16.06 Should the Employer, within thirty (30) days of assignment, determine that the employee is not suited to the position, the employee and all others who have been assigned as a result of the employee assignment shall be reverted to their previous classification(s) without regard to seniority. The Employer may in this event consider further applicants to the relative job posting.

ARTICLE 3 – THE JOINT JOB EVALUATION COMMITTEE (JJEC)

- 3.1 The JJEC shall have equal representation and participation from the parties, consisting of 4 representatives from the Employer and 4 representatives from the Union for Public Works.
- 3.2 The JJEC shall have an administrative non-voting staff member assigned to maintain records of all decisions of the JJEC.
- 3.3 The Employer shall release without loss of pay, benefits or seniority, the representatives named by the Union.
- 3.4 Job rating decisions shall require a committee decision by consensus. Once a decision is made it becomes a decision of the committee and it shall be final and binding on the parties, subject to the appeal process set out in Article 6.3.
- 3.5 The JJEC shall meet as necessary at a mutually agreed upon time and place. Any decisions resulting in a change of Band level will be retroactive to the date the new or changed job duties came into effect. No changes will be retroactive past January 1, 2003.
- 3.6 Either party to the Letter of Agreement may engage a consultant/advisor to assist its representatives on the JJEC. Any such consultant/advisor shall be entitled to voice but not to vote and shall not be considered to be a member of the JJEC.

- 3.7 If the JJEC is unable to agree on the evaluation of a new or revised job, the dispute concerning the evaluation shall be submitted to the consultants/advisors. The decision of the consultants/advisors shall be final, subject to the appeal process set out in Article 6.3.

ARTICLE 4 – MANDATE OF THE JJEC

The JJEC shall maintain the Joint Gender-Neutral Job Evaluation Program by:

- a) Evaluating all new or revised jobs using the job evaluation program;
- b) Approving title changes to new or existing jobs;
- c) Maintaining the integrity of the job evaluation program;
- d) Recommending to the parties changes to the job evaluation plan, its procedures or methods, as may be deemed necessary from time to time;
- e) Recording the results and rationale on the Rating Sheet. Copies of the Rating Sheet and job description will be provided to the JJEC, incumbents, supervisor and union.

ARTICLE 5 – EVALUATION OF NEW AND/OR REVISED JOBS

5.1 The following general procedure shall be used to rate jobs:

a) **Step 1**

The incumbent(s) and the immediate supervisor(s) shall complete a Job Evaluation Questionnaire and a new or revised job description. In the event of a new job without an incumbent, the supervisor will complete the Job Evaluation Questionnaire and job description. These shall be submitted to the JJEC and the Human Resources Associate. If it is a revised job, the questionnaire should detail all changes to the job resulting from new or changed circumstances in the job. All such requests for evaluations of new and/or revised jobs shall be submitted on forms supplied by the Employer.

With new jobs, the Employer will set a temporary wage rate until such time as the JJEC has evaluated the job. The final wage rate will be established as per Article 7 of this Letter of Agreement.

b) **Step 2**

The Human Resources Services Department will schedule a meeting of the Joint Job Evaluation Committee (JJEC) to evaluate the job(s) using the Job Evaluation Program.

c) **Step 3**

The job shall now be rated, based on the completed job description, in accordance with the job evaluation program. The JJEC shall also use information obtained from the completed questionnaire and interviews with the incumbent(s) and/or supervisor(s) if required. The program evaluates the skill, effort, responsibility, and working conditions involved in the job. Each of these factors is subdivided into subfactors, which provide a standard against which each job is rated to determine its relative worth.

d) **Step 4**

When the JJEC has completed the rating of all jobs, it will provide the results on a Rating Sheet to the Human Resources Associate who will distribute a copy of the Rating Sheet and Job Description to the incumbent, supervisor, Union and members of the JJEC. A Memorandum of Agreement will be entered into amending Schedule 2 of the Collective Agreement.

5.2 In the application of the job evaluation program, the following general rules shall apply:

- a) It is the content of the job, and not the performance of the incumbent(s) that is being rated;
- b) Jobs are evaluated without regard to existing wage rates;
- c) Jobs are placed at the appropriate degree level in each subfactor by comparing the specific requirements of the job to the subfactor definition and the description of each degree level;
- d) The job analysis and rating of each job shall be relative to and consistent with the job ratings of all other jobs rated under the program;
- e) Rating decisions shall include a sore-thumbing process to ensure consistency in committee decisions;
- f) A JJEC member shall be excused from rating their own job, the position of a direct subordinate, or any position where the rating of that job may place them in a conflict of interest situation.

