 - iii. Where an employee has received the full fifteen (15) weeks of maternity benefit under Employment Insurance and thereafter remains on maternity leave without pay, she is eligible to receive a further maternity allowance for a period of one (1) week, ninety three per cent (93%) of her weekly rate of pay for each week (and the recruitment and retention "terminable allowance", if applicable), less any other monies earned during this period.
- d. At the employee's request, the payment referred to in subparagraph 35.8(c)(i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance or Québec Parental Insurance maternity benefits.

and

- (2) has satisfied all of the other eligibility criteria specified in 35.8(a), except 35.8(a)(ii) and 35.8(a)(iii);

shall be paid, in respect of each week of maternity allowance not received for the reason described in 35.9(A)(1), the difference between ninety-three percent (93%) of her weekly rate of pay and the gross amount of her weekly disability benefit under the DI Plan, LTD Plan or via the *Government Employees Compensation Act*.

- (b) An employee's request under sub-clause 35.10(a) above must be accompanied or followed as soon as possible by a medical certificate indicating the expected duration of the potential risk and the activities or conditions to avoid in order to eliminate the risk.  - (i) modifies her job functions or reassigns her,
 - or
 - (ii) informs her in writing that it is not reasonably practicable to modify her job functions or reassign her.
- (d) Where reasonably practicable, the Council shall modify the employee's job functions or reassign her.

However, such leave shall end no later than fifty-two (52) weeks after the birth.
- (f) An employee whose job functions have been modified, who has been reassigned or who is on leave of absence shall give at least two (2) weeks notice in writing to the Council of any change in duration of the risk or the inability as indicated in the medical certificate, unless there is a valid reason why that notice cannot be given. Changes in the employee's rate of pay which took place during the retroactive period will also be recalculated on the basis set forth in this paragraph.

44.3 Rate of Pay on Promotion

44.3.1 When an employee is appointed by the Council to a higher classification level in the same group, he shall be paid at the nearest rate in the new classification level which gives the employee a salary increase not less than the minimum increment of the higher classification level to which he is being appointed by the Council. If there is no such rate the employee shall be paid the maximum rate in his new scale.

44.3.2 Where an employee who is being paid Acting Pay is promoted to the position for which the employee is receiving Acting Pay, he shall be paid in that position at the rate at which the employee was being paid Acting Pay and the employee's first pay increment in that position shall become due on the date on which it would have become due as if the employee had been promoted to that position on the date on which he was most recently authorized to receive Acting Pay in that position.

44.4 Coincidences of Effective Date

44.4.1 Where there is a coincidence of date of appointment by the Council to a higher level in the same group and either a pay increment date or a general salary revision date or both, the employee's rate shall be adjusted in the following sequence as applicable:

44.4.1.1 the employee shall receive his pay increment;

44.4.1.2 his rate of pay shall be revised in accordance with the general salary revision;

44.4.1.3 his rate of pay on appointment shall be established in the new classification level in accordance with the provisions of sub-clause 44.3.1.

44.5 Pay Increments

44.5.1 Except as provided in sub-clauses 44.5.4 and 44.5.5 of clause 44.5 an employee holding an appointment at one of the classification levels listed in Schedule 1 of this Agreement shall be granted pay increments on completion of the applicable pay increment period until he reaches the maximum rate in the scale of rates for the classification level to which he is appointed.

- 44.5.2 For the purpose of computing periods of service for pay increments a “month” is a calendar month in which an employee receives pay for at least seventy-five (75) hours. Periods of leave without pay and in excess of two (2) months in the case of annual increments will defer an authorized increment by the number of months of leave without pay except as otherwise provided in this agreement. An increment shall not be authorized for any employee during a period of leave of absence without pay except where leave without pay for educational or military purposes or election to a full time municipal office has been authorized by the Council.
- 44.5.3 Where an employee is appointed on promotion, demotion or from outside the Council to a position in the bargaining unit specified in Article 1 and the appointment is after the date of signing of this Agreement, the pay increment date shall be the date of the employee’s appointment to his classification level.
- 44.5.4 The Council may deny a pay increment to an employee if it is satisfied the employee is performing the duties of his position in an unsatisfactory manner. Where the Council intends to deny a pay increment the Council shall give the employee notice in writing of this decision at least two (2) weeks and not more than six (6) weeks prior to the date the pay increment would otherwise have been effective had it been authorized.
- 44.5.5 When an employee appointed to one of the classification levels listed in Schedule 1 of this Agreement is not granted a pay increment on the anniversary date on which a pay increment could normally have been authorized for him, a pay increment may be deferred by the Council to the first day of any month following the month from which the pay increment was deferred, and for subsequent increments in his classification level the employee shall retain the increment date that was applicable to him immediately prior to the denial referred to in sub-clause 44.5.4.

