The Employer shall make reasonable efforts to provide the necessary forms to the employee in an expedient manner. Providing the employee has applied for Short-term Disability, the employee shall, effective the sixth (6th) day of work absence, receive:

- b) The Employer maintains the sole and exclusive right to adjust the schedule or length of rotation where it deems necessary. It is understood that such changes will be subject to the terms of this Appendix "B" and done through prior consultation with the Union.
- c) All employees shall be permitted three (3) fifteen (15) minute rest periods which shall be taken in accordance with departmental policies.
- d) An employee who is absent due to illness or injury from a shift will be debited for ten (10) hours health recovery benefits.
- e) An employee shall be granted ten (10) hours leave without loss of pay for each work day under Clause 19.05.
- f) One (1) calendar day leave of absence without loss of pay shall be granted to a permanent employee without loss of regular salary wages to attend a funeral as a pallbearer. Such leave cannot be combined with paid bereavement leave that the employee may be entitled to.

For the purpose of implementing future ten (10) hour shifts, start and end dates shall be established by mutual consent.

APPENDIX "C"

TWELVE (12) HOUR SHIFTS

When the Employer deems it necessary to implement a twelve (12) hour work day, affected employees shall be notified pursuant to Clause 14.05. The following Clauses shall be replaced or added to the Collective Agreement where appropriate.

- a) The normal hours of work shall be twelve (12) hours per day, eighty-four (84) hours bi-weekly, which shall include three (3) fifteen (15) minute rest periods and one (1) thirty-five (35) minute paid meal break normally taken at midpoint of the shift.

Work shall be on a rotating schedule wherein the hours of work in one (1) or more bi-weekly periods may exceed eighty-four (84) hours. This shall not constitute a violation of this Collective Agreement provided that the bi-weekly hours when averaged over the full rotation do not exceed eighty-four (84) hours.

The Employer shall pay employees who work the rotating schedule average earnings of eighty-four (84) hours bi-weekly regardless of whether actual hours of work are seventy-two (72), eighty-four (84) or ninety-six (96).

Shift Turnover

Employees who relieve another will assure sufficient discussion occurs between the counterparts of the shift that is coming off duty and the one that is coming on duty to ensure that the shift is being turned over as safely and efficiently as possible.

- b) The Employer maintains the sole and exclusive right to adjust the schedule or length of rotation where it deems necessary. It is understood that such changes will be subject to the terms of this Appendix and done through prior consultation with the Union.
- c) All employees shall be permitted three (3) fifteen (15) minute rest periods which shall be taken in accordance with departmental policies.
- d) An employee who is absent due to illness or injury from a shift will be debited for twelve (12) hours health recovery benefits.
- e) An employee shall be granted twelve (12) hours leave without loss of pay for each work day under Clause 19.05.
- f) One (1) calendar day leave of absence without loss of pay shall be granted to a permanent employee without loss of regular salary or wages to attend a funeral as a pallbearer. Such leave cannot be combined with paid bereavement leave that the employee may be entitled to.

For the purpose of implementing future twelve (12) hour shifts, start and end dates shall be established by mutual consent.

APPENDIX "D"

FUNDED EMPLOYEES

The Employer and the Union recognize Federal and Provincial programs for job creation.

Any such programs shall not result in the lay-off, reduction in hours of work, remuneration or redundancy of any Bargaining Unit employees.

The Parties agree that the Employer shall determine the terms and conditions of employment and the Employer will provide the Union with all details as to the project, number of funded employees to be hired, remuneration and term of employment prior to implementation of such programs.

All special funded programs shall be considered by the Union on an individual proposed basis and agreement by the Union shall not be unreasonably denied.

APPENDIX "E"

VACATION SCHEDULING

Introduction

The Employer and Union recognize the need for certainty and fairness for all employees in vacation planning. This Appendix sets out the general principles to be considered in determining vacation schedules and approving vacations for employees.

The intention of this Appendix is to enable as many employees as possible to receive at least one of their preferential vacation choices. While recognizing operational needs and seniority, this is achieved through preferential choice as outlined below.

While following the principles set out, each department may vary in the actual method utilized in arriving at the vacation schedule.

