APPENDIX II - WAGE SCHEDULE "A"

ARTICLE 1 - PREAMBLE

1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It is **recognized** that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients.

1.02 Feminine/Masculine Pronouns

Wherever the feminine pronoun is used in this Agreement, it includes the masculine pronoun and vice-versa where the context so requires.

ARTICLE 2 - DEFINITIONS

2.01 Temporary Employee

Employees may be hired for a specific term not to exceed six (6) months, to replace an employee who will **be** on approved leave of absence, absence due to **W.C.B.** disability, sick leave, long term disability or to perform a special non-recurring task. This term may be extended a further six (6) months on **mutual** agreement of the Union, employee and Hospital. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This **clause** would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

2.02 Part-Time Commitment

The Hospital shall not refuse to accept an offer from an employee to **make a** written commitment to be available for work on a regular pre-determined **basis solely** for the purpose of **utilizing** casual employees so as to restrict the number of **regular** part-time employees.

2.03- Regular Part-Time Employee: Casual Employee

2.04 Undefined

ARTICLE 3 - RELATIONSHIP

3.01 No Discrimination

The Parties agree **that**, in accordance with the provisions of the Ontario Human Rights Code, there shall be no discrimination against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry, or place or origin.

The hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or **practiced** by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of his activity or lack of activity in the Union.

ARTICLE 4 - STRIKES AND LOCKOUTS

4.01 The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 5 - UNION SECURITY

5.01 T-4 Slips

The Hospital will provide each employee with a **T-4** supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Hospital's payroll system.

5.02 Notification to Union

The Hospital will provide the Union with a list, monthly of all hirings, lay-offs, recalls and terminations within the bargaining unit where such information is available or becomes readily available through the Hospital's payroll system.

5.03 Employee Interview

A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to **15** minutes during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the collective agreement.

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

5.04 No Other Agreements

The Hospital undertakes that it will not enter into any other agreement or contract with employees represented by the Union either individually or collectively which will conflict with any of the provisions of this Agreement.

ARTICLE 6 - UNION REPRESENTATION AND COMMITTEES

6.01 Union Activity on Premises and/or Access to Premises

With prior approval of the Director, Human Resources, representatives of the Canadian Union of Public Employees shall have access to the Hospital's premises in order to investigate and assist the settlement of a grievance. Such approval shall not be unreasonably denied.

The Steward may absent himself from his regular duties for the purpose of investigating, presenting, and negotiating grievances with management, but may only absent himself from his regular duties with the permission of his immediate supervisor, which shall not be unreasonably denied, and **must** report **back** to his immediate supervisor when resuming his regular duties.

6.02 Labour-Management Committee Meeting

Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a **Labour-Management Committee Meeting** during the term of this Agreement, the following shall apply.

An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this Agreement.

Any representative(s) attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour-Management Committee.

It is also understood that joint meetings with other Labour-Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.

6.03 Local Bargaining Committee

The Hospital agrees to recognise a negotiating committee comprised of hospital employee representatives of the Union for the purpose of negotiating a renewal agreement. The Hospital agrees to pay members of the negotiating committee for straight time wages lost from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Canadian Union of Public Employees when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team member's scheduled shift, the Hospital will endeavour to provide a one day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for union business, but shall not be deducted from the Union entitlement under Article 12.02.

6.04 Central Bargaining Committee

Union Central Bargaining Committee Leave

In future central bargaining between the Canadian Union of Public Employees and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. Upon reference to arbitration, the negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be seven, and in no case will more than one employee from a hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the seven Hospitals accordingly.

6.05 Pay for Grievance Committee or Stewards

Absence from regular duties in the hospital by the Steward for the purpose of investigating, presenting and negotiating grievances will be paid for at the Steward's regular straight-time hourly rate.

## All Committees

Official representatives to committee meetings will be reimbursed for loss of regular straight-time pay, **exclusive** of shift or any other premium, for attendance providing they have permission from their immediate supervisor, which shall not be unreasonably denied. Attendance at conciliation or arbitration meetings will not be paid for.

