intend to pay her contributions.

- (b) The Hospital agrees to provide, in response to an employee's request, his service and/or anniversary date.

12.06 For purposes of layoff and recall, seniority shall operate on a department-wide basis, i.e., laboratory, radiology or such other departments which exist in the individual hospitals where the employees are covered by this Agreement.

12.07 Seniority lists and layoff and recall rights for full-time employees shall be separate from seniority lists and layoff and recall rights for part-time employees.

12.08 An employee who is transferred to a position outside the bargaining unit for:

- (a) a period of less than eighteen (18) months or such longer period as the parties may agree upon or;
- (b) a specific term of appointment, including temporarily replacing an employee outside the bargaining unit

shall retain but not accumulate seniority held at the time of transfer. In the event the employee is returned to a position in the bargaining unit within the time periods noted in (a) or (b) above he shall be credited with the seniority held at the time of transfer and shall resume accumulation from the date of his return to the bargaining unit.

12.09 An employee shall lose all service and seniority and shall be deemed to have terminated if he:

- (a) leaves of his own accord;
- (b) is discharged and the discharge is not reversed through the grievance or arbitration procedure;
- (c) has been laid off twenty-four (24) months;
- (d) is absent from scheduled work for a period of three (3) or more consecutive working days, without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (e) fails to return to work (subject to the provisions of (d)) upon termination of an authorized leave of absence without satisfactory reason or utilizes a leave of absence, without permission, for purposes other than that for which the leave was granted;

- (f) fails upon being notified of a recall to signify his intention to return within five (5) calendar days after he has received the notice of recall mailed by registered mail to the last known address according to the records of the Hospital and fails to report to work within ten (10) calendar days after he has received the notice of recall or such further period of time as may be agreed upon by the parties;
- (g) is absent due to illness or disability for a period of thirty (30) months, unless he has less than six (6) months' service at the time the illness or disability commenced and is not eligible for long-term disability benefits. If the employee has less than six months' service at the time the illness or disability commenced and is not eligible for long-term disability benefits, this provision will apply after an absence equal to his length of service at the time the absence commenced.

ARTICLE 13 - LAYOFF AND RECALL

13.01 In the event of a proposed layoff at the Hospital of a permanent or long term nature, the Hospital will

- (a) provide the Union with no less than 30 calendar days notice of such layoff, and
- (b) meet with the Union through the Labour Management Committee to review the following:
 - (i) the reason causing the layoff
 - (ii) the service the Hospital will undertake after the layoff
 - (iii) the method of implementation including the areas of cut-back and employees to be laid off
 - (iv) ways the Hospital can assist employees to find alternate employment.

13.02 Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over other terms of layoff in this Agreement. Notice of layoff shall be in accordance with the provisions of the Employment Standards Act.

13.03 In the event of layoff, the Hospital shall layoff employees in the reverse order of their seniority within their classification, providing that those employees who remain on the job have the qualifications and ability to perform the work.

13.04 An employee who is subject to layoff shall have the right to either:

- (a) accept the layoff and be placed on a recall list for twenty-four (24) months; or
- (b) displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the department if the employee originally subject to layoff can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off, subject to his rights under this section.

13.05 An employee who displaces an employee in a lower paying classification will be placed on the salary grid of the lower classification consistent with the level he would have achieved in the lower classification based on his service and experience with the Hospital.

13.06 An employee shall have opportunity of recall from a layoff to an available opening, in order of seniority, provided he has the qualifications and ability to perform the work, before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed. An employee who is recalled shall be credited with the seniority he had at the time of the layoff.

13.07 An employee recalled to work in a different classification from which he was laid off, or an employee who has displaced an employee in a lower classification shall be entitled to return to the position he held prior to the layoff should it become vacant within twenty-four (24) months of the layoff, provided that the employee remains qualified and able to perform the duties of his former position.

No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.

- 13.08** The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the fifth day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.

ARTICLE 14 - TECHNOLOGICAL CHANGE

- 14.01** The Hospital undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Hospital has decided to introduce which will significantly change the status of employees within the bargaining unit.

The Hospital agrees to discuss with the Union the effect of such technological changes on the employment status of employees and to consider practical ways and means of minimizing the adverse effect, if any, upon employees concerned.

Employees with one or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as set forth above and the requirements of the applicable legislation.

