- a) Employees on Displacement (Article 14) and Preferred Placement (Article 16) at the time of the decision to fill the vacancy will be considered for the vacant position in accordance with the applicable Article. In such cases, skill, ability and qualifications to satisfactorily perform the requirements of the vacant position shall be the determining factor, except where the skill, ability, and qualifications of such employees are relatively equal, in which case the employee with the greater Seniority shall be identified. At the same time, the employee with the greatest Seniority who is on Recall (Article 15), who possesses the skill, ability and qualifications to satisfactorily perform the requirements of the vacant position will also be identified. The candidate with the most Seniority between the two employees identified in this subclause will be placed into the vacant position. If the position is not filled through this process, then;
- b) The position will be posted in accordance with Article 12.03 a).

If a vacancy caused by events such as promotion, resignation, retirement, discharge or transfer is filled on an appointed basis, the University has ninety (90) working days to fill the vacancy in accordance with this Article. Where exceptional circumstances exist, UWO may request that UWOSA extend this notice period. UWOSA shall not unreasonably deny such a request.

12.02 If there is a vacancy in a Term position, which the UWO decides to fill, the vacancy shall be filled as follows:

- a) In accordance with Article 15.08, and if the position is not filled through this process, then:
- b) The position will be posted in accordance with Article 12.03 a), and filled with a candidate who has the skill, ability and qualifications to perform the work.

The posting on the Internet will state: the Department or Administrative Unit, the employee type (Article 42), the job classification, the hours of work, the skill, ability and qualifications required, the deadline for applications, and a description of the position duties and for Term positions outlined in Article 12.02, the expected duration. - c) Skill, ability and qualifications to perform the requirements of the position shall be the determining factor in job postings, except where the skill, ability and qualifications of employee applicants are relatively equal, in which case Seniority shall determine the successful employee applicant.
- d) UWO shall notify electronically all employee applicants and the UWOSA office when the position is filled, and at that time, provide the name of the successful applicant to the union. In addition, the UWO shall post on the Human Resources website, for a period of one month, the names of the successful applicants for each UWOSA posting. Such listing shall include the posting number, department, job title and name of the successful applicant.
- e) Where no decision has been made within sixty (60) days of the closing of the posting, UWOSA shall be notified of the status of the job competition and the reason for the delay or cancellation.
- f) If there is no employee applicant (covered by this Agreement) with the skill, ability and qualifications to perform the requirements of the position, UWO may fill the position from any source.

12.04 Employees may not apply for another posting during their first six (6) months working in a position. This provision can be waived at the sole discretion of the Dean or Budget Unit Head.

12.05 A Continuing or Sessional employee selected by the UWO for a posted vacancy who, after discussion with her supervisor, feels she is unable to perform the duties of the job may, within one month of starting in the job, decide to return to the job the employee left to accept the position. The UWO may, within one month of an employee starting the job, return an employee to the job the employee left to accept the position, if the employee shows an inability to perform the duties of the job.

12.06 In accordance with Article 20.05, a Continuing or Sessional employee who is selected by the UWO for a posted vacancy in a different department shall be entitled to transfer a maximum of ten (10) unused accrued vacation days. Any vacation days in excess of ten days will be paid out.

12.07 If the posted position again becomes vacant within six (6) months of being filled, UWO may fill the vacated position with one of the original internal applicants without the need for further posting.

12.08 No employee shall be laid off as a direct result of the employment in that same department of students or individuals who work twenty-four (24) hours per week or less.

ARTICLE 13 – LAYOFF

13.01 In the event of layoff:

- a) UWO will ensure a UWOSA representative is available at the time of a Continuing or Sessional employee receiving notice of layoff;
- b) UWO will inform UWOSA of the name of the employee and the location of the meeting to inform said employee of a layoff just prior to the meeting taking place;

- c) A meeting between UWO and UWOSA will be arranged to discuss the rationale for the layoff, after the notice of layoff is provided to the employee.

13.02 A non-probationary employee who is identified for lay off shall be provided with the following written notice of layoff:

under three (3) years of Service - 4 weeks
after three (3) years of Service - 5 weeks
after four (4) years of Service - 6 weeks
and for each subsequent year of Service an additional week of notice of layoff to a maximum of twenty-six (26) weeks.

Service shall be defined in accordance with Article 10.03.

If the notice period includes the Christmas closure period (see Appendix D), the notice will be extended by seven days.

13.03 Within five (5) days of being informed of the layoff, the employee shall provide written irrevocable notice to Human Resources of which one of the following options she wishes to utilize:

- a) Utilize the displacement procedure under Article 14, in which case the UWO will provide UWOSA with an up-to-date Seniority List. An employee who takes this option may waive their displacement rights at any time during the process and receive severance pay in accordance with Article 13.08.
- b) Accept the layoff and retain recall rights under Article 15. Such an employee may also opt for preferential placement under Article 16 during the layoff notice period. If the employee fails to receive a placement during the notice period she may retain recall rights under Article 15. An employee who takes this option (13.03(b)) shall receive severance pay in accordance with Article 13.08 in the event that she is not recalled to work or placed through Article 16. At any time after layoff, an employee may waive recall rights and will then receive severance pay in accordance with Article 13.08.
- c) Accept pay in lieu of notice, and receive severance pay in accordance with Article 13.08. When this sub-article applies, the employee will be deemed to have terminated her employment at that time with no further rights under this agreement.

13.04 At any point during the notice period, UWO may choose to pay the employee in lieu of the remaining notice of layoff. The employee will still be covered by the preferential placement option in Article 16 provided that option had been chosen in Article 13.03(b). Should such employee be placed into a position under Article 16, she will reimburse UWO for that portion of the lump sum pay in lieu of notice which is attributable to the period after the date of return to work.

13.05 Where UWO is unable to provide work for employees because of a short-term disruption of work resulting from fire, power failure, shortage of necessary workplace supplies, or other causes beyond its control, UWO may layoff employees for no more than four (4) weeks and the provisions of Articles 13 through 16 will not apply.

- 13.06** In order to ensure that the efficient operation of UWOSA is not disrupted during a time of layoff, it is agreed that the President and Chief Steward of UWOSA shall be the last individuals laid off provided they have the skill, ability and qualifications to satisfactorily perform the required work.
- 13.07** Other than a voluntary reduced responsibility under Article 30, a reduction in an employee's regular weekly hours, or combined reduction in an employee's regular weekly hours over time, in excess of fifteen (15) percent shall be deemed to be a layoff for the purposes of this agreement. If UWO unilaterally alters an employee's type, this shall also be deemed to be a layoff.
- 13.08** The amount of severance shall be equal to the employee's regular weekly salary for a non-overtime work week multiplied by the sum of the number of full or partial years of continuous Service up to a maximum of thirty (30) weeks. Effective on ratification of this agreement, this multiplier shall be rounded up to the nearest number of full years. An employee who receives severance pay under this Agreement shall be deemed to be terminated. The foregoing covers the employer's obligations under the current severance pay provisions of the Employment Standards Act.
- 13.09** For the first six (6) months of any layoff, an employee shall be entitled to continue to be enrolled in the Supplementary Health Insurance Plan, the Dental Plan and the Life Insurance Plan on the premium cost-sharing basis in place at the time of layoff, if any, unless she is in receipt of benefits from another employer.

ARTICLE 14 – DISPLACEMENT OF EMPLOYEES

- 14.01** If an employee identified for layoff under Article 13 has elected to utilize the displacement option under Article 13.03 a), the employee shall, provided she has greater Seniority, be assigned by UWO, subject to Article 12.01, to the first position determined in accordance with the following sequence:
- a) to a vacant position in the same employee type and classification in the bargaining unit provided that the employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:
 - b) to any vacant position within the bargaining unit (which becomes available during the notice period) provided that the employee has the required skill, ability and qualifications to perform the requirements of the position, however an employee may voluntarily choose not to accept such lower rated vacancy without penalty. If there is no such position, then:
 - c) to the position held by the employee with the least Seniority in the same employee type and classification within the same faculty or administrative unit as the displacing employee provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:
 - d) in reverse order of Seniority, to positions held by employees in the same employee type and classification within the same faculty or administrative unit as the displacing employee provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:

- e) to the position held by the employee with the least Seniority in the same employee type and classification within the bargaining unit provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:
- f) in reverse order of Seniority, to positions held by employees in the same employee type and classification within the bargaining unit provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:
- g) to a vacant position in the same employee type and in the classification within the bargaining unit which is next below that of the displacing employee (see Appendix E) provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:
- h) to the position held by the employee with the least Seniority in the same employee type and in the classification within the bargaining unit which is next below that of the displacing employee (see Appendix E) provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:
- i) in reverse order of Seniority, to positions held by employees in the same employee type and in the classification within the bargaining unit which is next below that of the displacing employee (see Appendix E) provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If there is no such position, then:
- j) the provisions of the previous three subsections shall be repeated until the same employee types in all classifications within the bargaining unit have been reviewed in descending order from the displacing employee's classification (see Appendix E) and either a vacant position or a position held by an employee with less Seniority is identified provided that the displacing employee has the required skill, ability and qualifications to perform the requirements of the position. If no such position is identified, the employee shall be laid off and shall be required, within seven (7) days of being so notified by UWO, to choose between the options provided for in Article 13.03 (b) or (c).