## ARTICLE 7 - GRIEVANCE AND ARBITRATION PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the agreement including any question as to whether a matter is **arbitrable**.
- 7.02 At the **time** formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right upon request to the presence of his/her steward. In the case of suspension or discharge the Hospital shall notify the employee of this right in advance,
- 7.03 It is the **mutual** desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. Such complaint shall be discussed with his immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of his immediate supervisor's decision in the following manner and sequence:

### Step No. 1

The employee may submit a written grievance signed by the employee to his immediate supervisor. The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated, The immediate supervisor will deliver his decision in writing within nine (9) calendar days following the day on which the grievance was presented to him. Failing settlement, then:

### Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the employee may submit the written grievance to his Department Head who will deliver his decision in writing within nine (9) calendar days from the date **on** which the written grievance was presented to him. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. This step may be omitted where the employee's immediate supervisor and Department Head are the **same** person. Failing settlement then:

Step No. 3

Within nine (9) calendar days following the decision in Step No. 2, the grievance may be submitted in writing to the Hospital Administrator or his designee. A meeting will then be held between the Hospital Administrator or his designee and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 3 unless extended by agreement of the parties, It is understood and agreed that a representative of the Canadian Union of Public Employees and the **grievor** may be present at the meeting. It is further understood that the Hospital Administrator or his designee may have such counsel and assistance as he may desire at such meeting. The decision of the Hospital shall **be** delivered in writing within nine (9) calendar days following the date of such meeting.

- 7.04 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall **be** originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed.
- 7.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Department Head or his designee within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or **ought** reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 7.06 The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee who has completed his probationary period that he has been **unjustly** discharged or suspended shall **be** treated as a grievance if a written statement of such grievance is lodged by the employee with the hospital at Step No. 3 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Hospital's action in dismissing the employee, or
  - (b) reinstating the employee with or without full compensation for the time lost; or
  - (c) by any other arrangement which **may** be deemed **just** and equitable.

Wherever the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing . The Hospital agrees that it will not suspend, discharge or otherwise discipline an employee who has completed his probationary period, without just **cause**.

- 7.07 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is **arbitrable**, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen **(18)** calendar days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen **(16)** calendar days after the decision under Step No, **3**, it will be deemed to have been received within the time limits.
- 7.08 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.
- 7.09 Where either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven **(7)** calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking arbitration procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of **(14)** calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 7.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.12 The Arbitration Board shall not be **authorized** to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.13 The proceedings of the Arbitration Board will **be** expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairman will **be** final and binding upon the parties hereto and the employee or employees concerned.
- 7.14 Each of the parties **will bear** the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.

- 7.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 44 (6) of The Labour Relations Act.
- 7.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

#### ARTICLE 8 - ACCESS TO FILES

##### 8.01 Access to Personnel File

Each employee shall have reasonable access to his/her personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the Director of Personnel or designate. An employee has the right to request copies of any evaluations in this file.

##### 8.02 Clearing of Record

No written notice of censure shall be maintained in an employee's file for more than twelve months providing no similar offence was committed during this period.

#### ARTICLE 9 - SENIORITY

##### 9.01 Probationary Period

A new employee will be considered on probation until he has completed forty-five days of work (or 337.5 hours of work for employees whose regular hours of work are other than the standard work day), within any twelve calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five working days. With the written consent of the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended, Any extensions agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration.

##### 9.02 Definition of Seniority

Part-time employees, including casual employees, will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein, Seniority will operate on a bargaining unit wide basis.

9.02 (cont'd) i n i t i o n

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring September 28, 1985 and will thereafter **accumulate** seniority in accordance with this Article.

9.03 Loss of Seniority

An employee shall lose all seniority and service and shall **be** deemed to have terminated if he:

- (a) resigns;
- (b) is discharged and not reinstated through the grievance/arbitration procedure;
- (c) is retired;
- (d) is absent from scheduled work for a period of three or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital a satisfactory reason;
- (e) has been laid off for eighteen months;
- (f) if the employee has been laid off and fails to return to work within seven (7) calendar days after that employee has been notified **by** the Hospital through registered mail addressed to the last address on the records of the Hospital, **subject to any** special provisions regarding temporary vacancies noted under the heading of Layoff and Recall;
- (g) is absent due to illness or disability for a period of twenty-four (24) months from the time the disability or illness commenced.

9.04 Job Posting

Applications for such vacancy shall be made in writing within the seven (7) day period referred to herein.

Vacancies created by the filling of an initial permanent vacancy will **be** posted for a period of three (3) consecutive calendar days, excluding Saturdays, Sundays and Holidays. Applications for such vacancies shall be made in writing within the three (3) day period referred to herein.

The name of the successful applicant will **be** posted on the bulletin board for a period of seven (7) calendar days.