44.6 Payment Following Death of Employee

- 44.6.1 When an employee dies the Council shall pay to the estate of that employee the amount of pay he would have received but for his death for the period from the date of his death to the end of the month in which his death occurred, provided that the employee has been continuously employed in the Public Service for one (1) year.
- 44.6.2 Any previous overpayment of salary to the deceased employee or any debt owing by him to the Council may be recovered from this payment.
- 44.7 A new employee shall be issued his first pay through direct deposit as soon as practical.
- 44.8 If an employee signs and submits to the Council an affidavit stating that he has lost or inadvertently mutilated his pay cheque, the Council shall make arrangements with Public Works and Government Services Canada, to issue a duplicate cheque as soon as possible.

- 44.9 An employee shall receive cheques or cash for pay supplements such as call-back pay, designated holiday pay, and overtime pay, where practicable in the pay period following that in which the pay supplements are earned.
- 44.10 Overtime pay which has been paid to an employee during the period covered by the retroactive general salary revisions (Schedule 1 of this Agreement), will be recomputed and the difference between the amount paid on the old salary scales and the amount payable on the new salary scales effective on the day the overtime was worked will be paid to the employee.
- 44.11 If during the life of this Agreement the Council should establish and implement a new classification standard applicable to employees covered by this Agreement, the Council and the Association shall, before rates of pay are applied to new classification levels resulting from the application of the standard, negotiate new rates of pay if applicable and shall also negotiate rules affecting the pay of employees on their movement to the new classification levels.

ARTICLE 45: TECHNOLOGICAL CHANGE

- 45.1 The parties have agreed that in cases where, as a result of technological change, the services of an employee are no longer required beyond a specified date because of lack of work or the discontinuance of a function, the Work Force Adjustment Policy concluded by the parties will apply. In all other cases, the following clauses will apply:
- 45.2 In this Article "Technological Change" means:
- (a) the introduction by the Council of equipment or material of a substantially different nature than that previously utilized which will result in significant changes in the employment status or working conditions of employees;

or

 - (b) a major change in the Council's operation directly related to the introduction of that equipment or material which will result in significant changes in the employment status or working conditions of the employees.
- 45.3 Both parties recognize the overall advantages of technological change and will, therefore, encourage and promote technological change in the Council's operations. Where technological change is to be implemented, the Council will seek ways and means of minimizing adverse effects on employees which might result from such changes.
- 45.4 The Council agrees to provide as much advance written notice as is practicable but, except in cases of emergency, not less than one hundred and twenty (120) days to the Association of the introduction or implementation of technological change.
- 45.5 The written notice provided for in clause 45.04 will provide the following information:
- (a) the nature and degree of change;

- (b) the anticipated date or dates on which the Council plans to effect change;
 - (c) the location or locations involved.
- 45.6 As soon as reasonably practicable after notice is given under clause 45.04, the Council shall consult meaningfully with the Association concerning the effects of the technological change referred to in clause 45.04 on each group of employees. Such consultation will include but not necessarily be limited to the following:
- (a) the approximate number, classification and location of employees likely to be affected by the change;
 - (b) the effect the change may be expected to have on working conditions or terms and conditions of employment on employees.
- 45.7 When, as a result of technological change, the Council determines that an employee requires new skills or knowledge in order to perform the duties of his substantive position, the Council will make every reasonable effort to provide the necessary training during the employee's working hours and at no cost to the employee.

