2.03 The parties agree that in the event of new positions, sections and/or departments being created within the scope of this agreement under the authority of the Hospital, the bargaining rights for the affected employees will be the subject of discussion and negotiation to determine the appropriate local Union jurisdiction.

3.02 Nothing contained in this Agreement shall be construed as being a guarantee of any number of hours of work per day or days per week.

3.03 Management will not exercise its rights in a manner inconsistent with the provisions of this Agreement.

ARTICLE 4 - UNION'S RESPONSIBILITY

- 4.01 In accordance with the Ontario Labour Relations Act, and the Ontario Human Rights Act, the Union accepts the following responsibilities:

It is understood that delays may occur but it is agreed that in no case will more than a three (3) pay period delay be encountered.
- 6.02 A representative of the Union shall be given an opportunity to interview new employees as a group for a period not to exceed twenty (20) minutes during their initial orientation day. This will take place within regular working hours and without loss of pay and will be for the purpose of discussing with the new employees the benefits and duties of Union membership and the employee's responsibilities and obligations to the Hospital and the Union. Management shall designate a place and time on the Hospital premises for such interviews. The Hospital will notify the Union President of the names of new members, as soon as possible or at least one week in advance of the orientation day referred to above.

ARTICLE 7 - SENIORITY

- 7.01 Seniority is defined as the length of an employee's service within the bargaining unit and shall include service with the Employer prior to the certification or recognition of the Union.
- 7.02 (a) Until an employee has completed a probationary period of four-hundred fifty (450) hours worked, she/he shall be considered to be on a probationary basis, having no seniority rights. Upon satisfactory completion of the probationary period an employee will then acquire seniority standing dating from the date she/he commences her/his current period of employment.

- (b) The Employer may discipline or discharge any new employee who has not completed her/his probationary period and such action shall not be subject to the grievance or arbitration procedure.

7.03 **An** employee's seniority shall be cancelled and his employment shall be terminated for any of the following reasons:

- (a) If the employee quits;
- (b) If the employee is discharged and his discharge is not reversed through the grievance procedure;
- (c) If the employee has been laid off and fails to return to work within five (5) working days after he has been notified by the Hospital to do so through registered mail addressed to the last address on the records of the Hospital;

- (g) If the employee retires.
- (h) If the employee is absent due to illness or injury for a period in excess of thirty (30) months;
- (i) If the employee is absent due to illness or injury compensable under The Workers' Compensation Act for a period in excess of thirty (30) months;
- (j) In the case of employees returning to work from illness or injury in paragraph (h) and (i) above, the employee must work for one hundred and sixty (160) consecutively scheduled hours before establishing a new absence period in (h) and (i) above unless the absence is due to a new unrelated injury or illness;
- (k) If the employee, **as** a condition of employment, within the first year of employment fails to complete registration or certification requirements.

7.04 Should the Hospital merge, amalgamate or combine any of its operations or functions with another Hospital, the Hospital agrees to the retention of seniority rights for all employees with the new Hospital.

7.05 A seniority list shall be submitted to the Union and posted on the bulletin boards every six (6) months.

7.06 Where more than one employee has the same seniority date, they shall be listed in order of their R.P.N. Registration Number, with the earliest registration first and being deemed to have the greater seniority.

ARTICLE 8 - LAY-OFF

8.01 (a) Notice

In the event of a proposed lay-off at the Hospital of a permanent or long term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than six (6) months' written notice of the proposed lay-off or elimination of position; and
- (ii) provide to the affected employee(s), if any, no less than six (6) months written notice of lay-off, or pay in lieu thereof.

NOTE: Where a proposed lay-off results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent lay-off.

(b) Redeployment Committee

A Redeployment Committee will be established not later than two (2) weeks after the notice referred to in 8.01 (a) and will meet thereafter as frequently as is necessary.

(i) Committee Mandate

The mandate of the Redeployment Committee is to:

- (1) Identify and propose possible alternatives to the proposed lay-off(s) or elimination of position(s), including, but not limited to, identifying work which would otherwise be bargaining unit work and is currently work contracted out by the Hospital which could be performed by bargaining unit employees who are or would otherwise be laid off.
- (2) Identify vacant positions in the Hospital or positions which are currently filled but which will become vacant within a twelve (12) month period and which are either:
 - a) within the bargaining unit; or
 - b) within another CUPE bargaining unit; or
 - c) not covered by a collective agreement.
- (3) Identify the retraining needs of workers and facilitate such training for workers who are, or would otherwise be, laid off.

- (4) Subject to Article 7, the Hospital will award vacant positions to employees who are, or would otherwise be laid off, in order of seniority if, with the benefit of up to six (6) months retraining, an employee has become able to meet the normal requirements of the job.
- (5) Any dispute relating to the foregoing procedures may be filed as a grievance commencing at Step 3.

(ii) Committee Composition

The Redeployment Committee shall be comprised of equal numbers of representatives of the Hospital and of the Union. The number of representatives will be three (3) from each. Where for the purposes of HSTAP (The Health Sector Training and Adjustment Panel) there is another hospital-wide staffing and redeployment committee created or in existence, Union members of the Redeployment Committee shall serve on any such hospital-wide staffing committee established with the same or similar terms of reference, and the number of Union members on such committee will be proportionate to the number of its bargaining unit members at the particular Hospital in relation to other staff groups.

