ARTICLE 1 – PURPOSE

- 1.01 The purpose of this Agreement is to establish and maintain an orderly collective bargaining relationship, including securing the prompt disposition of grievances as provided herein, between the Hospital, the Union, and the employees represented by it, which will assist and promote the successful operation of the Hospital as a public service institution intended to provide Health Care Services to the General public.

ARTICLE 2 – SCOPE AND RECOGNITION

See the Local Provisions Appendix L2.

ARTICLE 3 – MANAGEMENT RIGHTS

See the Local Provisions Appendix L3.

ARTICLE 4 – DEFINITIONS

See the Local Provisions Appendix L4.

ARTICLE 5 – UNION SECURITY

5.01 Union Dues

As a condition of employment, the Hospital will deduct from each employee covered by this Agreement an amount equal to the regular monthly union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees, such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those authorized by the Union and the Union shall notify the Hospital of any changes therein and such notification shall be the Hospital's conclusive authority to make the deductions specified.

In consideration of the deducting of union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

5.02 Interview Period

It is agreed that upon commencement of employment new employees will be advised by a representative of the Hospital of the existence of the Union and the conditions surrounding their employment as contained in the herein collective agreement and any rules that may be formulated under its terms. It is also agreed that a representative of the union will be given an opportunity to interview each employee once within the completing month of his/her probationary period for the purpose of ascertaining the wishes of the employee concerning membership in the Union. Such interview may take place on the day of orientation. The Hospital will notify the Union monthly of the names of those employees who are completing their probationary period and on request will arrange a time and place for such interview that time of which shall not exceed 15 minutes. Neither employee shall suffer loss of regular pay as a result of such interview.

5.03 Access to Premises

The Union agrees that neither it, nor its officers, agents, representatives and members will engage in the solicitation of members, holding of meetings or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this Agreement. Such approval will not be unreasonably denied.

The Hospital will grant the President of the Local Union and the National Representatives of the Union entry into the facility upon proper notification. Such permission shall not be unreasonably denied.

5.04 Data to be supplied to the Union/Employee Lists

On or before the end of each month the hospital shall remit by cheque the total amount of deductions made in the month and accompanying the list shall be a list of:

- 1) Names of employees from whom deductions have been made.
- 2) Names of employees from whom no deduction were made, and the reasons why no such deductions were made

On a one-time basis the Employer will provide the addresses of members of the bargaining unit. This information will be provided when new employees are hired, and updated annually to reflect changes in address as necessary.

5.05 Posting of Seniority Lists

See the Local Provisions Appendix L5.

5.06 Bulletin Boards

See the Local Provisions Appendix L5.

5.07 T4 Slips

T4 slips issued annually to employees shall show deductions made for union dues.

5.08 Access to Personnel File

The Hospital agrees to maintain a personnel record file for each employee. An employee's personnel file shall be made available and open to the employee for his or her inspection at any reasonable time during regular office hours. Access will be in the presence of a Human Resources or Administrative staff member.

ARTICLE 6 – NO DISCRIMINATION

6.01 No Discrimination

It is agreed that there will be no discrimination by either party or by any of the employees covered by this Agreement on the basis of political affiliation or on the basis of race, creed, colour, national origin, sex, marital status, disability, age, religious affiliation, sexual orientation or any other factor which is not pertinent to the employment relationship as it may be set out in the *Ontario Human Rights Code* from time to time.

The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members, because of an employee's membership or non-membership in the Union or because of his activity or lack of activity in the Union.

ARTICLE 7 – WORKPLACE HARASSMENT

7.01 Workplace Harassment

The Hospital and the Union are committed to ensuring a work environment that is free from harassment. Harassment is defined as a "course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome", that denies individual dignity and respect on the basis of the grounds such as gender, disability, race, colour, sexual orientation or other prohibited grounds, as stated in

the *Ontario Human Rights Code*. All employees are expected to treat others with courtesy and consideration and to discourage harassment. ref. Ontario Human Rights Code, Sec. 10(1).

Harassment may take many forms including verbal, physical or visual. It may involve a threat, an implied threat or be perceived as a condition of employment.

The Parties agree that harassment is in no way to be construed as properly discharged supervisory responsibilities, including the delegation of work assignments and/or the assessment of discipline.

If an employee believes that she/he has been harassed and/or discriminated against on the basis of any prohibited ground of discrimination, there are specific actions that may be undertaken. The employee should request the harasser to stop the unwanted behaviour by informing the harassing individual(s) that the behaviour is unwanted and unwelcome. Should the employee not feel comfortable addressing the harasser directly, she/he may request the assistance of the manager or a Union representative. If the unwelcome behaviour was to continue, the employee will consult the Hospital policy on harassment and will be free to pursue all avenues including the complaint investigation and resolution.

