It is acknowledged that grievances should be serviced as soon as possible and that if it is necessary to service a grievance during working hours, Employees will not leave their jobs without giving an explanation for leaving and obtaining the Manager's permission. Permission will not be unreasonably withheld. The steward shall report back to the Manager before resuming the normal duties of the steward's position in the College.

Article 13: Complaint Grievance, and Arbitration Procedure

Parameters

13.1 The College, the Union, and Employees recognize the desirability of prompt resolution of complaints and grievances through an orderly process without stoppage of work or refusal to perform work. The process comprises three sequential stages: complaint, grievance, and arbitration. Except as provided in this article, the complaint stage is a prerequisite for proceeding to the grievance stage, and the grievance stage is a prerequisite to proceeding to the arbitration stage. For the purpose of this article only, "working day" shall mean Monday through Friday, excluding Holidays as set out in Article 35: Paid Holidays of this Collective Agreement.

Complaint Stage

13.2 For the purpose of reaching a solution through an informal process, an Employee who feels unjustly treated by any action or lack of action by the College - including matters that meet the definition of a grievance in clause 13.3 (b) - shall first discuss that complaint with the Employee's Manager. This shall be done not later than twenty-five (25) working days after the circumstances giving rise to the complaint have occurred or of the date the matter has come to the attention of the Employee. The Employee may have a Union representative present if so desired by the Employee. Likewise, the Manager may also have a College Representative present at such meeting. The Manager's response to the complaint shall be given not later than ten (10) working days after the discussion with the Employee.

Grievance Stage

13.3 (a) The following may initiate a grievance:

- (i) an Employee on the Employee's own behalf or on behalf of the Employee and one or more other Employees (in the latter case, the other Employees shall affix their signatures to the written grievance);
- (ii) the Union;
- (iii) the College;

and, in so doing, shall be referred to as a "grievor"

- (b) **Definition of Grievance**
A grievance is defined as a complaint in writing that has not been satisfactorily resolved during the complaint process. A grievance shall include a written description clearly stating the nature of the grievance and, where applicable, the article(s) of this Collective Agreement that have allegedly been violated together with the redress requested. The grievance shall be signed by the grievor and may be clarified at any step providing its substance is not changed. Reasons supporting the grievance shall be set out in the grievance. Additional reasons or article(s) of this Collective Agreement that have allegedly been violated that become known to the grievor subsequent to the submission of the grievance may be added to the grievance at the time they become known to the grievor by notifying the respondent in writing at that time. The redress stated in the grievance shall not limit the resolution that can be sought by the grievor.
- (c) **Withdrawal of Grievance**
A grievor may withdraw a grievance at any step of the grievance/arbitration procedure by giving written notice to the respondent. The respondent to an Employee or Union grievance is the College. The respondent to a College grievance is the Union.
- (d) **Grievance Deemed Abandoned or Processed to Next Step**
If a grievor fails to initiate or process a grievance within the prescribed time limits, rights to the Complaint, Grievance and Arbitration Procedure shall be deemed to be abandoned. If the respondent fails to reply to a grievance within the prescribed time limits, the grievor may process the grievance to the next step.
- (e) **Extension to Time Limits**
Either party may request an extension of the time limits, providing such extension is requested prior to the expiry of the time allowed. Approval of an extension, if requested, shall not be unreasonably withheld.

Grievance: Employee-Initiated

- 13.4 (a) **Step 1**
- (i) If an Employee wishes to grieve a matter not resolved satisfactorily at the complaint stage, the Employee shall submit the grievance and the redress requested to the College within fifteen (15) working days of the date the Employee was notified, orally or in writing, of the Manager's response to the complaint. An Employee shall not be entitled to present a grievance unless the Employee has the approval in writing of the Union or is represented by the Union. When a grievance is heard at any level, the Employee(s) shall be accompanied by the Union.
 - (ii) The College shall arrange to meet with the Employee, either in person or via electronic means, within ten (10) working days - at a time which is agreeable to both the College and the Union - and shall issue a decision in writing to the Employee and to the Union within ten (10) working days of said meeting.
 - (iii) Notwithstanding clause 13.4 (a) (ii), a meeting between the College and the Employee may be waived by mutual agreement of the College and the Union. Where a meeting is waived, the time frame for proceeding to next step in the grievance shall be within ten (10) working days of the date waived.
- (b) **Step 2**
- (i) If the grievance is not resolved satisfactorily at Step 1, the Employee shall submit the grievance and the redress requested to the College within fifteen (15) working days of the receipt of the decision at Step 1.
 - (ii) The College shall arrange to meet with the Employee, either in person or via electronic means, within ten (10) working days - at a time which is agreeable to both

the College and the Union - and shall issue a decision in writing to the Employee and to the Union within ten (10) working days of said meeting.