Meetings of the Redeployment Committee shall be held during normal working hours. Time spent attending such meetings shall be deemed to be work time for which the representative(s) shall be paid by the Hospital at his or her regular or premium rate as may be applicable.

Each party shall appoint a co-chair for the Redeployment Committee. Co-chairs shall chair alternative meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

(iii) Disclosure

The Hospital shall provide to the Redeployment Committee all pertinent staffing and financial information.

(iv) Alternatives

The Redeployment Committee, or where there is no consensus, the committee members shall propose alternatives to cutbacks in staffing to the Hospital's Chief Executive Officer and to the Board of Directors.

At the time of submitting any plan concerning rationalization of services and involving the elimination of any position(s) or any lay-off(s) to the District Health Council or to the Ministry of Health, the Hospital shall provide a copy, together with accompanying documentation, to the Union.

8.02 Lay-off and Recall

An employee in receipt of notice of lay-off pursuant to 8.01 may:

- (a) Accept the lay-off, or
- (b) Opt to receive a separation allowance as outlined in Article 8.05; or
- (c) Opt to retire, if eligible under the terms of the Hospitals of Ontario Pension Plan (HOOPP) as provide in Article 22.07; or
- (d) Displace another employee who has lesser bargaining unit seniority in the same or a lower or an identical-paying classification in the bargaining unit if the employee originally subject to lay-off has the ability to meet the normal requirements of the job. **An** employee so displaced shall be deemed to have been laid off and shall be entitled to notice in accordance with Article 8.01.

An employee who chooses to exercise the right to displace another employee with lesser seniority shall advise the Hospital of his or her intention to do so and the position claimed within seven (7) days after receiving the notice of lay-off.

NOTE: For purposes of the operation of clause (d), an identical-paying classification shall include any classification where the straight-time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight-time hourly wage rate.

In the event that there are no employees with lesser seniority in the same or a lower or identical-paying classification, **as** defined in this article, a laid-off employee shall have the right to displace another employee with lesser seniority who is the least senior employee in the classification and where the straight time hourly rate at the level of service corresponding to that of the employee is within 5% of the laid-off employee's straight-time hourly rate.

An employee who is subject to lay-off other than a lay-off of a permanent or long-term nature shall have the right to accept the lay-off or displace another employee in accordance with (a) and (d) above.

An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he/she has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been complete.

In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.

An employee recalled to work in a different classification from which he/she was laid off shall have the privilege of returning to the position held prior to the lay-off should it become vacant within six (6) months of being recalled.

No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.

The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his or her proper address being on record with the Hospital.

Employees on lay-off shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.

No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.

In the event of a lay-off of an employee, the Hospital shall pay its share of insured benefits premiums for the duration of the six-month notice period provided for in Article 8.01.

8.03 Benefits on Lay-off

In the event of a lay-off of an employee, the Hospital shall pay its share of insured benefits premiums up to the end of the month in which the employee leaves the employment of the Hospital.

The employee may, if possible under the terms and conditions of the insurance benefits programs, continue to pay the full premium cost of benefits for up to six (6) months, following the end of the month referred to above. Such payment can be made through the Human Resources Department of the Hospital provided that the employee informs the Hospital of his or her intent to do so at the time of the lay-off and arranges with the Hospital the appropriate payment schedule.

8.04 Separation Allowances

- (a) Where an employee resigned within thirty (30) days after receiving notice of lay-off pursuant to Article 8.01 (a) (ii) that his or her position will be eliminated, he/she shall be entitled to a separation allowance of two (2) weeks salary for each year of continuous service to a maximum of twelve (12) weeks pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.

- (b) Where an employee resigns later than thirty (30) days after receiving notice pursuant to Article 8.01 (a) (ii) that his or her position will be eliminated, he/she shall be entitled to a separation allowance of four (4) weeks salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and **fifty** (\$1,250) dollars.

8.05 Prior to issuing notice of lay-off pursuant to Article 8.01 (a) (ii) in any classification(s), the Hospital will offer early retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of lay-off under Article 8.01 (a) (ii).

An employee who elects an early retirement option shall receive, following completion of the last day of work, a retirement allowance of two (2) weeks salary for each year of service, plus a prorated amount of any additional partial year of service, to a maximum ceiling of 26 weeks salary, and in addition, full-time employees shall receive a single lump sum payment equivalent to \$1,000 for each year less than age 65 to a maximum of \$5,000 upon retirement.

ARTICLE 9 - RELATED EXPERIENCE

9.01 **An** employee hired by the Hospital with recent and related experience may claim consideration for such experience at the time of hiring on a form to be supplied by the Hospital. Any such claim shall be accompanied by verification of previous related experience. The Hospital shall then evaluate such experience during the probationary period following hiring. Where in the opinion of the Hospital such experience is determined to be relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) year of related experience in the classification upon completion of the employee's probationary period. It is understood and agreed that the foregoing shall not constitute a violation of the wage schedule under the collective agreement.