- 14.02** Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's previous educational background, during which they may perfect or acquire the skills necessitated by the newer method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six months.

ARTICLE 15 - JOB POSTING, PROMOTION AND TRANSFER

- 15.01** Where a vacancy exists, or where the Hospital creates a new position in the bargaining unit, such vacancy shall be posted for a period of seven (7) calendar days. Applications for such vacancies shall be made in writing within the seven (7) day period referenced herein.

Notwithstanding the above, the Hospital may fill at its own discretion vacancies caused by:

- (a) illness;
- (b) accident;
- (c) pregnancy and parental leaves of absence;
- (d) leave of absence not expected to exceed six (6) months;
- (e) vacation;
- (f) specific tasks not expected to exceed six (6) months.

in filling such temporary vacancies the Hospital shall consider employees who have expressed an interest, in writing, in filling such vacancies, on the basis of the selection criteria as set out in Article **15.06**.

Employees in bargaining units at the Hospital represented by OPSEU selected to fill such temporary vacancies agree not to apply for other temporary positions while filling the temporary vacancy. Upon completion of the temporary vacancy, the bargaining unit employee will be returned to his former position. Such employees shall continue to accrue seniority while filling a temporary vacancy.

Employees newly hired to fill such temporary vacancy will not accrue seniority during the filling of such vacancy. If such employees successfully post into a permanent position within the bargaining unit, prior to the end of the non-posted vacancy, they will be credited with seniority from their last date of hire. The release or discharge of such employee at the completion of the temporary vacancy shall not be the subject of a grievance or arbitration.

- 15.02** Notices of vacancies referred to in **15.01** shall include, for informational purposes: department, classification, qualifications.

- 15.07 In matters of promotion and staff transfer, a successful bargaining unit applicant shall be allowed a trial period of up to sixty (60) days (450 hours for employees whose regular hours of work are other than the standard work day) worked during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned by the Hospital, to the position formerly occupied, without loss of seniority. Should the employee return or be returned to his former job, the filling of subsequent vacancies will be reversed.
- 15.08 An employee who is promoted to a higher rated classification within the bargaining unit will be placed in the range of the higher rated classification so that he shall receive no less an increase in wage rate than the equivalent of one step in the wage rate of his previous classification (provided that he does not exceed the wage rate of the classification to which he has been promoted),

Leave of absence shall be granted from the employee's place of employment for the duration of the current term of office. The Union shall reimburse the Employer the amounts paid on behalf of the employee, including pay and benefits.

(c) Where an individual of the bargaining units represented centrally by OPSEU is elected or appointed as an Executive Board Member, Executive Officer, member of the central negotiating committee, or member of Medical Division Executive, such individual shall be granted leave of absence for the time off required to exercise the duties of such appointment. The notice requirements to obtain such time off shall be governed in accordance with the leave of absence policy and procedure of the affected Hospital. Such positions shall be limited to two (2) members from a Hospital with no more than one individual from within a section/division within a Department.

- (d) For leaves of absence without pay for Union business under the terms of this Agreement, including unpaid leave for members of the Central Negotiating Team, the employee's salary and applicable benefits will be maintained by the Hospital and the Union will reimburse the Hospital for the cost of salary and benefits. 16.04 Jury and Witness Duty

If an employee is requested to serve as a juror in any court of law or is required by subpoena to attend as a witness in a court proceeding in which the Crown is a party, or is required to attend a coroner's inquest in connection with a case concerning the Hospital, the employee shall not lose regular pay because of necessary absence from work due to such attendance, and shall not be required to work on the day of such duty, provided that the employee:

- (a) informs the Employer immediately upon being notified that the employee will be required to attend court or the coroner's inquest;
- (b) presents proof of service requiring the employee's attendance; and

In addition to the foregoing, where an employee is required by subpoena to attend a Court of Law or Coroner's Inquest, in connection with a case arising from the employee's duties at the Hospital, on his regularly scheduled day off or during his regularly scheduled vacation, the Hospital will attempt to reschedule the employee's regular day off or vacation period, it being understood that any rescheduling shall not result in the payment of any premium pay. If the Hospital fails to reschedule such employees, the Hospital shall arrange lieu time off work for all days the employees would otherwise be off work had it not been for the attendance at Court or the Coroner's Inquest.