14.02 Despite any other provision of this Article, a displacing employee shall not be required to displace an employee whose normal hourly work week is more than fifteen (15) percent above or more than fifteen (15) percent below the normal hourly work week of the displacing employee. If the displacing employee does not choose to displace an employee under this subclause, the process under Article 14.01 will continue.

14.03 An employee who files a grievance alleging a breach of this Article shall proceed directly to Step 3 of the Grievance process within five (5) days of the communication of UWO's decision under this Article. The grievance shall specifically identify no more than three (3) positions that the grieving employee believes she has been improperly denied the right to displace into and any arbitration of the grievance will address those positions cited to a maximum of three (3).

14.04 The UWO shall provide UWOSA with all existing job descriptions of positions which are being considered, or have been passed over, during the process set out in Article 14.01, if requested.

- 14.05** If the UWO does not complete the displacement process by the end of the notice period, it shall continue to pay the employee by extending the notice period for three months or until the displacement process has been completed, whichever is less.

ARTICLE 15 – RECALL RIGHTS

- 15.01** Continuing or Sessional employees who are laid off following their period of notice of lay-off and elect under Article 13.03 b) to retain recall rights under this Article shall have such rights for twelve (12) months from the applicable date of layoff under Article 13.02.

Subject to Article 12.01, when UWO decides that a vacant Continuing or Sessional (or in certain circumstances under Article 15.08 a Term) position will be filled, employees on layoff shall be recalled, on the basis of Seniority, provided that such vacant position is of the same or lower job classification which they held prior to their layoff, and providing that they have the skill, ability and qualifications to perform the requirements of the position.

An employee who accepts recall into another position type shall convert to that type of employee on the date she commences working in the new position.

Where the employee is grant-funded as defined in Article 42.02 of this agreement, such employee shall be granted an additional six (6) months of recall (for a total of eighteen (18) months).

- 15.02** Employees shall be obliged to keep UWO aware of their current mailing address. Recall notification will be by registered mail to the last known address of the employee and will include: the position description, position type, job classification, wage rate, recall date, working hours. The notice shall also state that a response is required within three (3) days of receipt. The recall date shall be no earlier than the date by which a response is required.
- 15.03** Employees will respond to the University within three (3) days of receipt of notice of recall with their intention to accept or, under Article 15.04, decline recall. If a laid off employee fails to notify UWO of an intention to accept or decline recall, within the above time frame, the employee shall be considered to have resigned and the employment relationship of that employee will be deemed to be terminated. Such an employee shall be entitled to severance pay under Article 13.08.
- 15.04** An employee will be required to accept the recall where the available position is of the same type, is within fifteen (15) percent of the employee's last salary and the position has a similar work shift (i.e. day shift vs. night shift) as the position the employee had at the time of layoff. If an employee declines such recall, the employee will be considered to have resigned and the employment relationship of that employee will be deemed to be terminated. If an employee declines such a recall, the employee shall be entitled to severance pay under Article 13.08.
- 15.05** If an employee is offered recall to a position outside of the conditions in Article 15.04, an employee may decline the recall without penalty.

- 15.06** If the employee accepts recall but fails to report for work within one (1) day of the recall date specified by the University, the employee will be considered to have resigned and the employment relationship of that employee will be deemed to have been terminated. In this case, the employee shall be entitled to severance pay under Article 13.08. However, if an employee cannot report to work within one day of the recall date specified by the UWO with justification under a specific clause in this agreement such as Article 24, the employee may lose her right to the recall position, but will not be terminated under this subclause. It is understood that the employee has only one (1) such opportunity to be excused during the recall period.
- 15.07** If an employee has been laid off for twelve (12) months (or in the case of a grant-funded employee, eighteen (18) months) without having been recalled, the employment relationship of that employee will be deemed to have been terminated and she shall be entitled to severance pay under Article 13.08 at that time.
- 15.08** Within six (6) months before the end of the twelve (12) month (or in the case of a grant-funded employee, eighteen (18) months) recall period, an employee on layoff will be offered a new or vacant Term position, should one occur providing that they have the skill, ability and qualifications to perform the requirements of the position, under all of the conditions articulated in Article 15.01. In addition to the information listed in Article 15.02, the duration of the term appointment will be provided, as well as the implications of her change in employment status. An employee may decline such offer without penalty. To be eligible for the foregoing she must inform the Department of Human Resources in writing prior to six (6) months before the end of the twelve (12) month recall period that she wishes to be considered for such a term position.

An employee who exercises her rights under this sub-clause will become a Term employee for the duration of the Term appointment. However, during the period such employee is employed in a Term position, she will retain recall rights under this article consistent with her prior status, but only for the duration of the initial twelve (12) month (or in the case of a grant-funded employee, eighteen (18) months) recall period. Also, such employee will be paid severance in accordance with Article 13.08 at the end of the term if the employee is terminated at that time or the end of the recall period, whichever is the later. Upon payment of severance pay, the employee will be deemed to have terminated and lost all Seniority and Service.

ARTICLE 16 – PREFERENTIAL PLACEMENT DURING THE LAYOFF NOTICE PERIOD

- 16.01** In accordance with this Article and Article 12.01, a Continuing or Sessional employee who chooses preferential placement during the layoff notice period pursuant to Article 13.03 b), shall be offered a vacant Continuing or Sessional position which UWO determines will be filled, in her classification or in any lower classification, during the layoff notice period.
- 16.02** In accordance with Article 12.01 a), the skill, ability and qualifications of the employees on Preferential Placement to perform the requirements of the position shall be the determining factor in preferential placement, except where the skill, ability and qualifications of such employees are relatively equal, in which case the employee with the greater Seniority will be appointed to the position. The employee shall be given three (3) days to accept or reject the offer of preferential placement.

- 16.03** The communication of preferential placement shall accurately state: a description of the job duties; the employee type; the job classification; the hours of work; the wage rate; the unit; the deadline for acceptance; and the commencement date for the position. The commencement date shall be no earlier than the date by which the response is required.
- 16.04** An employee is entitled to decline the offer of preferential placement without penalty.
- 16.05** An employee who is in receipt of pay in lieu of notice of layoff and who, during the notice of layoff period, returns to work by way of preferential placement shall not receive any further pay in lieu of notice after the effective date of return to work. If the employee received a lump sum pay in lieu of notice, that portion of the lump sum pay in lieu of notice which is attributable to the layoff notice period after the date of return to work shall be reimbursed to UWO.
- 16.06** If the employee accepts a preferential placement, but fails to report for work on the preferential placement commencement date specified by UWO, the employee will be considered to have resigned and the employment relationship of that employee will be deemed to have been terminated. Such an employee shall be entitled to the remainder of any pay in lieu of notice and severance pay under Article 13.08.

However, if an employee cannot report to work on the preferential placement commencement date specified by UWO for justifiable reasons under a specific Article in this Agreement such as Article 24, the employee may lose her right to this preferential placement, but will not be terminated under this subclause. It is understood that the employee has only one such opportunity to be excused during the notice of layoff period.

ARTICLE 17 – UNION/MANAGEMENT COMMITTEE

- 17.01** UWOSA and UWO acknowledge the mutual benefits to be derived from joint consultation and approve the establishment of a Union/Management Committee consisting of four (4) representatives from each party. The Committee shall function in an advisory capacity only.

The committee shall consist of the following: for UWO either the AVP -- Human Resources or the Director of Human Resources and three (3) other representatives; and for UWOSA the President, the Business Manager and two (2) other representatives.

- 17.02** The purpose of the Committee shall be to provide a means by which to facilitate and promote cooperation, understanding, confidence and harmonious relations between UWO and UWOSA.
- 17.03** A representative of each party shall be designated as a joint chairperson and the two persons shall alternate in presiding over meetings.
- 17.04** The Committee shall not have the power to add to, subtract from, or amend the terms of Agreement.
- 17.05** The Committee shall meet at least once every quarter, and at other times as it decides.

ARTICLE 18 – TECHNOLOGICAL CHANGE

- 18.01** For the purposes of this Article, technological change is defined as a significant development in technology and/or equipment which, when introduced into the workplace, has a significant impact on the working conditions of those employees directly affected by it.
- 18.02** Whenever possible, employees shall be provided with at least three (3) months' notice of the introduction of technological change into their workplace. When an employee will be laid off as a direct result of new technology, UWO will inform UWOSA in writing of the following:
- a) the nature of the technological change;
 - b) the date on which UWO proposes to effect the change; and
 - c) the name and position of any employee who will be laid off.
- 18.03** No technology shall be used to interfere unreasonably with the privacy of an employee in the workplace. However, it is understood that this clause shall not prevent UWO from making reasonable use of technology to investigate possible employee misconduct where there are reasonable grounds to do so.
- 18.04** Employees whose work is directly affected by such technological change will be given the opportunity to receive the training, determined by UWO, required to perform the new and/or revised duties.
- 18.05** Employees who are required to be retrained under this Article will not suffer a loss of compensation during the training period. Time spent on training during the normal work week under this Article shall be treated as time worked under this Agreement. If UWO does not schedule the training required in Article 18.04 during the normal work week, time spent on the requisite training sessions, as approved by UWO, will be compensated at the regular rate of pay or equivalent straight time off.