ARTICLE 46 - TRAVELLING

- 46.1 Where an employee is required by the Council to travel on Council business outside his headquarters area as normally defined by the Council, the method of travel shall be determined by the Council and the employee shall be compensated in the following manner:
- 46.1.1 On a normal working day on which the employee travels but does not work, the employee shall receive his regular pay for the day.
 - 46.1.2 On a normal working day on which the employee travels and works, the employee shall be paid:
 - 46.1.2.1 his regular pay for the day for a combined period of travel and work, and
 - 46.1.2.2 at the applicable overtime rate for additional travel time in excess of the employee's normal workday, with a maximum payment for such additional travel time not to exceed fifteen (15) hours' pay at the straight-time rate in any day.
 - 46.1.3 On his day of rest or on a designated paid holiday on which the employee travels, the employee shall be paid at the applicable overtime rate for hours travelled to a maximum of fifteen (15) hours' pay at the straight-time rate.
- 46.2 Clause 46.1 shall not apply to any period in excess of the normal work day during which the employee is resident in any accommodation for which the Council or its agent absorbs the cost. However, travelling time shall include time necessarily spent at each stop-over up to a maximum of three (3) hours at each such stop-over.

- 46.2.1 An employee may, subject to the approval of the Council, make an irrevocable election to receive leave with pay in lieu of the compensation provided under sub-clauses 46.1.2.2 and 46.1.3.
 - 46.2.2 Consistent with operational requirements and subject to adequate advance notice by the employee, the Council shall grant compensatory leave at times which are mutually acceptable to the employee and the Council.
 - 46.2.3 Compensatory leave credits earned but not granted by the end of September each year will be liquidated by means of compensation by cheque to the employee on the basis of one (1) hour's pay at the straight-time rate for each hour of compensatory leave so liquidated.
- 46.3 Clause 46.1 does not apply to an employee travelling by means of any type of transport in which the employee is required by the Council to perform work. In such circumstances, the employee shall receive the greater of:
- 46.3.1 on a normal working day, his regular pay for the day, or
 - 46.3.2 pay for actual hours worked in accordance with the Designated Holidays, Hours of Work and Overtime articles of this Agreement.
- 46.4 Where an employee is required by an authorized officer of the Council to travel on his days of rest or on a designated holiday to attend a course, conference or seminar, the provisions of clause 46.1 shall apply.
- 46.5 Where an employee is permitted, but not required, by an authorized officer of the Council to attend a course, conference or seminar, the provisions of clause 46.1 shall not apply, and no compensation shall be payable to the employee for time he travels outside his normal hours of work.

ARTICLE 47 - RELIGIOUS OBSERVANCE

- 47.1 The Council shall make every reasonable effort to accommodate an employee who requests time off to fulfill his religious obligations.
- 47.2 Employees may, in accordance with the provisions of this Agreement, request annual leave, compensatory leave, leave without pay for other reasons or a shift exchange (in the case of a shift worker) in order to fulfill their religious obligations.
- 47.3 Notwithstanding clause 47.2, at the request of the employee and at the discretion of the Council, time off with pay may be granted to the employee in order to fulfill his religious obligations. The number of hours with pay so granted must be made up hour for hour within a period of six (6) months, at times agreed to by the Council. Hours worked as a result of time off granted under this clause shall not be compensated nor should they result in any additional payments by the Council.

- 47.4 An employee who intends to request leave or time off under this Article must give notice to the Council as far in advance as possible but not later than four (4) weeks before the requested period of absence.

ARTICLE 48 - NO DISCRIMINATION

- 48.1 There shall be no discrimination, interference, restriction, coercion, harassment, intimidation, or any disciplinary action exercised or practiced with respect to an employee by reason of age, race, creed, colour, national origin, religious affiliation, sex, sexual orientation, family status, mental or physical disability, membership or activity in the Association, marital status or a conviction for which a pardon has been granted.
- 48.2 Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.
- 48.3 If by reason of paragraph 48.2 a level in the grievance procedure is waived, no other level shall be waived except by mutual agreement.
- 48.4 By mutual agreement, the parties may use a mediator in an attempt to settle a grievance dealing with discrimination. The selection of the mediator will be by mutual agreement.