The Parties agree that an employee may have a representative of the Union with her/him throughout the process, if requested.

ARTICLE 8 – NO STRIKE/LOCKOUT

8.01 No Strike/Lockout

The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the *Ontario Labour Relations Act*.

ARTICLE 9 – UNION REPRESENTATION AND COMMITTEES

9.01 Committee Meetings

All Union committee meetings as set out in the collective agreement, shall be scheduled at a mutually agreeable time between the parties.

9.02 Grievance Committee

The Hospital will recognize a Grievance Committee composed of up to (as defined in the local provisions under L9) union representatives selected/elected by the union who have completed their probationary period. The grievor will be entitled to attend any meeting pertaining to his/her grievance. A general

representative of the union may be present at any meeting of the grievance committee. The purpose of the committee is to deal with grievances as set out in this collective agreement.

Grievance committee representatives shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending these meetings up to but not including arbitration.

9.03 Union Stewards

- (a) The Hospital agrees to recognize Union Committee members to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Unit Chairperson may be appointed or elected. The Unit Chairperson may, in the absence of any Committee member, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union Committee members have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union Committee member is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such Union Committee member shall again report to his immediate supervisor. A Union Committee member shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.
- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice versa.
- (f) The number of stewards and the areas which they represent are to be determined locally. *(See Local Provisions Appendix L9)*
- (g) Official Unifor steward lapel pins may be worn by stewards that have been confirmed in writing to the corporation by the Union.

9.04 Central Bargaining Committee

Notwithstanding the foregoing provisions, in the event the parties to this agreement agree to negotiate for its renewal through the process of central bargaining, either party to this agreement may give notice to the other party of its desire to bargain for amendments on local matters proposed for incorporation in the renewal of this agreement not earlier than six (6) calendar months nor later than three (3) calendar months prior to the normal termination date of this agreement. Upon receipt of such notice by one party from the other, both parties will meet within fifteen (15) days thereafter for the purpose of bargaining on local matters.

It is understood and agreed that "local matters" means those matters which have been determined by mutual agreement between the Central Negotiating Committees respectively representing each of the parties to this agreement as being subjects for local bargaining directly between the parties to this agreement. It is also agreed that local bargaining shall be subject to such procedures as may be determined by mutual agreement between the Central Negotiating Committees referred to above.

An employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to a maximum of ten (10) days.

For greater clarity, central bargaining and the utilization of the paid time for the Union's Central Negotiating Committee members shall not commence until:

- (a) The local parties reach a mutually agreed upon settlement; or,
- (b) An impasse is reached between the union and the hospital at the local level.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be twelve (12).

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the hospitals accordingly.

It is understood that this clause does not apply to a Hospital that is not participating in Central Bargaining.

9.05 Local Negotiating Committee

- (a) The Hospital agrees to recognize (*as defined in the local provisions under L9*) number of Negotiating Committee members as outlined in the local appendix to represent their respective bargaining units. This committee shall be comprised of the unit chairperson in addition to (*as defined in the local provisions under L9*) number of committee members to be elected or appointed from amongst employees in the Bargaining Unit who have completed their probationary period.
- (b) Where the Hospital participates in master bargaining, the purpose of the Local Negotiating Committee shall be to negotiate local issues as defined by the central parties.
- (c) Where the Hospital does not participate in master bargaining, the purpose of the Local Negotiating Committee shall be to negotiate a renewal of this Collective Agreement.
- (d) The Hospital agrees that the members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to and including conciliation. Hours compensated during negotiations will be credited towards part-time employees seniority in accordance with this article.
- (e) Nothing in this provision is intended to preclude the Local Negotiating Committee from having the assistance of any Unifor National or Local representatives when engaged in local negotiations with the Hospital.

9.06 Labour/Management Committee

The parties agree that matters of mutual concern should be discussed at a Labour/Management Committee meeting. Membership shall consist of equal numbers of representatives which shall be determined locally. Meetings will be conducted as necessary with either party requesting a meeting in writing coupled with a proposed agenda.

The Labour/Management committee representatives shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending these meetings.

9.07 It may become necessary for the Employer to meet with the Unit Chairperson or alternate to discuss matters arising out of the administration of the Collective Agreement as well as other labour-management issues.

Where the Employer requests such meetings and the meetings are scheduled outside of the Unit Chairperson or alternate's scheduled hours of work, then the

Employer will compensate the Unit Chairperson or alternate for time spent at such meetings. Such compensation shall be in the form of payment at the Unit Chairperson or alternate's straight time hourly rate. Such payment, however, shall not exceed a cumulative total of (as defined in local provisions under L9) hours per month. Such hours will be invisible for purposes of determining premium payment (i.e., these hours will not be counted for purposes of determining eligibility for premium payment on other hours worked).