ARTICLE 19 – MEAL AND REST PERIODS

- 19.01** If an employee is required to work more than five (5) consecutive hours in a day, she shall be entitled to a minimum of a thirty (30) minute unpaid meal period. The meal period shall be taken at a mutually agreeable time, however it must be scheduled so that the employee is not required to work more than five (5) consecutive hours without taking the unpaid meal period. If, after consultation, agreement on the timing of the meal period is not possible, UWO shall fix the time of the meal period.
- 19.02** An employee who works at least seven (7) consecutive hours in a day shall be provided either two paid ten (10) minute breaks or rest periods or one paid twenty (20) minute break or rest period, to be taken at a mutually agreeable time(s). If agreement on the timing of the breaks or rest periods is not possible, it shall be at the discretion of the employee, provided:
- a) UWO operations are not negatively affected;
 - b) the break or rest period is not within ½ hour of the start or end of the scheduled work day or the scheduled lunch period; and
 - c) the person to whom they report is informed.

- 19.03** Non-acceptance of the break or rest period does not entitle the employee to time off in the future.
- 19.04** Employees who regularly work twelve (12) hour shifts as set out in Article 32.04 will be provided two twenty (20) minute break periods and an hour meal break.
- 19.05** Employees in the position of Residence Clerk who are scheduled to work either 4:30 p.m. to 12:30 a.m. or 12:30 a.m. to 8:30 a.m. and are unable to leave their work stations for the meal period due to lack of relief staff for coverage will receive a thirty (30) minute paid meal period at their normal rate of pay.

ARTICLE 20 – VACATION

20.01 Subject to Article 20.02, employees shall earn paid vacation in the following manner:

- a) At the rate of 1.25 working days for each of the first twenty-four (24) complete calendar months of Service (up to fifteen [15] working days per year); or
- b) Upon completion of two (2) years of Service, at the rate of 1.67 working days per month (up to twenty [20] working days per year); or
- c) Upon completion of nineteen (19) years of Service, at the rate of 2.08 working days per month (up to twenty-five [25] days per year).
- d) Upon completion of twenty eight (28) years of Service, at the rate of 2.17 working days per month (up to twenty-six [26] days per year).

In addition, employees will be provided with one (1) week's paid vacation upon the completion of nineteen (19) years of Service.

For the purposes of this Article, an employee's Service shall be broken only if one of the instances set out in Article 10.03(c) occurs.

- 20.02** An employee who, for any reason, has less than twelve (12) full months of active employment during any year, shall receive a lesser vacation entitlement on a pro-rata basis under the schedule of vacation entitlement set out in Article 20.01. Active employment means actual attendance at the work place and the performance of work, but includes absence from work due to vacation, union leave (as stipulated in Article 7), jury duty, reservist leave, holidays, illness or injury for up to fifteen (15) continuous weeks, unpaid leaves of absence of two (2) weeks or less, and pregnancy or parental leave.
- 20.03** Subject to Articles 20.01 and 20.02, employees whose normal work week is less than the standard work week for their job classification as stated in Appendix E will earn vacation entitlement on a pro-rata basis with reference to the proportion of the standard work week actually worked.

20.04 UWO reserves the right to schedule vacation to meet its operational requirements, but shall give some consideration to employees' preferences in this regard. Employees shall indicate their preference, if any, to vacation dates in June, July or August by April 1 in each year. Should conflicts arise amongst employees as to their choice of vacation times submitted by April 1 above, the respective Seniority of such employees shall also be considered in the final determination of the vacation schedule. The foregoing vacation requests shall be confirmed or denied by April 15.

In any case, the employee shall be entitled to take her earned vacation each year.

20.05 It is expected that an employee will use earned vacation entitlement so that the unused portion will not exceed twenty-five (25) days at any time. However, in special circumstances and upon written application to the Dean, Budget Unit Head or designate, an employee may be permitted, subject to the discretion of the Dean, Budget Unit Head or designate to accumulate earned vacation entitlement to a maximum of forty (40) days. If approved, such permission will be in writing.

If an employee accepts a new position with a different department, an employee may be permitted to transfer a maximum of ten (10) vacation days. In such cases, accrued vacation over and above ten (10) days will be paid out.

20.06 When a holiday referred to or designated under Article 21 occurs during an employee's vacation, it will not be recorded as a vacation day, but as a holiday under Article 21.

20.07 An employee shall be paid vacation pay in the amount of the regular rate of pay for the period of the vacation.

20.08 Notwithstanding any other provisions in this article an employee who regularly works twelve (12) hour shifts as set out in Article 32.04 shall earn paid vacation in the following manner:

In addition, employees will be provided with forty (40) hours paid vacation upon the completion of nineteen (19) years of Service.

20.09 Each unit shall keep one (1) record indicating each employee's accrual and use of vacation time, which shall be available for the employee's review.

ARTICLE 21 - PAID HOLIDAYS

21.01 Employees will be granted the following holidays on the day on which the holiday occurs or is celebrated by the University:

New Year's Day	Labour Day
Family Day	Thanksgiving Day
Good Friday	Christmas Day
Victoria Day	Boxing Day
Canada Day	President's Day
Civic Holiday	

In addition to the foregoing holidays, each employee will be entitled to one floating holiday to be taken, subject to the work requirements of the unit, at the employee's request. Such request shall not be unreasonably denied. Such floating holiday shall be taken by June 30th each year and shall not be subject to carry forward to the next year.

Except as provided in Article 21.06, where Christmas Day, Boxing Day and/or New Year's Day fall on Saturday or Sunday, UWO shall designate alternate day(s) as the holiday(s), in accordance with the End of Year holiday chart on Appendix D. President's Day shall also be fixed in accordance with Appendix D. If Canada Day (July 1) falls on a Saturday or Sunday, UWO shall designate an alternate day as the holiday.

21.02 Subject to Article 21.03, employees shall receive their regular daily pay as holiday pay, whether they are required to work or not.

21.03 In order to qualify for payment for the holiday or days designated in Articles 21.01 and 21.05, the employee must work her full scheduled hours of work on her work day immediately before the holiday or holiday period and her full scheduled hours of work on her work day immediately following the holiday or holiday period, unless she is on an approved paid leave of absence, such as vacation, on one or both of these qualifying days.

21.04 In addition to the holiday pay provided for in Article 21.02 and subject to Articles 21.03 and 21.07, employees who are required to work on any of the holidays or days designated as such under Article 21.01, excluding the floating holiday, shall be paid at the rate of time-and-one-half (1.5 x) their regular hourly rate for each hour worked or provided equivalent time-and-one-half (1.5 x) off.

21.05 In accordance with the End of Year holiday period, as expressed in Appendix D, at least one (1) and up to three (3) other days shall be designated by UWO as days off with regular pay. Employees shall be entitled to holiday pay in accordance with Article 21.02 and subject to Article 21.03. In addition to the holiday pay provided for in Article 21.02 and subject to Article 21.03, if an employee is required to work on one of the days designated in this sub-Article, the employee shall be paid at the regular hourly rate of pay for each hour worked or provided with equivalent straight time off.

21.06 Those employees whose work schedules are subject to rotating work weeks, including regular work schedules on weekends, shall be entitled to holidays and holiday pay as follows:

- a) In accordance with Article 21.02 and subject to Article 21.03, employees shall receive their regular daily rate, up to a maximum of eight (8) hours, as holiday pay, whether they are required to work or not; and
- b) If the employee does work on the holiday or the appropriately designated holiday (under Articles 21.01 or 21.06, as the case may be, and subject to Article 21.07), the employee shall be paid at the rate of time-and-one-half (1.5 x) her regular hourly rate for each hour worked or provided equivalent time-and-one-half (1.5 x) off.

These employees shall have Christmas Day and New Year's Day designated as December 25 and January 1 respectively. Where under Article 21.01, UWO designates Christmas Day or New Year's Day to be on days other than December 25 or January 1 respectively, the days designated under Article 21.01 shall not be considered holidays but normal days of work for all employees covered by this sub-Article.

21.07 In addition to the holiday pay provided for in Article 21.02 and subject to 21.03, and notwithstanding any other provision, employees required to work on Christmas Day (December 25) or New Year's Day (January 1) shall be paid at the rate of double (2x) their regular hourly rate for each hour worked on said days or provided equivalent double time off. Where under Article 21.01, UWO designates Christmas Day or New Year's Day to be on days other than December 25 or January 1 respectively, the days designated under Article 21.01 shall not be considered holidays for any employee who works on December 25 and/or January 1.