Principles

The Employer and the Union recognize the following principles in applying vacation choice:

- operational needs
- seniority
- employee's preference for blocks of time
- reasonableness
- no bumping after vacation awarded
- vacation requests to be submitted to the employee's supervisor by a certain date
- vacations posted by a certain date approximately one month later
- first come, first served basis on any remaining vacation, subject to seniority in the event of requests made before additional approval of vacation.

Suggested Procedure

By the third (3rd) Monday in February, employees would submit their first, second and third preferences for an unbroken vacation period (**based on the vacation the employee will accrue by April 30th) for the period commencing May 1st and ending April 30th of the following year. The preference request will be submitted** to the employee's exempt supervisor.

Subject to operational needs, vacation periods will be approved based on seniority within the department combined with preferential choice. The intent of this clause is to give every employee an opportunity to take at least one of their preferred vacation times.

By the fourth (4th) Monday in March, the exempt supervisor shall post a vacation schedule. Any vacation requests **received after the third (3rd) Monday in February** will be approved on a first come, first served basis for vacation opportunities remaining on the schedule.

Unless mutually agreed upon by the employees involved and the supervisor, a junior employee shall not have their vacation taken away or bumped by a senior employee after the first preferential choices have been approved.

Preferential Choice

The concept of preferential choice is that each employee submits their first, second and third choices for an unbroken vacation period to the employee’s exempt supervisor. Once all of the vacation requests have been received, and subject to the operational needs of the department, vacation will be approved utilizing these preferences and an employee’s seniority.

The following example shows how preferential choice works.

Seniority/Choice	First Choice	Second Choice	Third Choice
Senior Employee	July 1 - July 21	August 1 - August 21	Dec. 15 - January 7
Employee 2	July 1 - July 21	August 1 - August 21	Dec. 15 - January 7
Employee 3	July 1 - July 21	August 1 - August 21	Dec. 15 - January 7

Utilizing the above information and assuming Senior Employee is the most senior, Senior Employee will have vacation approved from July 1 - July 21, as that block of time was the employee’s first choice. The employee with the most seniority will always receive their first choice, subject to the principles stated earlier. Employee 2, being junior to Senior Employee would then receive their second choice being their August vacation choice. The employee having the least seniority, Employee 3, would then receive their third choice.

Employees may still have additional vacation available. For instance, in the above scenario, senior employee only utilized three (3) weeks although they might be entitled to six (6). In such a case, the employee may request this additional vacation after the “first preference” vacation has been approved. Again, this would be on a seniority basis. This additional vacation may not, however, interfere with vacation blocks already approved.

Changes in Days of Work

If the Employer changes an employee’s regular days of work after the vacation schedule is posted, the employee will be permitted to take their vacation for the approved vacation leave period in the vacation schedule.

APPENDIX "F"

EMERGENCY WORK OR THE POTENTIAL OF FLOOD

It is understood that this Appendix is in the interest of and benefit to both CUPE Local 1505 and the Regional Municipality of Wood Buffalo relating to the annual potential for emergency situations.

An emergency is an event that requires prompt co-ordination of action or special regulation of persons or property to protect the safety, health or welfare of people or to limit damage to property.

When an emergency is declared by the Municipality, all qualified employees must respond to overtime requirements. Emergency work schedules may be established for the duration of the emergency, provided twelve (12) hours' notice is given and providing that at least eight (8) hours of rest is given between the employees' last shift and the first shift of the emergency work schedule.

When an emergency work schedule is established but the twelve (12) hours' notice is not provided or the eight (8) hour rest period is not provided, all hours worked on the first shift of the emergency work schedule shall be at the overtime rate.

A member of the Union Executive shall be advised of all emergency work schedules. **Where the emergency results in evacuation of residents of the Municipality, the Employer will make reasonable efforts to enable a Union Representative to inspect the conditions under which employees are working and being accommodated.**

The Employer will make every effort to give the affected employees as much notice as possible prior to the shift commencement. The Employer also recognizes that some employees may experience difficulties working a twelve (12) hour shift with limited notification and, as such, it is incumbent upon the employee to discuss this matter with their supervisor upon receiving notification of shift change and, if there is no resolve, they are required to contact the CUPE Local 1505 President and Human Resources immediately to resolve this matter.

