ARTICLE 7

GRIEVANCE PROCEDURE AND ARBITRATION BOARD

- 7.01 (i) Should any difference (hereinafter called a "grievance") arise between the Board and any employee as to the interpretation, application, administration or alleged violation of this Agreement, an earnest effort to settle such grievance without undue delay shall be made in the following manner.
- (ii) The time limits specified in this Article shall be deemed to be exclusive of Saturdays, Sundays and the specified holidays recognized herein and may be extended by mutual consent of the parties.
- 7.02 Stage One - An aggrieved employee shall first meet with their supervisor/principal to discuss the grievance. The meeting shall take place within ten (10) working days from the time when the issue arose. The aggrieved employee may request to have a steward present.
- 7.03 Stage Two - If within five (5) days from the time of such meeting with the supervisor/principal, a satisfactory decision in writing is not given, the employee accompanied by a steward and/or grievance officer or designate, may within ten (10) days after such decision has been given make representation in writing to the Senior Coordinator of Employee Relations.

Such representations shall state the nature of the grievance, the remedy sought and any provisions of the Collective Agreement, Legislation or Act, upon which the grievance is based. Such official or other designate shall notify the Union of the time and place at which they will meet to discuss and consider the written representations. Every effort will be made to settle such grievance within (10) days of receipt of the written grievance. Such official shall give the decision in writing on behalf of the Board within ten (10) days of such meeting. At the request of either party, a national representative of the Union may be present.

- 7.04 Any difference (hereinafter called a "policy difference") arising directly between the Board and the Local Union as to the interpretation, application, administration or alleged violation of the Agreement, other than a difference directly affecting individual employees, may be submitted in writing by either party hereto with opportunity for discussion between the officers of the Local Union and representatives of the Board. A meeting for the purposes of such discussion shall be held within fifteen (15) days from the date when the policy difference was submitted. At the request of either party a national representative of the Union shall be present at such meeting. If the parties are unable to settle such policy difference within ten (10) days from such discussion then the party to whom the said notice was delivered shall reply to such policy difference in writing within ten (10) days from such discussion.

Arbitration

- 7.05 a) If any grievance or policy difference, including any question as to whether the matter is arbitrable or not, shall not have been satisfactorily settled pursuant to the provisions of this Article, the grievance or policy difference may then be referred by either party to this Agreement to arbitration by written notice given to the other party within ten (10) days from the date of the decision of the Board's Stage Two response. The Board and the Union shall each appoint one nominee within seven (7) days from the receipt of the notice and the two nominees so appointed shall appoint an arbitrator who shall be the chairperson. No person may be appointed as an arbitrator who has participated directly in any attempt to settle the grievance or policy difference.
- b) Notwithstanding the above provision, the parties may mutually agree to appoint a single arbitrator to resolve any such grievance within the provisions of this Article.
- 7.06 Nothing in this Agreement shall be deemed to take away the right of an individual employee to present any of the employee's personal problems (other than one which could be presented as a grievance hereunder) to any official of the Board.
- 7.07 If the parties fail to agree upon a chairperson within ten (10) days, either party may request the Office of Arbitration of the Ministry of Labour to choose the arbitrator. The decision of the majority of the arbitrators shall be final and binding upon all parties concerned and any employee affected by it, but if there is no majority decision, that of the chairperson will be the decision of the board of arbitrators. In no event shall the arbitrators be authorized to alter, modify or amend any part of this Agreement.
- 7.08 In any arbitration the written representation of the employee made at Stage Two and any decision of the Board or, in the case of a policy difference, the written submission and any reply thereto shall be presented to the arbitrators and the award of the arbitrators shall be confined to determining the issue therein set out.
- 7.09 Each party to an arbitration shall be entitled through counsel or otherwise to present evidence, to cross-examine any witnesses of the other party and to present oral arguments. Briefs of arguments may be presented by each party and each party shall be entitled to reply to the brief of argument presented by the other.
- 7.10 Witness fees and allowances shall be paid by the party calling the witness.
- 7.11 Each party shall pay one-half (1/2) of the fees and out-of-pocket expenses of the chairperson and those of its own appointee.

- 7.12 If any party disagrees with the other as to the meaning or application of the decision, it may apply to the chairperson of the board of arbitrators within ten (10) days from the issue of the decision with a request that the chairperson reconvene the board to clarify the decision, and for such purpose the board may be reconvened and issue a clarification of its decision.
- 7.13 Should any grievance arise between the Board and any employee or any direct difference between the Board and the Union or Local Union, or should any employee believe that the employee's discharge is in violation of this Agreement and should any party desire to take advantage of the procedure provided for in this Article, each step in such procedure (including any reference to arbitration) required to effect a satisfactory disposition of the matter shall be taken by such party within the time limited above set forth or the matter shall be deemed to have been abandoned.
- 7.14 The time limits outlined herein for the grievance process may be extended by mutual consent.