ARTICLE 6 – JOB EVALUATION APPEAL PROCESS

6.1 It is important that each party maintain accurate job ratings on an on-going basis. Failure to do so will serve to damage the integrity of the program.

6.2 Bearing in mind that the employer has the right to change duties and responsibilities of a position, only significant changes to the job will justify a review under the Job Evaluation Appeal Process.

6.3 Job Evaluation Procedures for Disagreement with Rating

Within thirty (30) calendar days of receipt of the result, the following procedure shall apply.

- a) The incumbent(s) and/or the supervisor(s) may request reconsideration of the job rating by completing and submitting a Job Evaluation Appeal Form, stating the reason(s) for disagreeing with the rating of the job.
- b) The incumbent(s) and/or the supervisor(s) may make a presentation to the Committee.
- c) The JJEC shall consider the reconsideration request and make a decision, which shall be final, and binding upon the parties and all employees affected.
- d) The incumbent(s), union and supervisor(s) shall be advised of the decision using the Job Evaluation Appeal Results Form.

ARTICLE 7 – ACTION WHEN EVALUATIONS CHANGE

7.1 A new job description and wage band will replace the existing job description and evaluation.

7.2 The reassignment to the new wage band shall become effective the beginning of the pay period immediately preceding the date the new or changed job duties came into effect.

7.3 If a change in job content results in a lower evaluation and wage band for a job, the incumbent of such job whose existing wage band is higher shall be identified as being “Red-Circled”. They will maintain their current wage rate until such time as their pay is equal to the newly evaluated wage band.

7.4 If a change in job content results in a higher evaluation and wage band for a job, the incumbent of such job whose existing wage band is lower shall have their wage rate increased retroactively to the beginning of the pay period immediately preceding the date new or changed job duties came into effect.

ARTICLE 8 – SETTLEMENT OF DISAGREEMENTS

8.1 In the event the JJEC is unable to reach agreement on any matter relating to the interpretation, application or administration of the job evaluation program, the two consultants/advisors shall settle the dispute.

Letter Of Agreement

Between

The Regional Municipality Of Peel

And

THE CANADIAN UNION OF PUBLIC EMPLOYEES
LOCAL 966 – Environment, Transportation and Planning Services

All provisions of the Collective Agreement will apply to employees in the Waste Management Division except as amended in this Letter Of Agreement.

2.01 The Employer recognizes the Union as the sole collective bargaining agent for all employees of the Regional Municipality of Peel;

(b) engaged in the Public Works Department of the Regional Municipality of Peel, save and except Forepersons, those above the ranks of Foreperson and office, clerical, technical and inspection staff, parts helpers, persons regularly employed for not more than twenty-four hours per week **outside of the Waste Management Division**, students employed during school vacation period or engaged on semester period and employees for which any trade union holds bargaining rights.

2.04 The Employer recognizes the following categories of employees:

a) A full-time employee is one who is regularly scheduled to work forty (40) hours per week.

b) A part-time employee is one who is regularly scheduled to work for twenty-four (24) hours or less per week.

2.05 Part-time employees will not be used in such a way as to replace full-time positions, except that a part-time employee may replace a full-time employee during temporary absence. Part-time employees will not be used for the sole purpose of avoiding the creation of a full-time position **but rather to allow full-time employees to work Monday to Friday in an operation that is open to the public seven (7) days per week.**

ARTICLE 14 - Seniority

14.02 Existing language applies to full-time employees and add:

A part-time employee shall be considered to be on probation and shall not progress to the Job Rate (Three Month Rate) until five hundred and twenty (520) hours of work have been completed. Seniority shall date back to the day on which his/her employment began.

14.04 **Separate** seniority lists **for full and part-time employees** shall be **maintained and** updated quarterly by the Employer and **shall** include the classification and yard location of each employee and **shall be** posted on the Employer's appropriate bulletin boards with a copy of same being sent to the Union.