- (iii) Notwithstanding clause 13.4 (b) (ii), a meeting between the College and the Employee may be waived by mutual agreement of the College and the Union. Where such meeting is waived, the matter may be referred to arbitration not later than twenty (20) working days after the date waived.

(c) **Suspension or Termination**

In accordance with clause 31.4, grievances concerning suspension or termination shall be initiated at Step 2 of the grievance procedure within ten (10) working days of the date that the Employee receives notice of the suspension or termination or within twenty (20) working days of the date of suspension or termination, whichever is later.

A policy grievance is one that raises issues of an interpretive nature which may have future ramifications on the bargaining unit or on the interpretation of an article or articles of this Collective Agreement. Such grievance shall not normally be filed unless it affects more than one Employee.

(b) **Process**

The Union shall, within thirty (30) working days of knowledge of the facts which give rise to the alleged grievance, submit the grievance in writing to the College. The College shall arrange to meet with the Union, either in person or via electronic means, within fifteen (15) working days, at a time which is agreeable to both parties. Within fifteen (15) working days of this meeting, the College shall forward a written decision to the Union.

Within fifteen (15) working days of this meeting, the Union shall forward a written decision to the College.

Either of the parties may, within twenty (20) working days after exhausting the grievance procedure, notify the other party, in writing, of its desire to submit the matter to arbitration.

Arbitrator

(c) The arbitration of grievances shall be by an Arbitrator, and the provisions noted in (i), (ii) and (iii) below shall apply:

- (i) The parties shall attempt to reach agreement on the selection of an arbitrator not later than ten (10) working days after the receipt of the notice.
- (ii) If the parties are unable to agree upon an Arbitrator the appointment shall be made by the Minister responsible for the *Trade Union Act* upon the request of either party.

Arbitration Proceedings

- (d) Where a matter is submitted to arbitration, the Arbitrator shall hear evidence and arguments submitted by or on behalf of the parties relevant to the matter submitted and shall make a decision thereon in the form of an Arbitration Award.
 - (i) Every effort should be made by the College and the Union to share information relating to the arbitration case in a reasonable and timely manner prior to the arbitration hearing.

 - (iii) The Arbitrator shall hear and determine the difference or allegations and shall issue a decision, which decision shall be final and binding and enforceable upon the parties and upon any Employee(s) affected by it.
 - (iv) The Arbitrator may summon any witnesses and require them to give evidence on oath, orally or in writing, and to produce such documents and evidence as the Arbitrator deems requisite to the full investigation and consideration of the matters referred to the Arbitrator.
 - (v) The parties may jointly request the Arbitrator to submit a report on the findings and the Arbitration Award to the parties within a specified period of time.
 - (vi) Any of the time limits referred to above may be extended by mutual agreement of the parties hereto.
 - (vii) The Arbitrator shall not have the power to add to, subtract from, modify or alter in any way the provisions of this Collective Agreement.
 - (viii) The decision of the Arbitrator shall be expressly confined to the issue contained in the grievance submitted to the Arbitrator, and the Arbitrator shall have no authority to make a decision and/or recommendation on any other issue not so submitted.
 - (ix) Except as provided in clause 15.3, where the Arbitrator determines that an Employee(s) has had employment terminated or has been otherwise disciplined by the College for just cause, the Arbitrator may substitute such other penalty or remedy in lieu of the termination or the disciplinary action as the Arbitrator deems just and reasonable under the circumstances.

Arbitration Expenses

- (e) The expenses incurred by and in respect of an Arbitrator that are not otherwise covered by the Department responsible for Labour shall be shared equally between the College and the Union except as follows:
 - (i) Each party to the arbitration shall pay the fees and expenses of any counsel

appearing before the Arbitrator on behalf of that party.

 - (iii) except as provided in clause 30.6 (m), has been laid off for more than twenty-four (24) months and has not been assigned a placement or displacement.