ARTICLE 10 - JOB POSTINGS

10.01 (a) When a new full or part-time position is created or when a regular full or part-time vacancy occurs, the Employer shall post notice of the position on the Union bulletin board for seven (7) working days and a copy will be provided to the Union. The first subsequent vacancy resulting from the original posting shall be posted for four (4) working days. The second subsequent vacancy will be posted for three (3) working days. All subsequent vacancies resulting from the original vacancy will be filled by reference to the transfer file and if there are no names in the transfer file, the Hospital will have the right to fill the vacancy from outside the bargaining unit.

Working days in this context does not include Saturdays, Sundays and Holidays.

- (b) An employee may make a written request for transfer by advising the Hospital and filing a Request for Transfer form indicating her/his name, qualifications, experience, present area of assignment, seniority and requested area of assignment. A Request for Transfer shall become active as of the date it is received by the Hospital and shall remain so until December 31 following. Such requests will be considered as applications for posted vacancies and subsequent vacancies by filling of a posted vacancy.

The name of the successful applicant for any vacancy filled under Article 10.01 (a) and (b) will be posted. The Union will be provided with a complete list of all applicants for each position indicating the successful applicant.

- (c) It is understood that once an employee has been successful in securing a new position through the posting or transfer file, and has been notified by the Hospital, the following procedure will apply:
 - (i) The successful applicant when applying for a part-time position from full-time status or vice-versa, shall confirm in writing to the Hospital of her/his decision on acceptance within forty-eight (48) hours of notification of appointment.
 - (ii) The successful individual will be required to remain in that position for a minimum of six (6) months before being eligible to post into or transfer to a new position.

10.02 Postings shall contain the following information: nature of position; qualifications; skills; and current hours of work which are understood to be subject to change.

10.03 In making staff changes, transfers, or promotions, appointments shall be made of the applicant with the greatest seniority able to meet the normal requirements of the job.

Unsuccessful applicants, senior to the employee awarded the position, will be notified in writing. At the request of an unsuccessful applicant, the Hospital will discuss with the applicant ways in which he/she can improve their qualifications for future postings.

10.04 The successful applicant shall be given a trial period of thirty (30) days worked. Conditional upon satisfactory service, the employee shall be assigned the position after the period of thirty (30) days worked. In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to or unwilling to continue to perform the duties of the new job classification, he/she shall be returned to his/her former position, wage or salary rate, without loss of seniority. Any other employee promoted or transferred because of the rearrangement shall also be returned to her former position, wage or salary rate, without loss of seniority.

It is mutually agreed that within the trial period an evaluation will be made of the employee, so the Hospital can assess the employee's performance in the new position and the employee will be made aware of any deficiencies.

- 10.05 Whenever job postings or job vacancies occur, the Employer shall consider employees who are on vacation, off sick, or on leave of absence for an expected period not to exceed six (6) weeks (except maternity/parental leaves), provided the employees have filed with the Employer, a valid transfer request as in 10.01 (b) above.
- 10.06 An employee who is the successful candidate from a job posting after vacation schedules for that year have been approved, and before accepting their transfer, the employee may request special consideration for the retention of their previously approved scheduled vacation and the Hospital will give the request reasonable consideration.
- 10.07 Temporary Vacancies (Temporary language without precedent or prejudice for the purposes of a six (6) month trial period to be conducted in conjunction with the Call-In pilot project.)

For the purpose of this article, a temporary vacancy shall be defined as a vacancy of ten (10) consecutive working days or more and shall not include vacancies resulting from periods of vacation. Where the Hospital determines the need to fill a temporary vacancy, the following provisions will be enacted, immediately following the identification of such temporary vacancy.

- (a) Temporary full-time vacancies which will be under three (3) months, will be offered to part-time employees on the unit, first, on the basis of seniority. If no part-time employee on the unit accepts the position, then such hours shall be distributed among the part-time employees on the unit willing to work such hours. Failing the availability of part-time employees on the unit to cover all the required hours, the remaining hours will be offered to other qualified part-time employees utilizing the availability list. Where no one is available, then the Hospital may hire a new temporary employee as per (d) below.
- (b) Temporary full-time vacancies which are expected to exceed three (3) months (including maternity/parental leave) will be offered to part-time employees on the unit, first, on the basis of seniority. If no part-time employee accepts the position on the unit, the position will be posted for five (5) working days and offered to the most senior part-time applicant who is qualified to perform the work. If the position remains vacant at the conclusion of the above posting process, then the Hospital may hire a new temporary employee as per (d) below.
- (c) When temporary part-time vacancies occur, all remaining hours on the posted schedule shall be distributed, on the basis of rotating seniority, among the part-time employees on the unit willing to work such hours. Any remaining hours will be offered to qualified part-time employees utilizing the availability list.

At the end of the posted schedule as indicated above, the Hospital may hire a new temporary employee to fill the scheduled hours of the part-time vacancy only. The new temporary employee shall not be utilized for any available extra shifts outside their normal scheduled hours

- (d) The Union agrees that the Hospital, after following (a), (b) and (c) above, has the right to hire temporary employees to fill temporary full-time or part-time vacancies.