To qualify for such payment, the Unit Chairperson or alternate will submit, at the end of each month, a record of times and dates of these meetings to Human Resources. Payment will be issued on the Unit Chairperson's or alternate's next payroll cheque, subject to all applicable taxes. Notwithstanding the above, the Unit Chairperson's or alternate's Manager will consider such request. If approved, then the Manager and the Unit Chairperson or alternate will mutually agree on when the time will be taken.

9.08 Union Representatives

The Hospital shall grant the President of the Local Union and the National Representatives of the Union entry into the Hospital upon proper notification of who may be present with the Committee at any meeting with the Hospital.

9.09 Union Chairperson

The Hospital agrees to retain the Union Chairperson at work during his or her respective terms of office during layoffs, provided the Union Chairperson is qualified to perform available work.

ARTICLE 10 – ADMINISTRATION OF DISCIPLINE

10.01 Administration of Discipline

At the time formal discipline is imposed or at any stage of the grievance procedure, an employee shall have the right to the presence of her committee member. In the case of suspension or discharge, the committee member will be present unless the employee waives this right in the presence of the committee member.

Wherever the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall forward to the Union notice of such suspension or discharge in writing, at the same time it is given to the employee.

10.02 Letters of Reprimand

The Hospital agrees that in considering the imposition of any disciplinary penalty including discharge, no weight will be given to letters of warning in respect of

matters which occurred more than eighteen (18) months prior to the date of the matters under current consideration (this date being the date upon which discipline is originally imposed), except in circumstances where disciplinary action of related matters has occurred within the eighteen (18) month period. Leaves of absences in excess of 30 calendar days will not count toward the eighteen (18) month period.

ARTICLE 11 – GRIEVANCE PROCEDURE

- 11.01 For the purpose of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Hospital or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement.
- 11.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.
- 11.03 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. The grievor may have the assistance of a *committee member* if she so desires.

Such complaint shall be discussed with her immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following her immediate supervisor's decision in the following manner and sequence:

Step 1

The employee shall submit the grievance, in writing, and signed by her, to (designated by Hospital as referenced in the local provisions). The employee may be accompanied by a committee member. The (designated by Hospital as reference in the local provisions) will deliver her decision in writing to the committee member within five (5) days following the day on which the written grievance was presented to her. The Union and the Hospital may meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

Step 2

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the (designated by Hospital as referenced in the local provisions).

A meeting will then be held between the (designated by Hospital as referenced in the local provisions) and the designated Union representatives who may be accompanied by the general representative of the Union, within five (5) days of the submission of the grievance at Step 2, unless extended by mutual agreement of the parties.

The decision of the Hospital shall be delivered to the Union in writing within ten (10) days following the date of such meeting.

11.04 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 2 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which she could have instituted herself and the regular grievance procedure shall not be thereby by-passed.

Where the grievance is a Hospital grievance it shall be filed with the Union/Grievance Committee.

11.05 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the (designated by Hospital as referenced in the local provisions) within ten (10) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

11.06 Discharge/Suspension Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged or suspended, such claim must be submitted by the employee, who may be accompanied by a Union steward, or by a Committee member at Step 2 of the grievance procedure to the Hospital within five (5) days following the date the discharge or suspension is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Hospital's action in suspending or discharging the employee, or

- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- (c) any other arrangement which may be deemed just and equitable.

11.07 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.

ARTICLE 12 – ARBITRATION PROCEDURE

- 12.01 (i) Failing settlement under the foregoing procedure any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 2 is given, the grievance shall be deemed to have been abandoned.
- (ii) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (i) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.
- 12.02 All agreements reached, under the grievance procedure, between the representatives of the Hospital and representatives of the Union will be final and binding upon the Hospital, the Union and the employee(s).
- 12.03 (i) The parties may, upon mutual agreement, agree to a sole arbitrator who shall proceed by way of mediation-arbitration. The party making the request shall do so in writing and at the same time, it shall propose the name of a sole arbitrator. Within five (5) calendar days thereafter, the other party shall agree in writing or propose an alternate name(s). If there is no agreement within ten (10) calendar days, the Minister of Labour shall have the power to effect such appointment upon application thereto by the party invoking the arbitration procedure. Once appointed, the sole arbitrator shall have all powers as set out in Section 50 of the *Labour Relations Act* including the power to impose a settlement and to limit evidence and submissions.
- (ii) Where the parties do not agree to use a sole arbitrator as provided in (i) above, either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt

to agree upon a chairperson of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairperson within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairperson.