(b) **Ineligibility for Service Award**

An Employee who is laid off as a result of the application of this article who waives reinstatement rights, resigns, and receives severance pay shall not be eligible to receive a service award.

(c) **Amount of Severance Pay**

(i) Provided the conditions of clauses 30.10 (a) and 30.10 (b) have been met, an Employee shall be granted severance pay based upon one (1) week's salary for each year of service to a maximum of twenty-six (26) weeks subject to a maximum equivalent to forty percent (40%) of the top step of the salary scale at which the Employee's position is classified.

(ii) The amount of severance pay provided herein shall be calculated by the formula:

$$\frac{\text{Bi-weekly Rate}}{2} = 1 \text{ week}$$

(iii) The entitlement of an Employee to severance pay shall be based on an Employee's total service as defined in *Article 29: Service and Seniority*.

Reinstatement

30.11 (a) **Reinstatement List**

Where a regular full- or part-time Employee has been given written notice of lay-off, the Employee may opt to advise the College that the Employee is available for work and direct the College to place that Employee's name on the Reinstatement List. It is the responsibility of an Employee who has been laid off to provide the Employee's e-mail address (if applicable) or current mailing address to the College. The name of the Employee shall remain on the Reinstatement List until twenty-four (24) months beyond the date of lay-off unless:

(i) the Employee is appointed to a continuing full- or part-time position or, where applicable, a recurring full- or part-time position as a regular full- or part-time Employee;

(ii) the seniority of the Employee is lost in accordance with clause 29.4 (c).

(b) **Reinstatement Provisions**

Where vacancies occur in the bargaining unit while there are names of Employees on the Reinstatement List:

(i) Copies of job postings shall be sent to the e-mail address of each Employee or, where an e-mail address is not available, to the mailing address provided by that Employee in accordance with clause 30.11 (a).

(ii) Where an Employee is appointed to a vacancy, the Employee shall return to work within two (2) weeks of the notification of appointment.

(iii) An Employee entitled to reinstatement shall return to the service of the College within two (2) weeks of notice of reinstatement, unless on reasonable grounds the Employee is unable to do so. An Employee who has been given notice of reinstatement may refuse to exercise such right without prejudicing the right to any future reinstatement, except in the case of reinstatement to the Employee's same position classification title, or position classification title series, and the same location at the time of layoff, in which event the Employee will be struck from the Reinstatement List. However, an Employee's refusal to accept reinstatement to the Employee's same position classification title, or position classification title series, within the same location at the time of layoff will not result in loss of reinstatement

rights in the case of reinstatement for occasional work or for employment of short duration of time during which the Employee is employed elsewhere.

- (iv) Employees on the Reinstatement List shall be given first option of filling vacancies normally filled by casual workers, providing they meet the selection criteria, as determined by the College in accordance with clause 15.1 (a). The acceptance of such casual work shall not in any way alter or affect the Employee's employment status, and during such periods of casual work, the Employee shall remain on the Reinstatement List.
- (v) In accordance with clause 17.4 (b), where a regular full- or part-time Employee on the Reinstatement List is appointed to a continuing full- or part-time position, the Employee shall be given a regular full- or part-time appointment except as provided for in clause 17.4 (a), when the appointment shall be term full- or part-time or casual.
- (vi) Where a regular full- or part-time Employee on the Reinstatement List is appointed to a term full- or part-time position for less than one (1) year or is employed on a casual basis, the name of the Employee shall remain on the Reinstatement List in accordance with clause 30.11 (a).
- (vii) Where a regular full- or part-time Employee on the Reinstatement List is appointed to a term full- or part-time position for more than one (1) year, the Employee's name shall be removed from the Reinstatement List during the period of the appointment. Upon completion of the appointment, the Employee shall then be entitled to have the Employee's name added to the Reinstatement List in accordance with clause 30.11(a).
- (viii) Where, as a result of the application of clause 30.5, an Employee is assigned through placement or displacement to a position with a different position title than the Employee's previous position, the Employee shall satisfactorily complete a six (6) month trial period in accordance with clause 17.4 (c). Where the trial period is not successful, the College shall provide a notice of lay-off to the Employee in accordance with clauses 30.8 (c) and 30.9. Placement and displacement provisions shall be in accordance with the following:
 - (1) Where the placement or displacement involving a trial period occurred prior to the end of the original lay-off notice period, the period of notice for the subsequent notice shall be equivalent to the period not expended for the original notice. The provisions of clause 30.5 shall apply during this second notice period.
 - (2) Where a placement involving a trial period occurred during the reinstatement period, the period of notice for the subsequent notice shall be in accordance with clauses 30.8 (c) and 30.9. However, only the placement provisions of clause 30.5 shall apply.