Temporary hires will be employed for a specific term not to exceed six (6) months in duration except in the case where an individual leave exceeds this and in that case only until the individual returns. The Hospital agrees to notify the employee and the Recording Secretary of the Union in writing the term of the employment period.

When the term needs to be extended beyond the original employment period, the Hospital will notify the Union of the reason and obtain approval from the Union for the extension. Such approval will not be unreasonably withheld.

Employees hired by the Hospital under this Article shall not accumulate seniority, nor be members of the bargaining unit, but shall pay union dues.

Temporary employees hired under this provision, shall be terminated at the end of their employment period as specified above.

ARTICLE 11 - WORK OF THE BARGAINING UNIT

11.01 Persons not covered by the terms of this Agreement shall not perform any duties normally assigned to those employees who are covered by this Agreement except in cases mutually agreed upon by the parties. It is understood this clause does not prohibit a supervisor or individual outside the bargaining unit from doing some bargaining unit work if they have traditionally performed that work.

11.02 Contracting Out

The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a lay-off of any employees other than casual part-time employees results from such contracting out. Contracting out to an employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off with similar terms and conditions of employment is not a breach of this Agreement.

11.03 Further to Article 8.01 (b) (i), the parties agree that the Redeployment Committee will immediately undertake a review of any existing sub-contract work which would otherwise be bargaining unit work and which may be subject to expiry and open for renegotiation within six (6) months with a view to assessing the practicality and cost-effectiveness of having such work performed within the Hospital by members of the bargaining unit.

ARTICLE 12 - NEGOTIATING COMMITTEE AND STEWARDS, UNION-MANAGEMENT COMMITTEE

12.01 (a) The Employer acknowledges the right of the Union to appoint or otherwise select a negotiating committee composed of up to five (5) persons of the Hospital and of the Union (one of whom shall be the Local President), and will recognize and deal with said committee with respect to any matter which properly arises for its consideration.

- (b) There shall be a Labour-Management Committee comprised of representatives of the Hospital, one of whom shall be the Vice President of Programs or her/his designate; representatives of the Union, one of whom shall be the Local President or designate. The number of representatives from each party shall be up to four (4), and the number of representatives may be expanded by mutual agreement.

The Committee shall meet every two (2) months unless otherwise agreed.

The duties of Chairperson and Secretary shall alternate between the parties. Where possible, agenda items will be exchanged in writing at least five (5) calendar days prior to the meeting. A record shall be maintained of matters referred to the Committee and the recommended disposition, if any, unless agreed to the contrary. Copies of the record shall be provided to Committee members. Approved and signed Minutes will be posted on all units.

The purpose of the Committee includes:

1. Promoting and providing effective and meaningful communication of information and ideas, making joint recommendations on matters of concern including the quality and quantity of nursing care.
2. Dealing with complaints.
3. Discussing and reviewing matters relating to orientation and in-service programs.

The Hospital agrees to pay for time spent during regular working hours for representatives for the Union attending such meetings.

- 12.02 The Employer acknowledges the right of the Union to appoint or otherwise select six (6) Stewards and two (2) Chief Stewards, one at each site, to assist employees in presenting their grievances to the representatives of the Employer.
- 12.03 The Union acknowledges that the Stewards and members of the Negotiating Committee have regular duties to perform on behalf of the Employer and that such persons will not leave their regular duties without notifying their immediate supervisor. Permission from the supervisor will not be unreasonably withheld. In accordance with this understanding, such employees shall not suffer loss of pay while negotiating the agreement or while dealing with grievances, up to, but not including the arbitration process. This does not apply to time spent on such matters outside the regular working hours. This clause has no application to payment of salaries while attending Central Negotiations or concerns outside the interests of the Hospital. Its application only relates to scheduled meetings or grievance investigation during and part of the normal working day.
- 12.04 If arbitration proceedings are invoked, the Employer agrees to maintain the normal payroll cheque distribution, however, will invoice the Union for the employee's lost time while attending these proceedings in an amount equal to the lost service of said employee.

- 12.05 The President and two (2) Chief Stewards shall be assigned duties on the day shift only, unless both positions are held by people working on the same unit in which case the President only would be assigned duties on the day shift. The President and two (2) Chief Stewards shall be granted such time off with pay as may be reasonably necessary to investigate or adjust grievances.
- 12.06 The Union will inform the Employer in writing of the names of Stewards and Chief Stewards and of any changes in the names of Stewards and Chief Stewards.

ARTICLE 13 - NO DISCRIMINATION

- 13.01 The parties agree that there shall be no discrimination, within the meaning of the Ontario ~~Human~~ Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, harassment, interference, restraint or coercion exercised or practiced by either of them or their representatives or members, because of any employee's membership or non-membership in a Union or because of his/her activity or lack of activity in the Union.