ARTICLE 8

DISCHARGE AND DISCIPLINARY PROCEDURES

- 8.01 A claim by an employee that the employee has been unjustly discharged or suspended will be treated as a grievance if a written statement of such grievance is lodged with the Senior Coordinator of Employee Relations within (5) five working days after the occurrence of the matter which is the subject of the grievance.
- 8.02 Such grievance may be settled under the grievance procedure, including arbitration, provided by this Agreement, commencing with Stage Two.
- 8.03 If the Board censures an employee in such a manner as to indicate that a repetition of any offence or failure to perform may lead to the employee's discharge, it shall prepare a written memorandum thereof and give a copy thereof to the employee and to the Recording Secretary of the Local Union.
- 8.04 In the event that the Board intends to suspend an employee for more than part of a day or to discharge the employee, the employee's immediate supervisor, or designate of the Board shall inform such employee that a steward may be present. Failure to so inform the employee shall not affect the validity of the suspension or discharge.

Employee Human Resources File:

- 8.05 i) At the written request of an employee, the Board shall, within (5) five days, allow the employee to inspect the employee's Human Resources file with prior arrangement made with the Superintendent of Education, Human Resources or designate. Such inspection may be made up to twice a year and shall be in the presence of such Superintendent or designate. The employee's response to anything contained in such file shall become a part of such file provided such response is made within five (5) days from the date when the employee inspected the file. The employee's personnel file shall be defined herein as such file containing the employee's official work record including all references to performance, evaluation, and discipline.
- ii) Employees shall be responsible to insure that such official file reflects their up-to-date qualifications and awards.
- 8.06 Where the Board issues an adverse report concerning an employee, such employee may, if the employee acknowledges receipt of a copy of such report, file a reply thereto with the Board within ten (10) days from such receipt and such reply shall become a part of the employee's file. Where an employee has a

clear record for three (3) years following a threat of discharge, for one (1) year following a suspension or a written or oral warning, the employee's prior record will not be used against the employee in any subsequent discipline, the corresponding documents will be removed from the file. However, if the incident has a direct impact on the employee's relationship with students, the Board may retain the record for five (5) years.

ARTICLE 9

- (c) An employee with continuous service with the Board who has returned to the bargaining unit shall be deemed to have a length of seniority equal to that which the employee had accumulated at the time the employee was last appointed to a position outside the bargaining unit and after six months in the bargaining unit seniority shall be determined as if the service had been entirely in the bargaining unit.

9.05(b) In all cases of lay-offs due to a reduction in work force (other than lay-offs of a temporary nature, i.e. two weeks or less) employees shall be laid off within their job classification in reverse order of their seniority ranking, provided that the Board may retain sufficient employees who possess the necessary qualifications, ability, knowledge and skill to perform the jobs available.

In all cases of recall after lay-off, employees shall be recalled within their job classification in accordance with their seniority ranking, provided that they must have the necessary qualifications, ability, knowledge and skill to perform the jobs available.

- (c) An employee shall have the opportunity of recall from a layoff to an available opening at the same or lower grade level at a salary rate closest to that employee's salary rate in their previous position, in order of seniority, provided he or she has the ability and the qualifications to perform the work or can learn the job in a reasonable time.
- (d) An employee recalled to work in a different classification from which he or she was laid off should have the privilege of returning to the position held prior to layoff should it become vacant within twelve (12) calendar months after the recall.

9.06 An employee with seniority who is laid off shall retain seniority and right of recall for the following period of months if the employee has the length of continuous service set out below:

- 9.08 An employee assigned to a position shall not have their duties and responsibilities significantly altered without prior discussion between the Union and the Board.

No Contracting Out

- 9.09 No work will be contracted out if it causes:
 - i) the termination or layoff of an employee with seniority or;
 - ii) the permanent reduction of regular non-overtime hours of work for an employee with seniority,

APPENDIX D

LETTER OF UNDERSTANDING

RE: JOINT COMMITTEE ON WORKING CONDITIONS

The parties agree to continue in pursuing efforts for the implementation of those recommendations developed by the Joint Ad Hoc Committee that was established during the negotiations of the 1992-1994 collective agreement. The recommendations and the Report of CUPE Local 1328 to the Ad Hoc Committee are included in the following pages.