21.08 For employees whose regularly scheduled hours of work vary from week to week, the regular pay for a holiday will be based on the regular wages and vacation pay over the previous four weeks worked divided by twenty in accordance with the Employment Standards Act 2000.

21.09 After consultation with the employee, the UWO will schedule time off for employees who work on a holiday within twenty (20) days prior to or following such paid holiday or at time mutually agreed upon. If by the end of the calendar month the time off has not been scheduled, then UWO shall pay premium payment for the work.

ARTICLE 22 – EDUCATIONAL ASSISTANCE PLAN

22.01 The Educational Assistance Plan is established, and will be maintained, for the purpose of encouraging employees to obtain additional education to assist in their career development and to provide financial assistance to those who do so in accordance with this Article.

22.02 This Article applies to those employees who are on active employment as defined in Article 20.02 at the beginning of the course(s) involved and to Continuing or Sessional employees who are on an unpaid education leave of absence in accordance with Article 23 at the beginning of such eligible courses. If an employee voluntarily terminates her employment or is terminated for just cause prior to the completion of the course, that individual shall be liable to UWO for the full amount of tuition advanced. Notwithstanding the foregoing, this article applies to Sessional Employees who are on their regular recurring absence from work (RRA) on the condition that such employees must return to their position at the University for at least six (6) months. If such employees fail to return to the University at the end of their RRA and remain in the employ of the University for at least six (6) months, then they shall be liable to the University for the full amount of the reimbursement received and such amount shall be withheld and/or deducted from any monies owed by the University to the employee.

22.03 For each full or half course taken for credit at UWO, the employee will be reimbursed the equivalent of the tuition fee for a basic undergraduate full or half course, whichever is applicable, in UWO's Faculty of Arts and Humanities. A maximum of \$100 will be reimbursed on submission of receipt upon the successful completion of a course for the purchase of textbooks. Supplementary expenses such as activity fees, and lab fees shall not be reimbursed. UWO may only refuse to grant an application for educational assistance under this sub-article in the circumstances set out in Article 22.05. All taxes form part of the full tuition and textbook cost for the purposes of this Article.

Notwithstanding the foregoing, employees who are registered as part-time graduate Masters students at the UWO will be eligible for financial assistance for tuition per term based on the pertinent part-time Masters graduate tuition fee of a typical Masters graduate program in the Faculty of Arts and Humanities for the expected duration of the program, up to a maximum of four years.

22.04 Employees shall be eligible for assistance for courses taken at institutions other than the UWO and/or non-credit courses at UWO in accordance with this Article. The course(s) must be related to the present work duties or anticipated career plan for the individual within UWO. A course is defined as a series of academic lectures which culminates in an examination and/or grade being awarded. Reimbursement will be on the basis of the tuition fee (not supplementary expenses, such as activity fees or lab fees) of each course to a maximum of the basic undergraduate tuition cost of two (2) full Faculty of Arts and Humanities courses at UWO per year, with the year running from June 1 to May 31. A maximum of \$100 will be reimbursed on submission of receipts upon the successful completion of a course for the purchase of textbooks. The end of the course (the last day of classes or exam date whichever is later) shall determine the year to which the course is credited. UWO shall determine whether an application under this sub-article will be approved. All taxes form part of the full tuition and textbook cost for the purposes of this Article.

22.05 Courses shall not be taken during normal working hours unless the Dean, Budget Unit Head or designate agrees to it. The parties agree that the operational needs of the unit shall be pre-eminent in deciding whether to permit an employee to take a course during working hours. If a course at UWO is required in the degree program and cannot be accommodated outside the Continuing or Sessional employee's normal working hours, the Continuing or Sessional employee shall provide confirmation from the Faculty of the Dean, Budget Unit Head or designate as to the availability of the course. Upon confirmation by the Faculty, the UWO shall grant the employee's request to attend the course during normal working hours. Such employees will be required to make up these hours at another time satisfactory to the Dean, Budget Unit Head or designate. UWO shall respond in writing to any such request.

- 22.06** Applications for Educational Assistance shall be made available to employees by the Department of Human Resources. Employees shall forward their applications to the Department of Human Resources for consideration in accordance with this Article. Employees shall be advised in writing, as soon as possible, whether their application has been approved or denied.
- 22.07** Reimbursement shall be by direct payment to the employee after proof that the course was passed and the registration fee bill, with proof of payment, has been provided to the Department of Human Resources, unless the fees are paid in advance in accordance with Article 22.08 or 22.09. When a course is taken under Article 22.04, an employee who experiences financial hardship as the result of the requirement to pay tuition in advance may make application to the Department of Human Resources for an advance of the tuition fees. Such application shall include the reasons for the hardship and the tuition fee invoice. If application is made before the time of registration, information from the institution as to the amount of tuition shall be included in place of an invoice. Employees will be advised as soon as possible whether their application has been approved or denied. The UWO will not unreasonably deny such applications. Where such requests are accepted, the UWO shall advance the tuition at the time a tuition fee invoice or acceptable substitute is supplied. If the course is not completed or passed, Article 22.08 applies.
- 22.08** The tuition fees eligible for reimbursement under Article 22.03 for UWO credit courses shall be paid in advance by UWO, subject in all cases to all other requirements of this Article being met. If the course is not completed or passed, the funds advanced for the course shall be repaid in equal monthly installments by payroll deductions as agreed by UWO and the employee in advance. The requirement to repay may be waived in compelling circumstances, but on only one occasion per employee, and in such cases, this sub-article would not apply until the employee subsequently completes Article 22.07 in respect to the next course for credit at UWO.
- 22.09** UWO may request that employees take certain courses of study which will be advantageous to both the employee and UWO. In such cases, if the employee consents, UWO shall bear the full cost of the courses, and will grant the employee sufficient time away from normal duties to pursue the course of study, and such time shall be treated as straight time worked to be compensated at the regular rate of pay or equivalent straight time off. Such arrangements must be recorded in writing and agreed to by both parties before the course is taken.
- 22.10** The UWO shall not require a university degree for a position unless it is reasonably required. Where, upon review of a position, the UWO establishes new or higher educational requirements these requirements shall not apply to the current incumbent who assumed the position prior to the establishment of the new or higher educational requirements.

ARTICLE 23 – LEAVE OF ABSENCE WITHOUT PAY

- 23.01** UWO may grant leaves of absence without pay up to twelve (12) months subject to the operating requirements of the unit concerned. The leave shall be granted at the discretion of UWO which discretion will be exercised in a reasonable manner.

- 23.02** a) An employee's request for a leave of absence must be made in writing to the Dean, Budget Unit Head or designate at least four (4) weeks in advance of the requested leave. The request shall state the period of time involved and reasons for the leave. For those employees requesting an unpaid leave of absence for education purposes, such request must explicitly state this. A written reply will be given within ten (10) days of the request, and if the request is denied, reasons shall be set forth in writing for the denial.
- b) Notwithstanding the foregoing, an employee's request for an education leave of absence without pay must be made in writing to the Dean, Budget Unit Head or designate at least three months in advance of the requested leave with a copy to the Associate Vice-President (Human Resources). The request shall state the objectives for the leave, the start date, proof of acceptance to or eligibility for continuance in an academic program, and the proposed length of absence. A written reply will be given within thirty (30) days of the request, and if the request is denied, reasons shall be set forth in writing for the denial. In exceptional circumstances, i.e. late acceptance, the consideration of a request will be at the discretion of the Dean, Budget Unit Head or designate.
- 23.03** When a leave of absence is granted, UWO will provide the employee with a letter outlining the details of the leave. This letter will be signed by both the employee and the Dean, Budget Unit Head or designate.
- 23.04** Subject to Article 33, the leave of absence shall be without pay, group insurance benefits or pension contributions. However, an employee may continue group insurance benefits or pension contributions provided they pay the full cost of their contributions or premiums, if any, as well as those of UWO, to UWO by monthly post-dated cheques. If requested, UWO shall provide an information session to employees respecting benefits during the leave of absence.
- 23.05** For leaves of absence with a duration in excess of two (2) weeks or fourteen (14) calendar days, Service, shall not accrue for employees after the first two (2) weeks or fourteen (14) calendar days. Seniority shall continue to accrue in accordance with Article 10.01 (d)
- 23.06** The employee who elects to return from an unpaid leave of absence of two months or more prior to the original date of return will notify the Dean, Budget Unit Head or designate in writing at least six (6) weeks in advance, giving the revised date of return, unless there is mutual agreement otherwise.
- 23.07** The employee shall be entitled to return to her position upon the end of the leave of absence, unless the position no longer exists, in which case, she may exercise her rights under Articles 13 to 16.
- 23.08** Employees taking leaves of absence may also apply for deferred salary leave under Article 33.
- 23.09** Unless the employee gives notice at least eight weeks prior to the end of the unpaid education leave that she will not be returning to her position upon completion of such leave, the employee may be required to return to the UWO for a period of up to six months at the discretion of the Dean, Budget Unit Head, or designate; if not, she will be required to reimburse the UWO for the funds paid under Article 22.