ARTICLE 14 - GRIEVANCE AND ARBITRATION PROCEDURE

- 14.01 For purposes of this Agreement, a grievance is defined **as** a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 14.02 At any stage of the grievance procedure an employee shall have union representation.
- 14.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he/she has first given his/her immediate supervisor the opportunity of adjusting her/his complaint. Such complaint shall be discussed with her/his immediate supervisor within seven (7) working days, excluding weekends and holidays after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within seven (7) working days, it shall then be taken **up** as a grievance within seven (7) working days following advise of his/her immediate supervisor's decision in the following manner and sequence:

STEP 1 The employee may submit a written grievance signed by the employee to her/his immediate Supervisor/Manager. The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate Supervisor/ Manager will deliver her/his decision in writing within seven (7) working days following the day on which the grievance was presented to him/her. Failing settlement, then:

STEP 2 Within seven (7) working days following the decision under Step No. 1, the employee may submit the written grievance to his/her Department Head or Vice-president who will arrange a meeting to discuss the grievance at a time and place suitable to both parties. The Department Head or Vice-president will deliver his/her decision in writing within seven (7) working days from the date on which the written grievance was presented to him. Failing settlement then:

STEP 3 Within seven (7) working days following the decision in Step No. 2, the grievance may be submitted in writing to the Director, Labour Relations or his/her designate. A meeting will then be held between the Director, Labour Relations or his/her designate and the Grievance Committee within seven (7) working days of the submission of the grievance at Step No. 3, or such date as is mutually agreed.

It is understood and agreed that a representative of the Canadian Union of Public Employees and the grievor shall be present at the meeting, unless the Hospital and the Union mutually agreed to exclude the grievor's presence. It is further understood that the Director, Labour Relations or his/her designate may have such counsel and assistance as he/she may desire at such meeting. The decision of the Hospital shall be delivered in writing within seven (7) working days following the date of such meeting.

14.04 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) working days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed.

14.05 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately, they may present a group grievance in writing identifying each employee who is grieving to the Department Heads or her/his designate within fourteen (14) working days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

14.06 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) working days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) working days after the decision under Step No. 3, it will be deemed to

have been received within the time limits.

- 14.07 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.
- 14.08 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) working days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking arbitration procedure. The two nominees shall attempt to select by agreement a chairperson of the Arbitration Board. If they are unable to agree upon such a chairperson within a period of fourteen (14) working days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairperson.
- 14.09 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 14.10 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure.
- 14.11 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 14.12 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairperson will be final and binding upon the parties hereto and the employee or employees concerned.
- 14.13 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairperson of the Arbitration Board.
- 14.14 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48.(16) of The Labour Relations Act.
- 14.15 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.
- 14.16 Grievances and replies to grievances shall be in writing at all steps.
- 14.17 The Hospital shall supply the necessary facilities for the grievance meetings.
- 14.18 At any stage of the grievance or arbitration procedure, the parties may have the assistance of the employee(s) concerned as witness(es) and any other witnesses, and all reasonable arrangement will be made to permit the conferring parties or the Arbitrator to have access to the Hospital premises and to have

access to view working conditions which may be relevant to the settlement of the grievance.

ARTICLE 15 - DISCHARGE OR SUSPENSION

- 15.01 Whenever the Hospital or its representative deems it necessary to give an employee a warning which is to become part of that employee's employment record, it shall be done in the presence of a Union representative, and the Hospital shall thereafter give written particulars of such warning to the employee involved with a copy to the Chief Steward of the Union.
- 15.02 The Employer shall not discharge, discipline or suspend any seniority employee without just cause. When an employee is discharged, disciplined or suspended, he/she shall be given the reason for such discharge, discipline or suspension in writing. A representative of the Union will accompany the employee when such reason is being given to him/her.
- 15.03 An employee considered by the Union to be wrongfully or unjustly discharged or suspended shall be entitled to a hearing under Article 14 Grievance Procedure. Steps 1 and 2 of the Grievance Procedure shall be omitted in such cases.
- 15.04 Should it be found upon investigation that an employee has been unjustly suspended or discharged, such employee shall be immediately reinstated in his/her former position, without loss of seniority, and shall be compensated for all time lost in an amount equal to his/her normal earnings during the pay period next preceding such discharge or suspension, or by any other arrangement as to compensation which is just and equitable in the opinion of the parties or in the opinion of a Board of Arbitration, if the matter is referred to such Board.
- 15.05 No document shall be used against an employee where it has not been brought to his/her attention, when put in the file.

Other employees required to work more than two (2) hours overtime on the same day they have worked a full tour shall, after the two (2) hours, receive a 1/2 hour paid meal period and shall be provided with a hot meal or four (\$4.00) dollars if the Hospital is unable to provide the hot meal.

17.04 It is understood that employees shall not be required to take time off in regular hours to equalize any authorized overtime worked unless employees request the following option. Employees who work overtime may accumulate up to a maximum of three (3) days lieu time instead of receiving payment for overtime worked. Such lieu hours will be taken at a time mutually agreeable between the employee and the Employer. The Hospital shall revert to payment of premium rate if time off is not taken or is not able to be given within sixty (60) calendar days.

17.05 Full-time and part-time employees' tour schedules and days off will be posted so as to have the current schedule plus four (4) weeks posted in advance. ARTICLE 20 - VACATIONS

20.01 Calculating Vacations

For the purpose of calculating vacations and eligibility, the vacation year shall be from May 1st of any year to April 30th of the following year.