Employees will be served with notice of shift change that their regular hours and regular days of work will be changed and their shift will be in accordance with Appendix "C", Twelve (12) Hour Shifts. The Employer agrees that no employee will lose regular pay or regular hours of work as a result of this Appendix.

It is understood that if an employee works their regular shift on a particular day and they are asked to return to work later that same day that they will be paid overtime for only the hours worked above and beyond their regular scheduled shift to midnight (12:00 a.m.) that day.

The Employer agrees to provide the affected employees with thirty-six (36) hours' notice that they will be returning to their regular days of work and their regular hours of work. If an

employee waives their right to the thirty-six (36) hour notice, the Employer will give consideration to this request.

The Employer agrees and in recognition of this Appendix, that the affected employees who **are changed to a twelve (12) hour shift or have their rotation changed (i.e. 4on/4off to 7on/7off) if already working a twelve (12) hour** shift will receive one (1) additional day with pay added to their annual leave complement for that calendar year.

APPENDIX "G"

SEVERANCE PAY

A Permanent employee who has been notified by the Employer, pursuant to Clause 10.04 of the Collective Agreement that they are to be laid off, may opt to accept severance pay as provided in this Appendix in lieu of exercising their rights under the provisions of Article 10.

If an eligible employee wishes to exercise their option under this Appendix, the employee shall notify the Employer within seven (7) calendar days of receipt of the notice of lay off. In the absence of such notice, the provisions of Article 10 will prevail.

If an eligible employee notifies the Employer of a request to opt for severance pay under this Appendix, the employee shall be paid severance pay based on two and one-half (2 ½) weeks payment for each year of continuous service to a maximum of fifty-two (52) weeks. Part-time employees' service shall be calculated in accordance with Clause 7.02.

In exchange for this payment, the eligible employee waives all rights to the provisions of Article 10 and will tender their resignation from employment on a date mutually agreed between the employee and the Employer.

An eligible employee is entitled to the assistance of a Union Representative in applying for benefits under this Appendix and in all resulting transactions.

APPENDIX “H”

DUTY TO ACCOMMODATE

It is recognized that the Employer, the Union and affected employee(s) have a duty, subject to such exceptions as set out in the *Human Rights Act*, to cooperatively and reasonably accommodate employees with disabilities to the point of undue hardship. The goal of accommodation is to recognize employee’s capabilities and to remove barriers to returning to work or remaining at work.

Procedure for evaluating and accommodating employees with disabilities:

1. The Employer, Union and employee agree to work together to consider how an employee’s disability can best be accommodated without causing either party undue hardship. The Employer and Union (the parties) recognize and acknowledge that in each individual accommodation situation each party must determine what constitutes undue hardship to that party.
2. The employee with a disability will inform the Employer about the need for an accommodation, preferably in writing with a copy to the Union.
3. Employees needing an accommodation also have a responsibility to participate, cooperate and assist the Employer and Union in developing a suitable accommodation. This duty includes providing medical information to the Employer representatives (which may include the Wellness team, Business Unit representatives and Employer advisors) and to the Union Representatives, that is reasonably required to establish to the Employer’s and Union’s satisfaction that the employee has a disability which requires accommodation and the extent of the restrictions or limitations in the employee’s functional capabilities to perform the duties of the employee’s position.
4. The parties agree that to the extent reasonably possible, medical and other personal information provided by an employee for the purposes of accommodation will be dealt with in a manner that respects the employee’s privacy.
5. Failure of an employee to fully cooperate and assist in the accommodation process may relieve the Employer and Union from a continuing duty to accommodate. Employees with disabilities have an obligation to accept reasonable accommodation solutions.
6. Representatives of the Employer and Union, together with the affected employee, may, as the case requires, meet to discuss the existence and nature of the disability and the appropriate accommodation measures which would achieve the accommodation with respect to the employee.
7. The Employer, the Union and the affected employee, shall share with each other all information relevant to the accommodation of the affected employee, including medical

information set out in this process and information regarding the requirements and duties of the employee's position.