ARTICLE 24 – SICK LEAVE AND DISABILITY INCOME PROTECTION

- 24.01** UWO shall provide the following program to assist employees who are absent from the workplace due to illness or injury. Employees have a responsibility to make every effort to ensure that they return to work in a state of health and well-being which will enable them to perform their job to the best of their abilities.
- 24.02** a) Employees are eligible to receive their full salary while absent from work due to illness or injury up to a maximum of fifteen (15) consecutive calendar weeks (105 consecutive calendar days) except as described in Articles 24.03 and 24.04 and generally subject to the rest of this article.
- b) Notwithstanding any other provision, Sessional employees are eligible to receive their full salary while absent from work due to illness or injury up to a maximum of fifteen (15) consecutive calendar weeks (105 consecutive calendar days) or to the end of the regularly recurring period of work, whichever is the earlier, except as described in Articles 24.03 and 24.04. During the regularly recurring absence from work, she will not be eligible for sick leave benefits.
- 24.03** If there is a recurrence of the same or related illness or injury during the first four (4) weeks following an employee's return to work on a full-time basis from sick leave, the employee is entitled to the unused portion of the original fifteen (15) week period of sick leave.
- 24.04** Subject to Article 24.02 b), in the event an employee on sick leave is able to return to work on a part-time basis within the fifteen (15) week period, the fifteen (15) week sick leave period will be extended by the amount of time actually worked by the employee during the initial fifteen (15) week sick leave period.
- 24.05** Employees will report any illness or injury attributed to the workplace to the Dean, Budget Unit Head or designate as soon as possible.
- 24.06** An employee is obliged to inform the Dean, Budget Unit Head or designate as soon as reasonably possible of her absence due to illness or injury, her expected return to work date, and any change to her expected return to work date.
- 24.07** If requested, after an absence of five (5) days, and when requested thereafter by UWO, the employee must provide a written statement from a Medical Doctor stating the employee's ability to attend and perform work, and the estimated date of return to work. Consistent with its obligations under the Human Rights Code and this Agreement, UWO shall not abuse its right to request medical verification of illness by making unnecessary requests for medical documents.
- 24.08** Subject to, and in accordance with Article 24.15, the UWO will reasonably accommodate employees who require accommodation due to disability in the following order of priority:
- a) In her own position;
 - b) In her own Department, in the same or similar position;

- e) In another suitable position, first in her own department, then Faculty or Administrative Unit, then campus-wide.

The University will take all reasonable steps to ensure accommodation specific to an individual's needs is provided in a timely and effective way.

24.09 If requested by UWO, prior to a return to work following an injury or illness-related absence of more than 2 weeks (10 days), the employee will provide a written statement to the Rehabilitation Coordinator from their Medical Doctor that outlines:

- a) the employee is able to return to work on a full-time basis without restrictions; or
- b) the employee is able to return to work, with the nature and duration of any work restrictions described.

Employees absent for more than 2 weeks (10 days) must contact and work with Rehabilitation Services prior to returning to work.

24.10 UWO reserves the right to require medical certification of illness or injury, and information relevant to the employee's ability to attend and perform work either from the employee, her Health Care Professional and/or from a medical examination by a Health Care Professional mutually agreed upon by UWO and the employee, whenever UWO considers such action necessary. Should there be no agreement between the employee and UWO within five (5) days, such medical examination will be carried out by the Workplace Health Unit at UWO. The costs associated with any medical certification, including that referred to in Article 24.07 and 24.09, and the cost of the medical examination referred to in this subclause will be paid by UWO.

Nothing in this clause shall permit nor allow any disclosure of medical information from the Workplace Health Unit other than the results of specific examination referred to herein.

24.11 Employees off work on account of a work related injury shall be paid full salary by UWO for up to the first fifteen (15) weeks of any such absence, and any benefits (not including a Non-Economic Loss Award) from the Workplace Safety and Insurance Board ("the WSIB") shall be paid to UWO. Thereafter, if she continues to be so entitled, the employee shall receive benefits directly from the WSIB.

24.12 If an absence due to illness or injury continues beyond the 105 calendar days of sick time, the employee may qualify for benefits as outlined in a) and b) below only in accordance with, and to the extent of, the terms of legislation and/or the Long Term Disability benefits (LTD) policy in effect.

- a) For a disability resulting from workplace injuries or illnesses, the WSIB will pay the employee directly. The employee may also qualify for Canada Pension Disability benefits. Subject to the LTD policy, in the event that disability benefits from all sources are less than 85% of the indexed net salary in effect on the first day absent, the employee may qualify for partial LTD from the University Group Disability Insurance program, or

- b) For a disability resulting from non-work related injuries or illnesses, the employee may be eligible for LTD through the University Group Disability Insurance program and Canada Pension Disability.

24.14 For employees who are absent from the workplace due to illness or injury, UWO and UWOSA will support a proactive and collaborative return to work program. Employees have a responsibility to participate in such a program, if possible, in light of their medical condition. The program will involve the joint efforts of the employee, a UWOSA representative, the employee's Medical Doctor, the Dean, Budget Unit Head or designate, and Rehabilitation Services. If the return to work program involves assessments of physical ability by the Rehabilitation Coordinator or other UWO officials, or an independent third party, the costs of these assessments shall be paid fully by UWO.

24.15 In all cases, the return to work program shall be consistent with the parties' duty to reasonably accommodate an employee's disability, short of undue hardship, in accordance with the provisions of the Ontario Human Rights Code.

24.16 UWO will keep employees on sick leave under Article 24.02 informed of significant workplace developments.

24.17 Employees employed before October, 1969, retain the unused portion of their sick leave coverage credited to them to June 30, 1972, up to a maximum of six (6) months (26 weeks). If, after an absence of fifteen (15) weeks due to a non-occupational illness or injury, an employee is still unable to return to full-time employment, any unused accumulated sick leave credits up to a maximum of eleven (11) additional weeks will be used to pay the difference between the LTD and full salary.

24.18 Given that the nature of the employee's illness or injury is confidential, in cases where the Dean, Budget Unit Head or designate contacts an employee at home, the employee is not required to answer questions regarding the specific nature of the illness.

24.19 If sick leave records are kept by the unit, an employee's record shall be accessible to that employee upon request.

24.20 The parties agree that the representatives of the UWO and UWOSA will meet regularly as mutually agreed between the parties on issues regarding differences or difficulties respecting any employee's return to work or the return to work program. Representatives from Rehabilitation Services along with at least one representative from Staff Relations shall be the individuals from UWO who will participate in these meetings.

ARTICLE 25 – HEALTH CARE APPOINTMENTS

- 25.01** UWO recognizes the need for employees to periodically visit health care practitioners as recognized by OHIP or UWO's Group Dental and Extended Health Insurance Plans. Whenever possible, employees will arrange medical and dental appointments at times outside of working hours. When this is not possible, employees shall arrange such appointments as near as possible to the beginning or end of their work day.
- 25.02** Employees must inform the Dean, Budget Unit Head or designate as far in advance as possible of any medical or dental appointment made during working hours. Under this Article, such employees need not reveal the nature of the health care appointment.
- 25.03** An appointment for health care under this Article will be considered a leave of absence with pay, unless such appointments become excessive, in which case the Dean, Budget Unit Head or designate may require the employee to make up the time.

ARTICLE 26 – COMPASSIONATE LEAVE

- 26.01** The University does not place any unreasonable limit on compassionate leave required of an employee when a death occurs in her immediate family. The Dean, Budget Unit Head or designate will determine the appropriate duration of the leave after consultation with the employee. Consideration of the need to make arrangements for and/or to attend the funeral or memorial service, will formulate the basis upon which the duration of the absence will be assessed. The Dean, Budget Unit Head or designate will determine the paid portion of such compassionate leave in her sole discretion.
- 26.02** For the purpose of this Article, the immediate family shall mean the employee's spouse (including common-law of the opposite or same sex), parent, step-parent, mother in-law, father in-law, grandparent, grandchild, brother, brother in-law, sister, sister in-law, son, son in-law, daughter, daughter in-law or step-child.

- 26.04** Leaves for the care of sick children or relatives not covered in Article 26.02 shall be without pay unless mutually agreeable arrangements are made for the employee to make up the time or utilize accrued vacation entitlement.
- 26.05** An employee should request a compassionate leave as soon as possible, as well as provide the basis for the request.

ARTICLE 27 – JURY DUTY, WITNESS DUTY AND CITIZENSHIP

- 27.01** Except for any proceeding between UWOSA and UWO, UWO shall assist employees in meeting their civic obligations by granting said employees leave without loss of regular pay or reduction of benefits when summoned for jury duty, or subpoenaed as a witness to court proceedings to which the employee is not a party.
- 27.02** The employee must present a copy of the summons or subpoena to the Dean, Budget Unit Head or designate which indicates the period of jury duty or witness service required.

In addition, the payment of disability benefits will only be provided during a regular recurring period of work and not during a regular recurring period of absence.