1. That CUPE Local 1328 present the contents of this report (with special reference to Appendix C) to its School Based Support Members at a designated meeting in September 1993 and subsequent Septembers thereafter.
2. That Superintendents of Education clarify with their Principals the agreed upon understandings of this report (with special reference to Appendix C) in September 1993 and subsequent Septembers thereafter.
3. That the Staff Development Department plan one P.A. Day each year to deal exclusively with the function of School Based Support Staff.
4. That Program Design Division provide training for School Based Support Staff required to perform special functions.

APPENDIX C - Report By CUPE Local 1328 To The Ad Hoc Committee On Working Conditions Of School Based Educational Support Staff

The Ad Hoc Committee on working conditions of School Based Educational Support Staff was established under a Letter of Understanding dated November 4, 1992 appended to the Collective Agreement.

During the course of our discussions the following main problem areas were identified:

The role of the School Based Education Support Staff has not been clearly defined and as a result these employees are being used in an inconsistent, and often inappropriate manner.

The Support Staff are often considered the most expendable staff members and, as a result, are shuffled to cover whatever scheduling emergencies etc. which arise in the school, e.g. covering for teachers accompanying students to sport events, replacing absent teachers, replacing classroom teachers to enable them to have prep time, etc.

Some Principals/Vice Principals/Department Heads are not conversant with the Collective Agreement. In many instances even if they are conversant with the terms and conditions, they are not prepared to abide by them.

Local 1328 would like to offer the following observations/solutions/recommendations:

On assignment to a school, when there is a change in administration or teacher, at the start of each semester in Secondary Schools or when the employee's assignment is changed, the role of the Support Staff be clearly defined with all parties concerned.

The words "other duties as assigned" in all job descriptions, relates to duties specific to the particular job class and does not include assuming the responsibilities of any other job classification, such as replacing an absent School Secretary.

Support Staff required to perform special functions, e.g. tube feeding, stoma expression, physiotherapy etc. must receive adequate instruction by a trained professional. It must also be emphasized that Support Staff required to accompany students to job locations and assisting in other life skills training, or required to administer medications etc., must be covered by signed parental permission/release forms.

The main duty of the Support Staff is to assist teachers in the classroom in the delivery of programs to the students. This, however, does not mean assuming the duties of the teachers. It is not the function of the Support Staff to develop or modify programs for students. Neither should they be used, except in extreme emergencies, to cover for absent staff etc. By removing Support Staff, on the slightest pretext, from the duties to which they have been assigned negates the reason for their presence in the school in the first place.

Proportionately, supervisory duties within the school should be fairly/equitably distributed among all staff. Support staff assigned to a Special Needs student(s) who require(s) constant supervision/assistance should be exempt from ALL other supervisory duties except those pertaining to the Special Student(s).

There should be In Service given to all Principals, Vice Principals and Department Heads on the terms and conditions of the School Based Education Support Staff Collective Agreement, with particular emphasis on Article 10 covering Period of Work. The Local Union is prepared to assist here in any manner.

Support Staff should not be required to assume out- of-pocket expenses incurred in the performance of their duties.

Article 16.14(a) states that the Board will provide one P.A. day each year to deal specifically with the function of the Support Staff. This has not been the practice in the past. Perhaps P.A. Days in the future could address such issues as behaviour management, student integration, and strategies for working with developmentally handicapped children etc. Once again, the Local Union is prepared to be of assistance here.

The Local Union would like to emphasize that the Support Staff enjoy working with the students and other school staff, but would like to be recognized as professional service providers. It is demeaning and demoralizing when working conditions and attitudes convey the opposite impression.

The implementation of said recommendations can be addressed by the union/management committee provided for by the collective agreement.

APPENDIX E
LETTER OF UNDERSTANDING
RE: MEDICAL/PHYSICAL PROCEDURES

During the course of the negotiations for the renewal of the collective agreement expiring August 31, 2001 the issue of the Union's participation on the Board's joint medical/physical procedures committee was discussed.

This Letter of Understanding confirms CUPE Local 1328 as a member and participant of the Board's current joint medical/physical procedures committee.

APPENDIX F
LETTER OF UNDERSTANDING
CONSULTATION REGARDING POLICY CHANGE

During the course of negotiations, the Local Union expressed concerns with regard to the potential impact on the Union and its members of any major changes in Board policies and the procedures therein. In this regard, the Local Union and the Board will meet to endeavour to establish mutually agreeable processes to consult with the Local Union prior to the implementation of any such changes.