8. If accommodation is required and can be achieved without undue hardship, the Parties agree that they will attempt to accommodate employees using the following order of priority:
 - in their current position;
 - in their current classification;
 - in another classification with equivalent hours/rate of pay, but for which the employee possesses the requisite knowledge, skills, abilities;
 - in another classification which does not have the equivalent hours/rate of pay, but for which the employee possesses the requisite knowledge, skills, abilities at the applicable rate of pay, unless otherwise agreed;
 - in another job outside the Bargaining Unit, but with the Employer, in which the employee possesses the requisite knowledge, skills, and abilities, subject to the requirements of the applicable Collective Agreement or discussions, as required, with the applicable Bargaining Agent.
9. In considering the feasibility of accommodation options, the Employer may consider modification of duties, shifts, equipment, and/or retraining of the employee, to the extent that such do not cause the Employer undue hardship. Where modifications are implemented by the Employer, these are made on a without prejudice and individual basis.
10. It is understood that nothing in this Collective Agreement will require the Employer to pursue any accommodation or option where doing so, in its determination, would constitute undue hardship.
11. It is understood that nothing in this Appendix will require the Union to pursue any accommodation or option where doing so, in its determination, would constitute undue hardship.
12. The Union agrees to support accommodative measures which may require modification of the Collective Agreement provisions, unless doing so would in its determination constitute undue hardship. Where Collective Agreement modifications are agreed to by the Employer and the Union, these are made without prejudice and on a case by case basis.
13. The Employer agrees that it will not impose an accommodation measure which has the effect of abridging or infringing Collective Agreement rights of other Bargaining Unit members where there are in its determination, reasonable alternatives.
14. Agreements regarding the accommodation of the employees shall be reduced to writing. These agreements may be revisited in the event that there is a change in the

accommodated employee's circumstances (including a lessening or worsening of the employee's functional impairment).

15. This Appendix does not apply where requests for accommodation arise at or after termination of employment. These cases will be dealt with through the regular grievance process provided for under the Collective Agreement.
16. The parties have entered into this Appendix to establish a procedure for fulfilling their accommodation obligations, and accordingly acknowledge that these provisions do not relieve the Employer, employee(s), or the Union of their rights or responsibilities under the *Human Rights Act*. For greater clarity, nothing in this Appendix precludes the limitation on individual rights as may be reasonable and justified under the exceptions set out under the *Human Rights Act* (including but not limited to bona fide occupational requirements).

Rights and responsibilities of the Employee seeking accommodation:

- Determine whether their concern falls under the protected grounds under the *Human Rights Act*.
- An employee who may be entitled to an accommodation should, at the earliest possible opportunity, inform the Employer about the need for an accommodation.
- Bring the situation to the attention of the Employer and the Union, preferably in writing. Include the following information:
 - Explain why the accommodation is required, i.e. because of a disability
 - Support the request with evidence or documents (example, a written statement from a health care provider)
 - Be specific about the need for an accommodation and identify limitations and capabilities, indicate exactly what your individual needs are
 - Suggest appropriate accommodation measures
 - If known, indicate how long accommodation will be required.
- Listen to and consider any reasonable accommodation options proposed.
- Consult with your Union to work with you through this process.
- If the Employer indicates that the accommodation would pose undue hardship, provide more details about your needs if such information is helpful.
- Cooperate to make the arrangement work.
- Advise the Employer and Union of changes in accommodation needs.
- Be willing to review and modify the accommodation agreement if circumstances change.
- Promptly advise the Employer and Union if the need for an accommodation ends.

Rights and responsibilities of the Employer:

- Determine if the request falls under the protected grounds as set out under the Act.
- Consult with the Union.
- The onus to facilitate an accommodation to the point of undue hardship is on the Employer once an entitlement is established.
- Respect the dignity and privacy of the person requesting accommodation.
- Listen to and consider the needs of the employee seeking accommodation and their suggestions for accommodation.
- Review any evidence the employee seeking the accommodation provides to support the request for accommodation, for example, medical documents.
- Be willing to take reasonable steps, to the point of undue hardship, to accommodate the needs of the person seeking the accommodation.
- Consult with experts as Human Resource staff, Legal services, if more information is needed to assess the request.
- Be flexible when considering and developing options.
- Reply to the request for accommodation within a reasonable period of time.
- Reduce the agreement to writing, and ensure the accommodation is given a fair opportunity to work.
- Follow up to ensure that the accommodation meets the needs of the employee seeking accommodation.
- Provide explanation in the event of a refusal to accommodate, if accommodation is not possible because it poses undue hardship or because of a bona fide occupational requirement.
- Be willing to review and adjust the accommodation agreement if the circumstances or needs change and the agreement is no longer working.