20.02 Employees within the bargaining unit who have completed less than one (1) year of seniority with the Hospital as of May 1st, but more than three (3) months, shall receive a vacation with pro rata pay on the basis of one and one-quarter (1-1/4) days of pay for each completed month as of May 1st but, in any event, such vacation pay shall not be in excess of the equivalent of three (3) weeks' pay.

20.03 Vacation Entitlement

Employees within the bargaining unit will receive the following vacations with pay on completion of the following years of seniority:

One (1) year but less than five (5) years seniority	- three (3) weeks
Five (5) years but less than fifteen (15) years seniority	- four (4) weeks
Fifteen (15) years but less than twenty-five (25) years seniority	- five (5) weeks
Twenty-five (25) years seniority	- six (6) weeks

20.04 The calculation of vacation entitlement shall be made on the basis of seniority attained as of May 1st in each year but if an employee attains sufficient seniority to qualify for a four (4), five (5) or six (6) week vacation with pay between May 1 and September 30 in any year, she shall be considered as qualified on May 1 in that year.

20.05 Insofar as it is practical to do so having regard to the necessity of maintaining the efficient operation of the Hospital, employees shall be granted vacation periods requested in accordance with their seniority. During prime time, vacations shall be taken in blocks of three (3) weeks or less. Prime time is defined as the months of June, July, August (1st Saturday in June to 1st Friday before Labour Day in any year).

20.06 If an employee is absent because of an injury for which he or she is receiving Workers' Compensation, vacation credits shall continue to accrue for six months from the date the accident occurred.

In arranging such alternative date, it is understood that the employee concerned cannot use her seniority to displace vacation time already allotted to an employee in the bargaining unit with less seniority.

20.08 Subject to staffing requirements vacations may be split. It is agreed that any period of vacation shall be not less than five (5) days at any one time, however, not more than five (5) days of an employee's annual vacation entitlement may be taken in single days for those employees with four (4) weeks entitlement or less or ten (10) single days for those employees with five (5) weeks entitlement or more.

20.09 Vacations are to be taken during the year in which an employee is entitled, however, vacations may not be paid out except in the following circumstances:

- (a) Where an employee was absent for legitimate reasons and has accumulated vacation credits which if carried over would result in accumulated vacation credits in excess of the normal vacation entitlement for their years of seniority, the excess would be paid out.
- (b) Where a request has been granted to carry over a maximum of one week of vacation into the next vacation year for a special event or circumstances and such circumstances are changed, the vacation time may be paid out or the vacation time taken. It is understood that carry-over requests are granted or denied at the sole discretion of the Employer and the decision to take or to pay, in the event of cancellation, is that of the Employer.
- (c) It is understood and agreed that vacation carry-over for the purposes of Subsection(b) cannot be used during prime vacation time nor used to displace vacation time of a more senior employee.

20.10 It is hereinafter agreed by the Hospital and the Union that the following guidelines will be used to plan, organize and schedule vacation requirements in the various nursing units of the Hospital.

- (i) All employees will schedule their vacation to be taken within the vacation year. The Hospital shall post a list of all employees showing their vacation entitlement and seniority. Any vacation that is not scheduled within the guidelines, will be considered on a first come, first serve basis.
- (ii) Vacations will be granted on the basis of seniority.

Between March 1 and March 22 of each year, the Manager will meet and ask the employees, according to seniority for their vacation request. Employees are required to make a decision within forty-eight (48) hours following the request by the Manager. A draft vacation schedule shall than be posted by April 5 of each year.

Only those employees who did not receive their initial request vacation time shall than be permitted to submit new vacation requests. All requests shall be submitted prior to May 1.

A final vacation schedule shall than be posted by May 8 of each year.

ARTICLE 21 - LEAVE OF ABSENCE

- 21.01 Leave of absence without pay or other benefit may be granted by the Employer and any person who is absent with such permission shall not lose any of their seniority rights during such absence. An employee's request for leave of absence shall not be unreasonably withheld. Requests for leave of absence shall be made in writing two (2) weeks in advance of commencement, and shall specify the reason. The Employer shall respond within seven (7) calendar days. This provision for advance notice shall be waived in cases of emergency. It is understood this Article includes leaves for Board members of R.P.N.A.O. and/or College of Nurses.
- 21.02 During the period of absence, the employee shall not engage in gainful employment for any other person, firm or corporation. Failure to comply with this provision may result in disciplinary action being taken.
- 21.03 Vacation credits will not accrue during leave of absence without pay, except for leave of absence on Union business for two (2) months or less.
- 21.04 (a) Pregnancy Leave

An employee who is pregnant and who has been employed for at least thirteen (13) weeks immediately preceding the estimated date of her delivery, shall be entitled to a pregnancy leave of up to seventeen (17) weeks in duration.

The employee shall give written notice at least two (2) weeks prior to the date upon which she intends to commence the pregnancy leave, and provide a certificate from a legally qualified medical practitioner stating the expected birth date. If special circumstances arise out of the pregnancy and it is not possible to meet the obligation for notice, such notice as referred to above must be provided within two (2) weeks of stopping work.