- 12.04 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.
- 12.05 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 12.06 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 12.07 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority, the decision of the Chairperson, will be final and binding upon the parties hereto and the employee or employees concerned.
- 12.08 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairperson of the Arbitration Board.
- 12.09 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.
- 12.10 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 13 – SENIORITY

13.01 Probationary Period

A new employee will be considered on probation until she has completed forty-five days of work (337.5 hours of work for employees whose regular hours of work are other than the standard work day) within any twelve calendar months. Upon completion of the probationary period she shall be credited with seniority equal to forty-five working days. With the written consent of the Hospital, the probationary employee, and the Unit Chairperson or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. Such extensions shall not be unreasonably denied. The release or discharge of an employee during the

probationary period shall not be the subject of a grievance or arbitration and is at the sole discretion of the Hospital.

13.02 Definition of Seniority

Full-Time

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

Part-Time

Part-time employees will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

13.03 Transfer of Service and Seniority

Effective October 10, 1986, and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall receive credit for her full service and seniority.

- (a) An employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis of one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.
- (b) Where the Hospital transfers an employee from one Unifor bargaining unit to another Unifor bargaining unit or union to non-union or vice versa, that employee will be allowed to carry accrued service, as it applies only to benefit entitlement and vacation entitlement and progression on the wage grid, i.e. Schedule "A" to the new bargaining unit.

- (c) If at any time the seniority of a part-time employee is to be compared with the seniority of a full-time employee for any reason, a part-time employee's seniority shall be converted to the equivalent full-time seniority on the basis of 1725 hours worked as one year. Notwithstanding, at no time and for any reason can a part-time employee's seniority pre-date their actual date of hire after the conversion to the full-time equivalent.

13.04 Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- (a) the employee quits or retires;
- (b) the employee is discharged and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (d) the employee fails to return to work upon the expiration of a leave of absence or utilizes a leave of absence for a purpose other than that for which it was granted;
- (e) employee has been laid off for forty-eight (48) months;
- (f) the employee fails, upon being notified of a recall, to signify her intention to return within five (5) working days after she has received the notice of recall through registered mail addressed to the last address on the records of the Hospital, and fails to report to work within ten (10) working days after she has received the notice of recall;

Note: The clause shall be interpreted in a manner consistent with the provisions of the *Ontario Human Rights Code*.

13.05 Effect of Absence

((a), (b) and (c) of the following clause are applicable to Full-Time only):

Unless otherwise provided in this Collective Agreement:

- (a) It is understood that, during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- (b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or

any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly, in addition, the employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of the absence except that the Hospital will continue to pay its share of the premiums for up to thirty (30) months while an employee is in receipt of W.S.I.B. benefits. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to disability resulting in W.S.I.B. benefits.

Effective October 11, 2002, the Hospital will continue to pay its share of the premiums up to thirty (30) months while an employee is in receipt of WSIB or LTD benefits. Such payment shall also continue while an employee is on sick leave (including the Employment Insurance Period) to a maximum of thirty (30) months from the time the absence commenced.

- (c) It is further understood that, during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or layoff shall be suspended and not accrue during the period of absence. Notwithstanding this provision, seniority shall accrue for a period of thirty (30) months if an employee's absence is due to disability resulting in W.S.I.B. benefits or LTD benefits, or for a period of one (1) year if an employee's unpaid absence is due to an illness.

Part-Time

Part-time employees shall accrue seniority for a period of eighteen (18) months and service for a period of fifteen (15) weeks if absent due to a disability resulting in W.S.I.B. benefits, on the basis of what the employee's normal regular hours of work would have been.

For leaves which commence on or after the date of ratification, notwithstanding this provision, part-time employees shall accrue seniority for a period of thirty (30) months and service for a period of fifteen (15) weeks if absent due to illnesses greater than six (6) weeks or a disability resulting in WSIB benefits, on the basis of what the employee's normal regular hours of work would have been.

13.06 Transfer to Positions Outside of the Bargaining Unit

An employee who is transferred to a position outside the bargaining unit for a period of up to twelve (12) months, or such longer period of time as may be agreed by the Local Union and the Hospital, shall retain but not accumulate seniority held at the time of the transfer. In the event the employee is returned to a position in the bargaining unit she shall be credited with the seniority held at the

time of transfer and resume accumulation from the date of her return to the bargaining unit.

13.07 Transfer at Instance of Hospital

If at the instance of the Hospital an employee is transferred to another classification carrying a rate in a lower or identical range, the employee shall not suffer thereby a reduction in rate of pay.

13.08 Transfer at Request of Employees

See the Local Provisions Appendix L13.

ARTICLE 14 – JOB SECURITY

14.01 (a) With respect to the development of any operating or re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process as soon as practicable and, in any event, in advance of such plans or proposals being finalized and notices of layoff being issued or other actions taken that would adversely affect the bargaining unit and through to the final phases of the process.