- b) Benefits listed under Article 45.11, but only during a regular recurring period of work and not during a regular recurring period of absence. During the regular recurring periods of absence, the employee may continue her benefit plans by providing postdated cheques to cover the full monthly premiums to the Department of Human Resources.

42.05 If a Term employee is employed in a Term position for less than twenty-four (24) months, within one month of the end of the appointment, the appointment may be extended by UWO provided that the total length of the appointment (with extension) is still twenty-four (24) months or less, and further provided UWO reasonably expects that the position will end at a definite and predetermined time in the future, and the end date for the position is re-stated in writing at the time of the limited extension. The UWO shall not extend the term of an employee under this Article more than twice.

42.06 A Term position will not be occupied for more than twenty-four (24) worked months. If UWO wishes to continue the position beyond twenty-four (24) worked months, such position shall be converted to a Continuing or Sessional position.

Article 12 shall then be applied as follows:

- a) For the purposes of Article 42.06 b) and c) only, the incumbent Term employee will be attributed Seniority equal to the Term employee's continuous length of service since the date of last hire in her current position.
- b) If the employee identified in Article 12.01 a) has less Seniority than the incumbent Term employee, then the employee identified in Article 12.01 a) shall not be assigned to the position.
- c) If no employee is identified in Article 12.01 a) or if the employee identified in Article 12.01 a) has less Seniority than the incumbent Term employee currently in the position, then the position will be posted in accordance with Article 12.01 b). In this case, the incumbent Term employee will be entitled to apply for the position.
- d) If UWO does not continue the position or if the incumbent Term employee is not successful in being placed into this position, she will be terminated and shall not be entitled to any benefits under Articles 13 to 16 inclusive unless such employee is made Term as a result of Rights under Article 15.08.

42.07 Once a Term appointment has been completed, the Term employee shall be terminated and not entitled to any benefits under Articles 13 to 16 inclusive unless such employee is made Term as a result of Rights under Article 15.08.

42.08 Where, within the first year of employment in her current position, UWO wishes to terminate a Term employee for reasons other than cause before the fixed end date, two (2) weeks notice thereof, or pay in lieu, shall be provided. Anytime after the first year of employment in her current position, four (4) weeks notice thereof, or pay in lieu, shall be provided.

42.09 a) Sessional employees are to be informed annually in writing, with a copy to UWOSA, of the anticipated last day of work for each session. Prior to the completion of their period of work, the employee will be informed in writing of the date they are scheduled to return to work from their regular recurring period of absence. These positions signify that an individual hired into them can expect to be re-appointed for as long as the work is required.

- b) The regular recurring period of absence may be changed as a result of the operational requirements of the department. Every effort will be made to provide the affected employee with at least three (3) weeks advance notice of such a change. Copies of such notices will be sent to the UWOSA office.
- c) Sessional employees may agree to work during the regular recurring absence of work. The employee will not regularly work more than 24 hours per week except in the case where the employee is providing vacation or sick leave coverage or special events such as Convocation which are short in duration. The obligation to perform such work is entirely voluntary and refusal to perform it shall cause no penalty to the employee. If the employee chooses to work, she shall be covered by the terms of this agreement for all purposes.

ARTICLE 43 – TEMPORARY ASSIGNMENTS

- 43.01** If an employee is temporarily assigned to a higher classification for more than two (2) consecutive weeks, that employee shall be paid at the Minimum of the appropriate classification as determined by Human Resources or receive a five (5)% increase in salary whichever is greater. If the difference between the Normal Maximum of the two positions exceeds ten (10) per cent, the employee shall receive the minimum for the position or ten (10)% increase, whichever is greater. Any extra compensation paid under this subclause will be retroactive to the date such duties were assigned. This clause does not apply to vacation replacement assignments of four (4) weeks or less.
- 43.02** Such assignments shall not be permitted to continue past twenty-four (24) months.
- 43.03** The salary treatment for a temporary assignment will not affect the employee's group benefits levels.
- 43.04** This Article, and in particular Article 43.01, applies to temporary transfers to a higher classification outside of the bargaining unit. An employee temporarily transferred to a position in a higher classification outside of the bargaining unit will receive at least the increase in wage rate provided for in Article 43.01. In such cases, the comparable terms for "Minimum" and "Normal Maximum" and the associated wage rates shall be utilized.

ARTICLE 44 – JOB EVALUATION

- 44.01** UWO will maintain and administer the job evaluation plans existing at the time of certification as they apply to members of the bargaining unit.
- 44.02** Each Dean, Budget Unit Head or designate shall complete a review of the existing job description for each position reporting to her to confirm the actual content and responsibility of the position at least once every three years. This review shall be submitted to the employee who shall be given the opportunity to add her comments.

- 44.03** An incumbent employee or a Dean, Budget Unit Head or designate may request a job evaluation review provided there has been a significant change in the duties or work performed in that job since the last review. In such a case, a Position Description Questionnaire (PDQ) must be completed and signed by the incumbent employee passed to the Dean, Budget Unit Head or designate, who will date stamp it upon receipt. The Dean, Budget Unit Head or designate will either agree with and sign the PDQ, or amend the PDQ as she sees fit and sign it. The Dean, Budget Unit Head or designate shall forward the PDQ for evaluation to Human Resources within forty (40) days, with a copy of the PDQ given to the incumbent employee. Any salary change resulting from a reclassification will be retroactive to the first of the month following the date that the PDQ is signed by the Dean, Budget Unit Head or designate.
- 44.04** Within thirty (30) days, Human Resources shall evaluate the position based on the job evaluation plan. This decision shall be in writing to the Dean, Budget Unit Head or designate and to the employee. This decision shall state the deadline for and manner of appeal.
- 44.05** If an employee or the Dean, Budget Unit Head or designate requests an appeal of the decision of Human Resources, the PDQ and the decision shall be referred to the Job Evaluation Appeals Committee (JEAC) within ten (10) days of receipt of the decision in Article 44.04. The appellant shall send one copy of the material to Human Resources and one copy to JEAC c/o UWOSA. The employee and/or the Dean, Budget Unit Head or designate may make written submissions to the JEAC. The JEAC shall evaluate the position in light of the PDQ, and may interview the incumbent and the Dean, Budget Unit Head or designate if requested by any member of the Committee. The JEAC shall objectively consider the matter and make every effort to reach agreement on the correct job rating in light of the material before it and in accordance with the job evaluation plans. The majority decision of the JEAC shall be made in writing and communicated to the employee and the Dean, Budget Unit Head or designate. The decision shall be final and binding on all parties and not subject to grievance or arbitration under this Agreement.
- 44.06** The JEAC shall consist of three (3) UWOSA representatives and three (3) UWO representatives, with alternates as necessary, and will be co-chaired by two representatives, one from each party. It may meet, deliberate and reach decisions with four (4) members present, two (2) representing each party, but every effort will be made to maintain the same membership on any particular JEAC throughout any one job evaluation.
- 44.07** In the event that the JEAC cannot reach a majority decision, the matter may be referred by any member of the Committee to a single referee agreed to by UWOSA and UWO. Such referee will be selected sequentially from a list of three agreed to in advance by UWOSA and UWO, unless both parties agree to amend this selection process. The decision of the referee will be final and binding on all parties. The cost of the referees shall be borne equally between the parties. The referee shall evaluate the position solely in light of the PDQ and the information JEAC considered, and may also interview the incumbent(s) and supervisor(s) if desired. The referee shall objectively consider the matter and determine the correct job rating in light of the material before it and in accordance with the job evaluation plans. The referee shall make her decision within sixty (60) calendar days of the referral of the matter.
- 44.08** Committee members shall not rate positions which are within their own unit or where there is conflict of interest.
- 44.09** When a new position is created by UWO within this bargaining unit, UWO shall evaluate the position before it is filled and may either establish a new classification, or place the position within an existing classification.

- 44.10** UWO shall provide the necessary information, training and documents to the JEAC members so that they may perform their responsibilities effectively.
- 44.11** During the term of this Agreement, there shall be a joint meeting or meeting(s) of JEAC and Union/Management to discuss and review the current job evaluation plan and classification structure with a view to exploring other alternatives.

ARTICLE 45 – WAGES AND BENEFITS

- 45.01** UWO shall pay each employee the appropriate rate of pay under Appendix W, X, and Y as applicable, for all regular hours worked based on her classification in Appendix E and the terms of this Article.
- 45.02** If, prior to September 10, 1999 an employee's usual hours of work per week were in excess of the standard work week set out in Appendix E, and UWO had a practice of paying the employee straight time (not overtime pay) for up to five (5) of those hours over the standard work week, then such an employee's pre-ratification usual work week shall be treated as the employee's standard work week for the purpose of Article 32 so long as the usual work week remains as it was prior to ratification. In any event an employee's standard work week shall not exceed 40 hours in a week.
- 45.03** The starting salary for a newly hired employee will be the Minimum of the salary range in the applicable Appendix W, X, and Y unless the new employee has previous pertinent experience, in which case the employee may be started, at UWO's discretion, at another place in the salary range below the Normal Maximum.