(c) **No New Employees**

No new persons shall be hired unless all Employees on the Reinstatement List who have applied for and are qualified for a position in accordance with the application of the criteria specified in clause 15.1 (a) have had the opportunity to be reinstated.

- 30.12 (a) The College will make reasonable efforts, where work is contracted out, to obtain jobs with the contractor for Employees whose work is to be contracted out. The College will have made reasonable efforts where the College has:

- (i) consulted with the Union at least three (3) months before the proposed date of implementation of the contracting out to discuss placement options within the College for Employees whose work is to be contracted out;
- (ii) included the plans and capacity of bidders for the hiring of Employees whose work is to be contracted out, and the intended salary and benefits levels, as criteria in the tendering process to be applied in the evaluation of bids;
- (iii) consulted with the Union to give the Union an opportunity to put forward its views on how the College can try to obtain job opportunities for Employees with the contractor;
- (iv) met with the successful bidder and sought to make it a term of the contract that the contractor must:
 - (1) Interview Employees for available job opportunities with the contractor to perform the contracted out work;
 - (2) Where hiring to perform the contracted-out work is subject to appropriate skills testing, offer to test Employees;
 - (3) Extend job offers to Employees who are qualified for available job opportunities with the contractor to perform the contracted-out work; and
 - (4) Where there are more qualified Employees than the contractor has opportunities due to the contracted-out work, extend job offers on the basis of seniority.
- (b) If, despite the good faith efforts of the College, the College has been unable to reach agreement on the above with the contractor, the College can still proceed with the contracting out with the contractor.
- (c) Employees who accept job offers with the contractor will be deemed to have resigned their employment with the College. Such Employees, who subsequently are terminated or who resign employment with the contractor within twenty-four (24) months of the commencement of their employment with the contractor shall - on application to the College and subject to verification of their employment status with the contractor - be placed on the Reinstatement List for a twenty-four (24) month period. Employees placed on the Reinstatement List pursuant to this clause shall have seniority reinstated and be otherwise treated as though there had been no employment break. For greater clarity, such Employees shall be eligible for a severance payment if they resign or if they are not reinstated to employment during the twenty-four (24) month reinstatement period. Employees whose work is contracted out and do not receive a job offer from the contractor or who turn down a job offer will be treated in accordance with the provisions of this article.

Article 43: Deferred Salary Leave Plan

Purpose

43.1 The purpose of the Deferred Salary Leave Plan (Plan) is to afford Employees the opportunity to take a six (6) month to one (1) year leave of absence (Leave) and, through the deferral of salary, finance the leave.

Eligibility

43.2 Participation in this Plan is limited to regular full- or part-time Employees. An Employee may apply for such Leave once every six (6) years of continuous service, unless the Manager agrees to a period of less than six (6) years.

Terms of Reference

- 43.3 (a) It is the intent of both the Union and the College that the quality and delivery of service to the students of the College be maintained.
- (b) Where, in the opinion of the College, a replacement for the Employee on Leave is required, the appointment shall be in accordance with clause 17.4 (a).

Application

43.4 The application to participate in this Plan shall be submitted to the College not later than four (4) months prior to the month in which the salary deferment is to commence.

Approval

- 43.5 (a) Approval to participate in this Plan is at the discretion of the College.
- (b) The College shall inform the Employee of its decision not later than three (3) months prior to the month in which the requested salary deferment would commence. Where the request has been denied, the College shall provide reasons in writing.
- (c) On each occasion where an application to participate in the Plan is approved or denied, the Union shall be notified.