(b) Labour Adjustment Committee

In addition to that, and to any other planning committee in the Hospital of a more broadly representational make-up, there shall be immediately established a Labour Adjustment Committee for the bargaining unit, which shall meet during the term of this agreement every three months, unless otherwise mutually agreed by the parties. It shall be the function of the Labour Adjustment Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit, including:

- (i) identifying and proposing possible alternatives to any action that the hospital may propose taking;
- (ii) identifying and seeking ways to address the retraining needs of employees;
- (iii) identifying vacant positions within the Hospital for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal number of representatives of the hospital and from the Union. The number of representatives is to be

determined locally, and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly-scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Labour Adjustment Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Hospital and the Board of Trustees. Where there is no consensus within the Committee, the individual members of the committee shall be entitled to submit their own recommendations. Any agreement between the Hospital and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this agreement.

14.02 Notice of Lay-off

(a) Notice

In the event of a proposed layoff at the Hospital of a permanent or long-term nature, the Hospital shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff; and
- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

- (b) A layoff shall not include a reassignment of an employee from her classification or area of assignment who would otherwise be entitled to notice of layoff provided:
- (i) Reassignments will occur in reverse order of seniority;
 - (ii) the reassignment of the employee is to an appropriate permanent job with the employer having regard to the employee's skills, abilities, qualification and training or training requirements;
 - (iii) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;
 - (iv) the job to which the employee is reassigned is located at the employees original work site or at a nearby site in terms of relative accessibility for the employee;
 - (v) the job to which the employee is reassigned is on the same or similar shift or shift rotations; and
 - (vi) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

14.03 Severance and Retirement Options

- (a) (i) Where an employee resigns within 30 days after receiving notice of layoff pursuant to article 14.02 (a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of sixteen (16) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.

- (ii) Where an employee resigns later than 30 days after receiving notice pursuant to article 14.02(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and fifty (\$1,250) dollars.
- (b) Prior to issuing notice of layoff pursuant to article 14.02(a)(ii) in any classification(s), the Hospital will offer early-retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under article 14.02(a)(ii).

Within thirty (30) days from the date of notice of layoff, an employee who has received notice of layoff of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of two (2) weeks' pay for each year of service with the Hospital to a maximum of fifty-two (52) weeks on the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

Note: The Hospital may offer any employee a retirement option as provided above, in order to avoid potential layoffs in the unit.

- (c) A full-time employee who has completed one year of service and
 - (i) whose lay-off is permanent, or
 - (ii) who is laid off for 26 weeks in any 52 week period, and who has not elected to receive a severance payment under either (a) or (b) of this Article,shall be entitled to severance pay equal to the greater of two weeks' pay, or one week's pay per year of service to a maximum of 26 weeks' pay. This entitlement shall not be in addition to any entitlement to severance pay under the *Employment Standards Act*, but at the same time, shall not preclude an employee from claiming

any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

14.04 Layoff and Recall

- (a) In the event of lay-off, the Hospital shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.
- (b) An employee who is subject to lay-off shall have the right to either:
 - (i) accept the lay-off; or
 - (ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

- (iii) The decision of the employee to choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of lay-off. Employees failing to do so will be deemed to have accepted lay-off.

- (c) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed.
- (d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (e) An employee recalled to work in a different classification or who exercised his or her displacement rights to a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.
- (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (g) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Hospital.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be disentitled thereto solely because of the day on which the lay-off commenced.

- (k) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of lay-off.
- (l) Voluntary Exit: After early retirement offers and before any lay-off notices are issued to employees in classifications where downsizing is occurring, the Hospital on a voluntary basis may offer exit packages of two (2) weeks to a maximum of 52 weeks pay to affected employees.

14.05 Benefits on Lay-Off

In the event of a layoff of a full-time employee, the Hospital shall pay its share of insured benefits premium up to three (3) months of the end of the month in the which the layoff occurs or until the laid off employee is employed elsewhere, whichever occurs first.

ARTICLE 15 – NO CONTRACTING OUT

15.01 The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than Casual part-time employees results from such contracting out.

15.02 Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

15.03 On request by the Union the Hospital will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees may be utilized to deliver such services in the future. The Hospital further agrees that the results of their review will be submitted to the Labour Adjustment Committee for its consideration.

ARTICLE 16 – WORK OF THE BARGAINING UNIT

16.01 Work of the Bargaining Unit

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

Note: The purpose of this clause is the protection of the work of the bargaining unit employees and not the broadening of that work to other areas.

16.02 Volunteers

The use of volunteers to perform bargaining unit work shall not be expanded beyond the extent of existing practice as of June 1, 1986.

16.03 Employment Agencies

Prior to enlisting the services of an employment agency, the Hospital will attempt to contact part-time staff who would normally perform the duties in question.