Rights and responsibilities of the Union:

- Determine if the request falls under the protected grounds as set out under the Act.
- Consult with the Employer.
- There is an onus on the Union to assist in facilitating an accommodation once an entitlement is established.
- Respect the dignity and privacy of the person requesting accommodation.
- Listen to and consider the needs of the employee seeking accommodation and their suggestions for accommodation.
- As needed, work with the Employer and the employee needing an accommodation throughout the process.
- Review any evidence the employee seeking the accommodation provides to support the request for accommodation, for example, medical documents.

- Be willing to take reasonable steps, to the point of undue hardship, in accord with the Union authority and ability to act, to accommodate the needs of the person seeking the accommodation. This may include modification to the Collective Agreement if no other reasonable alternative exists.
- Be flexible when considering and developing options.
- Cooperate, to the point of undue hardship, with the Employer and employee in pursuit of an accommodation.
- Reduce the agreement to writing, and ensure the accommodation is given a fair opportunity to work.
- Follow up to ensure that the accommodation meets the needs of the employee seeking accommodation.
- Provide explanation in the event of the Union refusal to accommodate, if accommodation is not possible because doing so poses undue hardship to the Union or other employees.
- Be willing to review and adjust the accommodation agreement if the circumstances or needs change and the agreement is no longer working.

APPENDIX "I"

UTILITY OPERATOR PREMIUM PROGRAM

In an effort to cultivate and enhance a multi-skilled workforce in the Water Treatment, Wastewater Treatment, Wastewater Collection and Water Distribution departments, the Employer and Union do hereby agree to continue the Utility Operator Premium Program (UOPP) under the following guidelines.

Environmental Disciplines covered:

- a) Water Treatment Operators
- b) Wastewater Treatment Operators
- c) Underground Services
 - i. Wastewater Collection Operators; and
 - ii. Water Distribution Operators

Premium: An operator who holds a valid Level IV Environmental Certificate in one Environmental Discipline will be paid a premium, as per the schedule below, for each additional certification obtained and maintained in another Environmental Discipline to a maximum of twenty-four dollars (\$24.00) per hour. The premium is paid in addition to the operator's applicable pay rate on regular hours only.

- a) Level I - \$2.00
- b) Level II - \$4.00
- c) Level III - \$6.00
- d) Level IV - \$8.00

Employees may be required by the Employer to work temporarily in any Environmental Discipline for which they are receiving a premium, subject to the following:

- a) an employee shall not suffer any loss or reduction in wages by reason of the temporary work; and
- b) temporary work shall be limited to a time period not exceeding three (3) months unless otherwise agreed to by the Employer, employee and the Union.

Obtaining and Maintaining Certification in another Environmental Discipline:

An Operator who holds a valid Level IV Environmental Discipline may apply to participate in a rotation as follows:

- a) **Full Rotation** - Means three (3) employees from each of three (3) Environmental Disciplines participating in a rotational work schedule encompassing all three (3) disciplines: Water Treatment, Wastewater Treatment and Underground Services.

- b) **Half Rotation** - Means two (2) employees from two (2) different Environmental Disciplines participating in a rotational work schedule encompassing two (2) disciplines.

A rotation will consist of no less than two (2) participants from different Environmental Disciplines who agree to rotate through operator positions in other Environmental Disciplines, at the applicable pay rate for the operator position they are working in, in order to obtain the hours required for certification in the Environmental Discipline.

In order to enable operators to participate in the UOPP, Wastewater Collection and Water Distribution Operators shall be able to obtain a Level IV certificate notwithstanding it is not a requirement for the operation of the Employer's facilities.

Participation in the UOPP is voluntary. Opportunities will be granted in order of seniority from each Environmental Discipline to those employees who apply to participate in the program. Participation from multiple disciplines is required for a new program rotation to commence.

A full rotation involving all disciplines (Water Treatment, Wastewater Treatment and Underground Services) is preferable. As a general rule, half rotations will be converted to full rotations before additional half rotations are allowed.