ARTICLE 49 - SEXUAL HARASSMENT

- 49.1 The Association and the Council recognize the right of employees to work in an environment free from sexual harassment and agree that sexual harassment will not be tolerated in the work place.
- 49.2 Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.
- 49.3 If by reason of paragraph 49.2 a level in the grievance procedure is waived, no other level shall be waived except by mutual agreement.
- 49.4 By mutual agreement, the parties may use a mediator in an attempt to settle a grievance dealing with sexual harassment. The selection of the mediator will be by mutual agreement.

- 56.1.2 Under no circumstances shall the maximum severance pay provided under this article be pyramided. APPENDIX C -EMPLOYEE WELLNESS AND SUPPORT

The National Research Council of Canada (NRC) and the Research Council Employees Association (RCEA) agree that agreements reached between Treasury Board and the Professional Institute of the Public Service of Canada (PIPSC) and Treasury Board and the Public Service Alliance of Canada (PSAC), with respect to an Employee Wellness and Support Program (EWSP), will be provided to the RCEA Purchasing and Supply Group (PG) to negotiate inclusion of an EWSP agreement in the collective agreement. In the event there are differences in the agreements reached between the Treasury Board and the PIPSC and the agreement reached between Treasury Board and the PSAC, the NRC and RCEA will negotiate the specific agreement (either the PIPSC or the PSAC agreement) that will be provided to the membership for ratification and inclusion into the collective agreement.

The parties agree to continue the current practice of working collaboratively to address concerns with respect to employee wellness and the reintegration of employees into the workplace after periods of leave.

APPENDIX D - Memorandum of Understanding Between the National Research of Council Canada and the Research Council Employees Association with Respect to Implementation of the Collective Agreement.

This memorandum is to give effect to the understanding reached between the Employer and the Research Council Employees Association in respect of the implementation period of the collective agreement.

The provisions of this collective agreement shall be implemented by the parties within a period of one hundred and twenty (120) days from the date of signing.

**** APPENDIX E - MEMORANDUM OF UNDERSTANDING BETWEEN THE NATIONAL RESEARCH COUNCIL OF CANADA (NRC) AND RESEARCH COUNCIL EMPLOYEES' ASSOCIATION (RCEA) WITH RESPECT TO IMPLEMENTATION OF THE COLLECTIVE AGREEMENT**

Notwithstanding the provisions of *Pay Notes to Schedule 1* on the calculation of retroactive payments and *Appendix D* on the collective agreement implementation period, this memorandum is to give effect to the understanding reached between the Employer and the Research Council Employees' Association regarding a modified approach to the calculation and administration of retroactive payments for the current round of negotiations.

1. Calculation of retroactive payments

- a. Retroactive calculations that determine amounts payable to employees for a retroactive period shall be made based on all transactions that have been entered into the pay system up to the date on which the historical salary records for the retroactive period are retrieved for the calculation of the retroactive payment.
- b. Retroactive amounts will be calculated by applying the relevant percentage increases indicated in the collective agreement rather than based on pay tables in agreement annexes.

The value of the retroactive payment will differ from that calculated using the traditional approach, as no rounding will be applied. The payment of retroactive amount will not affect pension entitlements or contributions relative to previous methods, except in respect of the rounding differences.

- c. Elements of salary traditionally included in the calculation of retroactivity will continue to be included in the retroactive payment calculation and administration, and will maintain their pensionable status as applicable. The elements of salary included in the historical salary records and therefore included in the calculation of retroactivity include:

- Substantive salary
- Promotions
- Deployments
- Acting pay
- Extra duty pay/Overtime
- Additional hours worked
- Maternity leave allowance
- Parental leave allowance
- Vacation leave and extra duty pay cash-out
- Severance pay
- Salary for the month of death
- Transition Support Measure
- Eligible allowances and supplemental salary depending on collective agreement

- d. The payment of retroactive amounts related to transactions that have not been entered

in the pay system as of the date when the historical salary records are retrieved, such as acting pay, promotions, overtime and/or deployments, will not be considered in determining whether an agreement has been implemented.