Term employees will be paid at least the Minimum of the applicable salary range for their classification. Except as provided for in Article 45.10, Article 45.07 through 45.13 inclusive shall not apply to Term employees.

- 45.04** On July 1 of each year, a nonprobationary Continuing employee whose salary is at or above the Minimum and below the Normal Maximum of her salary range will receive a regular Progress Through the Range (PTR) increase equal to 3% of the employee's current salary on July 1 each year (i.e., after the increase provided for in Article 45.06), except where the employee's new salary would be greater than the Normal Maximum for her current range, in which case the PTR increase will be limited to the amount which is sufficient to increase her salary to equal the applicable Normal Maximum.

The foregoing shall apply in full to non-probationary Sessional employees except that the value of the PTR increase will be equivalent to the 3% cited above multiplied by the number of weeks in the regular recurring period of work in the previous (12) months divided by 52 weeks.

If the granting of a PTR increase to a grant funded employee would cause clear financial hardship in light of the grant funds available, UWO may request that UWOSA waive a PTR increase for a grant funded employee, and if the employee involved agrees to the waiver, UWOSA shall grant the waiver.

The UWOSA recognizes that it is UWO's position that PTR forms part of the total compensation picture for employees.

45.05 When a Continuing or Sessional employee's salary is at or above the Normal Maximum but below the Long Service Maximum of a classification for four years that employee's salary will be moved to the Long Service Maximum on 1 November coinciding with, or next following, the completion of the fourth full year at the Normal Maximum.

An employee whose salary exceeds the appropriate Long Service Maximum shall receive 50% of the annual basic increase provided for in Article 45.06 so long as the employee's salary continues to exceed the Long Service Maximum under the applicable Appendix W, X, and Y.

- 45.06**
- a) Effective July 1, 2010 the current salaries of all eligible Continuing and Sessional employees shall be increased by 1.5%. In addition, on this date, the current salary grid will be increased by 1.5% as reflected in Appendix W.
 - b) On July 1, 2011 all eligible Continuing and Sessional employees shall receive a 1.5% salary increase. In addition, on this date, the current salary grid will be increased by 1.5% as reflected in Appendix X.
 - c) On July 1, 2012 all eligible Continuing and Sessional employees shall receive a 1.5% salary increase. In addition, on this date, the current salary grid will be increased by 1.5% as reflected in Appendix Y.
 - d) Effective January 31, 2013, all Continuing and Sessional employees shall receive a one-time lump sum payment of \$650.00.

45.07 Where an employee takes a position classified at a higher level, or her job classification is changed to a higher level in the same occupational series (see Appendix B), or she takes a position in a different occupational series (see Appendix B) which has a Normal Maximum greater than 5% above the Normal Maximum (as reflected in Appendix W, X, and Y), when pro-rated to the new hourly work week, an increase in salary will be implemented to raise the employee's salary to the Minimum of the new range, or to a salary level of 5% over her current salary, whichever is greater.

Where the change in Article 45.07 involves two or more levels, the increase will be to the Minimum of the new salary range or an increase of 10% for two levels and an additional increment of 5% for each level beyond the first two (2) levels, whichever is higher, when pro-rated to the new hourly work week. No promotional increase will be permitted to exceed the Normal Maximum of the new classification. For the purposes of this Article, Salary Grade 9 to 12 are extensions of the Clerical, Library Assistant and Secretarial occupational series and changes from any level in these series to Salary Grade 9 to 12 will be viewed as a change within an occupational series. It is agreed that Secretary IV to SG 10 is a one level move, Clerk IV to SG 10 is a one level move and Library IV to SG 11 is a one level move.

45.08 A voluntary downward transfer occurs when an employee voluntarily takes a lower rated position in the same occupational series or takes a position in another occupational series where the Normal Maximum is at least 5 % lower than the Normal Maximum of the former position when pro-rated to the new hourly work week if necessary. Where there is a voluntary downward transfer, the new salary will be the Normal Maximum of the new range, or 5 % less per level than the former salary (the reverse of Article 45.07), whichever results in the lower new salary. This provision shall apply in the case of new positions assumed as the result of Article 14, Article 15 and Article 16. Thereafter, Article 45.04 and 45.05 shall apply.

When an employee is involuntarily demoted to a lower rated classification or when the position is reclassified to a lower level as a result of a job evaluation, the employee will not suffer a reduction in pay, except to pro-rate to the new hourly work week if necessary. Thereafter, Article 45.04 and 45.05 shall apply.

45.09 Where an employee moves from one position to another and the Normal Maximum of the two positions is within five (5) per cent of one another (i.e. "a lateral transfer"), no change in salary will be applied on the transfer. This Article 45.09 shall not apply to a move from Technical 4 to Technical 5.

45.10 Continuing and Sessional employees shall be paid at the appropriate rate monthly by bank deposit on the second last work day each month. Payment for Term employees shall either be weekly (in arrears) by cheque or monthly by bank deposit on the second last work day each month. UWO may increase the frequency of the pay period provided employees receive at least 60 calendar days notice prior to the change.

Overtime or premiums will be paid no later than in the month following the month in which the overtime was worked or the premium was earned.

45.11 UWO agrees to continue to provide Continuing and Sessional employees the following group insurance benefit plans and to contribute to the premium costs thereof as provided herein. The specific terms of the plans shall be provided to UWOSA on request. UWO may change the group insurance plan carrier or alter specific terms of the group insurance plans provided there is no reduction in benefits whatsoever from that currently existing:

- a) Group Basic Life Insurance Plan (currently Manulife contract 1878) – UWO pays 100% of the premium costs for the first \$25,000 of coverage (plus \$25,000 which effectively passes on reduced employer employment insurance premiums to the staff), employee pays the premium costs for the remaining coverage under the plan. Upon reaching Normal Retirement Date this benefit will be reduced to \$25,000 of coverage.
- b) Group Extended Health Insurance Plan (includes hospital, travel, extended health care, drug plan) and Group Dental Insurance Plan (both currently Manulife Policy 1878). Members will pay 15% of the cost of extended health and dental benefit claims that do not have a specific dollar maximum. The maximum out-of-pocket cost for Members with single coverage shall be \$450.00 per Calendar Year. The maximum out-of-pocket cost for Members with family coverage shall be \$900.00 per Calendar Year.
- c) Group Long Term Disability Insurance (currently Manulife Policy 1878) – UWO pays the premium costs.

Upon reaching the Normal Retirement Date an employee will no longer be eligible to participate in Optional, Dependent and Accidental Death and Dismemberment Insurance Plans.
- e) Vision care - \$150.00 per year or \$300.00 in any two years effective July 1, 2002. The vision care benefit may be used for eye examinations and laser eye surgery.

- f) Out of country health care plan coverage for eligible Continuing or Sessional employees and retirees who retire after January 1, 2005 is capped at \$200,000 per person covered per trip.
- 45.12**
- a) Effective April 1, 2012, a Health Care Spending Account (HCSA) will be added to the group benefit program for all Continuing and Sessional employees for the purposes of reimbursement of medical expenses not otherwise covered by the Benefit Plans. Eligible expenses include expenses that qualify for the medical expense tax credit, as defined by the Income Tax Act (Canada) and its Regulations. Each member will be allocated \$325 per calendar year (for family coverage) or \$200 per calendar year (for single coverage) for their HCSA. Unused funds from the HCSA may be carried forward one calendar year, but not beyond. HCSA allocations remaining unused at the end of the second calendar year will be forfeited.
 - b) Upon retirement, Benefits under the Group Extended Health Insurance Plan, and Group Dental Plan will be consistent with those in place for retired UWOSA members as of July 1, 2010. These benefits will be provided under the provisions of the relevant group insurance policies whereby retirees will contribute 15% towards any benefit claim made under the Group Extended Health Insurance Plan and the Group Dental Insurance Plan to a maximum of \$450.00 per calendar year for single coverage and \$900.00 per calendar year for family coverage.
 - c) For UWOSA members who became Continuing or Sessional prior to January 1, 2009, benefits under the Group Extended Health Insurance Plan and Group Dental Plan will be continued for retirees who have 5 or more years of Seniority at their Retirement Date. For UWOSA members who became Continuing or Sessional on or after January 1, 2009, benefits under the Group Extended Health Insurance Plan and Group Dental Plan will be continued for retirees who have 10 or more years of Service at their Retirement Date.
 - d) Employees that retire from the UWO shall also receive a pay out of up to 25 days of unused vacation.

- 45.14** UWO shall provide and extend to all employees, upon request,
- a) forty (40) hours free access per month to the UWO computer server for the purposes of access to the Internet, and

 - c) access to UWO campus recreation facilities at the fee level established by Campus Recreation.

Current and future retirees will be provided with b) and c) above as well as free parking under the current arrangement.

 - iii) develop guidelines for the development, implementation and evaluation of staff development learning initiatives.

46.04 The University will communicate with employees the various learning, staff development and training opportunities available to them.