Conditions

- 43.6 The payment of salary shall be as follows:
- (a) In each year of the Plan preceding the leave [up to a maximum of six (6) years], an Employee shall be paid a reduced percentage of the applicable bi-weekly salary in accordance with a contract between the Employee and the College. The remaining percentage of bi-weekly salary shall be deferred. This accumulated amount plus interest earned shall be retained for the Employee by the College to finance the Leave.
- (b) The percentage of salary deferred on a bi-weekly basis in any one (1) year shall not be less than five percent (5%) and not greater than thirty-three and one third percent (33 1/3%).
- (c) The calculation of interest under terms of this Plan shall be done monthly (not in advance). The interest paid shall be calculated by averaging the interest rates in effect on the last day of each month for a true savings account, a one (1) year term deposit, a three (3) year term deposit and a five (5) year term deposit. The rates for each of the accounts identified shall be those quoted by the main branch in Nova Scotia of the bank with which the College deals. Interest shall be based upon the average daily balance of the account and credited to the Employee's account on the first day of the following calendar month.
- (d) During the Leave, an Employee cannot receive any remuneration from the College.

Benefits

- 43.7 While an Employee is enrolled in the Plan and not on Leave, any benefits tied to salary shall be structured according to the salary the Employee would have received had the Employee not been enrolled in the Plan. All other benefits shall be in accordance with the Collective Agreement.
- (a) Unless otherwise instructed in writing by the Employee, the health and welfare benefits of the Employee shall be maintained during the Leave; however, the full premium costs of all benefits shall be paid by the Employee during the Leave from the monies retained for the Employee by the College to finance the Leave, save those required to be paid by the College by law.
 - (b) While the Employee is on Leave, any benefits tied to salary level shall be structured according to the salary the Employee would have received in the equivalent period prior to taking the Leave had the Employee not been enrolled in the Plan.
 - (c) During the Leave, the Employee shall not accumulate nor be entitled to the following:
 - (i) vacation; statutory holidays; pregnancy, parental, and adoption leaves; sick leave, or other leaves;
 - (ii) credit for service for severance pay for the period of the Leave.
 - (d) Pension deductions shall be continued during the Leave. The Leave shall count as pensionable service and for seniority purposes.
 - (e) Pension deductions shall be made according to the salary the Employee would have received had the Employee not entered the Plan or gone on Leave.

Return to Regular Assignment

- 43.8 (a) Revenue Canada Regulations require an Employee to return to the College upon completion of the Leave for a period that is not less than the duration of the Leave.
- (b) Upon completion of the Leave, the Employee shall be reinstated to the continuing full- or part-time position held immediately prior to the Leave. - (a) In extenuating circumstances such as, but not limited to, financial hardship or serious illness and with the approval of the College, an Employee may withdraw from the Plan not later than three (3) months prior to the date established for the Leave. Notwithstanding the three (3) month notice period, the College may - where operational requirements permit - accept a lesser notice period. Such approval shall not be unreasonably withheld. Repayment shall be pursuant to clause 43.9 (b).
 - (b) If an Employee withdraws from the Plan, the Employee shall be paid a lump sum adjustment equal to any monies deferred plus interest accrued. Repayment shall be made as soon as possible within sixty (60) days of withdrawal from the Plan.
 - (c) Should an Employee die while participating in the Plan, any monies accumulated plus interest accrued at the time of death shall be paid to the beneficiary specified in the life insurance policy of health and welfare benefits or to the Employee's estate within two (2) bi-weekly pay periods, where possible.

- (b) Where an Employee requests amendment to the terms of the Employee's Deferred Salary Leave Plan, the College shall respond to the Employee within sixty (60) days.

- 43.11 The plan shall not be amended except by mutual agreement of the College and the Union.

Article 44: Amendment

- 44.1 If, at any time during the term of this Collective Agreement, the parties hereto shall deem it necessary or expedient to make any alteration or addition to this Collective Agreement, they may do so by means of a written agreement between them which shall be supplemental hereto and form part hereof.

Article 45: Entire Agreement

- 45.1 This Collective Agreement constitutes the entire Collective Agreement between the parties and supersedes and replaces all previous Collective Agreements and practices, both written and oral.

Article 46: Term of Collective Agreement

- 46.1 This Collective Agreement shall be for the period commencing April 1, 2012 – March 31, 2015 and shall remain in effect from year-to-year thereafter unless one of the Parties hereto notifies the other in writing within a period of not less than ninety (90) working days prior to the automatic renewal date of its intention to revise or amend this Collective Agreement.

- (a) Available only to Regular Status employees; and
- (b) The Regular Status Employee must work a minimum of 8 consecutive months.

Such option will be available effective the next scheduled working cycle and would continue for the full work cycle. Should employees wish to 'opt out' of the program, it would be at the beginning of the next cycle. For clarity, no 'opt in's, opt outs' will be allowed during the cycle.