An employee may begin her pregnancy leave no earlier than seventeen (17) weeks before the expected birth date. The pregnancy leave continues for seventeen (17) weeks after it began. The employee may end the leave by giving at least four (4) weeks written notice of the day she intends to return.

An employee on pregnancy leave as provided under this Agreement who is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 20 of the Unemployment Insurance Act, shall apply for and be paid a Supplemental Unemployment Benefit. The benefit will be equivalent to the difference between seventy-five per cent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked, prior to the commencement of the leave, times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered Unemployment period. The Plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the Plan.

The Hospital may request an employee to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance of non-performance of her work is materially affected by the pregnancy.

(b) Parental Leave

An employee who has been employed for at least thirteen (13) weeks is eligible for parental leave, whether they become a parent through the birth of their child, through adoption, or if they are in, or enter into, a relationship of some permanence with a parent of a child, and they intend to treat the child as their own.

Such leave must commence within thirty-five (35) weeks of the day the child was born, or becomes into custody, care and control of the employee for the first time.

Parental leave for an employee who has taken pregnancy leave must commence at the end of the pregnancy leave unless the child has not come into the care of the parent by that time. An employee must give at least two (2) weeks notice of the date that the parental leave is to begin. Where the child comes into the custody, care and control of the employee for the first time sooner than expected, the leave will begin on the day the employee stops working, and notice must be provided within two (2) weeks of stopping work.

Parental leave ends eighteen (18) weeks after it began or on an earlier day if the employee gives the Hospital at least four (4) weeks written notice of that day. In the case of adoption, the employee who is an adoptive parent may request the parental leave to be extended to twenty-four (24) weeks duration.

An employee on parental leave, as provided under this Agreement, who has applied for and is in receipt of Unemployment Insurance Parental Benefits, pursuant to Section 20 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy-five per cent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance Benefits and any other earnings.

Such payment shall commence following completion of the two (2) week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance Parental Benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked, prior to the commencement of the leave, times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The Plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the Plan.

- (c) Where an employee has given written notice to begin either a pregnancy or parental leave, that notice may be changed to an earlier or later date by the giving of at least two (2) weeks notice. Where notice to end a leave has been given, that notice may be changed to either an earlier or later date if the employee gives at least four (4) weeks notice.
- (d) Employees will continue to be enrolled in all pension and benefit plans included in Article 22 of this Agreement unless the employee gives the Hospital written notice that the employee does not intend to pay the employee's contribution, if any, to such benefit plans. The Hospital will continue to contribute its share of any premiums for such benefits while the employee continues absence on pregnancy or parental leave, unless the employee gives written notice that they do not intend to pay their contribution, if any.

Employees who choose to pay their portion, if any, of the premium for such benefit plans may make such arrangements with the Hospital as are mutually satisfactory, but failing such arrangements, it would be expected that the employee would make such payments by post dated cheques.

- (e) The employee shall be re-instated when the leave ends to the position the employee most recently held, if it still exists, or to a comparable position, if it does not.
- (f) It is understood that during pregnancy leave or parental/adoption leave, seniority shall continue to accrue. Credit for service for the purpose of vacation entitlements shall be accumulated, however, sick leave credits for part-time employees will not accrue during such period and vacation pay would be proportional to hours worked in the vacation year.

21.06 Bereavement Leave

An employee who notifies the Hospital as soon as possible following a bereavement shall be granted three (3) consecutive working days off without loss of her/his regular pay for her/his scheduled hours, in conjunction with the day of the funeral of a member of her/his immediate family. The employee shall be returned to his/her former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave. The Hospital may fill the vacancy resulting from such leave on a temporary basis.

Membership on a Registered Practical Nurse related educational committee at the University or College level will also be considered on the above basis. **An** employee shall send a written request two (2) weeks in advance of the commencement of such leave of absence. Seniority and service shall accumulate for full-time and part-time employees during such leave.

(b) Education Leave

If required by the Hospital, an employee shall be entitled to leave of absence with pay and without loss of seniority and benefits to write examinations to upgrade his or her employment qualifications.

Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Hospital shall pay the full costs associated with the courses. Subject to operational requirements, the Hospital will make every reasonable effort to grant requests for necessary changes to an employee's schedule to enable attendance at a recognized upgrading course or seminar related to employment with the Hospital.

(c) Both the Hospital and the Union recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Hospital will endeavour to provide programs related to the requirements of the Hospital. When an employee is on duty and authorized to attend any in-service program within the Hospital and during regularly scheduled working hours, she shall suffer no loss of regular pay. When an employee is elected or appointed to a Hospital Committee, during his/her regularly scheduled working hours, she/he will suffer no loss of regular pay. ARTICLE 23 - SICK LEAVE

23.01 Sick Leave Defined

The Parties recognize that unavoidable absences due to illness or injury not compensable under the Workers' Compensation Act may occur and therefore here set out the following provisions which are understood to provide benefits subject to the terms and conditions contained therein.