9.04 Job Posting (cont'd)

Where there are no successful applicants within this bargaining unit for vacant positions referred to in this Article, employees in other CUPE bargaining units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with this Article, and selection shall be made in accordance with this Article.

The successful applicant shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned by the Hospital to the position formerly occupied, without loss of seniority. The vacancy resulting from the posting may be filled on a temporary basis until the trial period is completed.

A list of vacancies filled in the preceding month under this article and the names of the successful applicants will be posted, with a copy provided to the Union.

The Hospital shall have the right to make a temporary appointment until such position procedure has been complied with and arrangements have been made to permit the person elected to fill the vacancy to be assigned to the job concerned.

There shall be only one posting with respect to each vacancy. The Hospital is not required to consider an employee who has been transferred as a result of this provision in the previous six months.

The notice of vacancy shall contain the following: nature of position, required qualifications, ability and skills, the shift, and the salary for the classifications.

It is agreed that the Hospital has the right to fill temporary vacancies as stated elsewhere in the contract. Without nullifying these provisions the Hospital shall consider the following principles:

- (a) Temporary vacancies will not be posted.
- (b) Preference will be given to the senior employee providing he has the required skill and ability to **fulfill** the normal requirements of the positions.
- (c) The Hospital agrees that a temporary vacancy shall be one that is a duration of ninety days, or less except in the case of pregnancy leave when the entire leave shall be considered as a temporary vacancy. If the decision is to consider the vacancy permanent, normal posting procedures will be followed.

9.05 Transfer and Seniority Outside the Bargaining Unit

Effective for employees transferred out of the bargaining unit subsequent to May 10, 1985.

- (a) It is understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without his consent except in the case of temporary assignments not exceeding 6 months. Such employees on temporary assignments shall remain members of the bargaining unit.
- (b) An employee who is transferred to a position outside the bargaining unit shall not, subject to (c) below, accumulate seniority. In the event the employee is returned by the Hospital to a position in the bargaining unit he shall be credited with the seniority held at the time of transfer and resume accumulation from the date of his return to the bargaining unit,
- (c) In the event an employee transferred out of the bargaining unit under (b) above is returned to the bargaining unit within a period of six (6) calendar months he shall accumulate seniority during the period of time outside the bargaining unit.

Note : Employees outside the bargaining unit as of May 10, 1985 will be credited with whatever seniority they held under the collective agreement expiring September 28, 1984 should they be returned to the bargaining unit subsequent to May 10, 1985.

9.06 Transfer of Seniority and Service

Effective May 10, 1985 and for employees who transfer subsequent to May 10, 1985:

For application of seniority for purposes of promotion, demotion, transfer, layoff and recall and service for purposes of vacation entitlement and wage progression:

- (i) an employee whose status is changed from full-time to part-time shall receive full credit for his seniority and service;
- (ii) an employee whose status is changed from part-time to full-time shall receive credit for his seniority and service on the basis of one year for each 1725 hours worked.

The above-noted employee shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return or be returned without loss of seniority to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had he not transferred.

9.07 Notice of Layoff

In the event of a proposed layoff at the Hospital of a permanent or long term nature, the Hospital will:

- (a) Provide the Union with no less than 30 calendar days notice of such layoff, and
- (b) meet with the Union through the Labour Management Committee to review the following:
  - (i) the reason causing the layoff
  - (ii) the service the Hospital will undertake after the layoff
  - (iii) the method of implementation including the areas of **cut-back** and employees to be laid off.

In the event of a substantial bed cut-back or cut-back in service, the Hospital will provide the Union with reasonable notice, If requested, the Hospital will meet with the Union through the Labour Management Committee to review the reasons and expected duration of the bed cut-back or **cut-back** in service, any realignment of service or staff and its effect on employees in the bargaining unit.

Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation **will take** precedence over other terms of layoff in this agreement. Notice of layoff shall be in accordance with the provisions of the Employment Standards Act.

9.08 Layoff and Recall

In the event of lay-off, the Hospital shall lay-off employees in the reverse order of their seniority within their classification, providing that there remain on the **job** employees who then have the ability to perform the work.

An employee who is **subject** to lay-off shall have the right to either:

- (a) accept the lay-off; or
- (b) displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

**9.08** Layoff and Recall (cont'd)

(Note : For purposes of the operation of clause (b), an identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within ~~1%~~ of the laid off employee's straight time hourly wage rate).

An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been complete.

In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner,

An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.

No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.

The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.

Employees on lay-off shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