16.04 Ratio of R.N.'s to R.P.N.'s

At the time of considering whether or not to alter the ratio of R.N.'s to R.P.N.'s in any department, the Hospital agrees to consult with the Union in advance of any decision being made and, again in advance of any decision being made, the senior administrator of the Hospital agrees to meet with and to entertain submissions from the Union with respect to the merits of maintaining the existing ratio.

In addition to the above process and apart from it where a change in the ratio is planned by the Hospital and it does not arise because of employee retirement, resignation or death then it can only be carried out following a full and complete disclosure to the Union of the plan and the Hospital and the reasons for it. After full and complete disclosure to the Union, the Hospital and Union are to meet and discuss the plan and the reasons with a view to possibly modifying them including maintaining the existing ratio. The planned change in the ratio cannot be implemented by the Hospital for a period of forty-five (45) days from the date of full and complete disclosure to the Union; and only implemented if there has been the consultative process required by this clause carried out in good faith by the Hospital.

ARTICLE 17 – TECHNOLOGICAL CHANGE

- 17.01 Technological Change means the automation of equipment, or the mechanization or automation of operations, or the replacement of existing equipment or machinery with new equipment or machinery which results in the displacement of an employee from her regular job.
- 17.02 Where the Hospital has decided to introduce a technological change which will significantly alter the status of an employee within the bargaining unit, the Hospital undertakes to meet with the Union to consider the minimizing of adverse effects (if any) upon the employees concerned.
- 17.03 Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.
- 17.04 Employees with one (1) or more years of continuous service who are subject to layoff under conditions referred to above, will be given notice of impending change in employee status at the earliest reasonable time in keeping with the notice to the Union as set out above and the requirements of the applicable legislations.
- 17.05 Each employee required to use a VDT more than four (4) hours per day, shall be given eye examinations at the beginning of employment or assignment to VDTs and every twelve (12) months thereafter. The eye examinations shall be paid for by the Hospital where not covered by OHIP.

ARTICLE 18 – JOB POSTING

- 18.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of seven (7) days, excluding Saturday, Sunday and holidays. Vacancies created by the filling of an initial permanent vacancy within the bargaining unit shall be posted for a period of three (3) consecutive days excluding Saturday, Sunday and holidays. All applications are to be made in writing within the posting period.
- 18.02 The postings referred to in Article .01 shall stipulate the qualifications, classification, rate of pay, and department and shift and a copy shall be provided to the Unit Chairperson.

- 18.03 Employees shall be selected for positions under Article .01 on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be provided to the Unit Chairperson and unsuccessful applicants will be notified.
- 18.04 Where there are no successful applicants from within this bargaining unit for positions referred to in Article .01 employees in other Unifor service bargaining units at the Hospital will be considered for such positions prior to considering persons not employed by the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with Article .01, and selection shall be made in accordance with Article .03 above.
- 18.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. In filling such vacancies, consideration shall be given to part-time employees in Unifor service bargaining units who have recorded their interest in writing prior to considering persons not employed by the Hospital. In considering such part-time employees, the criteria for selection in .03 shall apply. Part-time employees selected to fill a vacancy under this Article will continue to maintain their part-time status and upon completion of the assignment the employee will return to her former position.
- 18.06 The Hospital shall have the right to fill any vacancy on an interim basis until the posting procedure herein has been complied with, and arrangements have been made to assign the employee selected to fill the vacancy to the job. No grievance may be filed concerning such temporary arrangements.
- 18.07 The successful applicant will be placed in the vacancy for a trial period not exceeding forty-five (45) working days and if the employee proves satisfactory, then he shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels she is unable to perform the duties of the vacancy to which she is posted, the employee will be returned to her former position at her former salary or rate of pay, as will any other employee in the Bargaining Unit who was promoted or transferred by reason of such placing. Newly hired employees shall be terminated and such termination shall not be subject to the grievance and arbitration procedure. The trial period may be extended upon mutual agreement of both parties. Such extensions shall not be unreasonably denied.
- 18.08 Successful applicants and newly hired employees will not be permitted to apply for job postings or any subsequent vacancies for a period of six (6) months, except where a part-time employee is applying for a permanent full-time position or the parties mutually agree otherwise.

18.09 The Hospital shall notify the union of the elimination of a vacant position.

ARTICLE 19 – LEAVES OF ABSENCE

19.01 Bereavement Leave

Any employee who notifies the Hospital as soon as possible following a bereavement will be granted bereavement leave for four (4) consecutive working days off without loss of regular pay from regularly scheduled hours, within seven (7) calendar days (for a total of 8 days including the date of death), in conjunction with the death of the spouse, child or parent.