- e. Any outstanding pay transactions will be processed once they are entered into the pay system and any retroactive payment from the collective agreement will be issued to impacted employees.

2. Implementation

- a. The effective dates for economic increases will be specified in the agreement. Other provisions of the collective agreement will be effective as follows:
 - i. All components of the agreement unrelated to pay administration will come into force on signature of agreement.
 - ii. Changes to existing compensation elements such as premiums, allowances, insurance premiums and coverage and changes to overtime rates will become effective within one-hundred and eighty (180) days after signature of agreement, on the date at which prospective elements of compensation increases will be implemented under 2(b)(i).
 - iii. Payment of premiums, allowances, insurance premiums and coverage and overtime rates in the collective agreement will continue to be paid until changes come in to force as stipulated in 2(a)(ii).
- b. Collective agreement will be implemented over the following timeframes:
 - i. The prospective elements of compensation increases (such as prospective salary rate changes and other compensation elements such as premiums, allowances, changes to overtime rates) will be implemented within one-hundred and eighty (180) days after signature of agreement where there is no need for manual intervention.
 - ii. Retroactive amounts payable to employees will be implemented within one-hundred and eighty (180) days after signature of the agreement where there is no need for manual intervention.
 - iii. Prospective compensation increases and retroactive amounts that require manual processing by compensation advisors will be implemented within five-hundred and sixty (560) days after signature of agreement. Manual intervention is generally required for employees on an extended period of leave without pay (e.g., maternity/parental leave), salary protected employees and those with transactions such as leave with income averaging, pre-retirement transition leave and employees paid below minimum, above maximum or in between steps. Manual intervention may also be required for specific accounts with complex salary history.

3. Employee Recourse

- a. An employee who is in the bargaining unit for all or part of the period between the first day of the collective agreement (i.e., the day after the expiry of the previous collective agreement) and the signature date of the collective agreement will be entitled to a non-pensionable amount of four hundred dollars (\$400) payable within one-hundred and eighty (180) days of signature, in recognition of extended implementation timeframes and the significant number of transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved.
- b. Employees in the bargaining unit for whom the collective agreement is not implemented within one-hundred and eighty one (181) days after signature will be entitled to a fifty dollar (\$50) non-pensionable amount; these employees will be entitled to an additional fifty dollar (\$50) non-pensionable amount for every subsequent complete period of ninety (90) days their collective agreement is not implemented, to a total maximum of nine (9) payments. These amounts will be included in their final retroactive payment. For greater certainty, the total maximum amount payable under this paragraph is four hundred and fifty dollars (\$450).
- c. If an employee is eligible for compensation in respect of section 3 under more than one collective agreement, the following applies: the employee shall receive only one non-pensionable amount of four hundred dollars (\$400); for any period under 3(b), the employee may receive one fifty \$50 payment, to a maximum total payment of four hundred and fifty dollars (\$450).
- d. Should the Treasury Board of Canada negotiate higher amounts for 3(a) or 3(b) with any other bargaining agent representing Core Public Administration employees, NRC will compensate RCEA - PG group members for the difference in an administratively feasible manner.
- e. Late implementation of the 2018 collective agreements will not create any entitlements pursuant to the Agreement between the CPA Bargaining Agents and the Treasury Board of Canada with regard to damages caused by the Phoenix Pay System.
- f. Employees for whom collective agreement implementation requires manual intervention will be notified of the delay within one-hundred and eighty (180) days after signature of the agreement.
- g. Employees will be provided a detailed breakdown of the retroactive payments received and may request that the departmental compensation unit or the Public Service Pay Centre verify the calculation of their retroactive payments, where they believe these amounts are incorrect. The Employer will consult with the RCEA regarding the format of the detailed breakdown.
- h. In such a circumstance, for employees in organizations serviced by the Pay Centre, they must first complete a Phoenix feedback form indicating what period they believe is missing from their pay.