- 23.02 (a) Absence due to illness or injury, compensable by the Workers' Compensation Board, shall not be charged against sick leave credits or entitlements.
- (b) A full-time employee who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim from Workers' Compensation for a period longer than one complete pay period may apply to the Hospital for payment equivalent to the lesser of the benefit she would receive from Workers' Compensation if her claim was approved, or the benefit to which she would be entitled under the short term sick portion of the disability income plan (HOODIP or equivalent plan). Payment will be provided only if the full-time employee provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by Workers' Compensation Board. If the claim for Workers' Compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the full-time employee would be entitled under the short term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.
- 23.03 In order to provide adequate staffing in all departments, based on work to be performed, it is a condition of employment to observe the following rules and regulations with respect to absence from scheduled work time:
- (a) Employees who report sick must notify their Manager at least one and one-half (1-1/2) hours on the day shift and four hours on the evening or night shifts prior to reporting time if reasonably possible. Employees of other departments are to call in accordance with departmental policy.
- (b) When reporting to the immediate supervisor that she will be absent because of illness an employee should, whenever possible, indicate the expected date and time of return to work. If impossible to advise when they would be available for work, then the notification requirements of (a) above should be performed each scheduled shift. When the date and the time of return to work is definite, an employee must report this information to their immediate supervisor. This information is to be provided a minimum of one day in advance where greater notice is not possible.
- 23.04 The employee will submit a medical certificate for any illness greater than three (3) consecutive days. The medical certificate will be submitted to the Occupational Health Office as the case may be or in their absence a delegate. Further, if the medical certificate required is not produced upon return to work, the Employer will not be required to pay the employee his or her wages for the time away from work. However, such medical certificate satisfactory to the Hospital may be required at any time where a pattern of absence or other indication of attendance abuse arise. The “sick leave bank” shall be utilized to:
- (i) supplement payment for sick leave days under the new plan which would otherwise be at less than full wages, and;
 - (ii) pay out shall be made on the termination of employment, or in the case of death, to the employee’s estate. The amount of the pay out shall be a cash settlement based on the employee’s salary rate in effect on the date of termination for the unused sick credits to the maximum provided under the sick leave plan in which she participated as of the date of this Agreement;
 - (iii) An employee who, as of the date of this agreement, has accumulated sick leave credits and is prevented from working for the Hospital on account of an occupational illness or accident that is recognized by The Workers’ Compensation Board as compensable within the meaning of The Workers’ Compensation Act, the Hospital, on application from the employee, will supplement the award made by The Workers’ Compensation Board for loss of wages to the employee by such amount that the award of the Workers’ Compensation Board for loss of wages, together with the supplementation of the Hospital, will equal one hundred per cent (100%) of the employee’s net earnings to the limit of the employee’s accumulated sick leave credits.

- (e) The Hospital further agrees to pay employees an amount equal to any loss of benefits under HOODIP for the first two days of the fourth and subsequent period of absence in any calendar year.
- (f) The Hospital will notify each employee of the amount of unused sick leave in her bank annually during the month of April.
- (g) Any dispute which may arise concerning an employee’s entitlement to long-term disability benefits, and which is not covered by the appeal mechanism provided for under the policy of insurance, may be the subject of grievance and arbitration under the provisions of this Agreement.

Upon termination of employment, full-time employees shall be paid a cash settlement based on the wage rate effective the date of termination, equal to their unused portion of sick leave credits accumulated prior to December 12, 1986 to a maximum of sixty (60) days. In addition, all other sick leave credits accumulated up to a maximum of one hundred fifty (150) days shall be paid out upon termination based on the following pay out formula and at the wage rate effective the date of termination to a maximum of 75 days.

2 years seniority - 25%

4 years seniority - 40%

The Hospital will allow such necessary time off to be considered sick leave.

ARTICLE 24 - PART-TIME EMPLOYEES

The decision of the Board of Arbitration (or arbitrator **as** the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.

When the Hospital makes a substantial (substantial change to be defined as a change in skill, knowledge and/or complexity level sufficient enough to have a potential impact on the proper classification of the job in question) change in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital agrees to meet with the Union, if requested, to permit the Union to make representation with respect to the appropriate rate of pay.

The decision of the Board of Arbitration (or arbitrator **as** the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.

The parties further agree that any change mutually agreed to or awarded as a result of the arbitration shall be retroactive only to the date that the Union raised the issue with the Hospital.

Notwithstanding the foregoing, if **as** a result of compensable illness or injury covered by W.C.B. **an** employee is unable to carry out the regular functions of his/her position, the Hospital may, subject to its operational requirements, establish a special classification and salary in an endeavour to provide the employee with **an** opportunity of continued employment. Re: Clarification of Article 20.11

September 14, 1999

Ken McClelland
Business Representative
C.U.P.E.

Dear Ken,

This letter is a follow-up to a grievance submitted surrounding the interpretation of Article 20.11 of the current collective agreement.

It is the Hospital's position that an employee who has been requested by the Hospital to return to perform work during a vacation period shall receive one and one half (1-1/2) times her basic straight time rate for all hours worked on that day. In addition, the employee shall receive payment for the vacation day that would otherwise have been taken. The employee will also receive one (1) vacation lieu day without pay off for each day worked during the vacation period.

I trust this interpretation is in keeping with that of the Union.

Sincerely,

Peter Neufeld
Director, Labour Relations
Windsor Regional Hospital