An employee who notifies the Hospital as soon as possible following a bereavement shall be granted up to three (3) consecutive working days off, without loss of her/his regular pay from regularly scheduled hours, within seven (7) calendar days (for a total of 8 days including the date of death), in conjunction with the death of an immediate family member.

“Immediate family” means brother, sister, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent, grandchild, step-child, guardian or step-parent.

Notwithstanding the above, individuals will be granted flexibility to distribute their bereavement leave entitlement, in excess of one (1) day, over two (2) occasions, not exceeding the number of days of bereavement leave indicated above, in order to accommodate attendance at a funeral or memorial service.

An employee shall be granted one (1) day bereavement leave without loss of regular earnings to attend the funeral or memorial service of her/his aunt, uncle, niece or nephew.

Where the funeral of the deceased is more than 1000 km from the Hospital, the employee shall be allowed one (1) extra day beyond the date of the funeral for return travel and such extra day shall be leave of absence without pay.

19.02 Education Leave

- (a) If required by the Employer, an employee shall be entitled to leave of absence with pay and without loss of seniority and benefits to write examinations to upgrade his or her employment qualifications.
- (b) A leave of absence, without pay, to take further education related to the employee's work with the Hospital may be granted upon written application by the employee to the administration of the Hospital. It is further understood and agreed that the Employer will, whenever its

operational requirements permit, endeavour to arrange the shifts of employees attending courses or seminars to permit such attendance.

- (c) Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Employer shall pay the full costs associated with the courses.

19.03 Jury & Witness Duty Full-Time

If an employee is required to serve as a juror in any Court of Law or is required to attend as a witness in a court proceeding in which the Crown is a party or is required by subpoena to attend a Court of Law or Coroner's Inquest in connection with a case arising from the employee's duties at the Hospital, the employee shall not lose regular pay because of such attendance provided that the employee:

- (a) notifies the Hospital immediately on the employee's notification that he/she will be required to attend at court;
- (b) presents proof of service requiring the employee's attendance;
- (c) deposits with the Hospital the full amount of compensation received excluding mileage, traveling and meal allowances and an official receipt thereof.

In addition to the foregoing, where an employee is required by subpoena to attend a Court of Law or Coroner's Inquest in connection with a case arising from the employee's duties at the Hospital on his regularly scheduled day off, the Hospital will attempt to reschedule the employee's regular day off, it being understood that any rescheduling shall not result in the payment of any premium pay. Where the Hospital is unable to reschedule the employee and as a result he/she is required to attend on a regular day off, he/she shall be paid for all hours actually spent at such hearing at the rate of time and one-half his regular straight time hourly rate subject to (a), (b) and (c) above.

Where the employee's attendance is required during a different shift than he/she is scheduled to work that day, the Hospital will attempt to reschedule the shift to include the time spent at such hearing. It is understood that any rescheduling shall not result in the payment of any premium pay.

Where the Hospital is unable to reschedule the employee and, as a result, he/she is required to attend during other than his regularly scheduled paid hours, he/she shall be paid for all hours actually spent at such hearing at his straight time hourly rate subject to a), b) and c) above.

Part-Time

See the Local Provisions Appendix L19.

That benefit will be equivalent to the difference between ninety-three percent (93%) of her regular weekly earnings and the sum of her weekly employment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Employment Insurance waiting period, and receipt by the Hospital of the employee's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on pregnancy leave.

The Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance Benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in

- (d) An employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Section 22 of the *Employment Insurance Act*, shall be paid a supplemental benefit. That benefit will be equivalent to the difference between ninety-three percent (93%) of her regular weekly earnings and the sum of her weekly employment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Employment Insurance waiting period, and receipt by the Hospital of the employee's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a

maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on pregnancy leave.

The Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance Benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

An employee who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Workplace Safety and Insurance Benefits for a period longer than one complete pay period may apply to the Hospital for payment equivalent to the lesser of the benefit she would receive from WSIB if her claim was approved, or the benefit to which she would be entitled under the short term sick portion of the disability income plan (HOODIP or equivalent plan). Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the WSIB. Such request will be made within ten (10) days after the receipt of notice from the Hospital of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Hospital. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or Arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.
- (b) When the Hospital makes a substantial change during the term of this agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital agrees to meet with the Union, to permit the Union to make representation with respect to the appropriate rate of pay.
- (c) If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Arbitrator shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classifications.
- (d) The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union

Re: Local Health Integration Networks

The parties agree that any LHIN initiative that will have a direct impact on the members of the bargaining unit may be raised through the Labour-Management Committee. The Union will be provided with any pertinent financial and staffing information involved in such an initiative.

Employees who are relocated/transferred* to another employer as a result of a LHIN determination will retain their seniority and service at their original hospital for a 24-month period.