46.05 An employee wishing to obtain training or staff development through Human Resources shall make such a request to the Dean, Budget Unit Head or designate. The Dean, Budget Unit Head or designate shall grant or deny the request at her own discretion, which discretion shall be reasonably exercised. Faculty/Administrative unit operating requirements shall be the major consideration in deciding whether to grant a request.

46.06 If the staff development or training through Human Resources is work-related, an employee whose request for training has been granted is entitled to time off with pay during regularly scheduled hours of work. In such case, the cost of the training shall be paid for by the unit. If the training or staff development is not work-related, an employee whose request has been granted shall not be entitled to time off with pay unless the Dean, Budget Unit Head or designate agrees otherwise. In this latter case, the unit shall decide whether to pay for the training at its own discretion.

ARTICLE 49 – DURATION

49.01 This Agreement shall become effective upon the date of ratification by both parties and shall remain in force until 30 June, 2013.

49.02 This Agreement shall automatically continue thereafter for one (1) year and from year to year thereafter, unless either Party notifies the other in writing within the period of ninety (90) days prior to its expiry that it desires to amend or terminate this Agreement.

50.02 An eligible dependent child will only be entitled to the maximum of \$1,200 per annum as outlined above.

ARTICLE 51 – CALL IN PAY

51.01 An employee who is required to report to work before her scheduled hours of work will receive a minimum of three (3) hours' pay at one and one-half times (1 1/2X) her base hourly rate.

ARTICLE 52 – STAND BY COMPENSATION

52.01 As an integral part of some employees' job responsibilities there is a requirement for stand-by assignments. Stand-by refers to the responsibility of a single, assigned employee to be on "stand-by" to respond to emergencies of a specific type, after hours of work.

52.02 During times an employee is on stand-by, the employee will be required to be available by pager or by phone and able to return to work in an emergency situation. The employee is obligated to be available and able to return to work in an emergency situation, within a reasonable period of time.

52.03 Employees on stand-by are expected to respond to pages or contact with a call to the number paged within twenty (20) minutes of the initial page/contact.

52.04 Employees fulfilling stand-by responsibilities after regular hours of work will be compensated at \$0.70 per hour.

ARTICLE 53 – TRAVEL

53.01 Employees shall be entitled to the rates set out in the UWO Travel Policy.

53.02 Travel time to conferences and training opportunities, where attendance is voluntary, outside of the regularly scheduled hours of work will not be considered as time worked. Appendix H – Apprenticeship Program - General Machinist

Memorandum of Agreement

Between

The University of Western Ontario

And

The University of Western Ontario Staff Association

Re: Apprenticeship Program - General Machinist

Whereas, the University Machine Shop in the Faculty of Engineering employs a number of General Machinist and similar skilled trades and has experienced difficulty recruiting qualified individuals at the journeyman level; and

Whereas, the University Machine Shop would benefit from the development of skilled workers trained to meet the specialized needs of this Shop; and

Whereas, the University Machine Shop has the capacity to offer appropriate work experience for a General Machinist Apprenticeship; and

Whereas, a person hired into a General Machinist Apprenticeship program would become a member of UWOSA; and

Whereas, under a General Machinist Apprenticeship program, individuals would be provided with an opportunity to learn a trade, obtain training, and gain experience under the guidance of a journeyman and would acquire the skills, knowledge and work experience to become a Certified General Machinist;

The parties therefore agree to the following, without prejudice to any other matters which may arise between the parties:

Definition of Apprentice

An Apprentice is defined as a person who is employed for the purpose of becoming a licensed General Machinist, and who enters into an agreement with the University to serve the terms and conditions of a registered General Machinist Apprenticeship with the Ontario Ministry of Education and Training.

Duration of the Program

The duration of the Apprentice Program for each Apprentice would not exceed 4 years (or 8,000 hours), including related and classroom training. Although the Ministry of Education and Training establishes these hours, advancement through the program may be accelerated at the discretion of the supervisor within Ministry guidelines.

Employment Status of Apprentices

During the duration of the apprenticeship program, the apprentice will be considered to be a Continuing Employee under the UWOSA Collective Agreement.

Recruitment of Apprentices

The University shall have the sole authority to determine the number of apprenticeship positions and to hire into these positions. Vacancies for apprentices shall be posted in accordance with 12.03 (a). Applicants must have the skills, abilities and qualifications to perform the requirements of the position. If there is no employee applicant with the skill ability and qualifications to perform the requirements of the position, UWO may fill the position from any source.

Wages and Progression Through the Program

The salary of apprentices will be calculated as a percentage of a journeyperson's salary (Technical Level 6 classification), and their level based on their hours of instruction and on-the-job training as follows:

Apprentice I

Entry level position incumbent having zero (0) to one thousand nine hundred and fifty (1,950) hours of instructional and on-the-job training experience; incumbent is paid fifty (50) percent of the normal maximum machinist wage rate as set out in the collective agreement.

Apprentice II

Incumbent having one thousand nine hundred and fifty (1,950) to three thousand nine hundred (3,900) hours of instructional and on-the-job training experience and has successfully completed the appropriate training modules set by the Ministry of Education and Training; incumbent is paid sixty five (65) percent of the normal maximum of the machinist wage rate as set out in the collective agreement.

Apprentice III

Incumbent having three thousand nine hundred (3,900) to five thousand eight hundred and fifty (5,850) hours of instructional and on-the-job training experience and has successfully completed the appropriate training modules set by the Ministry of Education and Training; incumbent is paid seventy five (75) percent of the normal maximum of the machinist wage rate as set out in the collective agreement.

Apprentice IV

Incumbent having five thousand eight hundred and fifty (5,850) to seven thousand eight hundred (7,800) hours of instructional and on-the-job training experience and has successfully completed the appropriate training modules set by the Ministry of Education and Training; incumbent is paid eighty five (85) percent of the normal maximum of the machinist wage rate as set out in the collective agreement.

Instructional Training

The parties acknowledge that an Apprentice will be required to attend instructional training as provided for by the Ministry of Education and Training to complete required modules. Should such training time conflict with the Apprentice's scheduled hours of work, the Apprentice will be placed on a leave of absence without pay during this period of time. (NOTE: Evening courses may be offered which would not conflict with scheduled hours of work.)

Completion of the Program

Apprenticeship Training Standards will follow guidelines set out by the Ministry of Education and Training. An apprentice shall progress through the program as outlined above. Quarterly evaluations will be completed. Progress of the apprentice will be reviewed by the journey person(s) overseeing their work and by the Machine Shop Coordinator or his designate.

Advancement may be accelerated at the discretion of the Supervisor per Ministry guidelines. However, should such a review reveal unsatisfactory progress, either in practical or related classroom instruction on the part of the apprentice, the University may cancel the apprenticeship agreement with the employee by providing notice or pay in lieu of notice in accordance with the Employment Standards Act. If the apprentice was a Continuing or Sessional employee immediately prior to acceptance as an apprentice shall be entitled to notice or pay in lieu of notice as outlined in Article 13.02.

As outlined above, an apprenticeship will not be occupied for more than four (4) years. Upon reaching their predetermined employment contract end date, an employee who successfully completed the apprentice program and received a certificate from the Ministry of Skills and Development will:

have the opportunity to apply for a Continuing or Sessional General Machinist vacancy in accordance with Article 12, if such a vacancy does exist.

OR,

have his/her employment terminated, without regards to Articles 11 to 16 inclusive if there is no Continuing or Sessional General Machinist vacancy or (s)he is unsuccessful in his/her application to a Continuing or Sessional General Machinist vacancy. However, an employee terminated under such circumstances will be given Seniority credit for the years employed as an apprentice should they be rehired as a journey person within 12 months of their termination. If the apprentice was a Continuing or Sessional employee immediately prior to acceptance as an apprentice, she shall be entitled to exercise Recall Rights under Article 15 upon termination.

And
The University of Western Ontario Staff Association (UWOSA)

Re: Article 44 – Job Evaluation Review

The University of Western Ontario and the UWO Staff Association agree that a review of the current Point-Rating Job Evaluation Plans for Office Support Positions and the Technical Job Evaluation Plan is necessary.

The parties agree that such a review will be conducted by a committee consisting of three (3) members who will be appointed by each party within 30 days of the ratification of this Letter of Understanding (the “Committee”).

The parties shall be entitled to invite external consultants (at their own cost) to attend each scheduled meeting, which consultants shall act in an advisory capacity.

2. In addition, in revising and combining the two current Plans into one revised Point-Rating Job Evaluation Plan the Committee will also ensure, in particular:
 - That the degree of education properly spans the requirements of all jobs in the bargaining unit.
 - That the number of points and weighting of the points for all factors are appropriately aligned with the job classifications.
 - That the degree descriptions in each factor of the Plan properly reflect the support that the bargaining unit members provide to the University, with specific reference to student and research support in the examples.
3. If there is agreement between both parties on the new job evaluation plan, it shall be implemented so as to ensure pay equity is achieved for this bargaining unit.
4. The Committee will develop an education program for UWOSA members and University leaders that will educate stakeholders on the factors considered in the revised Point-Rating Job Evaluation Plan.