16.05 (a) Pregnancy Leave

- (i) Pregnancy leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this agreement.
- (ii) Effective on confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) plan, and retroactive to date of confirmation by the Unemployment Insurance Commission, an employee who is on pregnancy leave as provided under this agreement and who is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 18 of the Unemployment Insurance Act, 1971, shall be paid a supplemental unemployment benefit.. That benefit will be equivalent to the difference between seventy-five per cent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits during her leave and any other earnings. Such payment shall commence following completion of the two week unemployment insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits, for a maximum period of 15 weeks for a pregnancy leave. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

This provision only applies to employees with at least 10 months of continuous service at the hospital prior to the commencement of the pregnancy leave.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

(b) Parental Leave

- (i) Parental leaves will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this agreement.
- (ii) Effective on confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) plan, and retroactive to date of confirmation by the Unemployment Insurance Commission, an employee who is on parental leave as provided under this agreement and who is in receipt of Unemployment Insurance parental benefits pursuant to Section 20 of the Unemployment Insurance Act, 1971, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five per cent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits during her leave and any other earnings. Such payment shall commence following completion of the two week unemployment insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance parental benefits, and shall continue while the employee is in receipt of such benefits, for a maximum period of ten (10) weeks for a parental leave. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the parental leave times her normal weekly hours.

This provision **only** applies to employees with at least 10 months of continuous service at the hospital prior to the commencement of the parental leave.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (iii) Where an employee has become a natural father or has qualified to adopt a child and has at least 10 months of service at the commencement of his/her approved parental leave, such employee may be entitled to extend the parental leave up to an aggregate of six (6) months without pay. Such employee shall advise the Hospital as far in advance as possible of their qualifying to adopt, and shall request the leave of absence in writing upon receipt of confirmation of the pending adoption. Such request for an extension of the parental leave shall not be unreasonably withheld.

It is understood that during any such extension of the parental leave, credit for service or seniority for the purposes of salary increments, vacations, sick leave, or any other benefits under any provisions of the collective agreement or elsewhere shall be suspended during such leave and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he or she is participating for the period of the absence.

16.06 Transfer of Pregnant Employees

Pregnant employees may request to be transferred from their current duties if, in the professional opinion of the employee's physician the pregnancy may be at risk. (b) Application

Eligible employees must make written application to the Department Head, with a copy to the Director of Human Resources/Personnel, at least six (6) months prior to the intended commencement date of the salary deferral portion of the Pre-Paid Leave Plan. Such application will outline the reason the leave is being requested. Priority will be given to applicants intending to use the leave to pursue formal education related to their profession. As between two (2) or more candidates, from the same department, with the same intended purposes seniority shall govern. The employee will be informed of the disposition of his application as soon as is reasonably possible after the closing date for applications.

- (c) The total number of employees (members of OPSEU locals 442 and 450) that may be accepted into the Pre-Paid Leave Plan in any one plan year as defined in Article 16.08 (1) shall be fifteen (15) and from any one department shall be as outlined below. Notwithstanding the above, where approval of such members would create undue hardships to the department or the hospital, such numbers may be reduced or re-deployed accordingly.

(d) Nature of Final Agreement

Final approval for entry into the pre-paid leave program will be subject to the employee entering into a formal agreement with the Hospital, authorizing the Hospital to make the appropriate deductions from the employee's pay. The agreement will also include:

- (a) A statement that the employee is entering the plan in accordance with Article 16.08 of the Collective Agreement.
- (b) The period of salary deferral and the period for which the leave is requested.
- (c) The manner in which the deferred salary is to be held.

The letter of application to enter the plan will be appended to, and form part of, the written agreement.

(e) Deferral Plan

The deferral portion of the plan shall involve an employee spreading four (4) years' salary over a five (5) year period, or such other schedule as may be mutually agreed between the employee and the Hospital. In the case of the four (4) years' salary over a five (5) year schedule, during the four (4) years of salary deferral, 20% of the employee's gross annual earnings will be deducted and held for the employee. Such deferred salary will not be accessible to the employee until the year of the leave or upon the collapse of the plan. In the case of another mutually agreed upon deferral schedule, the percentage of salary deferred shall be adjusted appropriately.