Without prejudice to the Union's or Hospitals' rights under the collective agreement or the Labour Relations Act, employees relocated/transferred* shall have the right to post for vacancies that arise, prior to or subsequent to the relocation/transfer*, at their originating Hospital for that 24 month period.

If they are the successful applicant, they will return to the employ of the Hospital with seniority accrued and service intact but not accrued, for the period that the employee was relocated/transferred* to another employer.

Where a LHIN initiative results in a transfer/relocation* of an employee from one Participating Unifor Hospital to another Participating Unifor Hospital covered under the terms and conditions of this collective agreement, the Hospital agrees to maintain the wage level of any such employee subject to the following conditions:

- an employee transferred to the Hospital under such an initiative shall be placed at the same level of pay on the wage grid that he or she was at at his or her previous Hospital

- where an employee received a higher rate of pay at the previous Hospital, he or she will be placed at the step closest to their previous level of pay on the wage grid for that classification provided that the employee does not receive a lesser amount of pay (i.e. where the wage rates are not the same, the employee will be placed at the next step on the grid)
- where there are no higher steps on the appropriate wage grid, that employee shall have his or her pay rate “red-circled” until such time that the grid catches up to their current level of pay

*Pursuant to a “Sale of Business” under Section 69 of the Labour Relations Act, 1995, as it may be amended from time to time.

Re: Women's Advocate

The parties agree that female employees may sometimes need to discuss with another woman matters such as violence or abuse at home or at work. They may also need to find out about specialized resources in the community such as Counselors or women's shelters to assist them in dealing with these and other issues.

For this reason, the parties agree to recognize a female employee from the bargaining unit who will serve as a Women's Advocate.

The Union will be responsible to train and educate the Women's Advocate, and the parties agree that the Women's Advocate will act strictly as a referral agent and not a counselor.

In addition, the Women's Advocate will familiarize herself with the employers' Employee and Family Assistance program and in each instance will provide the female employee with an Employee & Family Assistance Program pamphlet or information with respect to the EFAP program.

The Women's Advocate will be allowed reasonable time off work for the purpose of making a referral to a female employee who has requested immediate assistance. To conduct such business, the Women's Advocate shall obtain permission from her Supervisor (or designate) before leaving her job or work area, and shall notify her Supervisor (or designate) upon her return. Such permission will not be unreasonably withheld. It is understood that the provision of such time is contingent on the Employers' ability to maintain services and activities in the hospital.

The local Union executive will develop appropriate communications to inform female employees about the referral role of the Women's Advocate. The Advocate will be allowed to attend an annual training program as per the terms of Article 19.06 (d).

Liability

The parties agree that the Union is solely responsible and liable for the actions of the Women's Advocate and in addition, agree that interaction between the Women's Advocate and the female employee shall not be a collective agreement matter.

Re: Professional Responsibility Workload Report Form

The parties agree that client/patient care is enhanced if concerns relating to professional practice, patient acuity, fluctuating workloads and fluctuating staffing are resolved in a timely and effective manner.

In the event that an employee or group of employees, covered under the Regulated Health Professions Act are assigned a workload which they have cause to believe is inconsistent with proper patient care, they shall express their concerns to their supervisor. The employee shall complete a "Professional Responsibility Workload Report Form" which shall be provided to the supervisor and to the Union. The "Professional Responsibility Workload Report Form" will be attached as an Appendix to the Collective Agreement.

Employees are encouraged to raise their concerns with their immediate supervisor. In the event that the workload concern is not resolved to the employee's satisfaction, the employee, or group of employees may submit their concerns to the Labour Management Committee through their Union Representative.

 - (2) inability to provide a workable staffing schedule, or
 - (3) a wish to do so for other reasons which are neither unreasonable or arbitrary,

so states its intention in writing to the Union to discontinue the extended tours work week.

Re: Laundry Services Christmas Scheduling

The parties agree to amend the process as it applies to employees in Laundry Services at St. Joseph's Hospital in order to provide greater opportunity for part-time employees in that service area to have time off at either Christmas or New Year's.

The manner in which employees will select in writing will be determined by the employer.

This applies to full and part-time employees in Laundry Services. A Laundry Services employee will be scheduled off at either Christmas or at New Year's.

When scheduling time off at Christmas or New Year's, the following will occur:

- (i) a Christmas/New Year's time off request list shall be posted on each unit on or before October 1st in each year;
- (ii) this list will show what the employee worked the last year and will request the employee's preference for the current year;
- (iii) the list will come down on October 21st;
- (iv) the Hospital will firstly alternate scheduling of Christmas/New Year's time taking into account what was worked the year previously. If the scheduling permits more staff to be off either Christmas or New Year's, the Hospital will look at the holiday request time and schedule off time in accordance with seniority;
- (v) the Christmas/New Year's time will be posted at least six (6) weeks prior to Christmas.