Employees who are participating in the program accept that they are committing to an ongoing rotation through the Environmental Disciplines in the rotation in order to maintain the program rotation for all participants.

- a) If an employee ceases to participate in the program, payment of premiums will end as the Employee's certificates expire. If the employee applies to re-enter the program, the employee will be considered the least senior on the list of applicants.
- b) In event a program rotation is interrupted and no new participant from the applicable discipline will agree to join the rotation, the participant(s) displaced from the program will be considered the most senior on the list of applicants if a new rotation is created.

Joint Committee

A joint committee shall be established with the following responsibilities:

- a) assign participants to rotations,
- b) determine rotation schedules,
- c) review compliance with rotation schedules,
- d) review schedules for participants to obtain required Continuing Education Units (CEUs),

- e) review issues that arise in relation to the program and recommend solutions to the Employer and Union.

The joint committee shall be comprised of two (2) representatives of the Employer and two (2) representatives of the Union. One representative from each party shall work in the Water Treatment, Wastewater Treatment or Wastewater Collection and Water Distribution (Underground Services) departments.

Program Administration:

Employees are responsible to maintain valid certificates and provide proof of such certificates as well as any changes to the Employer.

Department Supervisors will be responsible for:

- a) notifying payroll and Human Resources when changes in certifications result in a premium being added or removed. Human Resources will provide the information to the Union;
- b) providing Direct Responsible Charge time to applicable participants in compliance with Alberta Environment and Parks (AEP) requirements; and
- c) granting leave at a time mutually agreed to by the Supervisor and the employee when leave is required to obtain Continuing Education Units (CEUs) in advance of the certification expiry date.

The Employer will maintain records including:

- a) each employee's name, department, certificate levels, renewal dates and internal training records,
- b) Direct Responsible Charge time, and
- c) rotation schedules.

A copy of the information will be provided to the Union upon request.

General Conditions:

- a) Revoked, seized, non-active, expired or cancelled certifications will not be compensated.
- b) Employees who have out-of-province certificates that are not recognized by AEP will not be paid a premium. Out-of-province certificates will be renewed in Alberta in accordance with the regulations of AEP.
- c) Failure to maintain at least one Level IV certification will result in the removal of the employee from the program.

APPENDIX "J"

OUTSOURCING (ALTERNATIVE SERVICE DELIVERY) OR WORKFORCE RESTRUCTURING

Whereas, the Employer has no intent to arbitrarily reduce the Union workforce and the Union and/or the Employer may be able to identify opportunities to create a more effective/productive workforce by pursuing Alternate Service Delivery (ASD) options.

In an effort to address Alternative Service Delivery, Contracting Out and Workforce Restructuring, the parties agree to enhance job security to employees through the following means:

1. Prior to implementing any initiatives that result in a reduction in the number of CUPE employees, the Union shall be notified at least one hundred and twenty (120) days in advance of the implementation.
2. During the one hundred and twenty (120) day notice period, the Union shall have the right to present an alternate business case for evaluation in accordance with Article 22.01.
3. The Employer agrees to make every reasonable effort to transfer or redeploy qualified permanent employees to other vacant positions, rather than implement Article 10 – Lay Offs and Recalls.
4. In the event that lay offs become necessary, all applicable terms and provisions of Article 10 – Lay Offs and Recalls shall apply.
5. The Employer commits to facilitating retraining for laid off employees as follows:
 - a) any laid off employee who is placed on the recall list may apply to the Employer for a retraining grant,
 - b) provided the retraining is in an area that would, in the Employer's opinion, better prepare the laid off employee for redeployment within the RMWB, the Employer shall provide an amount up to seven thousand five hundred dollars (\$7,500) for tuition, program fees and course materials,
 - c) the Employer shall implement a payment schedule based on enrollment and successful completion, and
 - d) the Employer may upon the employee's request or at its own discretion place a laid off employee in an in-house training program to facilitate reasonable and effective redeployment.
6. The parties agree notwithstanding the terms of this Appendix, employees shall retain all rights and privileges otherwise arising from this Collective Agreement including their right to

elect the option of severance pay thereby forgoing all entitlements to this Appendix or applicable terms of Article 10 should they choose not to accept redeployment.