(f) Deferred Earnings

The manner in which the deferred salary is held shall be at the discretion of the Hospital. The employee will be made aware, in advance of having to sign any formal agreement, of the manner of holding such deferred salary.

Interest which is accumulated during each year of the deferral period shall be paid out to the employee in accordance with Part LXVIII of the Income Tax Regulations, Section 6801.

(g) Health and Welfare Benefits

All benefits shall be kept whole during the deferral period of the plan.

Full-Time Employees Only

Employees will be allowed to participate in health and welfare benefits plans during the year of the leave, but the full cost of such plans will be borne by the employees. Contributions to the Hospitals of Ontario Pension Plan will be in accordance with the Plan.

Notwithstanding the above, employees will not be eligible to participate in the disability income plan during the year of the leave.

(h) Seniority and Service

Full-Time Only

During the year of the leave, seniority shall continue to accumulate. Service for the purposes of vacation and salary progression and other benefits will be retained but will not accumulate during the period of the leave.

(i) Assignment on Return

On return from leave, a participant will be assigned to his former position unless it is no longer available. In such a case the employee will be given a comparable job, if possible, or the layoff provisions will be applied.

(j) withdrawal Rights

(i) A participant may withdraw from the plan at any time up to a date three (3) months prior to the commencement of the leave, Deferred salary, and accrued interest will be returned to the participant within a reasonable period of time.

(ii) On Leaving Employment

(k) Replacement Employees

The Hospital will endeavour to find a temporary replacement for the employee, as far in advance as practicable. If the Hospital is unable to find a suitable replacement, it may postpone the leave. If, after a period of postponement, a suitable temporary replacement cannot be found, the Hospital will have the option of considering a further postponement or of collapsing the plan. The employee, subject to such a postponement, will have the option of remaining in the plan and rearranging the leave at a mutually agreeable time, or of withdrawing from the plan as outlined in Article 16.08 (j).

(l) Plan Year

The year for the purposes of the plan shall be from September 1 of one year, to August 31, of the following year, or such other years as the parties may agree to.

(m) Status of Replacement Employee

Only the original vacancy resulting from an absence due to pre-paid leave will be posted.

Employees in bargaining units at the Hospital represented by OPSEU, selected to fill vacancies resulting from replacing an employee on a pre-paid leave need not be considered for other vacancies while replacing such employee. Upon completion of the leave, the replacing employee will be returned to his former position; and the filling of subsequent vacancies will likewise be reversed.

Employees newly hired to fill vacancies resulting from replacing an employee on pre-paid leave will not accrue seniority during the filling of such vacancies. Furthermore, such employees need not be considered for other vacancies. If such employees do post into permanent positions they will be credited with seniority from their last date of hire. The release or discharge of such employees will not be subject of a grievance or arbitration.

16.09 Leave of absence with or without pay and without loss of seniority may be granted to employees for the purpose of attending professional meetings.

Where the ~~19.5~~ hour period is reduced as a result of an approved change of shift(s) requested by the employee(s), such premium payment shall not apply.

- 18.08 Where an employee's schedule is changed by the Hospital with less than twenty-four (24) hours notice, she shall receive time and one-half (1 1/2) of her regular straight time hourly rate for all hours worked on her next shift.

Re: Pay Equity

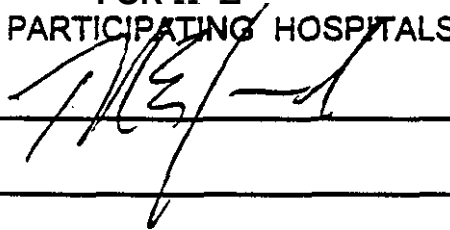

Recognizing that the Participating Hospitals and Local Unions have developed, or are developing, their individual pay equity plans, the Central Parties confirm the inter-relationship of the negotiated wage rates with those plans as follows:

- (i) a pay equity adjustment will not result in the maximum rate for a classification exceeding the rate for that classification's comparator:
- (ii) a negotiated increase in pay may result in the maximum rate for a classification exceeding the rate for that classification's Comparator.

The parties agree that the Full-Time Collective Agreement attached hereto represents the terms and conditions of the Collective Agreement between the Participating Hospitals and the Ontario Public Service Employees Union as awarded on March 31, 1993, and expiring on March 31, 1993. The existing Collective Agreements of the Participating Hospitals will be amended as indicated herein.