14.06 Existing language applies to part-time employees and add:

The provisions of 14.06 apply to part-time employees except that “three (3) months” is changed to read “five hundred and twenty (520) hours of work”.

ARTICLE 15 -Demotion, Lay-off, and Recall Procedure

15.01 Lay-off as referred to in this Agreement means a period of at least one (1) working day.

In the event of a lay-off, students, temporary employees, **part-time employees** and persons on probation, shall be first to be laid off, providing the remaining persons are qualified to meet the normal requirements of the work to be performed.

ARTICLE 16 – Filling Of Job Vacancies

16.10 Filling Of Temporary Vacancies

- a) When a vacancy arises due to an employee being absent for any reason, a part-time employee may be temporarily assigned to fill the position.
- b) In such event the employer shall first offer such temporary assignments to qualified part-time employees in the affected classification in order of their seniority on a rotation basis. A temporary assignment declined by an employee shall count as an assignment worked for purposes of this clause. The duration of each assignment shall not exceed four (4) months per part-time employee and the part-time employee's status, including add-on pay, shall not be altered.
- c) Temporary assignments covered by this section are as follows:
 - i) Temporary full-time assignments for known extended periods of absence which are expected to last for forty (40) hours or more.
 - ii) Call-Ins to replace temporary full-time or part-time absence of less than forty (40) hours.
- d) Separate seniority-rotation lists shall be maintained for either of the two assignment categories set out in part c) of this section.

Seniority-rotation basis is defined as a continuum that starts with the senior most employee and proceeds through the list to the junior most employee before returning to the senior most employee.

Temporary assignments shall be offered to the next available part-time employee on the applicable seniority-rotation list. For clarification, this is the next available part-time employee listed immediately after the last part-time employee accepting assignment and scheduled to work.

A part-time employee on either of the seniority-rotation lists is unavailable for assignment when they have indicated their unavailability in writing, are on sick leave or any other approved leave, are currently working a temporary full time assignment, are on vacation, are contacted and decline the offer or, can not be reached.

For call-ins as provided in c) ii) a part-time employee is unavailable if the assignment offered would result in that part time employee exceeding forty-eight (48) hours of work during the two (2) week scheduling block in which the assignment falls.

- e) If all part-time employees are scheduled to work or will have worked forty-eight (48) hours in the two-week scheduling block, management will offer the work described in c) ii) to full-time employees, in accordance with Article **29.07. The remedy for failure to offer required overtime work will be payment for the missed opportunity.** If the employer is unable to get a full time employee to volunteer for the overtime opportunity, the employer then returns to the part-time call-in list and offers additional hours, at straight time, to the next person entitled to an opportunity on the list, even if it results in the employee working more than forty-eight (48) hours in the two week scheduling block.

- f) Should the Employer be unable to fill the temporary assignment described in c) i) through this protocol, the temporary position, in its full duration, shall be posted and filled in accordance with this Article.
- g) Should a part time employee be the successful applicant for a posted temporary full time position, their part time status shall not be altered and they will continue to receive the "add-on" calculated on the job rate of the temporary full time position.
- h) Should the employer fill a shift and in so doing so miss a part-time employee in the established protocol, the missed employee will be provided with an in-kind opportunity within the same pay schedule in which the error occurred. If the employer is unable to provide an in kind remedy in the pay period in which the error occurred, the affected employee will be paid for the missed opportunity.

ARTICLE 23 - Bereavement Leave

23.01 Existing language applies to full-time employees and add:

In the event of the death of an employee's parent, spouse, child, brother, sister, father-in-law, or mother-in-law, the employee will be granted a paid leave of absence up to a maximum of three (3) **consecutive days provided such days are** working days. In the event of the death of a brother-in-law, or sister-in-law, son-in-law, daughter-in-law, grandparent, or spouse's grandparent, the Employer shall grant one (1) working day paid bereavement leave.

ARTICLE 29 - Hours Of Work And Overtime

Part-time employees shall receive overtime payment for hours worked in excess of their normal daily hours and for all hours worked in excess of forty (40) hours per week. Overtime will be calculated in accordance with the full-time provisions.

- 5) In the event that a part-time employee is assigned to temporarily replace a full-time employee, the provisions of article 2.05 shall apply.

ARTICLE 30 - Employee Benefits

30.02 Existing language applies to full-time employees and add:
